2. Independence Day Celebration and Orphanage Visit Report

Date : 15/08/2019

Number of Beneficiaries : 170 students

Name and Details of the Chief Guest: Dr. M. K. Baby, Head, School of Management, Kristu Jayanti College

Objectives:

- to instill patriotic feelings
- to sensitize students about weaker areas of society
- to experience the joy of serving and being with the orphans

Brief Write up on the Programme:

Independence Day celebration of Kristu Jayanti College was jointly organised by the Centre for Social Activities (CSA) along with the National Cadet Corps (NCC) and National Service Scheme (NSS). The 73rd Independence Day celebration and flag hoisting reminded and paved a way for honoring the date on which the sacrifice of thousands of Indians paid off and India became independent from the long rule of the British.

Rev. Fr. Josekutty P D, Principal of Kristu Jayanti College hoisted the national flag. The chief guest of the day Dr. M K Baby, Head, School of Management enlightened the gathering about the identity of being an independent country where sovereign power of deciding our destiny rests with us, brings about a huge responsibility on our shoulders, and also the great Indian leaders who sacrificed for our nation.

The Program witnessed the presence of Rev. Dr. Augustine George, Vice Principal, and Rev. Fr. Emmanuel P J, Director JES, Prof. Manjunath S, CSA coordinator, Dr. Sreedhar P D, NSS coordinator, Lt. Sarvesh, NCC coordinator, faculty members of Kristu Jayanti College, CSA and NSS volunteers and NCC cadets.

CSA has a unique way to celebrate Independence Day by visiting orphanages. Under the guidance of faculty coordinators, CSA volunteers donated groceries, daily needs, chocolates, and

sweets for the children of the Home of Faith Charitable Trust. Volunteers spent their time with the children and made them feel that they all are worthy and shared their love, care, and concern for those children. Everyone had a great experience.

Feedback:

Independence Day celebration was overwhelming. We enjoyed the moment of seeing our tricolour flag being hoisted by our chief guest. Patriotism was filled within us and also, we visited the orphanage that made us realize sharing happiness is a sign of the development of a nation. We care and have brotherhood among all the citizens of the country.

17CO1K3204 - Asha. G

The Independence Day celebration was filled with patriotism. All the volunteers from NCC, NSS, & CSA had gathered for this program. It was nice to see our flag hoisted to its heights by our chief guest. We felt proud of being Indian. The celebration reminded our culture, richness, and values our country holds. The orphanage visit added a feather to the celebration.

17CS1K3166 - Dhanpal. R

It's time to pay respect to our nation. Let's think about the prosperity & betterment of this nation. Celebration of Independence Day in our college was a great experience for the flag hoisting. On this day we visited the orphanage and provided them some glossaries and spend some time with them. May this tricolor flag always fly high and higher & touch the sky.

Clean Campus and neighbourhood Drive

Report

Date : 17/08/2019

Number of beneficiaries : 59 CSA volunteers and 165 BCom students

Objective:

- to create awareness among students about the necessity of cleanliness
- to provide exposure to the youth to take part in the cleaning process
- to sensitize the students about environmental issues.

Brief Write up on the Programme:

Centre for Social Activities under Jayantian Extension Service organised a clean campus drive on 17 August 2019 at Kristu Jayanti College intending to ensure cleanliness around the campus in Narayanapura. CSA Faculty Coordinator, Prof. Manjunath S initiated the programme by addressing the volunteers about the need for such an action. 224 volunteers have actively been involved in the clean campus drive. Volunteers have been divided into small groups and were directed to various parts of the campus for cleaning. CSA Coordinators- Prof. Chandrasekhar N, Prof. Minu A, Prof. Ashwitha S, Prof. Ajith P Mathews, Prof. Gisa George, and Prof. Nagarjun guided the volunteers.

Clean campus drive reminded the volunteers of the need for cleanliness and they found it as one of the best lessons that they learned through the CSA activities. The volunteers expressed their experience and promised to share the need for cleanliness out of the campus to the society. Volunteers have taken decisions to take up the responsibility of maintaining and ensuring cleanliness in their respective classes and also creating awareness among other students.

Feedback:

Swatch Bharath drive was one of the good initiatives of CSA as it helped us to be aware of cleanliness and maintaining a healthy environment in our surroundings. The coordination between the seniors and us was good. It was well organized in the college. We all had a good experience.

Prof. Shravani - 19MG3H1047, I BBA(BA)

As there was a session conducted on Saturday on Swacch Bharath in which our CSA team had cleaned the campus, from which we all gained an experience of a clean environment is better for all. It was a good deal as always to have a better environment.

Prof. Steffy Angel - 19CO1K2350, Bcom (B)

Brief Write up on the Programme:

“VRIKSHO RAKSHATHI RAKSHITHAHA!”

“If you protect the plants, plants will protect you”, by honouring this notion, the Centre for Social Activities of Kristu Jayanti College organised “Van-Mahotsav” on 24/8/2019 at K. Narayanapura. The event was organised to create awareness among students about the importance of planting trees. Afforestation is one of the best ways to prevent global warming.

The event started at 1:30 pm. All the volunteers and CSA faculty coordinators, assembled with all the necessary equipment and saplings in the designated place. The students were divided into groups of five students each, to carry on with the task. 117 volunteers participated in planting over 65 saplings. Volunteers joined their hands, under the able guidance of Prof. Manjunath S Gowda, CSA coordinator, along with other CSA faculty members- Prof. Ajith P Mathews, and Prof. Jawahar Kumar.

Feedback:

We truly had a great experience during this event and all of us are thankful from the bottom of our hearts to CSA and our college for providing us the opportunity and for letting us be a part of such an amazing event.

-Aditya, III BBA B, CSA Volunteer.

It was an amazing time for every one part of the event. We were helping life grow on the planet, contributing our share to the environment that was keeping us alive. This thought gave all of us a sense of belonging to nature. The more satisfying thing was, we watered the plants using recycled water. This taught us the importance of not only plants but also all the natural resources on our planet. - Rekha S, I BCom A, CSA Volunteer.

5. Cleaning the neighborhood on “Gandhi Jayanthi” Report

Date : 01/10/2019

Number of beneficiaries : 25 CSA volunteers and 225 BA students

Objective:

- to sensitise society about the need for cleanliness
- to inculcate Gandhian philosophy of Non-Violence

Brief Write up on the Programme:

“BE THE CHANGE YOU WANT TO SEE IN THE WORLD”

Centre for Social Activities of Kristu Jayanti College celebrated the 150th birthday of Mahatma Gandhi on October 1st, 2019. On this occasion awareness program ‘Swachhta Hi Sewa’ was organised on the campus and K. Narayanapura. CSA volunteers at 08:15 am stood at the entrance of the college gate holding placards and banners propagating the importance of a clean and green society. The Swachh Bharat mascot and a student dressed as Gandhiji were the main attraction seeking the attention of students to voice out why a clean environment is necessary. That afternoon, a team called the Swachh Bharat Ambassadors went to the college canteen and the food court to spread the Gandhian ideology of a clean, green surrounding, and society.

Rev. Fr. Josekutty P D, Principal appreciated volunteers for taking the lead. Prof. Manjunath S, CSA Coordinator, Prof. Ajith P Mathews, Prof. Jawahar Kumar, staff coordinator, and the other faculty coordinators of CSA were present. At 03:30 pm, the volunteers and the faculty participated in a door to door campaign, where the volunteers interacted with the residents of K Narayanapura and also visited the K Narayanapura Govt. school to make the children over there understand why we need a clean society.

Feedback:

The programme was motivating and inspiring. The maximum number of CSA volunteers participation gave the programme a different face and it helped to reach out to the whole college.

Maximum utilisation of all the resources available made the programme successful and it created far-reaching influence. It provided people an insight into the cleanliness and the need for a healthy, peaceful, and clean world.

6. Swachh Bharat Abhiyan- 2019 Report

Date : 02/10/2019

Number of beneficiaries : 29 CSA volunteers and 180 BCA students

Objective:

- to create awareness about cleanliness and motivate them to maintain it regularly
- to promote environmental protection and effective use of resources
- to promote and maintain health and sanitation practices among the students

Brief Write up on the Programme:

“A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150th

Birth anniversary in 2019”

- Prime Minister Shri Narendra Modi.

To mark the 150th Birthday of Mahatma Gandhi on 2nd October 2019, the Center for Social Activities of Kristu Jayanti College in association with BBMP, Horamavu ward organised a cleanliness drive. The programme was scheduled between 8:30 am to 11 am. The 209 students and 12 CSA staff coordinators rendered their service in three different venues- a government school, a government hospital, and also the BBMP office. The volunteers enthusiastically extended their service by cleaning the way to their destination while walking.

It was indeed a great tribute to the father of our nation. Volunteer's selfless and dedicated service was well appreciated by the residents of the place and encouraged them for their contribution to keeping the area clean. Volunteers didn't show even a slight hesitation to pick any trash from the road.

Keeping our society clean shouldn't be a single person's or a single day's job. Let's pledge to keep our society clean and make the world a better place.

Feedback:

Swachh Bharat Abhiyan- 2019 has proven to be one of the most committed social activities of this year's CSA programmes. It enlightens us about the need for social service.

Teamwork makes everything possible. The joint venture of all the CSA volunteers to make the immediate surroundings of Horamavu neat and thus creating awareness among the people of the need for cleanliness was successful.

- to inspire the children in creating a garbage-free, plastic-free, and healthy India
- to educate the children about the importance of cleanliness and sanitation through storytelling and various activities
- to build a litter-free campus as well as surroundings
-

Brief Write up on the Programme:

Centre for Social Activities of Kristu Jayanti College in association with **Good Quest Foundation**, Bangalore had organised **NAMMA VISION 150** as a Swachh Bharat Awareness programme on 30th November 2019, at **25 government schools**. The programme aimed to provide cleanliness awareness to the students of government schools. The Good Quest Foundation had planned to organize this programme in 150 government schools through the volunteers of various colleges. Centre for Social Activities accepted visits to 25 government schools in and around college for the conduction of the programme. The event is of a maximum of 1.30 hours duration. Vision 150 is organized with the support of the **Dept of Public Instruction, Govt of Karnataka**. 158 volunteers from the college were participated in the event on the same day, in different government nearby schools. The CSA volunteers could educate the children about the need and importance of personal hygiene and cleanliness through storytelling, poster making, doing action songs, conducting quizzes on hygiene and sanitation, and finally engaged themselves in cleaning the school premises with the children.

Feedback:

The greatest exposure I can receive as a CSA volunteer is to be a part of the Namma Vision 150 Campaign. It provided us an opportunity to take at least a small step to make Gandhji's dream of a Clean India into reality.

*Feeling immensely proud and privileged to be a part of a small initiative towards a huge vision
Even after the college days, I can carry it forward for a safe and clean India.*

Centre for Social Activities of Kristu Jayanti College has organized an Annual Blood Donation camp in collaboration with Rotary TTK blood bank, NIMHANS blood bank, and Lions blood bank on 14th January 2020. Students, administrative staff, and faculty members donated 690 units of blood with great spirit and enthusiasm. The camp was conducted from 9.30 am to 4.30 pm. Fr. Josekutty P D, Principal, Fr. Augustine George, Vice Principal, and Fr. Lijo P Thomas, Financial Administrator and Fr. Emmanuel, Director, Jayantian Extension Services appreciated all the participants in the blood donation camp. Before obtaining the consent from the donor a complete medical checkup was performed to assure whether the donor is physically and mentally fit to donate blood. A consent letter was signed by each donor. All those who donated blood were provided with refreshments and also awarded with a certificate. The team of doctors thanked the management, principal, volunteers, and teachers for their cooperation. The event was concluded by remembering the great words '*DONATING BLOOD IS DONATING*

CENTRE FOR SOCIAL ACTIVITIES

10. Community Education Programme REPORT

Date: 02/12/2019 – 28/02/2020

Number of Participants: 26 CSA volunteers and 131 BCom students

Number of beneficiaries: Children in the neighbouring migrant workers' community in Kothanur.

Objective:

- to eradicate illiteracy from the underprivileged sections to an extent.
- to enlighten the common people through education.
- to make use of the resources for the optimum benefit of society.

Brief write up of the Programme:

Kristu Jayanti College (INDIA) a member institution of the United Nations Academic Impact (UNAI) that has been chosen as the SDG Hub for Sustainable Development Goal 1: End poverty in all its forms everywhere came up with another venture to enlighten the community through education. Centre for Social Activities of Kristu Jayanti College started an evening study centre as part of the new initiative of CSA named Community Education Programme. Intending to eradicate illiteracy among the migrant floating construction workers in Kothanur and empowering them to secure a better place in society, CSA volunteers after their regular working college hours provided supplementary education to children from grade 1-8 in two clusters.

The volunteers through a survey conducted among the community of migrant floating construction workers identified the needy children and formed two clusters for providing them basic education. Most of the parents were illiterate and incapable of helping the children in their studies that affect the children's performance in school and let down their self-esteem which eventually led to the discontinuation of studies.

The programme had a framework of three months duration from December 2019- February 2020 with four slots. In each slot, 30 trained volunteers were handling classes. They were helping out the children to do their homework, to revise the school lesson and in addition to that activities were conducted for the holistic development of children.

The initiative had a great impact which helped to retain the children in school and the dropout rate has considerably reduced. Through this activity, CSA strived to uplift the underprivileged

sections of the society by enlightening them through education and promoting self-confidence among the children.

Feedback:

The joy and satisfaction of social service are experienced from this programme. To get into society and understand their problems and limitations was a new experience for me.

8. Visit to Old Age Home

Date: 02 October, 2019

Place: HOLY CROSS INSTITUTE AND MERCY HOME

Timings: 10.30 AM to 12.00 PM

Participants: 15 NSS Student Volunteers and 146 BCom and BBA students

No of Beneficiaries: 40 old aged people

Theme: Meeting the Societal Needs

Objective of the programme:

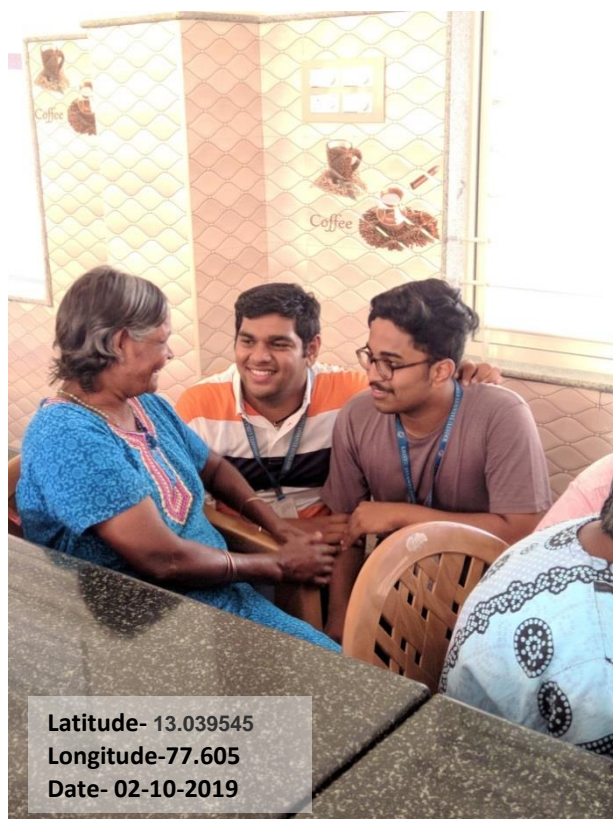

To inculcate the sense of social responsibility and belongingness among the students

Brief write up on the programme:

As a part of the social outreach, our NSS volunteers and B.Com students visited an old age home where they spent time with the senior citizens. Students interacted with them individually and understood the lives of elderly people. They were a bunch of amazing people. They shared their life experiences. The sister who took care of them spoke to our volunteers and also narrated about the situation of the old people. The sisters take very good care of the old people there. After meeting them, our students promised that they will take good care of their parents during their difficult and elderly phase. We also promised them that we would go there another one day with food and a lot of entertainment. Through this visit, we were able to analyse the importance of love and care that is to be shown to everybody.

9. Awareness Session on Waste Disposal

Date: 2nd October, 2019

Place: Cratis Hospital

Timings: 10.30 AM to 12.00 PM

Participants: 15 NSS Student Volunteers and 67 BBA students

No of Beneficiaries: 15 NSS Student Volunteers and 67 BBA students

Theme: Waste Management

Objective of the programme:

To understand how the medical wastes are segregated and disposed of.

Brief write up on the programme:

As part of the social outreach activity, our NSS volunteers and BBA students visited the nearby Cratis Hospital to learn about the disposal of toxic medical waste from the hospital and to create awareness about the same. The following were the queries that were addressed to the staff of the hospital:

Question Asked: How is the toxic waste from this hospital disposed of? What are the methods used?

Answer: Different coloured covers are used to dispose of different kinds of wastes; red, blue, yellow and white. Different wastes like cotton, syringes, etc. will be disposed of in different covers. The BBMP takes all the general types of wastes like plastic, paper, etc. The medical department of the government takes all the medical waste from the hospital.

Question Asked: How often is the waste collected from the hospital?

Answer: The authorities collect waste every day. This usually happens at around 8 in the morning.

Through this interaction, the students got a complete understanding of the medical waste segregation and disposal happening in Cratis Hospital.

Place: Preethi Nivas Trust

Time: 10.30 AM to 1.00 PM

Participants: 30 NSS Student Volunteers and 155 BBA students

No of Beneficiaries: 25 inmates

Theme: Meeting societal needs

Objective of the programme:

To visit the old age home and understand how people feel when separated from their own family.

Brief write up:

The visit commenced at 10:30 AM and went on till 1:00 PM. Almost 30 volunteers actively participated in the activity and could create light moments of joy for the inmates of Preethi Nivas.

The old age home has 25 inmates. One thing common was that they were rejected by their family. Our NSS volunteers spend their time with the members in the home by involving them in various activities like singing, dancing, conducting games etc. we also contributed Rs.1900 to the home to meet their medical needs.

Place: K Narayanapura Cross

Time: 12.00 PM -1.30 PM

Participants: 30 NSS Student Volunteers and 186 UG Computer Science students

Theme: Cleanliness Drive

No of Beneficiaries: 150 Houses

Objective of the programme:

- To create awareness among people on the hazards of the use of plastic and to motivate them towards the use of fabric (cotton or jute) bags.
- To create a plastic-free environment.

Brief write up on the programme:

Plastic pollution is a huge environmental issue as it harms us in more than one way; it clogs drains, causes visual pollution and is proven fatal for stray animals. So, with “BEAT PLASTIC POLLUTION”, the theme for World Environment Day 2018, United Nations (UN) is encouraging worldwide awareness and action for the protection of our environment from plastic pollution. The students prepared various posters showcasing different issues about plastic usage. Utilising these posters, our NSS volunteers addressed the public pointing out the hazards of plastic usage. They also emphasized the use of cotton or jute bags. The program was of great help to the public.

11.Campaign on Usage of Jute Bags to Promote Plastic Free Environment

Date: 09 October, 2019

Place: Kristu Jayanti CMI School, Kannamangala

Time: 8.30 AM to 4.30 PM

Participants: 27 NSS Student Volunteers and 307 BCom students

No of Beneficiaries: 850 families

Theme: Waste Management

Objective of the programme:

To create an awareness among people on the hazards of the use of plastic and to motivate them towards the use of fabric (cotton or jute) bags.

To create an awareness on plastic-free environment.

To distribute the jute bags for more than 850 families.

Brief write up on the programme:

The NSS volunteers started from our College at 8:30 AM and reached Kristu Jayanti CMI School at Kannamangala. NSS volunteers were divided into three different groups and these groups approached different villages around Kannamangala to spread awareness on how to stop the Usage of Plastic Covers. In connection with the above-mentioned objective, our volunteers distributed jute bags to the village and encouraged them to use those bags instead of plastic bags. This programme benefitted about 850 families.

We also conducted social mapping where the volunteers figured out the various resources available to the village residents and also made it available for the villagers to have a glance at it. Apart from these activities, our students have also prepared a case depicting the demographic factors of the villagers. This activity was of great help to the beneficiaries as well as the students as they got to understand how people are living happily without the interference of technology.

Date: 24 January, 2020

Place: Purushanahalli.

Time: 08:30 AM-04:30 PM.

Participants: 35 NSS Student Volunteers and 103 BBA and BSc Forensic Science students

Theme: Health and Hygiene

No. of Beneficiaries: 25 girls and 30 houses in the village

The objective of the programme:

- To organize a screening camp on assessing health status and nutrition needs and provide training to adolescent girls.

Brief write up on the programme:

Adolescent girls constitute to one-sixth of the world's population. In India, the National Youth Policy defines adolescents as 13-19 years. Few studies reveal that the prevalence of thinness was 14% for younger girls and 6% for older girls. 60% of girls in the age group of 15-19 are found to have anaemia. The health of the adolescent is very important which will harm maternal mortality ratio and crude birth rate.

The NSS volunteers and BBA students from three batches joined together for the screening camp activity which took place in Purushanahalli village. The volunteers along with three faculty co-ordinators, Dr. Rubavel Manohar, Dr. Margret Mary and Mrs. Soumya S departed to the village by 08:40 AM. First, the volunteers were taken to Shri Siddaganga Government High School, Purushanahalli Doddaballapura Taluk, Bangalore Rural District. The headmaster of the school granted permission to conduct the camp. The NSS volunteers approached the adolescent girls present at the school for a training session on the values of healthy eating habits and nutritional

values of foods and the right intake of the required meal at the right time. And interactive activities were conducted so the adolescences feel comfortable and active during the training session. The training session on nutritional foods was also conducted to the adolescent age grouped boys at the school. Later the BMI ratio of each adolescent girl was found by taking the height and weight of each person. The results were recorded on a register for future assessment and analysis plans. Post lunch the volunteers went to each house in Purushanahalli to give the villagers awareness on present health issues and the measures that need to be tackled with health problems that may arise due to certain conditions in context to the different age group of people. The volunteers reached back to Kristu Jayanti College by 04:30 PM.

16.Awareness on Organic Farming and Personal Hygiene

REPORT

Date: 27 January, 2020

Place: Ambalagere Village

Time: 09.00 AM- 3.30 PM

Theme: Awareness drive

Participants: 18 NSS Student Volunteers and 102 BSc Life Science students

No. of Beneficiaries: 180 houses

Objectives of the programme:

- To create awareness among people on organic farming and Hygiene.
- Motivate them to maintain Hygiene for a healthy life.
- To effectively participate in giving Organic Farming Plan and Awareness of Hygiene in Ambalagere village by preparing an integrated development plan for the village by using local resources and eco-friendly sustainable technologies to improve the people's standard of living.
- To create a healthy world with the help of organic farming.

Brief write up on the programme:

To achieve the objectives of the Hygienic Awareness Plan and Organic Farming, the team of Kristu Jayanti College NSS & UBA will be following the below steps:

- Doing a Survey and Rally on Hygienic Awareness and Organic Farming.
- Conducting Village survey by using the Unnat Bharat Abhiyan 'Village survey' questionnaire.
- Data analysis of the village survey and based on the results the problems will be identified, the team will develop 'Organic Farming Awareness Plan' and 'Hygienic Development

plan’.

- Organize meetings with various people and students who have the Organic Farming Experience and have come from the farmer background.
- As per the information that has been collected, there is no proper medical attention in the respective. If there is an emergency people should travel at least 1km.
- A lot of villagers lack knowledge relating to sanitary problems.
- The main objective of this activity is providing proper knowledge about hygienic issues.
- On 27th Jan all the NSS volunteers left their regular activity in college and started a new journey towards contributing to society.
- As mentioned before AMBALAGERE VILLAGE was the place where activity was conducted.
- For a more reliable solution questioner was prepared regarding HYGIENE and ORGANIC FARMING.
- There was a minimum of 150-175 houses. We were able to collect 70-80 Responses.
- After collecting responses, it was seen that 90% of houses have toilets attached to them.
- And those toilets were also maintained properly.
- But one thing that was seen was the government has not helped any of the respective villagers for constructing the toilet.
- The construction of all the toilets was self-funded.
- The condition of the village in terms of self-hygiene is good but outside i.e. the surroundings are not good. The sewage system is very bad. The only drawback is this.

17. Survey Related to Health and Hygiene

Date: 29 January, 2020

Place: Purushanahalli.

Time: 09:00 AM-04:30 PM

Participants: 32 NSS Student Volunteers and III BSc CSMS and BBG students

No. of Beneficiaries: 28 School children of age group 4-10 yrs., 70 women and 40 houses

Theme: Health and Hygiene

Objectives of the programme:

- To demonstrate skills, knowledge and behavior enabling children to grow up in caring homes and communities, including schools that are free from violence, abuse and exploitation.
- To educate the women about menstrual hygiene
- To create awareness about the health hazards associated with the use of tobacco.

Brief write up on the programme:

The practice of open defecation, poor personal health and hygiene practices and lack of proper treatment of solid and liquid wastes has a detrimental impact on public health, child mortality, gender equity, environment and economy in rural areas of the state. It is estimated that 88% of the total disease burden in rural areas is due to a lack of clean water, poor health and hygiene practices, improper solid and liquid waste management. While reviewing the statistics about these issues, the following facts were identified.

The findings of the second round of the Global Adult Tobacco Survey 2016-17 for Karnataka revealed that 22.8% of adults in Karnataka about (1.2 crores) which means nearly one in three

men and one in ten women are currently using tobacco in some form. There should be a need to educate and make them aware of the environmental pollution and health hazards associated with the use of tobacco.

Menstruation and menstrual practices still face many social, cultural, and religious restrictions which are a big barrier in the path of the menstrual hygiene management. In many parts of the country especially in rural areas, girls are not prepared and aware of menstruation so they face many difficulties and challenges at home, schools, and workplaces. Inaccurate or incomplete knowledge about menstruation is a great hindrance in the path of the personal and menstrual hygiene management. So, awareness should be created to emphasize the use of reusable sanitary products or natural sanitary products made from materials like banana fiber, bamboo fiber, sea sponges, water hyacinth, and so on.

Crimes against children include physical and emotional abuse, neglect and exploitation, such as through child pornography or sex trafficking of minors. The children are vulnerable to different kinds of crimes like kidnapping, murder, rape, or assault to the modesty of girl child, etc.

There comes the necessity for child and family social services, health and education and communities, schools to demonstrate skills, knowledge, and behaviour enabling children to grow up in caring homes and communities, including schools that are free from violence, abuse and exploitation. The NSS unit of our college has taken the initiative of addressing these societal issues in Purushanahalli Village.

Our NSS student volunteers of three groups prepared posters and skit addressing these issues. Our student volunteers along with three faculty co-ordinators, Prof.Kalyani, Prof. Gladys Agnes, Prof.Santhosh visited our UBA adopted village Purushanahalli, Doddaballapura Taluk, Bangalore Rural District to accomplish our task. The students were divided into three groups.

One group visited Hiriya Prathamika Patashale (government school) and addressed the children from 4 to 10 years of age about the right touch. Our students narrated to the children in detail about the following matters

- About the good touch and bad touch
- Ways to encounter it
- Skit relating to this

- Exhibited posters for better results.

The second group of students visited all women in that village and enquired about their menstrual hygiene. A survey was conducted and about 70 respondents were covered. Generally pointing out that about 40 % of the respondents use sanitary pads and about 60% of the women use clothes. It was also found that they lack this hygiene. Its finally suggested that a medical camp or some awareness campaigns addressing these issues are required to show sustainable development.

The third group of students carrying posters visited each house intending to enlighten the members of the village about the ill effects of using tobacco. Our students covered about 40 houses. But we were surprised to know that about 99.9 % of the people in the village don't consume tobacco.

In short, about three activities were carried out, of which two turned to be a great success.

18. Plastic Waste Management

Date: 03 February, 2020

Place: AMBALAGERE

Time: 10:30 AM-1.30 PM

Participants: 39 NSS Student Volunteers and 72 BCom students

No of Beneficiaries: 100 HOUSES

Theme: Waste Management

Objective of the programme:

- To create a socio-technical model for taking plastic waste management from informal to formal economy.
- To create a plastic-free environment.

Brief Write up on the programme:

- Plastic waste management is a pressing issue in India, especially with the unceasing growth of consumerism throughout the nation. Interestingly, almost 60 percent of the total plastic waste generated in India gets recycled while the remaining escapes into the environment. However, most of this plastic is down-cycled. At this juncture, India needs robust and stringent waste management tools to substantially improve the situation. Plastic Pollution causes huge environmental and health issues as it harms us in more than one way such as it clogs drains, causes visual pollution and proves fatal for stray animals.
- In this regard, NSS volunteers briefed the villagers about plastic reuse and explained to them the harms that nature will face if plastic usage increases. The students were divided into two groups. One visited the primary schools and created an awareness among the

school children and another group visited the households and gave more input on the segregation and reuse of plastic.

2. SOP to Rays of Hope, Hennur, Bengaluru – III BBA

Date: 08/08/2019

Section: III BBA - B Section

Venue: Rays of Hope, Hennur, Bengaluru

No. of Students: 67

The students of Kristu Jayanti were provided with an opportunity to increase their sense of social responsibility through a visit to a local orphanage. As a part of the Social Outreach Programme (SOP), organised by the department of management, 67 students of III BBA B visited an orphanage ‘Rays of Hope’ at Hennur, Bengaluru. Prior to this, about two days before, the students of the class generously contributed approximately 50 rupees each to collect chocolates and a few necessities intended for the orphanage. The students boarded the college bus at 1:45 p.m. and reached the orphanage by 2 p.m. The children at the orphanage were happy to interact with the students and spend the day interacting with each other. The college students who visited the orphanage found the experience to be a very memorable and important one.

Learning Outcome:

The visit to the orphanage helped the students understand the realities of an orphan’s daily life. They gained perspective on the need to aid those who are less privileged than themselves. The students developed a better understanding of their social responsibility towards the under-privileged sections of the society. They were sensitized to the complex issues involving the upkeep and well-being of children who are orphaned due to several circumstances.

3. SOP to Rays of Hope, Hennur, Bengaluru – III BBA

Date: 30/08/2019

Section: III BBA - C Section

Venue: Rays of Hope, Hennur, Bengaluru

No. of Students: 65

An extension activity was conducted as part of the social outreach programme for BBA students who had the opportunity to visit Rays of Hope, a charitable home established for the vulnerable sections of society including abandoned kids, orphans and the elderly. Not only are they deprived of the simple comforts of life, but even basic amenities and essentials like clothes, food and healthcare. The trust had children belonging to different age groups as well as men and women aged above 60.

The residents of the facility were happy to interact with the students. The students had arranged a few programmes to entertain the children and adults which was met with a lot of accolades. The students also made sure the residents participated in singing, dancing and the games arranged for them. The students gifted the children at the orphanage with a few items including chips, juice and chocolates which they happily received. The experience was a memorable one for the college students as well as the residents at Rays of Hope.

Learning Outcomes:

The extension activity helped in sensitizing the students on the several difficulties faced by a certain section of the society who are less privileged. It created a social awareness in the role they play in extending welfare and support to those most vulnerable to being abandoned. The experience made the students appreciate all the resources they take for granted on a daily basis.

4. SOP to Home of Faith Charitable Trust, Bengaluru – III BBA

Date: 26/08/2019

Section: III BBA - D Section

Venue: Home of Faith Charitable Trust, Byrathi

No. of Students: 57

The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society. The trust had children of different age groups ranging from 8 to 18 years. The children were very excited to interact with the students from Kristu Jayanti. The students engaged them in several activities like singing, beatboxing, games and dance. The children posed for a lot of pictures with the visiting students. The students had arranged and bought a lot of items like burgers, chocolate pies, and notebooks for the children.

Learning Outcomes:

Seeing the children with the gifted resources made the students appreciate the copious amounts of things they take for granted. The interaction with the elder residents of the homestead made the students realize the value of their grandparents and old relatives. It was an eye-opening experience for the BBA students as they were exposed to a section of the community which they had not been aware of earlier. The extension of welfare acts from the students helped them become sensitized to the difficulties faced by the less privileged in the society.

5. SOP to Trithwa Ashram, Bengaluru – III BBA (Business Analytics)

Date: 29/08/2019

Section: III BBA (Business Analytics)

Venue: Trithwa Ashram, Thanisandra Main Road, Bengaluru

No. of Students: 53

Thritwa Ashram is a home for destitute women run by Sr. Miriyamma. The inmates of Thritwa Ashram are women who are differently-challenged and are on daily medications. These women are brought from streets, railway stations and need rehabilitation. All these women live like a family, and the sisters take good care of each of them.

The sisters who run the ashram guided the students. They informed the students that the women are usually brought to the ashram from streets, railway stations, etc. as they are usually found abandoned by their families because of their mental condition. Social awareness and general sensitization on the issue were given to the visiting students who understood the need and importance of the work done by the sisters at Thrithwa Ashram.

Our visit there was an unforgettable lesson. There we learnt more about true life and sharing and caring. There were around 45-50 inmates in the home. They were all middle-aged women and above. Their physical condition was quite good. Many recreational facilities were available to them and these facilities were properly used by them. However, all of them were lonely and craving for love and affection. We spoke to them, shared our love and we sang songs for them and danced. The care shown to them by the sisters was indeed inspiring.

Though the time spent with them was just a few hours, however, it taught us the lesson for a lifetime. It was a mutual feeling of love and warmth. We, the students of III BBA BA, are grateful that we got this opportunity, to spend time with such beautiful souls, and bring a smile on each one of their faces. The donations we brought for them did not matter to them, as much as our time and love did. It was a beautiful experience. And, it definitely made us thankful for everything we have in life, and, how we must never take them for granted.

According to Shakespeare, old age is the age where the person behaves like a child again, and rightly so, we witnessed the same. The women were very compatible and friendly. They treated us with their beautiful smiles and didn't reflect their problems even for a second. To break their monotony, our students prepared some performance. And, to our surprise, few of the women, got up to dance with them. They all had a joyous time, and danced to their heart's content. Before leaving we had few student representatives to speak to the women in different languages (as they all belonged to different cultures), thanked them, asked them if they enjoyed, and they were all so buoyant. While we were leaving, they all told us to make sure we visit them again.

Learning Outcomes:

The outcome of the extension activity was more intangible than materialistic. It was the smiles and many blessings the elderly had given to the students in return of their gestures to build a more humane relationship amongst all people irrespective of age, religion and cultural background. The students' participation in the welfare and care of the destitute women at the facility provided them with the awareness of social responsibility and their duty towards the less privileged in the society.

6. SOP to Home of Faith Charitable Trust, Bengaluru – III BBA Aviation Management

Date: 23/08/2019

Section: III BBA - Aviation Management

Venue: Home of Faith Charitable Trust, Byrathi

No. of Students: 58

The third semester BBA students of Kristu Jayanti were provided an opportunity as part of the social outreach programme to gain a better awareness and social sensitivity to the plight of the underprivileged in the society.

The students started at 1:45 p.m. and reached the facility by 2:10 p.m. The place had children and teenagers of the age groups between 4 to 18 years. They were welcomed by the caretakers and it was followed by a felicitation from the volunteer of the trust. By this time everyone was hungry and lunch was served to each one of them. The students had prepared some activities and fun events for them which included games, dancing and singing. It was really an overwhelming experience for both the college students and the children at the orphanage. The students

contributed to the welfare and upkeep of the orphans and distributed snacks, stationery items and gaming kits.

The visit to the orphanage not only showed the students the ugly truth of life, it also made them aware of the social responsibility and duty they have towards the less privileged children.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the orphans inspired a social consciousness in the college students.

Date: 19/08/2019

Section: III BCA B AND I BCA Students

Venue: Home of Faith Charitable Trust, Kothanur, Bengaluru

No. of Students: 87

The students of III semester BCA B and I BCA were part of the social outreach programme which was held to sensitize students to the social realities of the underprivileged sections of the society. The group of 87 students accompanied by their class animators started at 1:45 p.m. and reached the NGO by 2:15 p.m.

The place had children of all age groups. They started by explaining to the coordinators and residents of the NGO the purpose of the visit. The children residing at the NGO were given a chance to showcase their talents. One such was, Sanju, who displayed his impressive talent in beatboxing. The session was wholly interactive and fun. There was a music session which had three programmes in it. One of the students sung a song. Another one was sung along with a guitar. The last one performed beatboxing. In this programme, Sanju competed with the performer. There was a dance performance by the students. The children were taught the basics of beatboxing and taught dance movements for a song.

The children were made to play different games between each entertainment programme. They were made to blow up balloons and burst them. The children loved the guessing game the most. One child in a pair wore a headset with music playing in it while guessing the word the other was saying. They enjoyed the thrill they got from playing it.

Learning Outcome:

Spending time with the children at the NGO reminded the students of Kristu Jayanti to be more socially aware and responsible. The visit was an orientation for the students in learning to empathise with the underprivileged and practice social extension campaigns to benefit those around them.

10. SOP to Holy Family Home for the Aged, Bengaluru – III BCA

Date: 23/08/2019

Section: III BCA – D Section

Venue: Holy Family Home for the Aged, Bengaluru

No. of Students: 57

Kristu Jayanti students from the department of Computer Science III BCA - D visited the Holy Family Home for the Aged, a place for the poor and the homeless. Amongst the people were those abandoned by families, those with irreconcilable and intractable family problems, those brought in by families for professional care and others picked up around the town. 60 elderly women were being taken care of by St. Anne's nuns. Some of them included the elderly and physically or mentally challenged who have been abandoned by their families and society. This

social extension programme was conducted to sensitize the students to the social issues faced by the abandoned and homeless in the society.

As we know, the most terrible poverty is loneliness, and the feeling of being unloved, our visit to Holy Family of Faith was to reduce this loneliness and bring some happiness and joy on their faces and to make them forget their sorrows of not having their loved ones around them, at least for a day. There were about 70 inmates in the home. All of them were in the age group of 50 and above. They are all financially and physically dependent on their family or on charity. Not only they are deprived of love but also simple basic amenities of life such as food, healthcare, soaps, other groceries etc. They need empathy more than sympathy. Not everyone's physical condition was good. They need action and also require help from people like us. It has been a few years since the institution has taken great responsibility, elderly women of different age groups and different places are living in the home.

It was an opportunity for us the students to share joy and peace with the old people. The students were able to learn more about true life, sharing and loneliness and the feeling of helplessness. We started at 1:40 pm and reached the home by 2.00 pm. They had just completed their regular small nap. The place was very hygienic and comfortable. However, all of them were lonely and craving for love and affection. In the beginning, we interacted with the people personally over there, shared our love and thoughts. Some of them even broke into tears. They seemed to be very happy when people talked to them and showed care and affection towards them. We started with the welcome speech carried on with the group song to cheer them up. They were all motivated and happier to see us performing. Meanwhile, other students spoke to the gentlewomen who were physically unable to come downstairs and involve themselves in the program. Later there was a small balloon activity lined up for them. This rejuvenated their drooping spirit and filled the old hearts with joy and content. Soon later there was a dazzling dance performance made up for them by the girls. Next, there was a game lined up for them called dumb charades, that we played opened the invaluable treasure of old evergreen movies, and songs treasured by the grannies. A grandma of age 68-70 with lots of enthusiasm sang a Kannada song and entertained the whole crowd. At the end of this irreplaceable journey, everyone danced to their full potential, and captured a few pictures, making the get-together a magnificent memory to behold in everyone's memories.

The students performed several entertaining programmes as part of their welfare extension activity and also interacted with the residents. The elderly inmates seemed to be very happy when people talked to them and showed care and affection towards them.

Learning Outcomes:

Spending time at the NGO reminded the students to be more socially aware and responsible. The visit was an orientation for the students in learning to empathise with the underprivileged and practice social extension campaigns to benefit those around them.

11. SOP to Thrithwa Ashram, Bengaluru – III BSc CSME, I BCA

Date: 16/08/2019

Section: III BSc CSME and I BCA

Venue: Thrithwa Ashram, Bengaluru

No. of Students: 81

The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society. The visit to the Thrithwa Ashram as part of the social extension activity further enriched the student's understanding of the social issues faced by the less fortunate individuals in a society who are abandoned or destitute. The students were downcast by the sight of them being disabled when they could have had a better life. They engaged them in activities such as singing and dancing.

They entertained us much more than we ever could and the most surprising part was when we heard Nagendra Sir singing for the first time, dedicating a song, especially for them. The experience for us was inspiring for the students.

It was easier for us to interact with them as few of us knew Malayalam, which was the commonly spoken language there. We also had a couple of entertainment programmes presented to them.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the orphans inspired a social consciousness in college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

12. SOP to Alamba Charitable Trust, Bengaluru – III & II B.Sc (PMCS & PME)

Date: 13/08/2019

Section: III and II BSc (PMCS & PME)

Venue: Alamba Charitable Trust, Dodda Gubbi, Bengaluru

No. of Students: 65

A social outreach programme was arranged to sensitize students to the social realities of the underprivileged sections of the society. The visit was made by the students to Alamba Charitable Trust.

Alamba Charitable Trust enables youth with disabilities. They provide them with an opportunity to get an education and provide them with a livelihood. They took up a challenging venture to give relief to those who have been abandoned and instead provide them with hope for a better future. It has been 15 years since the institution has been carrying out this great responsibility.

We were introduced to every member of the house and were split into three groups in order to have better interaction. Meanwhile, we were asked to prepare a two minutes skit themed on differently-abled people.

Learning Outcomes:

Spending time at the NGO reminded the students to be more socially aware and responsible. The visit was an orientation for the students in learning to empathise with the underprivileged and practice social extension campaigns to benefit those around them.

13. SOP to Trithva Ashram, Bengaluru – III B.Sc CSMS & I BCA

Date: 28/08/2019

Section: III BSc CSMS & I BCA

Venue: Trithwa Ashram, Bengaluru

No. of Students: 78

The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society. The visit to the Thrithwa Ashram as part of the social extension activity further enriched the student's understanding of the social issues faced by the less fortunate individuals in a society who are abandoned or destitute.

The concerned authority told us that these people who were dumped in the railway stations, roads, etc. were brought to them by the police. She went on to say that the place was facing a shortage of essential things because the number of people there had outnumbered the maximum limit.

We engaged them in activities such as singing & dancing. Though we were strangers to them, we made sure we give love as a family. The experience for us was humbling, as we have seen people who have nothing, still able to smile and on the other hand we students always seem to find things to complain about in our lives. At first, it wasn't so easy to get them to interact with all of us. We also had a small entertainment programme presented to them. And towards the end, we were surprised to see many of them dancing with us even calling out our students to dance with them. Later, they sang songs and got comfortable with everyone. All of them were happy and excited to see the students visiting them and helping them in every way we could. We asked them to share some of their experience with us and they spoke very emotionally about it. Before we left, we gifted them and took many pictures. As we left, they asked us to visit them once again. They all were very happy about the visit made by us.

Learning Outcomes:

The students were given a comprehensive understanding involving the welfare and well-being of the aged individuals in a community. They were made aware of the social responsibility that they need to have towards such sections of the society.

14. SOP to RVM Humanitarian Home, Bengaluru – III BA JPEng

Date: 28/08/2019

Section: III BA JPEng A

Venue: RVM Humanitarian Home, Chikka Gubbi, Bengaluru

No. of Students: 60

The students of III BA JPEng A took part in the social outreach programme arranged for them, in order to sensitize students to the social realities of the underprivileged sections of the society.

The concerned authority told us that the residents of the facility were dumped on the railway stations, roads, etc., and were subsequently brought to them by the police. She went on to say that the place was facing a shortage of necessities because the number of people there had outnumbered the maximum limit. This experience was definitely an eye-opener for each one of us as college pupils. We, the BA JPEng students are so blessed and lucky to have been a part of this wonderful programme and would be extremely glad for more opportunities like this. This experience helped us learn so much about the life and struggles of the disabled, mentally challenged, and elderly, and the difficulties they face in their day to day lives.

From the moment we stepped into the facility, we found that the members were easy to interact with. We provided a variety of entertainment in the form of singing and dance performances. Although they were shy when we started, soon we had them dancing with us to hit Bollywood songs, enjoying themselves like they were at a festival. A few of them even felt comfortable enough to sing for us. They were all happy that we were there, thankful for the interaction and memories that were made. Some of them even spoke to us about their very own experiences.

Although it was emotional at times, we cherished what they had to say the whole time. As we left, we thanked them for accommodating us. They were also happy about our presence. They requested us to return whenever we pleased. We may have gone there as part of a social outreach programme. We left with a gratitude and appreciation of our lives that we didn't have before. We left the centre with the knowledge that disabled or not, people are still fundamentally people.

Learning Outcomes:

The students were given a comprehensive understanding involving the welfare and well-being of the destitute individuals in a community. They were made aware of the social responsibility that they need to have towards such sections of the society.

15. SOP to Guanella Preethi Nivas, Bengaluru – III BA JPEng B

Date: 29/08/2019

Section: III BA JPEng B

Venue: Guanella Preethi Nivas, Bengaluru

No. of Students: 58

The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society. Guanella Preethi Nivas, is a charitable institution under the registered society (The Guanellian Society, No. 121/87). It aims at serving the poor and needy people especially the aged and orphans. At present in this locality of Geddalahalli Hennur region it exercises charitable activities in various ways possible such as Don Guanella Home for the Aged, Guanella Oratory for Children, Guanella Youth, Guanella Tuition Center (boys and girls) and Open House Ministry for the Aged People.

“We do all these types of charitable activities only with the help of the local people and above all with the bounteous help of God, the Almighty,” said Rev. Fr. Peter Sebastian as he started to address with his speech, introducing us to the Preethi Nivas House. As his speech went on, we were all touched by his words about how every one of them has a story to share about what these innocent people have gone through. He went into telling how the methods of the Guanella house were different from that of Mother Teresa’s nursing since at the Guanella house they concentrated on rehabilitation and therapy, given to the inmates and not just care and love.

Finally, he thanked us all for making it to the institution with a handful of help and blessed us all for our outreach. We all started off our interaction with a bunch of musical performances and welcoming them all. It was a heartwarming sight to have seen them all clap their hands and tap their feet to the songs, and then we later played music and slowly invited them all into a wonderful hour of dancing and prancing around and just having a lot of fun with them all. When all of us got tired, we all got around in the auditorium, sat down, went around speaking to all the inmates which left us all with heavy hearts after listening to their struggles and ill fortune they went through.

Time passed by in a flash and it had already been 4:30 p.m. It was time for us to leave. With smiles all around and warmth from every single person, we bid adieu and thanked them for the opportunity they gave us in helping them and letting us make a short and beautiful memory in their lives which both us and them, would be able to cherish till the end.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the residents at the facility inspired a social consciousness in the college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

16. SOP to Trithva Ashram, Bengaluru – III BA JPCs

Date: 07/08/2019

Section: III BA JPCs

Venue: Trithwa Ashram, Thanisandra Road, Bengaluru

No. of Students: 54

The second-year students of BA JPCs visited Trithwa Ashram – a home for the destitute women run by The Friends of Birds of Air on 7 August 2019. This visit was a part of the social outreach programme organised by Kristu Jayanti College for its students. The students donated groceries

and basic necessities to the ashram. The class had collectively worked on this trip in collecting the money and gathering all the items for the visit. The students were first taken to the chapel in the ashram for a prayer. They were then sent to the housing room in the ashram where all the 40 inmates were seated. Maria Johnson took the role of the host for the evening and helped bridge the language barrier. The students had arranged a few events to entertain the inmates.

The first performance by Sanjana and group who sang a medley of songs in various languages. This was followed by a solo by Christine Brills, a solo dance by Sampurna Nag and a group dance by Anurupa and group. The students had also organised events like 'musical chairs' where the inmates could take part in. The event later transitioned into an unfurled dance floor where the enthusiastic students Kenneth and Justin among others and the inmates enjoyed together. Students also distributed home-made cakes and refreshments to the inmates and enjoyed the joy of sharing. The event settled with a vote of thanks from the class animator Ms. Anju and a thanksgiving song rendered by Ms. Selvi.

Learning Outcomes:

- The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the inmates inspired a social consciousness in the college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.
- The visit to Ashram made students realise the fortune they were blessed with in their life.
- The hours spent with the inmates helped them understand the importance of the act of kindness, and to carry forward the message of love and happiness.

17. SOP to Guanella Preethi Nivas, Bengaluru – III BA JPsEng

Date: 19/09/2019

Section: III BA JPsEng

Venue: Guanella Preethi Nivas, Hennur Road, Bengaluru

No. of Students: 52

The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society. Guanella Preethi Nivas, Home for the Elderly, situated on the Hennur road is such a place that provides shelter and care to many elderly and mentally challenged men. The home houses 25 such individuals who have been physically and emotionally deprived of their blood relatives. The institution has its branches in all the southern states of India and is mainly based in Italy and run by the Servants of the Charity and Guanellian

Fathers. The elderly home is active since two decades and the Fathers believe in sharing the sorrow of the shelter residents. Once inside the premises the students were welcomed by a particular resident Mr. Prassanna Kumar who suffers from amnesia but is overly energetic and witty. The head of the shelter home was overwhelmed by the students presence and was happy to see the college youngsters. However, all of them were lonely and craving for love and affection. The students interacted with them and lent their ears to their everyday struggles. To break the ice and change the mood of the residents' students performed to various popular songs to which the men of the home took part actively. They shared their sadness and personal stories with the students. The care shown to them by the workers at the home was indeed inspiring. Though the time spent with them was just a few hours, the students had a memorable experience.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the residents inspired a social consciousness in the college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

18. SOP to Rays of Hope, Bengaluru – III BA JEEng & EPS

Date: 18/09/2019

Section: III BA JEEng & EPS

Venue: Rays of Hope, Hennur, Bangalore

No. of Students: 55

The social outreach programme aims to encourage the participation of the students in social development work and collaborate with community-based organizations and institutions in their efforts to promote a just, loving, equitable and humane society.

Rays of Hope (ROH) is an indigenous humanitarian NGO found in 2012 by Mr. Gracia Alexander and Mrs. Annam Alexander in Bangalore. The forgone love and rights from a young age led to a strong vision that the left out and the orphan should be given love in all forms and opportunities to life and a reason to live in the world and this becomes the sole reason for the formation of ROH. ROH believes in giving quality and the best service to the children and the elders in the form of food, education, clothing, shelter and comfort.

The students of BA EPsS joined with BA JEEng to visit 'Rays of Hope' home. We had conducted 'passing the ball' game with the elderly people living there. Some of the students sang some songs, danced and showed some of their talents to entertain them. Later they introduced themselves and shared some of their stories and also the reason they like to stay there. Even though children also live there we couldn't meet them as they had exams.

Learning Outcomes (Feedback):

I think it's a great experience for me. I learned the way to keep our elderly people happy and I also learned how old age people suffer because of their children or relatives. And I hope I don't become that kind of person to treat elderly people in a bad way. But rather I hope I can be a blessing for others. I also learned how elderly people need love and support and how little things make them happy. **Nian Nunching**

Its great to see how much people have been working and sacrificing their lives to give others a 'LIFE' and in contrast to that, it's sad to see and hear the stories of the old ones who were there... Anyway, it's how life goes for some, so... What can we do? except helping those in need in any way possible and make someone else's life better... The SOP by our college KJC is a really great opportunity for us students to understand the other side of life and I really appreciate the College management in promoting such programmes. **Lalroltulanga MC**

Actually, after a while, I'm visiting a place like 'Rays of Hope'. Here I heard different stories of struggles, pain, hardship, etc. Their stories were very emotional. It also taught me that living our life is not so easy. By this, we could learn many lessons of living our life. When we see them we automatically feel to be with them, talk for a long time and have fun with them. Though we spent about 2 ½ hours with them I felt like it's neither enough for us nor for them. While leaving the home, they blessed us. But a grandfather's words touched me. He said that we are a gift of God for them. That broadened my smile inside and outside. I wish that our college continues to conduct this program as it teaches the students that life isn't only with happiness but with sadness too. We may have to face many situations which may even break our heart. But we should stand still, overcome it and live our life. This program will also help in strengthening the minds of students and also develop their social interaction skills. More programs like this will be appreciated. **Jeson J Thomas**

It was a great experience for me. By hearing their stories, I understood that every individual has some tragic story that they have come across. But then we will have to overcome it to go further in our life. We had lots of fun by having games like passing the ball and singing some songs. It was also good to interact with them. After this, I feel to visit them again. **Pranav Nair**

19. SOP to Rays of Hope, Bengaluru – III BA HEP & HTJ

Date: 12/09/2019

Section: III BA HEP & HTJ

Venue: Rays of Hope, Hennur, Bangalore

No. of Students: 60

As a part of the social outreach program, the students of III BA HEP & HTJ had the chance to visit an orphanage and old age home. For many of them, it was a first time experience, going to a place like that. They were nervous initially to start a conversation with people there, but after a while they found themselves conversing with the inmates as they knew them for ages. They sang, made them play games and made the children dance. But the interesting and unique part was that few of the students planned to put ‘Mehandi’ for the aged ladies, which touched their hearts and were very happy for the same. The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society

“We learnt many things from those kids and elderly people. The kids taught us this one beautiful thing which could make us lead a happy and a great life if we follow the same, which was that “happiness is a state of mind”. It is all in our minds to stay happy or stay in sorrow all the time. We have got lucky enough to more things and more people in our lives than they do, but we are not happier than them. The elderly people had very luxurious and lavish lives in the past but now they have nothing but the home they are staying in and god, as they told us. So this sparked our minds telling that however you lead your life, in the end, or on the journey towards the end you carry nothing and ‘Nothing is permanent in our lives’.

The students gave the kids fancy water bottles with colourful pencils and crayons and the elderly people were provided with good blankets by the group. The students also gave them a set of carrom boards with its strikers etc for which they were very grateful.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

20. SOP to Sisters of Mercy of the Holy Cross, Bengaluru – III BSc BT

Date: 27/08/2019

Section: III BSc BT

Venue: Sisters of Mercy of the Holy Cross, Kothanur Bengaluru

No. of Students: 54

Holy Cross Old Age Home, a home for all the homeless and abandoned old women. They come from decent families but are put in this place by their children who feel it a burden to take care of their mothers. Most of the residents are single and some are separated from their husbands. Most of them are physically fine though weak because of age, while some are handicapped and need support of walking canes. This old age home is handled by Catholic sisters who patiently and whole-heartedly have been serving them for years now. The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society.

We started with some interactions and spent quality time talking to each person individually, listening to their pitiful condition, consoling and comforting them. Many of us were in tears when we heard their life story about how their children dumped them here and never returned.

We went on with dance performances and eventually a few of them got comfortable and began to dance along with us.

It was a great pleasure to see such joy and laughter on their faces. One of the women sang so beautifully. Further, we played a small game and sang for them. We winded it up with a lovely photo session and a vote of thanks given by a few students and our class animator during which one of the old women stood up and thanked each of us. The sisters were happy for having spent time with them. This was great exposure for each one of us; it made us understand the harsh realities of life. We left the place with gratitude towards our parents and the thinking of how blessed we were. It taught us the struggles and challenges people go through. It was a moving experience and a great memory for each one of us. We are very grateful to have such an opportunity and we would be glad to have many more opportunities like this.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the elderly inspired a social consciousness in college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

21. SOP to Sisters of Mercy of the Holy Cross, Bengaluru – III MSc MB & BT

Date: 26/08/2019

Section: III MSc Microbiology and Biotechnology

Venue: Sisters of Mercy of the Holy Cross, Kothanur Bengaluru

No. of Students: 52

“Being unwanted, unloved, uncared, for forgotten by everybody, we think that is the much greater hunger, much greater poverty than the person who has nothing to eat”

Holy Cross Old Age Home is a safe home for the destitute women. As a mark of the Jubilee year in 2006 the Province started the Mercy Home for destitute women who are neglected from their families. There are nine sisters in the community, four postulants, four student candidates and two pre-candidates. At present there are 24 women under their care. It is very clear to all who visit an old age home that, all the inmates are there, not for the love of being away from home and independent but, because there is no better alternative left for them once they are neglected and unwanted in their homes by their own children. The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society.

We started from College at 10:30 am and reached there by 10:45 am. The students were greeted by Sister Lucy, the caretaker of the organization and gave an insight about the organization and services offered to the elderly and young. The session began with a prayer song, and the inmates were asked to introduce themselves to the students. We engaged them in activities such as singing & dancing. The students interacted with them, to listen to what they had to say and they also felt happy and some were emotionally moved by the presence of the students. They were entertained well by the programmes conducted by the students.

The visit to the old-age home was a true fulfilling experience to the students and the interactions with the inmates indirectly advised them to take care of their parents and to help the poor and needy in the society.

Outcomes:

The students were given a comprehensive understanding involving the welfare and well-being of the destitute individuals in a community. They were made aware of the social responsibility that they need to have towards such sections of the society.

22. SOP to Guanella Preethi Nivas Old Age Home, Bengaluru – III BSc MBG & I BCA

Date: 09/09/2019

Section: III BSc MBG and I BCA

Venue: Guanella Preethi Nivas Old Age Home, Bengaluru

No. of Students: 77

A social outreach programme was held to sensitize III BSc MBG and I BCA students about the social realities of the underprivileged sections of the society. Visiting Guanella Preethi Nivas was an honor and a blessing to all the students.

This home was filled with old homeless men. They all come from decent families but were put in old age homes by their children who feel it a burden to take care of their father. They all had led very successful lives but everything had changed. There were a total of 25 old men out of which few were physically challenged. This old age home was served by a few priests.

We left college by 10:25 a.m. and reached the old age home by 10:50 a.m. After which all the old men were called down to assemble in the auditorium. Everybody assembled there with great enthusiasm. Fr. Peter first addressed the gathering and introduced all the people in the old age home. And he also spoke a little about the organization and the funding agents. His words pierced through our hearts which taught us unforgettable lessons.

After hearing his heart-touching words students started on with few cultural events like singing, dancing and motivational talks. People in the old age home also joined the dance team which set the stage on fire. The energy which they had left us amazed. It was a great pleasure to see such joy and laughter on their faces. One of the men from the old age home sang so beautifully which few others spoke their heart out to enlighten the minds and hearts of youngsters.

This was great exposure for each of us, it made us understand the harsh reality. We left the place with gratitude towards our parents and the thought of how blessed we are. It taught us the struggles and challenges people go through.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the elderly inspired a social consciousness in the college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

23. SOP to Guanella Preethi Nivas Old Age Home, Bengaluru – III B.Com

Date: 27/09/2019

Section: III BCom - A

Venue: Guanella Preethi Nivas Old Age Home, Bengaluru

No. of Students: 70

“Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.”

The objective of the programme was to make students aware of the life in an old age home. Not everyone is blessed with a loving and caring family, some people have been abandoned by their family. Understanding the intricacies of old age is essential to one's growth. Students must be aware of the harsh reality of this society.

In Kristu Jayanti College we believe that the society in which we live, is the most important element, and students are collectively and individually encouraged to be responsible and do their best part for the welfare of the society. One such program is the Social Outreach Programme, where the entire section of a class visits various NGOs like orphanages, old-age homes, and children's homes to extend their support in the best possible way. The students of third semester B. Com, Section A, under the guidance of Dr. Reenu Mohan conducted a Social Outreach Programme (SoP) by visiting the Preethi Nivas Trust.

Students conducted fun games for elderly citizens and had interactive sessions. There were performances by students as well as the resident. Preethi Nivas is an old age home for those who are abandoned by their families due to various reasons. Don Guanella Home for the Aged has been a home since 2007 for the abandoned people who have no one to care for. In this home, 25 elderly residents are given nutrition and medical care. This programme is run with the help of nearby people

Learning Outcomes:

This was a meaningful day for each one of us. Hope this programme inspires many to conduct and organize such programmes in their capacity.

24. SOP to Guanella Preethi Nivas Old Age Home, Bengaluru – III B.Com

Date: 23/09/2019

Section: III BCom B

Venue: Guanella Preethi Nivas Old Age Home, Bengaluru

No. of Students: 66

Guanella Preethi Nivas Old Age Home was started in the year 1885 for the elderly people and they were 25 in number. Most of them have families but have been abandoned by them. The session was started by Father Peter who gave us a brief explanation about the home and its functions in general. He enlightened us with the various services rendered by the home to its inmates. They had organised a programme for us. It started with a few prayerful songs that were beautifully sung by Mr. Bosco (an inmate). He, later on, sang songs in different languages such as Kannada, Tamil and Hindi.

This was followed by a welcome speech by Mr. George Prabhakar who emphasised on the importance of taking care of parents especially during their last stages, our future and also spoke the true nature of our country, for which we can never forget the following statement he made- "The rich are getting richer and the poor are getting poorer." Father Peter, who manages the home introduced each member of the home. Life Stories of the following persons were shared with us: Mr. George Prabhakar, Mr. Achan, Mr. Kumar (Former captain of Indian Football Team), Mr. Joseph, Mr. Melvin, Mr. Krishna, Mr. Benny, Mr. Bosco, Mr. Garry, Mr. Kumar, Mr. Rajan, Mr. Rajashekar, and Mr. Kumar.

The students then entertained the members. The programme started with a beautiful rendition of group songs by our students in English and Hindi. Captain Kumar also joined the students in the beautiful rendition of popular old songs. After the group song, a game of musical chair was

played by both our students and the members of the home and was greatly enjoyed by them. The winner at the end of an intense competition was Mr. George Prabhakar. There were certain people who weren't able to walk, so in order to engage them too in activities, a game of 'passing the ball' was played next where the participants had to pass on the ball to the next person while the music was playing and once the music stops the person with the ball in hand must sing, dance or do anything of their choice and exit the game. This also provided a great opportunity for the students to know the inmates better.

To conclude, class animator Prof. Aneesha gave thanks and spoke a few words of appreciation and affection towards the home and the residents on the whole.

Learning Outcomes:

The students were given a comprehensive understanding involving the welfare and well-being of the destitute individuals in a community. They were made aware of the social responsibility that they need to have towards such sections of the society.

26. SOP to RVM Humanitarian, Bengaluru – III B.Com

Date: 25/09/2019

Section: III BCom D

Venue: RVM Humanitarian Home, Chikkagubbi Village, Bangalore

No. of Students: 67

The objective of the programme was to provide assistance to the underprivileged and contribute to their integral development within the capabilities of the institution in order to meet their day-to-day and psychological needs, further to sensitize the students about the realities of the society and to develop people-oriented attitudes and concern for others. In Kristu Jayanti College we believe that the society in which we live, is the most important element, and students are collectively and individually encouraged to be responsible and do their best part for the welfare of the society. One such program is the Social Outreach Programme, where the entire section of a class visits various NGOs like orphanages, old-age homes, and children's homes to extend their support in the best possible way.

Acts 20:35 "In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: 'It is more blessed to give than to receive'".

Inspired by the above words, students of third semester BCom Section (D), under the guidance of the Class Animator conducted a Social Outreach Programme (SoP) and had visited AiR Humanitarian Home. The students had collected funds that were contributed generously. Students along with their Class Animator Prof. Surjit Singha visited the AiR Humanitarian Home on 25 September 2019. The A.i.R Charitable Home and A.i.R. Transit Home were founded by AiR (Atman in Ravi), a renowned philanthropist, spiritualist, author,

speaker, motivator and singer with the mission to serve the Suffering Humanity as Prayer to God.

Most of us tend to look the other way when we see someone suffering on the streets or lying abandoned in a corner on a road because we do not know what to do or where to take them or where to turn to for help. A.i.R. Charitable Home and A.i.R. Transit Home, run by A.i.R. Humanitarian Homes, a nonprofit organization, addresses this very concern. In fact, a 24/7 Emergency Helpline Number has been specially created where anyone can call and inform them about the whereabouts of such ailing, abandoned individuals. Once they ascertain the location, they ensure that medical aid reaches them, further they also admit them at the A.i.R. Charitable Home till they recover and regain lost health.

It was a meaningful day for each one of us. Hope this programme inspires many to conduct and organize similar ones in their capacity.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the residents inspired a social consciousness in the college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

28. SOP to Holy Family Old Age Home, Bengaluru – III B.Com

Date: 01/09/2019

Section: III B.Com - F

Venue: Holy Family Old Age Home, Veerannapalya, Bangalore

No. of Students: 66

The objective of the programme was to make students sensitized to the life at an old age home. Not everyone is blessed with a loving and caring family. Most of the elderly residents at the facility visited by the students as part of the social outreach programme, had been abandoned by their family. Understanding the intricacies of old age is essential to one's growth. Students must be aware of the harsh reality of the society. We reached the venue at 3 p.m., we interacted with the members of the old age home, conducted various activities such as solo songs, group songs, dance by our class along with the members of the old age home. Irrespective of their age and weakness they actively participated to enlighten their day. We conducted passing the ball game to which the music stops and the last receiver of the ball would either sing or do what was told to their ability. Every member of the home cooperated with us and participated with enthusiasm and joy.

Learning Outcomes:

The students were given a comprehensive understanding involving the welfare and well-being of the destitute individuals in a community. They were made aware of the social responsibility that they need to have towards such sections of the society.

29. SOP to RVM Humanitarian Home, Bengaluru – III B.Com

Date: 01/09/2019

Section: III BCom G

Venue: RVM Humanitarian Home, Chikkagubbi, Bengaluru

No. of Students: 66

The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society. The visit to the home started at 9:30 a.m. from Kristu Jayanti College and reached the destination at 10 a.m. RVM Philanthropic Home is like a transit home, where the poor are taken from the streets and given shelter, food and clothing. The home takes good care of a large number of mentally and physically challenged elderly men, women and children. They provide proper shelter, nutritious meals, medicines and health care and

emotional support to about 129 inmates. As requested by the orphanage, our students donated provision items to meet their basic needs.

First, the students visited the entire home and met all the members residing there. Our students spent about an hour with the mentally challenged children and offered them biscuits. Following this, our students entertained the elderly residents with music, songs and dance. They also participated in the activity by singing and dancing. Our students spend valuable time with them.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the orphans inspired a social consciousness in college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

30. SOP to RVM Humanitarian Home, Bengaluru – III B.Com**Date: 02/09/2019****Section: III BCom P1****Venue: RVM Humanitarian Home, Chikkagubbi, Bengaluru****No. of Students: 62**

RVM Humanitarian Home is a place for the poor and the homeless. Not only are they deprived of the simple comforts of life, but even basic amenities and essentials like clothes, food and healthcare. Some of them including the elderly and physically or mentally challenged had been abandoned on the streets.

This experience was an eye-opener for each one of us as college pupils. We, the BCom Professional students were so blessed and lucky to have been a part of this wonderful programme and would be extremely glad for more opportunities like this. This experience helped us learn so much about the life of those people and the difficulties they face.

Learning Outcome:

They were made aware of the social responsibility that they need to have towards such sections of the society.

31. SOP to Holy Family for the Aged, Bengaluru – III B.Com

Date: 18/09/2019

Section: III BCom P2

Venue: Holy Family for the Aged, Veerannapalya, Bengaluru

No. of Students: 65

The outreach program of our class (3rd Semester P2) was scheduled on 18th September 2019. The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society. After a long wait we were all set to visit this lovely place called the Holy Family Home for the Aged. A bus was arranged by the college. We were accompanied by Ms Manjitha and Ms. Shiny. We bought a few essentials and groceries. As soon as we reached the place, the members in the home extended a warm welcome to all of us.

We had planned a few activities and programs to entertain them. The whole class sang a song to invoke the blessings of God. The next performance was a solo dance by Ayushi, who triggered the members of the house to dance, with her gracefulness. The solo dance gradually turned into a group dance. All the members were excited and cheered with enthusiasm for our performances. One affectionate grandmother offered to sing a song for us.

Simultaneously, we started interacting with the members of the house. It was a little strange and uncomfortable in the beginning but later we had to be forced to leave the place due to time constraints. It was so hard to bid farewell to those wonderful people. We became so attached to them in such a short span of time. Their cute poses for selfies, amazing teenage experiences, valuable advice and suggestions opened our eyes to the real world. Though they were abandoned by their loved ones, they did not express the slightest feeling of frustration or hatred towards them.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the orphans inspired a social consciousness in the college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

32. SOP to Trithwa Ashram, Bengaluru – III B.Com

Date: 02/08/2019

Section: III BCom P3

Venue: Trithwa Ashram, Thanisandra Road, Bengaluru

No. of Students: 55

The students of second year BCom P3 visited the Trithwa Ashram on 2nd August 2019. The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society.

The class had collected money and with that, they had bought groceries, blankets and other needful items for the ashram. We visited the ashram around 2 p.m. and started the programme with a prayerful song. The students involved in various programmes like dance, singing and musical chair for the old age people. It was a wonderful opportunity for the students who interacted and also understood that the little joy they give means the whole world to them. The students were given a comprehensive understanding involving the welfare and well-being of the destitute individuals in a community.

The day was indeed a blessing and soulful day for the entire class. The awareness and realisation of the students from the outreach programme are evident from their feedback in which few of them said – “be loving, caring, and a good listener, and also learn to cherish and be thankful for what God has given to them.”

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society.

33. SOP to Holy Family for the Oldage, Bengaluru – III B.Com & I B.Com

Date: 17/09/2019

Section: III BCom P4 and I BCom ACCA

Venue: Holy Family for the Old Age, Veerannapalya, Bengaluru

No. of Students: 109

On 17th September, the students of III semester BCom P4 and I semester BCom ACCA along with Prof. Aasha, the Class Animator and Dr. Reenu Mohan, Faculty from the Department of Commerce went to the Holy Family Old Age Home and met the residents who were mostly old women. The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society.

We were introduced to various harsh realities of life which have left an everlasting impact on us. We realized that life is short and time fleets quickly and hence we should cherish, nurture and love every relationship we have before it is too late. External beauty passes away with time but the beauty of our soul remains intact for the rest of our lives. We played musical chairs and

various other games with them. We danced, sang and pour our hearts out. We interacted with them_and we felt connected to them. They shared their love, feelings and anecdotes and took us back in time by over 50 years.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the elderly inspired a social consciousness in the college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

34. SOP to Little Sisters of Poor, Bengaluru – III B.Com

Date: 24/09/2019

Section: III BCom Tourism

Venue: Little Sisters for the Poor, Hennur, Bengaluru

No. of Students: 52

A social outreach programme was conducted to sensitize III BCom Tourism students to the social realities of the underprivileged sections of the society.

The complete life, the perfect pattern, includes old age as well as youth and maturity. Old age has its pleasures, which though different, are not less than the pleasures of youth. This is something which we realized when we visited an old age home, Little Sisters for the Poor. We found two categories of people there: the ones who were abandoned and deserted by their families and others who were physically mentally challenged.

Before this, as a whole class, we had never been to an old age home. The inmates were very hospitable and friendly, and they welcomed us with their beautiful smiles. To break the monotony of their lives, we had a small interactive session with the residents.

One of the sisters in charge gave a brief introduction about the working of the old age home and what are their sources of income to run the home. She helped us to have a good valuable time to spend at the home. There were 3 members having an age above 90. So we decided to cut a cake on behalf of all of them. It was a memorable moment for all of us including the members there.

We thank our Class Animator, Mr. Ajith P Matthews for his enormous involvement in making this NGO visit a great and memorable one. We extend our thanks to Ms. Ponny Thomas for her encouragement and support. The NGO Visit gave us a new experience; we had a great day and spend time with the elderly who are away from their family.

Learning Outcomes:

The students were given a comprehensive understanding involving the welfare and well-being of the destitute individuals in a community. They were made aware of the social responsibility that they need to have towards such sections of the society.

35. SOP to RVM Humanitarian Home, Bengaluru

Date: 05/08/2019

Section: III BCom ACCA

Venue: RVM Humanitarian Home, Chikkagubbi, Bengaluru

No. of Students: 72

The students of BCom ACCA 3rd semester visited the RVM Philanthropic Home on 5th August 2019. The social outreach programme was held to sensitize students to the social realities of the underprivileged sections of the society.

We had brought groceries and a cake. The students interacted with every person there and conversed with them. They distributed chocolates and gave clothes to some of the kids. The students were very enthusiastic and engaged in singing and dancing to entertain the elderly and the kids, they also made sure that the people were involved in the activities with them.

It was a very happy day especially for the students, as they saw another side of life and realized how important it was to stay humble and kind to other people. The students left after giving them a truckload of happiness and it was evident from the way the patients and kids and the elderly people reacted. It was a wonderful opportunity for the students to help those who are in need and learn about their experiences.

Learning Outcomes:

The extension activity encouraged the students to develop social awareness and established a sense of responsibility towards their role as citizens and youth towards the less privileged in the society. The interaction with the residents at the facility inspired a social consciousness in the college students. Students felt the importance of helping others and sharing happiness with fellow human beings who are suffering.

Name and details of the Faculty in Charge: Dr. Hanumantappa B Nayaka,

Objective: To create an awareness on environmental pollution among students of Government School of Narayanapura and Kothanur Village, Bangalore.

Brief Write up on the Programme:

Most Indian cities are experiencing rapid urbanization and a majority of India's population is expected to live in cities within a span of the next two decades. The rapid development in urban India has also resulted in a tremendous increase in the number of automobiles, large scale water pollution and noise pollution. Hence was the need to educate the future generation about how we could use sustainable alternatives for a better tomorrow.

On the 25th of January 2020, the Environment club associated with the Department of Life Sciences, visited two government schools, the Narayanapura Government Primary School and the Sri Siddhartha Sanivasa High School Kothanur. The event was presided with an invocation dance by the students of the government school. The students of the Kristu Jayanti College presented presentations about air pollution, water conservation, and waste management and so on. The children were also engaged with few games hosted by the students. The session ended with an interactive session where the students were taught how to make paper bags and the importance on 'plastics being banned'. Future strategies like the use of alternative fuels and spreading awareness amongst citizens will further help reduce emissions that lead to pollution.

6. Technology Transfer From Lab To Field Report

Date: January-March 2020

Classes Attended & Number of beneficiaries: MSc MB, BT- 99 Students

Name and details of the Faculty in Charge: 1. Dr. U Sivagamasundari,
Assistant Professor,
Kristu Jayanti College (Autonomous),
Bengaluru -77.

2. Dr. Hanumantappa B Nayaka,
Assistant Professor,

Report on the programme:

Biofertilizers are substances that contain microorganism's living or latent cells. Biofertilizers increase the nutrients of host plants when applied to their seeds, plant surface or soil by colonizing the rhizosphere of the plant. Biofertilizers are more cost-effective as compared to chemical fertilizers. The microorganisms in biofertilizers restore the soil's natural nutrient cycle and build soil organic matter. One of the major advantages of such fertilizer is that it does not harm the environment or in other words, it's environment-friendly. Hence the presented trial was practiced to evaluate the efficacy of biofertilizer consortium developed in the Biotechnology Research Laboratory of Kristu Jayanti College and tested in the field provided by Alamba Charitable Trust, Gubbicross, Bangalore Rural district of Karnataka

Objectives

- ✓ An alternative eco-friendly approach for sustainable agricultural practices to the frequent use of organic and microbial biofertilizers.
- ✓ To reclamate and improve the fertility of the soil and crop productivity.

The Context

Vegetative parameters of cultivated crops were observed healthy with minimal pests attack. Planted crops started yielding. Harvesting was done thrice.

The Practice

Beneficial microorganisms such as *Rhizobium sp.*, was isolated from the root nodules of legumes; *Azotobacter sp.*, and phoshospho-bacteria were isolated from the soil respectively. They were mass-produced, mixed in the right proportions and then injected into carrier material (peat) to prepare a biofertilizer consortium. Similarly, vermicompost harvested from college canteen wastes was also added as a root study.

Crops tested

1. **Tomato**
2. **Brinjal**
3. **Chilli**
4. **Spinach**

Evidence of Success

For two years, the field has been ours to use for land practice, the fertility of the field (soil) was observed to be very good and becomes highly productive. Soil fertility, water porosity, nature, color and aeration of the field were observed to also be very good.

During this rural exposure camp, the students were encouraged to organize and carry out programmes and events for social awakening and development of the people.

"The excitement and exuberant energy had prevailed in all the students and faculty members of Department of Commerce (PG) and Department of Economics, Kristu Jayanti College". They were all ready to embark on their journey for rural exposure with the theme "Grama Samveditha" which was held at Bangalore Rural District Kanamangala Village, Doddahullur Taluk, Karnataka on 11th February, which was led by an elite team comprising Department of Commerce (PG) and Department of Economics which included Prof.Madhudruvakumar, Dr M.Krishnamoorthi, Dr Pushpa.A and Dr Sivasubramanian.K. They actively guided the students for the camp.

The students of II Sem M. Com, M. Com FA accompanied by a faculty team departed sharply from the Kristu Jayanti Campus in the college bus on 11th February 2020 by 7:30 a.m. for their journey towards Kanamangala Village, Doddahullur Taluk, Karnataka. Soon the college bus reached near the village, the students could feel the freshness of the rural areas and nature. The bus reached the village by 9:50 a.m. The campsite was set in the beautiful and serene surroundings of Kristu Jayanti CMI Public School premises. Then students were divided into different teams like Teaching Committee, Sports Committee, Cleaning Committee and Drawing Committee.

Our students started conducting teaching activities for classes 1 to 6 simultaneously in Kristu Jayanti school and the neighbouring government school with innovative fun-filled activities where children had a learning experience. A set of students had gone to the village on a cleanliness drive and planting samplings in the village. By 1:00 p.m. the students took a break for lunch.

Our students organized and conducted various sports activities, games and drawing competitions for the school children by 2.00 p.m in both Kristu Jayanti school and government school, which includes lemon and spoon, running race, pass the balloon, hide 'n' seek and many other exciting games. The students from Kristu Jayanti College and school children have taken active participation and involvement in all sports activities and games till 4:30 p.m.

By 5.00 p.m. refreshments were served to all the students. By 5:30 p.m. our students undertook a walk to a nearby village. The students then gathered at the residence and staged a skit on different schemes by the government for women empowerment and girl child education. They enacted a role-play to explain the government schemes for the farmers. The students interacted with the village residents and enjoyed beautiful nature and a cool breeze in the evening before returning to the campsite for dinner.

COMMUNITY OUTREACH PROGRAMME

Report

Date : 07/03/2020
Classes Participated : M.Sc Biotechnology and Microbiology (52)
Number of Beneficiaries: Farmers (50)
Place Visited : Ambalgeri village

Write up of the Programme

The Life Sciences Department had organized a Community Outreach Programme on 7th March 2020. The first year M.Sc. Biotechnology and Microbiology students were accompanied by teacher-faculty member, Dr. Hanumanthapa B. Nayak and NSS Volunteer and the NSS Faculty in-charge Mr. Sreedhar. We undertook a bus journey and upon reaching the destination, we were welcomed by the farmers who had gathered there to be a part of a strike. After a brief interaction with them, we felt that it was a perfect platform for us to educate the farmers about the hazards of using chemical fertilizers and the advantages of using biofertilizers. Firstly, it was Mr Sreedhar Rao who addressed the gathering by engaging them into a story from Mahabharatha and also gave a brief introduction about the college and what was the purpose of this programme. Then he gave a brief introduction about what is biofertilizers and its importance. Later, the stage was taken over by the students who presented and explained the posters which they had made, which had the information about- what is biofertilizer? Why should it be used? How can it be made and what are the pros and cons of using it? After the poster presentation, Dr. Hanumanthapa B. Nayak came forward to instruct and he explained about A-Z of biofertilizers and also mentioned his work which he had been doing since a month with his students who had volunteered to help him in this project. We also had brought with us two packets of biofertilizers of 1kg quantity and gave it to the farmer volunteers who wanted to try out the biofertilizer made from solid waste from the college.

The questions and doubts raised by the farmers were also answered and cleared. The faculty in-charge had also given them an offer of helping the farmers in their village and shared contact details so that they could contact the college for educating their villagers more on biofertilizers and how they could produce them. With that, we left the village taking back with us the kind hospitality of the farmers. The Social Extension programme was very constructive and educational. It was a memorable experience to us and helped us in understanding the conditions of farmers from proximity. We thank our Principal, Rev. Fr. Josekutty P.D.; Dean- Faculty of Sciences, Dr Calistus Jude A. L.; Head of Department of Life Sciences, Dr. Elcey C. D.; and the Faculty Guide Dr. Hanumanthapa B. Nayak and Mrs. Priya Josson for organising such an informative and enjoyable visit to that village.

To highlight the importance of Computer education and to support a village from the students' end and to inculcate the required skills the people in that town, the Department of Computer science [PG] organized, one-day rural exposure program and computer literacy program. Students of MCA were part of the program under the guidance of Dr. Kumar R, Head of the Department. Students assembled in the college by 7:30 am on 26th July 2019, the bus took leave at 8.15 am. Dr. Jyothi Manoj, Prof. Velmurugan, Dr. Muruganatham and Prof. Sridhar also came for assisting the students in various ways possible. The main goal of this programme was to provide education to the school children and to conduct a survey in Kannamangala Village and nearby villages to study the various aspect of their live hood and to update the information to the government website.

Upon reaching the Kristu Jayanti School, the students were split into a different team for survey and teaching. The survey team was handled by Prof. Sridhar, Dr. Jyothi Manoj, and Dr. Muruganatham A. Teaching team was divided into two teams of 6 members who were sent to nearby two government schools for giving educational support. One team has gone to Kanchiganahalli village with members. Upon reaching the school, we have talked to the headmaster of the school to club the student together as the number of students was low. The students were clubbed into two classes. And both the classes were taken simultaneously. Teaching started at 10:00 am for both batches. The class was very educational and fun for the students. We were able to enlighten the students on the different technical topics and usage of computers, along with the fun game and educational videos. Since the students were not able to converse in English, hence the teaching had to be in the native tongue. The classes went on for one and a half hours. After the class, the teaching team was sent for a survey in the nearby locality, the survey team return by 1:00 pm to the Kristu Jayanti School for a lunch break. After the lunch break of 45 minutes, the teams were again sent to do a survey. And teaching teams had split into two teams to teach two classes in Kristu Jayanti school. The students of Kristu Jayanti school were aware of the computer and its basic working and functionality. Therefore, we had to improvise the teaching and topic to suit their needs. Necessary changes were made to the topic to make them learn new concepts, like MS excel and different applications and other MS office tools.

The teaching and survey session got over by 3:30 pm and all students and faculties gathered together to official photograph and then departed to College. The overall experience was very cheerful and was education and enriching for all the students, we were glad to contribute to society in some way possible by us.

Title : Making Students Socially Responsible by Visiting the Planet Home

Date : 14-11-2019

Class & No. of students: I Year MBA- 79 students

Places Visited: The Planet Home, Geddalahalli, Kothannur, Bengaluru

Brief Write up on the Programme:

Children's Day is celebrated across India to increase awareness of the rights, care and education of children. It is celebrated on 14 November every year as a tribute to India's First Prime Minister, Jawaharlal Nehru. Fondly known as Chacha Nehru among children, he advocated for children to have fulfilled education. On this day, many educational and motivational programs are held across India, by and for children.

This year we decided to celebrate children's day at Planet Home, an NGO which is in Geddalahalli, Kothannur, Bangalore. Prof. John Pradeep Kumar accompanied the students and led them. Students left the college at around 3:30 pm and reached there by 3:45 pm. Students had planned a few games for children like action songs, musical chair, and a quiz for children's day. Children over there enjoyed playing and they had a good time. It was an amazing experience to interact with the children and celebrate children's day. The entire session was fun and indeed a good experience and memorable in their lifetime. Students collected funds from class and bought a few groceries, stationaries, chocolates, etc. for the children, which they handed over to the authorities in the NGO.

Learning Outcome:

Sensitization towards the less privileged and the deprived children in the society.

Feedback:

This was very exciting for the students. Children's day is over in our life. But this event brought us the children in us out again. - Alen Joe, I Year MBA Sec C

Industry Visited : Guanella Preethi Nivas Old Age Home, Bengaluru

Objectives: To create healthy social awareness, deliberations on Mahatma Gandhi's thoughts and skills with bright young minds

Brief Write up on the Programme:

Kristu Jayanti College, Bangalore organized an initiative to visit the needy people of the society as part of celebrating the special occasion of the 150th Birth anniversary of the father of our nation Mahatma Gandhi (2nd October 2019). We visited Guanella Preethi Nivas old age home on the occasion of the Gandhi Jayanthi Swachata Pakhwada community outreach programme.

We were very excited about our new experience as we came across different people in the old age home; physically disabled, mentally disabled and old aged people who live away from their homes, we met 25 members in the old age home which was headed by the father Peter and 4-5 assistants present for the assistance of the aged people.

We were motivated after knowing about their lives and their struggles, despite all the hardships they were able to lead a positive life. We had several activities on that day, we had a dance performance for everybody and we asked the elderly persons to speak out their experiences and asked them to guide on our ongoing journey. We had a life-changing experience that day and we were amazed by their spirit of not giving up and staying positive with the hope that their family would turn back someday, which indeed showed very strong and powerful faith in God and their good deeds.

Feedback:

This visit created social awareness and enriched human values in the minds of the students. The students were enlightened about the problems and needs of the society- Chethana S, II Year MBA

Date : 02-10-2019

Class and number of students : II year MBA -69 students

Industry Visited : The Refuge Home, Bangalore.

Objectives: To create healthy social awareness, deliberations on Mahatma Gandhi's thoughts and skills with bright young minds.

Brief Write up on the Programme:

Section B students of the MBA class 2018-2020 had the privilege of visiting the Refuge home located in Kothanur, Bengaluru. The Refuge Home is an organisation catering to the needs of girls who had been robbed of a normal childhood. Some of these children faced traumatic experiences in their lifetime and some of the incidents were hard to comprehend for the MBA students.

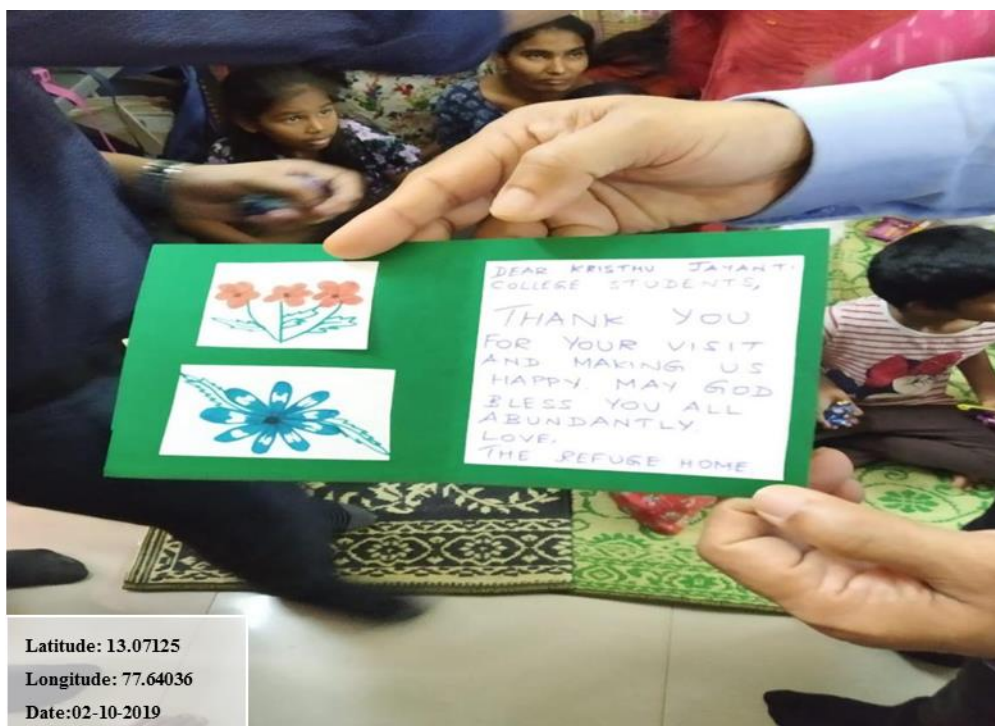

The MBA students began their visit to the home with a time of singing where action songs were taught to the children. The children along with the students sang and danced together with excitement and vigour. The children also taught MBA students a couple of action songs. The children then showcased their talents with some of them performing dance routines and some of them showcased their talents of singing. A session of games was also conducted for the children which the children participated in very enthusiastically.

The time was then spent with the MBA students narrating a set of breathtaking stories with some moral lessons. Also, the children were told about the importance and the need for performing well in their studies to achieve a fruitful life for themselves and the people around them. On the occasion of Gandhi Jayanti, the MBA students narrated a few incidents from the life of Gandhiji which the children found very motivating and encouraging. The students then distributed sweets and chocolates among the children. The students thanked the School of Management for providing this new experience to the students and we look forward to many more visits.

Feedback:

Overall it was a very refreshing experience for us students, an experience which has motivated us to do better for this society for the rest of our lives

Class Attended and number of Beneficiaries: I Year MBA A – 75 students

Place visited : Nirmala Shishu Bhavan, Lingarajapuram

Objective : To imbibe empathy towards abandoned children

Brief Write up on the Programme:

The School of Management of Kristu Jayanti College organized an orphanage visit on 2nd, October 2019 at Nirmala Shishu Bhavan, Lingarajapuram under the guidance of Prof. Stephen Deepak. The orphanage was run by missionaries of charity. By 9.00 am we started our journey to the orphanage, and we reach there around 10.00 am. We were welcomed by kids with beautiful smiles. We met children who were physically and mentally challenged. Also, we understood how well the sisters are taking care of these children. We spent our time playing with the kids and singing songs for them. We also donated groceries and other gifts for the children. Students who won the overall championship from Christ University for management fest contributed a portion of their cash prize to this orphanage. At last, we got a message from one of the sisters about God's abundant blessings and precious life he gave us. We spent around 2 hours with the children, they were so happy, and their smiling faces made us happy.

The program was carried out with the help of students accompanied by one faculty member to the NGO. The event also was followed by an awareness campaign for reducing the usage of plastic and an oath was taken by the students of the college and also by the people of the NGO.

The NGO that the students of the Kristu Jayanti College visited was Home of Faith. The students were enlightened about society's problems and needs. The program helped them to contribute from what they could to satisfy the need of the people there in the NGO. They were delighted to accept the materials as well as the learning the students came forward with. The students could understand the need of an hour to bring in awareness on this occasion by focusing completely on future betterment and guaranteeing a sustaining methodology of resources. This could make the society, then the city, then the state, then the country and the world better. It was a wonderful experience for the students and they all wanted to visit the place again in future and donate something on a special occasion.

Feedback:

It was a wonderful experience for the students and they all wanted to visit the place again and spend valuable time with these young minds in the future and donate something on special occasions

Title: Making Students Socially Responsible by Visiting the Refuge Foundation

Date : 14-11-2019

Class & No. of students : I Year MBA B-48 students

Places Visited : The Refuge Foundation, Bengaluru

Brief Write up on the Programme:

On children's day, the 14th of November the first-year MBA section 'C' students of School of Management, Kristu Jayanti College had the opportunity to visit The Refuge Foundation. This foundation is a non-profitable, charitable organization registered for the welfare and benefit of girl children in distress. It actively seeks out abandoned children, deprived of care and affection and rehabilitates them by providing nurturing environment care, food, shelter and quality education through love and compassion.

Currently, there are 27 girls, being cared for deeply in a family setting by their mother, Beulah and their Fr. John. Students accompanied by their lecturer visited the place and spent some unforgettable time with the girls. The students had taken a few eatables and stationery for the girls. The girls were very active and interactive and also played games with the students like Bingo and Anthakshari. Everyone was very enthusiastic and filled the room with a positive aura. Students left by taking a few pictures along with them and wished them the best for their future endeavours.

Learning Outcome: Students got an opportunity to understand the realities of the world and enable them to cultivate the feeling of empathy.

Feedback:

This was a unique experience for the students to celebrate the children's day with deprived children. I would say this was once in a lifetime opportunity. By- Sruthi, I Year MBA Sec C

Another team performed various street plays on various themes such as Poverty eradication, Saving Water and Basic Amenities (Health and Hygiene) which are part of the flagship program of Ministry of Human Resource Development, Govt. of India, 'Unnat Bharat Abhiyan'

On the second day, students conducted various awareness programmes by visiting the houses. They also stretched out to the nearby villages and created awareness on water conservation, rainwater harvesting, reduced use of pesticides etc. Through those interactions students also gained a lot of insights into the challenges and opportunities in rural India. The two-day activity also included different teams of students that performed food preparation and inventory management, sports committee, event management committee etc. Gramasamvedhitha apart from sensitizing the students on rural India, it also created a bond among the management students and resulted in memorable moments in their life.

Learning Outcome: To provide students with exposure to the living conditions of rural India

Feedback:

Rural India is fabulous, pollution-free, kind and free. To work in a team with friends in a rural place was very interesting and fun. Every activity in the program was a learning experience
