While Dr. Sangappa S. B., Executive Council Member, ISTE, New Delhi, inaugurated the event, Veeresh Murthy, Treasurer & DSATM-ISTE Chapter Coordinator, gave an overview of the institution. Dr. C. Nandini, Vice-Principal, DSATM presided over the function. Dr. Sumithra Devi K. A. Dean academics and Secretary, ISTE Chapter Coordinators Dr. Girish. K. M, Ananda. A, Civil Engineering HOD Dr. K.N. Vishvanath, DSATM, ISTE Life members and Student Members were present in the inaugural function.

NHPS is now ATL-enabled: With a vision to 'Cultivate one Million Children in India as Neoteric Innovators', distinguished schools across India have been selected and granted permission to establish the 'Atal Tinkering Lab' by the Government of India. Young children would be encouraged to perform research and work with various tools to understand the concepts of STEM (Science, Technology, and Engineering & Math) in these special labs. New Horizon Public School is one among the few schools that received a grant of 20 lakh rupees from Government of India and has recently inaugurated the ATL Lab in their school. Ramanan Ramanathan, Mission Director, Atal Innovation Mission, NITI Aayog was the Chief Guest for the occasion that sets a benchmark in the history of the school.

"Kridotsava 2018" by Kristu Jayanti College: Kridotsava 2018, a sports event organized by Kristu Jayanti College recently here in the city for under graduate students of the institute to debut their talents in the field of athletics was presided over by the current Coach of the Karnataka Senior National Basketball Team, Thankachan M.C. In his address, he alluded the immeasurable aspects whereby sports can build the character and moral of students. The departments and students were divided into a total of eight teams which consisted of an equal number of participants from each. The day turned productive as the sports ranged from the most intense track events to discus throw, long jump, triple jump, shotput and javelin throw where students exhibited extensive competitive spirit.
