## 5. Governance

### 5 a) Organization Chart and Process

### 5 b) Grievance Redressal mechanism for Faculty, staff and students

As part of our constant endeavor to ensure transparency in all the activities at different stages, College provides proper mechanism to students for redressal of their grievances. This committee will deal with all the Grievances directly which is related to the common problems at Institute level both Academic and Administrative. The aggrieved member shall submit his/her petition to the Grievance Redressal Committee in a sealed envelope marked 'confidential'. On receipt of a petition the Grievance Redressal Committee will endeavor to send its recommendation to the Principal for further action. In case of false and frivolous complaint (if proved), the Grievance Redressal Committee will recommend Principal/ Disciplinary Authority to take appropriate action against the complainant. Complaints dropped in the 'Suggestion Box' by students and parents and oral complaints are also redressed. All complaints are scrutinized by the management and the grievance redressal cell.
