<b>Objective</b>	: To uplift the slow learners through Skill Development Training

#### Brief Write up on the Programme:

To enable students to realize the importance of writing research papers at post graduate level, II MA Economics students by Register number 17CO800104&17CO800104, have been sent to present a paper on the eve of Sanshodhan, a national level Research seminar at Christ, on 25/02/19. (Deemed to be University) Wherein they presented the paper effectively and certificated. This activity undoubtedly helps the students to enhance writing skills and research techniques as well.

There must be an adequate encouragement for research activities at Post graduate level, at the early stage of their post graduate studies. Henceforth, students could improve their paper writing skills and are also able to complete their project in a prescribed schedule. The Students have been encouraged by the faculty members to write research papers for the purpose of presentation on a prescribed topic. The students are identified and encouraged by the faculty members to improve their research skills by providing them a proper guidance and suggestions.
