SPRINGER NATURE

ABOUT KRISTU JAYANTI (DEEMED TO BE UNIVERSITY)

Kristu Jayanti (Deemed to be University), Bengaluru, established in 1999 and managed by the Bodhi Niketan Trust of the Carmelites of Mary Immaculate (CMI), is a premier institution dedicated to academic excellence and holistic development. In recognition of its consistent pursuit of quality and innovation, the college has been conferred the status of Deemed to be University under Section 3 of the UGC Act, 1956, by the Government of India on July 8, 2025. With this milestone, the institution gains greater autonomy in curriculum design, interdisciplinary research, and societal engagement. It was reac-credited with an A++ grade by NAAC in 2021, ranked 34th in NIRF 2025, and holds international accreditation from ACBSP (USA). The institution is also a DBT Star College and recipient of the National Clean and Smart Campus Award. In the India Today-MDRA Best Colleges Survey 2025, Kristu Jayanti was named the Best Emerging College of the Century in Commerce, Science, Arts, and Social Work. Nationally, it ranks 4th in BCA, 11th in MSW, 18th in BBA, 19th in Commerce and Arts, 23rd in Mass Communication, and 26th in Science. In Bengaluru, it holds top ranks including 2nd in BCA and MSW, 3rd in Commerce, and 4th in Arts, Science, and Mass Communication. The college also ranks 8th in Commerce and 7th in BBA for placement, 5th in South India regionally, and 3rd in Mass Communication for best value for money highlighting its academic strength, industry relevance, and student success.

DEPARTMENT OF ECONOMICS

Department of Economics offers B.Sc Applied Economics and Masters in Economics (MSc in Economics). The undergraduate and postgraduate programmes offer a challenging curriculum that contains innovative teaching and evaluation methodology. It ensures that the students are well-trained in computational skills, statistical application, and an in-depth understanding of economic concepts to cope with emerging career challenges. The courses are designed to provide a sound theoretical background in modern economics and equip them with analytical tools and techniques for multi-dimensional economic research. The candidates of economics have a remarkable opportunity to enter the fields of corporate, analytics, academics, and Research Institutes. Department of Economics has been in collaboration with various International and National level academic and research institutions. These collaborations expose the students to cutting-edge research in economics with strong analytical skills. The budding economists of our department are provided with a number of opportunities to build their careers in the field of economics without compromising their ethics and values of the profession.

4TH INTERNATIONAL CONFERENCE ON ECONOMICS, BUSINESS AND SUSTAINABILITY (ICEBS 2025)

The Fourth International Conference on Economics, Business and Sustainability (ICEBS 2025) aims to bring together distinguished academicians, researchers, industry experts, policymakers, and students from across the globe to discuss transformative ideas and innovations. This conference serves as a vibrant platform to share insights, challenge conventional wisdom, and explore interdisciplinary approaches that can shape the future of global trade, economic sustainability, and responsible business practices.

CONCEPT NOTE

The current global landscape is characterized by rapid change—technological advancements, geopolitical realignments, climate challenges, and evolving consumer values. Against this backdrop, ICEBS 2025, themed “Business Beyond Borders: Global Trade, Sustainability, and the New Economy,” focuses on how economies and enterprises can reimagine strategies for long-term resilience, sustainability, and inclusivity.

This conference encourages thought-provoking discussions and collaborative knowledge exchange to explore how innovation, ethical frameworks, and international cooperation can redefine global prosperity.

CONFERENCE THEME

Business Beyond Borders: Global Trade, Sustainability, and the New Economy

This theme underscores the importance of:

- Reinventing global trade for sustainability
- Cross-border business dynamics
- Integrating ESG (Environmental, Social, and Governance) principles into economic frameworks
- The pivotal role of policy, innovation, and ethics in shaping tomorrow's economy

SUB-THEMES

Participants are invited to submit original research papers, case studies, and conceptual frameworks under (but not limited to) the following sub-themes:

- Global Trade & Economics
- Future of Globalization and International Trade Policy
- Geopolitical Risks and Regional Trade Integration
- Cross-Border E-Commerce and Digital Economy
- Sustainability in Business
- ESG Strategies And Corporate Sustainability
- Circular Economy And Responsible Production
- Climate Finance And Green Investment Strategies
- New Economic Models and Digital Innovation
- Digital Transformation and Fin-Tech Revolution
- Block Chain, Crypto Assets, and Sustainable Finance
- Role of AI and Automation in Economic Development
- Inclusive and Equitable Development
- Gender and Diversity in Economic Ecosystems
- Social Entrepreneurship and Bottom-Up Development
- Financial Inclusion and Grassroots Economics
- Policy, Governance and Regulation
- SDGs And Inclusive Policy Design
- Regulatory Frameworks For Sustainable Trade
- International Cooperation for Climate and Economic Resilience

KEY FEATURES

- International and interdisciplinary participation
- Expert keynote addresses and panel discussions
- Indexed publication opportunities
- Networking opportunities with global thought leaders

PUBLICATION

Papers accepted for the ICEBS 2025 after the double-blind peer-review process will be published in the Springer Book Series which are indexed by SCOPUS, Google Scholar, and Springer link with additional publication charges.
