ABOUT THE COLLEGE

Kristu Jayanti College, founded in 1999, is managed by "BODHI NIKETAN TRUST", formed by the members of St. Joseph Province of the Carmelites of Mary Immaculate (CMI).

The institution strives to fulfill its mission to provide educational opportunities for all aspiring young people to excel in life by developing academic excellence, fostering values, creating civic responsibility, inculcating environmental concern and building global competencies in a dynamic environment. The College is affiliated to Bengaluru North University and is reaccredited with grade 'A++' in 2021 by NAAC in the Third Cycle of Accreditation. The college is recognized by UGC under the category 2(f) & 12(B). The College has been accorded Autonomous Status since 2013 by the University Grants Commission, the Government of Karnataka & Bangalore University. In the NIRF 2024, Our college has been ranked 60th place in the top 100 colleges in the country. The programmes of School of Management are internationally accredited by the Accreditation Council for Business Schools and Programs [ACBSP, USA]. The college was accorded 'DBT Star College status under the strengthening component' by the Department of Biotechnology, the Ministry of Science & Technology and the Government of India. The institution received first prize at the National Level for 'Clean and Smart Campus Award' from Shri. Dharmendra Pradhan, Minister of Education, Govt. of India. In the India Today - MDRA survey 2024, Kristu Jayanti College, Bengaluru is consecutively ranked as the Best Emerging College of the Century at National Level for Commerce, Science, Arts and Social Work. At the National level, the survey ranked the college as 4th Best in BCA, 12th Best in MSW, 20th Best in BBA, 21st Best in Commerce and Arts, 26th Best in Mass Communication, 28th Best in Science Programmes. The College is ranked as 2nd Best in MSW, 3rd Best in BCA and Commerce, 4th Best in Arts and Science, 5th Best in Mass Communication and 6th Best in BBA programmes among the colleges in Bengaluru.

ABOUT THE DEPARTMENT

The Mathematics Department offers programs like Mathematics and Computer Science, which combines mathematical theory with computational skills, and Mathematics and Statistics, emphasizing foundational mathematics and statistical techniques. Mathematics is a profound and diverse field that serves as the foundation for numerous areas of human knowledge and activity. It is the language of logic and reasoning, enabling us to quantify, analyze, and understand the world around us. Mathematics encompasses a wide range of topics, including algebra, geometry, calculus, statistics, and beyond, all contributing to its role in solving problems and making informed decisions. It is not only essential for scientific and technological advancements but also deeply integrated into our daily lives, influencing areas like finance, engineering, and even art and music. Through its emphasis on patterns, structures, and relationships, mathematics develops critical thinking and analytical skills, fostering a disciplined approach to complex problem-solving. As a discipline, it remains both timeless and evolving, shaping our understanding of the universe and driving innovation in an increasingly data-driven world.

GENERAL GUIDELINES

- Registration deadline: 9th January 2025
- Registration fee: NIL
- Events will be conducted through virtual mode (online)
- Participant cannot register for more than one event
- Institution ID card is mandatory
- All the events are individual events.

EVENT DETAILS

PAPER NINJAS

- Origami event.
- Participants must use paper and are not allowed to use glue, tape, or other adhesives.
- Each participant is allowed to submit one entry.
- Submissions should include a brief explanation of the design.
- Time limit is 30 minutes.

NUMBER DISPUTE

- Topics for Debate will be provided to the participants one day prior to the event
- Participants are allowed to choose for or against the topic
- Time limit for each participant is 5 minutes
- All arguments should be presented respectfully and professionally

MATH GOT TALENT

- Showcase a unique math-related talent - be it art, music, dance, puzzles, or a unique presentation.
- Participants should keep their presentations within a time limit of 3–5 minutes only.
- Mathematical tools may be used if relevant to the performance.
