DEPARTMENT OF COMPUTER SCIENCE, KRISTU JAYANTI COLLEGE, AUTONOMOUS, HOSTS AICTE ATAL FDP ON ARTIFICIAL INTELLIGENCE

Kristu Jayanti College (Autonomous), Bengaluru, organised the AICTE sponsored ATAL Basic Faculty Development Programme (FDP) on "Mastering the Frontier of Artificial Intelligence: Trends, Challenges, and Applications". The event, hosted by the Department of Computer Science (UG), aimed to equip faculty members with AI expertise to bridge academia and industry while fostering AI-driven innovation in education and research.

The programme was inaugurated by Mr Sivan Menon, Founder & CEO of Sangiti and Former CTO of GE Healthcare, who delivered an insightful address on the transformative impact of AI across industries. He highlighted the growing need for continuous reskilling among professionals to remain relevant in an AI-dominated era. Rev Dr Augustine George, Principal, Kristu Jayanti College, emphasised the crucial role of educators in shaping future innovators. He underscored the immense potential of AI while stressing

the importance of ethical considerations and the irreplaceable role of human intelligence in its advancement.

Coordinated by Dr Mary Jacob and Dr Gopika S, the FDP witnessed the participation faculty members, PG students and research scholars from various institutions across Bengaluru. The programme provided a comprehensive learning experience through expert lectures, research discussions, case studies, industry visits, and hands-on sessions. The week-long FDP successfully facilitated knowledge exchange between academia and industry, ensuring that faculty members are well-equipped to integrate AI advancements into their teaching and research practices.
