### REPORT ON EXHIBITION

**Title: CREATRIX- Life science Exhibition**

**Date:** 20.12.2016

**Classes Attended:** 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year B.Sc. UG

**Number of beneficiaries:** 152 participants

**Objective:**

- To provide a platform for students to exhibit their creativity through model making
- To improve their interpersonal skills such as teamwork, communication, etc.

**Brief Write up on the Programme:**

**Creatrix**, the Life sciences exhibition is one of the most awaited events of the department. It provides a platform for students to learn and understand theoretical concepts as they are transformed into working or static models. There were about 50 exhibits presented by the students who were grouped into teams of 3. The models were based on various branches of Life science subjects such as Biochemistry, Molecular biology, Genetics, Microbiology, Immunology, Human Physiology, etc. The participants were able to simplify complex concepts into simple understandable models that helped the viewer's get an outline of the topic presented. Topics such as Diabetes, Anatomy of Body Organs, Biofertilizers, Bioreactors, Nervous System, Zika virus, DNA, RNA, etc. were presented. The exhibits also helped convey various applications of basic science in day to day life. The students worked efficiently with inexpensive and waste materials to build their models. They were also able to co-operate and work together as a team. Overall, it was an enriching experience for both the Students and the Viewers.

**Feedback:**

The viewers were impressed with the models and explanations delivered by the participants and were able to learn something new from the experience

### Feedback & Suggestions

**Title: Creatrix Exhibition**

**Date: 18.12.2017**

**Total no of participants: 152**

The feedback from student of various undergraduate programmes was recorded and documented which is maintained in the form of Booklet. A majority of students appreciated the various Scientific Exhibits displayed by the students of Life science department which were found to be creative and informative. Majority of students rated our Programme as Good. Based on the comments and suggestions proposed by students, the organizing committee would improve the conduct of Exhibition in a well-organized manner in the further academic years.

**Title: Environmental Awareness Day 2017**

Date: 23/02/2017

Classes Attended: IV B.Sc. BT & MB

No of beneficiaries: 108

#### **Brief Write up on the Programme:**

The Environment Club of Kristu Jayanti College organized an Environment Awareness program on 23rd February 2017. The theme, 'Let's Nurture the Nature for a Better Future' was portrayed in the form of dance and skits by the students of the Life Sciences Department. The Environment Club of Kristu Jayanti College also organized a poster making competition on the topic 'Global Environment Tomorrow' which was open for the students of all the Departments of the college. The posters were displayed and the exhibition was open to all the students and faculties of the college. Suggestions about environmental protection were collected from everyone who visited the exhibition. The best posters were felicitated with certificates and trophies and all the other participants were encouraged by presenting them with medicinal plant saplings to inculcate the importance of nurturing plants. Let's join hands to conserve and preserve the resources of our nature for our future generations.

**Feedback:** Students gave lot of suggestions for environment protection.
