PRINCIPAL'S MESSAGE

LEARNER TRANSCENDENCE THROUGH EDUCATION 4.0

An integrated outlook to knowledge among educationists becomes fundamental for learners to achieve academic prowess. Homogenization of a series of synchronous and asynchronous educational tools has strengthened the field of academia worldwide. Institutions providing higher education, navigated their way through various pedagogical apparatus to enable learners to attain professional dexterity and aspiration for intellectual growth in the post-pandemic times. In light of the advanced needs of the learners, the education system calls for a leap beyond the barriers of traditional models of education. This assigns a transcending role for both the educator and the student. An innovative technology-driven pedagogy of openness and thoughtfulness is to be imbibed by every higher educational institute.

Kristu Jayanti College, founded in 1999, marks its place among the top institutions of the country by interweaving this very thought of transcendence and growth-oriented education. It is one such higher education institution that collates technological advancements in pedagogy, curating its organic educational methodologies that facilitate the learners to inculcate ethical and moral principles, academic rigour, and an investigative bent of mind. Through a sophisticated educational collaborative model, the institution enables its students to engage in creative and critical thinking.

The college has its vision and mission founded on cultivating academic excellence, a sense of civic responsibility, and expertise at the global level through an active and adapting environment, focused on serving the nation and society at large. It caters to the needs of the students across cultures providing them a gamut of opportunities to explore different career possibilities. Its growing student community is a testimony to its high benchmark in the sector of education. Due to its seamless technologically driven education system, the college has revolutionised the medium of learning, empowering young minds to become potential scholars. Jayantian Glimpses recognizes the accomplishments of the students and several other pursuits that they undertake under the tutelage of our teachers.

I appreciate the teamwork of the editorial crew of Jayantian Glimpses in bringing out this issue.

Fr. Dr. Augustine George CMI

Principal, Kristu Jayanti College (Autonomous)

The college has its vision and mission founded on cultivating academic excellence, a sense of civic responsibility, and expertise at the global level through an active and adapting environment, focused on serving the nation and society at large. THE EVERGREEN CAMPUS

Kristu Jayanti College, Autonomous is devoted to safeguard and conserve the environment by espousing an eco-friendly ambience. It constantly endeavours to maintain an eco-friendly green campus and inculcate the idea of sustainable development in the minds of youth and train them in the management of renewable and non-renewable resources and waste for a safe and healthy environment for the present and future generations. The institution believes in preserving the planet for the next generation and has implemented numerous environmental strategies to inculcate environmental consciousness among its students and to the local community of which it is a part. Recently, the college was rated as a Green Campus and certified with the 'GOLD RATING' from All India Council for Technical Education (AICTE) in collaboration with the International Institute of Waste Management (IIWM).

INFRASTRUCTURE

The institution invests heavily on infrastructure to keep pace with the changing needs and profile of the student population. To catch up with the scientific and technological advancements, parallel upgradation of facilities in the form of laboratories, library and other learning resources like computers, e-resources and Wi-Fi facility are carried on as an ongoing activity. Physical facilities have been expanded to create an ambience conducive for academic excellence and holistic development. Various departments and administrative sections are housed in the Administrative Block and the Main Block. The MBA and MCA programmes function in a separate block. The college provides spacious class rooms, libraries, auditoria, laboratories, conference halls, panel rooms, recording studio, music room, performing arts centre, gymnasium and sports facilities. Besides Computer Science and Bioscience laboratories, the Electronics lab, Physics lab, Psychology lab, Commerce lab, Language lab and Media lab integrate technology effectively into the teaching-learning process.

Library

The college library is a gateway to a world of information. The staff and students have unlimited access to the wealth of information in resources like books, magazines, newspapers, journals, statistical database, encyclopedia, annual reports, dissertations, project reports and the internet. The library also has digital resources including a myriad collection of CDs, databases, e-journals, software and projects. There are separate rooms for group discussion, reading and cubicles for personal study. Moreover, an e-library has been set up for e-resources.

Bioscience Lab

The department of Life Sciences features six hi-tech laboratories for Genetics, Biochemistry, Biotechnology, Microbiology, Botany and Forensic Science. These labs are adequately equipped to serve the students with a scientific temperament and enable them to pursue projects and research. With the latest instruments and facilities in the laboratories, the students perform various scientific experiments in the respective fields in the labs.

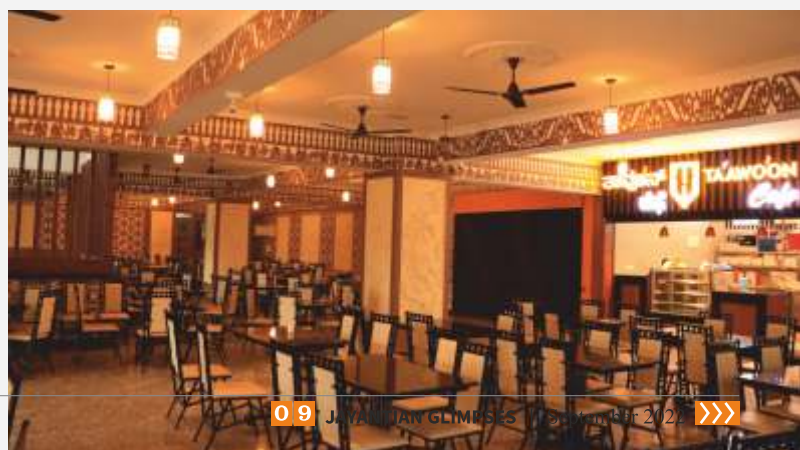

Auditoria

The institution ensures adequate facilities for teaching-learning, augments its infrastructural facilities according to the growing needs of the institution and endeavours to create a conducive academic ambience. There are 24 common spaces such as auditoria, conference halls and seminar halls for interactive programmes. Discussion rooms, mock interview cabins, panel rooms and board rooms are also available to facilitate career and personality development. Besides, spaces are provided for skill development, entrepreneurship and start-up ventures. These facilities of the institution are utilised optimally for the holistic development of the students.

Computer Lab

The computer lab is designed with state-of-the-art technology and is equipped with all the major application softwares for imparting quality education. The internet equipped lab is open beyond academic hours to meet the computing needs of the students. Effective lab assistance is provided during lab sessions to give a helping hand to students in handling problems they might encounter and to equip them to excel in the practical process of programming. Our advanced digital infrastructure helps to overcome the constraints of the classroom with the help of Wi-Fi facility which helps to login from anywhere in the campus and facilitates the students to reach vast resources of knowledge.

45th Edition of Vichaarmanthan on Public-Private Partnership in India: Challenges and Opportunities

The 45th Edition of 'Vichaarmanthan: An Interaction with Global and Indian Visionaries', was organised by Kristu Jayanti College on the theme 'Public-Private Partnership in India: Challenges and Opportunities' on October 09, 2021. Smt. Arya Balan Kumari IES, Deputy Director, Department of Economic Affairs, Ministry of Finance, Government of India, was the chief guest.

Smt. Arya Balan Kumari gave an overview of 'Public-Private Partnership in India- Challenges and Opportunities'. She opined that "public-private partnerships are typically found in transport infrastructures such as highways, airports, railroads, bridges, tunnels and highlighted the risks and legal issues involved in the successful completion of Public-Private Partnership-based projects". She further stated that innovation is a key to the success of public-private partnership-based projects. Fr. Dr. Augustine George, Principal, Kristu Jayanti College; Dr. Aloysius Edward J, Dean, School of Management; faculty members, and the students of various departments were part of the program.

46th Edition of Vichaarmanthan on Leadership and Change in a Pluralistic World

Kristu Jayanti School of Management organised 46th Edition of Vichaarmanthan - An Interaction with Global and Indian Visionaries on March 14, 2022, in the SKE Auditorium, Kristu Jayanti College, Bengaluru. The guest speaker was Prof. Nagarajan Ramamoorthy, Director, Indian Institute of Management, Amritsar. The lecture title was 'Leadership and Changes in a Pluralistic World'.

The session started with an invocation song sung by the college choir, followed by the welcome address and the auspicious lighting of the lamp ceremony.

Prof. Nagarajan Ramamoorthy shared his thoughts on the ways to develop leadership and the mechanism to bring about change in a pluralistic world. He stated that the key feature for leadership roles is unity and integrity. He further added that there should be a transparent system and the leader should be transparent enough to become a good leader. As a leader with integrity, the leader will show the right way and not mislead his followers. This is the best way to gain the trust and confidence of the followers. A leader should accept the followers with their unique skills and talents to lead them on the path of success. He concluded the session by talking about the key points that will lead to better leadership and that will give a drastic change in the pluralistic world. The Vichaarmanthan concluded with the vote of thanks.

National Education Policy 2020

A Roadmap

This national policy follows the global pattern of a four-year Honours degree which consists of multiple entries and multiple exits during the curriculum.

Kristu Jayanti College (Autonomous), in association with Bengaluru North University, organised a National Seminar titled "Implementation of National Education Policy (NEP) 2020 - A Roadmap" on August 18, 2021. Dr. C. N. Ashwath Narayan, Minister for Higher Education, Information Technology and Biotechnology, Skill Development, Government of Karnataka, inaugurated the seminar.

Delivering the inaugural address, Dr. C. N Ashwath Narayan said, "Education is the only right and royal way to strengthen our society. There is no other alternative. We need to channelize the existing structure and create a system where education, skill enhancement, knowledge dissemination, knowledge creation, and research are emphasized. We need to build our future and that can happen by building the right education system. All resources must be channelized towards educational institutions and their empowerment."

Dr. Narayan pointed out that NEP is a proven model and not a new one. He said that the economy could grow only through knowledge, technology, innovation, and science. We need to facilitate the best practices with the coming together of all stakeholders and

economy could grow only through knowledge, technology, innovation, and science

We are prepared and fully ready with the content, curriculum, and framework. The NEP 2020 has been implemented already in polytechnic institutions in the state. Dedicated portals will be created for NEP implementation to cater to the needs of the students and to curb confusion and anxiety among them

various agencies. There is a need to decentralise educational systems, he added.

Dr. Narayan announced, "The last date for admissions for the academic year is October 01, 2021, with the systematic implementation of NEP. The admissions for this academic year are scheduled to begin on August 23, 2021. We are prepared and fully ready with the content, curriculum, and framework. The NEP 2020 has been implemented already in polytechnic institutions in the state. Dedicated portals will be created for NEP implementation to cater to the needs of the students and to curb confusion and anxiety among them".

Delivering the keynote address, Fr. Dr. Augustine George, Principal, Kristu Jayanti College, appreciated the move to implement NEP in Karnataka. He said, "Karnataka becomes the first state to initiate NEP implementation. NEP is the founding pillar for access, equity, quality, affordability, and accountability in education as a knowledge-sharing

initiative. The aim is to achieve a 50 percent gross enrollment ratio by 2035 and create a sustainable, vibrant knowledge society."

Pradeep P, IAS, Commissioner, Department of Higher Education, said, "NEP in our country is coming after 35 years and this I believe is a great start in inculcating overall freedom in students, flexibility and no separation between disciplines. If not for this multi disciplinary approach, it is a criminal waste of time for students. This policy would demand well-rounded personality development, including wellness and mental health, skill, and ability enhancement. This transformational change will bring in the holistic development of the student. This way, there will be pedagogy and assessment and methodological changes too."

Prof. B Thimme Gowda, Vice Chairman, Karnataka State Higher Education Council, Former Vice-Chancellor, Bangalore University, said, "NEP is going to bring about transformational changes

in the education sector; it is more student-centric than teacher-centric. This national policy follows the global pattern of a four-year Honours degree which consists of multiple entries and multiple exits during the curriculum. The policy makes it flexible for the students by finishing their courses on a slow track or fast track. NEP is going to increase the employability rate in society, which will lead to development. In 15 years, the institutions have to be restructured in three ways, i.e., Research-Intensive University, Teaching-Intensive Institutions, and Degree-Granting Autonomous Institutions namely."

Prof. D. Kumuda, Vice-Chancellor (I/C), Bengaluru North University, appreciated the efforts taken by the government in the implementation of the NEP in the state. Dr. Venkatesha Murthy V, Registrar, Bengaluru North University, and Dr. K. Janardhanam, Registrar-Evaluation, Bengaluru North University, were also present during the occasion.

International Lecture Series on Future of Analytics

The School of Management organised an International Lecture Series on November 17, 2021, on "Future of Analytics." Dr. Clare Walsh, Head of Education, Institute of Analytics; Ms. Rosie Sweeney, Head of Memberships, Institute of Analytics; Dr. Rajesh Ponia, Manager, Partnerships, ISDC and Mr. Shone Babu, Head of Partnerships, ISDC were the delegates.

After a brief introduction of the speakers, Dr. Clare Walsh and Ms. Rosie Sweeney took over the session. Dr. Clare Walsh explained the framework and applications of Data Analytics and AI X in the Industry. She stated that students must dwell more on business intelligence, data analytics and information technology as the industry's future depends on these areas. The lectures were followed by a Q&A session on the future scope, job creation and trends in the field of Analytics. The two speakers were felicitated by the School of Management, followed by a photo session with the delegates.

International Lecture on Careers in Forensic Science- Forensic Examiner in USA

The Forensic Science Unit, Department of Life Sciences, organised an International Lecture on "Careers in Forensic Science - Forensic Examiner in USA" on November 27, 2021. The resource person for the lecture was Ms. Bincy Mariyam Thankachan, Forensic Examiner, Rapid City Police Department, South Dakota, USA.

The resource person started her lecture by explaining her role as a Forensic examiner in the Rapid Police Department at South Dakota, USA. She later described how her journey began in Forensic Science and built her career on the same. She explained the complete process of joining programmes in the USA and talked about various departments that offer opportunities for students.

International Lecture Series on "Upskilling and Reskilling"

The School of Management organised an International Lecture Series (ILS) on December 13, 2021. Dr. Baby Sam Saamuel, Turnaround and Strategic Consultant and Business Mentor, addressed the audience of faculty and students of the School on the topic "Upskilling and Reskilling."

In his lecture, Dr. Baby presented an overview of

the dynamics in the International arena and eloquently spelt out the knowledge and skill attributes required to tap the opportunities the International market had to offer. He highlighted the innate need for Skilling, Upskilling, and Reskilling among students and urged them to develop their leadership quotient, domain knowledge, and analytical acumen.

International Lecture Series on These are not Ordinary Women: Empire, Famine, and Labour in Second World War India

The Department of English (PG) organised an International Lecture Series titled "These Are Not Ordinary Woman: Empire, Famine, and Labour in Second World War India" on November 24, 2021. The resource person was Ms. Urvi Khaitan, Department of History, University of Oxford.

During the event, Ms. Khaitan presented on the presence of women during and after the Second World War and female labour which is a less researched topic. The lecture brought out a fresh narrative of looking at history. The talk provided an insightful and informative perspective and was much appreciated by the audience, which consisted of both UG and PG students from the Department of English.

International Lecture Series on “Europe: The Migration Crisis”

The Department of History and the School of Management, in association with NIAS Europe Studies, Science Technology and International Relations, National Institute of Advanced Studies, Bengaluru, organised an International Lecture Series on “Europe: The Migration Crisis” on December 07, 2021. Mr. Achim Burkart, Consul General, Consulate of the Federal Republic of Germany in Bengaluru, delivered the lecture. The Consul General was received by Fr. Dr. Augustine George, Principal, Kristu Jayanti College

(Autonomous). Prof. D Suba Chandran, Professor & Dean, School of Conflict and Security Studies, National Institute of Advanced Studies; Dr. M.K Baby, Head, School of Management, Prof. Ramya B, Head, Department of History and Prof. Stephen Deepak, Coordinator, Office of International and Domestic Relations were present for the lecture.

Mr. Achim Burkart described the role of migration to the European Union and Germany in particular. He shared the migration statistics over the years and enumerated that migration was a blessing than a crisis for many European countries as resident labour shortages were replaced by migrant workers. He concluded that a positive perception among the nations was required to channel the opportunity for the greater good. The International Lecture Series ended with a soulful rendition of the National Anthems of Germany and India.

International Guest Lecture on “Careers in Forensic Science”

The Forensic Science Unit, Department of Life Sciences, conducted an International Guest Lecture on “Careers in Forensic Science (Cyber Forensics and Cyber Security)” on February 5, 2022. The resource person was Mr. Kishalay Masanta, Cyber Security Consultant, Quantum Security Services, Wellington, New Zealand.

Mr. Masanta enlightened the audience about the significance of career paths in Cyber Security and Forensics, renowned Universities which offer a Master’s Degree, additional qualifications and certifications, free resources provided by different institutions, technical skills required in the professional field, and his own experiences in the field of Cyber Security.

International Lecture Series on “21st Century Storytelling: The New Poetics- Aristotle meets Janet Murray”

The Department of Media Studies (PG) organised an International Lecture Series titled “21st Century Storytelling: The New Poetics - Aristotle meets Janet Murray” on December 08, 2021. The resource person was Dr. Don Marinelli, Co-Founder, Carnegie Mellon Entertainment Technology Center (ETC) and Professor, Carnegie Mellon University, USA.

Dr. Marinelli enlightened the students about drama and storytelling, focusing on the significant aspects involved in storytelling. He stressed the importance of plot, characters, relationship, theme, diction, and various elements involved in drama and storytelling. His session sparked interest as he touched upon the modern additions of storytelling using new media technologies for the plot, crisis management, immersion, agency, and transformation. Dr. Marinelli ended the session with a reference to Janet Murray’s Immersion and Transformation.

International Lecture Series: The Wonder that is Spain

The Office of International and Domestic Relations partnered with the Office of International Education and Development, Appalachian State University, to host the programme "The Wonder that is Spain" on March 26, 2022, for the Post Graduate Students of the Department of English. The lecture was delivered by Mr. Alex Lorento Uviedo, Cultural Ambassador, Appalachian State University, North Carolina, USA, as part of the

International Lecture Series of the Department of English (PG).

Mr. Alex Lorento Uviedo, took the participants on a virtual whirlwind tour of the alluring country of Spain by describing the geography and physical conditions of Spain and its major cities. He then elaborated on the culture and customs of Spain, covering aspects of traditional practices, cuisine and architecture.

Mr. Uviedo took the students on a tour of Spain through beautiful visuals and with the aid of Google maps. The lecture finally culminated with the major cultural festival of Las Fallas as he explained the significance of the festival with breathtaking visuals. The session was greatly appreciated by the audience because of his self-deprecating humour and evident love for Spain.

The event concluded with Prof. Stephen I, Department of English (PG), who briefed the students on the marvellous architectural designs of the churches and cathedrals in Spain with special reference to Sagrada Família. He concluded by thanking the resource person, Mr. Alex Lorento Uviedo, for his sincere and committed efforts in bringing Spain alive to the students.

International Lecture Series: "Learning Languages Online: Tips for Teachers"

The Department of English (PG) organised a lecture as part of the International Lecture Series titled "Learning Languages Online: Tips for Teachers" on December 02, 2021. Dr. Laurence Mann, Senior Lecturer, Japanese Language, Oxford Brookes University and Associate Faculty, Faculty of Oriental Studies, University of Oxford, UK, was the Expert Speaker.

During the event, Dr. Laurence Mann presented information on the new book on teaching and learning languages online, based on the experiences of teachers working at the Faculty of Oriental Studies. The talk highlighted some of the critical observations of the book, which documents the unique challenges and benefits of the online space for teachers and learners of lesser taught languages such as Korean, Turkish and Japanese.

Culture Studies Lecture Series: Decoding Germany

The Office of International and Domestic Relations and the Department of English (PG) organised a Culture Studies Lecture Series titled "Decoding Germany" on April 06, 2022. The Resource Person was Mr. Thorsten Schildgen, Faculty, German Language, Berlin, Germany.

Mr. Schildgen commenced with the physical and geographical aspects of Germany, providing details of the country, its borders and the various landmarks of Germany, including the Berlin Wall. He discussed multifaceted aspects of Germany, the nature and culture of the people, the economy, education, politics and food patterns. Mr. Schildgen spoke about the significant festivals of Germany and the renowned automobile industry and the precision that it was famous for. He elaborated on many of the contributions of German poets, musicians and thinkers to the world.

The interactive session discussed queries about employment opportunities in Germany and the ease of immigration.

International Lecture Series #3 on "Labour Market, Education and Employment: The Case of Bosnia and Herzegovina"

The Department of Economics organised the International Lecture Series #3 titled "Labour Market, Education and Employment: The Case of Bosnia and Herzegovina" on May 23, 2022. Prof. Jamila Jaganjac, Associate Professor and Dean of Faculty of Business Economics, University of Vitez,

Bosnia and Herzegovina, was the resource person. Prof. Jaganjac elaborated on policies concerned with relations between employers and employees, employment, training and distribution of workers in the labour market.

Lecture Series “Europe at Crossroads”

To commemorate 75 years of diplomatic relations between India and the Netherlands, Kristu Jayanti College (Autonomous), Bengaluru, in collaboration with the Europe Studies, Science, Technology and International (STIR) Programme, National Institute of Advanced Studies (NIAS) Bengaluru, hosted a lecture on the theme "Europe at Crossroads." The lecture, conducted on April 12, 2022, was part of the Office of the International & Domestic Relations, NIAS Europe Lecture Series. Mr. Gert Heijkoop, Consul General of the Netherlands for Southern India, was the chief guest of the international lecture series.

On the occasion, Dr. D. Suba Chandran, Professor and Dean, Conflict and Security Studies, NIAS, discussed the purpose of the event, which was to look at Europe from a perspective independent of an Indian outlook, and to understand Europe better as a continent.

Delivering the presidential address, Mr. Gert Heijkoop spoke at length about the education and career opportunities in the Netherlands. He also spoke about the events in Europe that have made historic turns in the world. Talking about the Russian - Ukraine crisis, Mr. Gert Heijkoop, emphasised the historical perspective and provided a global stance in the present-day scenario of the same issue. He discussed how the Russian - Ukraine issue affects Europe as a whole, the damage that has already been done and the consequences that may potentially follow.

International Lecture Series on “The Emerging Trends in Information Technology and Data Security”

The School of Management organised an International Lecture Series (ILS) on “The Emerging Trends in Information Technology and Data Security” on May 13, 2022. Dr. Wei Xie, Professor, Walker College of Business, Appalachian State University, USA, was the guest speaker.

Dr. Wei Xie emphasised the recent trends transforming the IT industry worldwide. Her presentation focused on Artificial Intelligence, highlighting how disruptive technology could

be used to enhance business and provide greater efficiency to the organization. In line with disruptive technology, she also explained how various cultural aspects could be identified by applying Hofstede's Cultural Dimension Theory.

International Lecture Series (ILS)- An Interaction with Global Leaders on “Indo-Japan Relations”

The School of Management organised the International Lecture Series (ILS)- An Interaction with Global Leaders on the topic "Indo-Japan Relations" on June 18, 2022. The Chief Guest was His Excellency Katsumasa Maruo, Deputy Consul General of Japan, and the Guest of Honour was Mr. Ravinder Singh, Executive Director, ICDE -India.

His Excellency Katsumasa Maruo shared about India and Japan's multi-faceted cooperation within the ambit of their special strategic and global partnership. India and Japan are two major countries in Asia, that shares many similar interests and subscribes to common values. A strong India-Japan relationship will play a significant role in the emerging Asian security architecture and will contribute to peace, stability, and prosperity of Asia and the world. In the last four years there has been a significant progress in all aspects of the bilateral relationship, but there is still the untapped potential that remains to be realised.

To enrich the audience more on Indo-Japan relations, presentations were delivered by six students of the School of Management. A role-play was performed by Ms. Anto Alice and Mr. Dushyanth about Indo-Japanese culture. Starting from the countries' languages, the performance touched upon all the core aspects of both cultures, which were presented in a lucid style.

Faculty Enrichment Programme

Faculty Development Programme on Cognitive Behaviour Therapy (CBT)

Department of Psychology conducted Faculty Development Programme (FDP) on Cognitive Behaviour Therapy (CBT) from August 3-11, 2021. Mr. T.P. Jawad, Clinical Psychologist, HOD of Clinical Psychology at Human Care Foundation was the resource person for the FDP. Mr. Jawad, in his interactive sessions, discussed the difference between REBT and CBT, and the history and core concepts of CBT. The key concepts like thought-action fusion, ABC models,

and cognitive restructuring were explained and discussed.

An in-depth discussion on the cases of Generalized Anxiety, Social Anxiety and Mood Disorders along with the treatment formulations using the CBT model was held. The sessions also included training on the various skills like Socratic Questioning, Relaxation, Behaviour Techniques and exercises that were to be used in conjunction with CBT tools.

One Week National Level Faculty Development Programme on Open Source Demystified Level – 1

Department of Computer Science (UG) in association with SODA Foundation organized One Week National Level Faculty Development Program on Open Source Demystified Level -1 from August 06 -13, 2021. Four resource persons from SODA foundation enlightened the participants with seven

upcoming topics on open source technology. The sessions comprised about the significance and importance of demystifying open source software in which the source code used to create the program is freely available for the public to view, edit, and redistribute.

7-Days Faculty Development Programme on Qualitative Research Methods

Department of Media Studies conducted a seven days Faculty Development Programme (FDP) on Qualitative Research Methods.

The resource persons for the FDP were Prof. K G Suresh, Vice-Chancellor, Mahatma Jyoti Bapu National University of Journalism and Communication, Bhopal and former Director-General of Indian Institute of Mass Communication (IIMC), New Delhi; Prof. Dr. Ajay Bailey, Professor, Geosciences, Human Geography and Spatial Planning, International Development Studies, Utrecht University, Netherlands; Dr. Feroz Iqbal, Associate Professor, Centre for Hospital Management, School of Health

System Studies, Tata Institute of Social Sciences, Mumbai; Dr. Ram Bhat, LSE Fellow, Department of Media and Communications, London School of Economics and Political Science, London; Prof. Sisir Basu, Professor, Department of Mass Communication, Banaras Hindu University, Varanasi; Dr. Nagamallika Gudipaty, Professor, The English and Foreign Languages University, Hyderabad and Dr. Anil Joseph Pinto, Registrar, Christ University, Bengaluru.

The resource persons shared insights on research and new dimensions, qualitative research cycle as an approach, observation as a tool in qualitative research, qualitative research methods in

media, challenges and opportunities in communications, procedure for writing research proposal for funding, content analysis and perspectives in semiotic analysis.

Faculty Development Programme on Research in Literature: Emerging Trends and Approaches

Department of English organised a Seven-Day Faculty Development Programme on "Research in Literature: Emerging Trends and Approaches" from August 9 -16, 2021. The resource persons were Dr. V. K Karthika, Assistant Professor, Department of Humanities and Social Sciences, National Institute of Technology (NIT), Trichy, Tamil Nadu; Dr. Tariq Khan, Lecturer cum Junior Research Officer, National Translation Mission, CIIL, Mysore; Dr. Malathy P, Assistant Professor of English, PG & Research, Department of English, Government Arts College, Coimbatore; Dr. Rajesh Sharma, Professor and Head, Department of English, Punjabi University, Patiala; Prof. C. S. Jayaram, Professor, Department of English, School of Arts and Sciences, Amrita

Vishwa Vidya Peetham, Kochi; Dr. Muhammed Afzal. P, Assistant Professor (Cultural Studies), Department of Humanities and Social Sciences, BITS Pilani; and Dr. Milind M Ahire, Assistant Professor, Department of English, Arts, Science & Commerce College, Manmad, Nashik, Maharashtra.

The resource persons shared insightful discourses on Research Publication-Scope and Solutions, Literary Studies and Language Sciences in Complementary Roles, Literature and Digital Humanities, Research in Literature: Theory and Interpretation, Art and Literature: New Avenues of Research, Ephemera as Archive: Researching the Popular, and Stylistics: Trends and Possibilities of Research. All the sessions of the FDP focused on new perceptions,

awareness, views, and opinions on research in literature.

National Level MDP on Leveraging the Start-Up Ecosystem- Entrepreneurial Journey, Ideation to Limited Company

Kristu Jayanti School of Management organized a Two-Day National Level Management Development Programme (MDP) on August 13 & 14, 2021 on the theme "Leveraging the Start-Up Ecosystem-Entrepreneurial Journey, Ideation to Limited Company". The MDP was inaugurated by Prof. Saji Gopinath, Vice-Chancellor, Digital University, Kerala.

During the programme, the resource persons shared valuable insights on

topics like Funding of Start-ups, Socio Cultural Ecosystem -Myths, Societal Norms, Networks And Support System, Entrepreneurship with Social Responsibility, Financial Ecosystem - Start-Up Capital-Early Stage Funding To Initial Public Offer, Role of Educational Institution, Labour Market and Incubation System Entrepreneurship and Marketing Strategy - Finding a Market Opportunity and Building a Sustainable Business Model.

Faculty Orientation Programme on Service Learning

Department of Social Work organized a Faculty Orientation Programme on Integrating Service Learning Labs in Social Work Education on September 9, 2021. The resource persons for the programme were Dr. Shanti C Sandaran, Senior Lecturer, Language Academy, Universiti Teknologi Malaysia, Johor,

Malaysia and Dr. Victor Paul, Professor & Head, Department of Sociology & Social Work, Christ University, Bangalore. The orientation was an initiative to enhance the social work educators in the area of service learning and to incorporate the service-learning activities in social work education and practice.

National Level FDP on Advances in Structural and Computational Biology

Department of Life Sciences organized a National Level Faculty Development Programme in collaboration with the Department of Biotechnology, Government of India under the DBT Star College Scheme. The resource persons for programme were Vinod Scaria, MBBS, PhD, Principal Scientist, CSIR - Institute of Genomics and Integrative Biology; Dileep Vijayan, PhD, Scientist D, Jubilee Centre for Medical Research, Jubilee Mission Medical College & Research Institute; Dwijesh Chandra Mishra, PhD, ARS, Senior Scientist, Centre for Agricultural Bioinformatics, ICAR- Indian

Agricultural Statistics Research Institute and Gandhimathi Arumugam, PhD, Associate Principal Scientist, Genotype Technology Pvt Ltd.

The key note sessions led by eminent scientists covered the major concepts and advances in structural and computational biology. The FDP provided a snapshot of the major breakthroughs in the field including next generation sequencing approaches to understand the genome structure, advances in precision medicine driven by genomic information and the application of bioinformatics for rational drug discovery.

CCPD-Teachers Professional Development Programme (TPDP)

Centre for Continuing Professional Development (CCPD) conducted a two-days Teachers Professional Development Programme (TPDP) for the teachers of CMI Public School, Kannamangala, Bengaluru on

September 13 and 14, 2021.

The session was inaugurated by Fr. Dr. Augustine George CMI, Principal, Kristu Jayanti College, Autonomous. The technical sessions started with Dr. Aloysius Edward, Professor and Dean, Faculty of Commerce and Management who shared his insights on managing different types of learners and suggested for motivating students. Prof. Sen B. Mathews, Director, Center for Employability and Corporate Relations, familiarised the participants with the strategies to enhance the cognitive skills of the students, while the importance of EQ and its application in classroom situations was highlighted by Prof. Stephen Deepak, Coordinator, KEP and Office of the International and Domestic Relations. Dr. Juby Thomas, Coordinator,

Department of Media Studies (PG) spoke on the basic skills in work-life balance. Prof. Ramya B, Associate Professor, Department of History, and Associate Director, IQAC, taught how teachers should move from teaching to inspiring while Dr. Justin Nelson Michael, Professor, School of Management and Director, Centre for Research, addressed on the identification of slow learners and strategies to support them. The 21st century skills for teachers were introduced by Prof. A. Sevuga Pandian, Head, Department of Computer Science (UG), while Dr. Jonas Richard Professor and Head, Department of Social Work, emphasised the importance of interpersonal relationship skills for Gen-Y Educators.

FDP on Systematic Approach for Academic Research

Department of Commerce organized a Seven-Day Faculty Development Program on "Systematic Approach for Academic Research" from September 20-28, 2021. The FDP aimed at improving teaching quality and professionalism

which can then lead to self-propelled changes in the teaching-learning process. The programme focused on initials of introduction to journals and articles, followed by a systematic approach to the literature review, procedure for writing a

research paper, hypothesis testing for research articles, advanced data analysis techniques with SPSS, data analysis using R programming, and concluded with techniques for preparing the plagiarism-free article.

National Level FDP on Data Analytics Using R

School of Management organised a virtual Seven Days National Level Faculty Development Programme on "Data Analytics using R" from February 12-19, 2022. Dr. M. K. Baby, Head, School of Management gave an introduction to FDP and the resource person for the FDP was Dr. Sripriya T P,

Assistant Professor, School of Management, Kristu Jayanti College, Autonomous, Bengaluru. The insightful sessions were on Introduction to R, Data Visualization in R, Statistical Tests in R, Modelling in R, Classification and Clustering, Deep Learning, Application in Finance, Marketing, and HR.

Management Development Programme on The Power of Analytics

School of Management, Kristu Jayanti College (Autonomous), Bengaluru, organized the second edition of the Management Development Programme (MDP) on 'The Power of Analytics' on January 28 and 29, 2022. The programme was inaugurated by Mr. Divyang Trivedi, Director, Grant Thornton LLP (US) and graced by Rev. Fr. Emmanuel P.J. Director, Kristu Jayanti College of Law. The objective of the MDP was to empower students with the

knowledge of Data Analytics and the tools required for effective decision making. The two-day programme had seven sessions on topics like the Change of Workspace through Analytics, Practical Application of Analytics in Business, Analytics in Digital Marketing, Analytics Manager in Risk Management, Demystifying Unstructured Data Processing, Impact of Data Visualization in Business and Use of Analytics in Sales and Marketing.

National Faculty Development Programme on Information Retrieval and its Research Trends

Department of Computer Science (PG) organized on Seven Day National FDP on Information Retrieval and its Research Trends from June 3-10, 2022. The resource persons for the FDP were Dr. Samiya Khan, Post-Doctoral Research Fellow, University of Wolverhampton, United Kingdom; Dr. M. Pushpa Rani, Professor & Head, Department of Computer Science, Director - Center for Artificial Intelligence, Mother Teresa Women's University Kodaikanal, Tamil Nadu; Dr. Pramod Kumar Pal, Professor & Head, Dept. of Computer Science & Engineering, Bengal College of Engineering and Technology, Kolkata, West Bengal; Dr. Ambika P, Expert Data Scientist, Impact Analytics, Bengaluru; Dr. Rajendra Prasath, Associate Professor,

Indian Institute of Information Technology (IIIT) Sri City, Chittoor, Andhra Pradesh; Dr. Aruna Devi K, Associate Professor, Department of Computer Science PG, Kristu Jayanti College; and Dr. Kumar R, Professor & Head, Department of Computer Science PG, Kristu Jayanti College.

The FDP focused on Edge Computing Architectures for Data-Intensive Applications, Research Prospects on Gait Analysis, Advanced Face Recognition Technology and its challenges, ML Operations and the different stages of ML, Query Expansion Techniques for Monolingual and Cross Lingual Information Retrieval with different real time examples, NLP and its components, POS Tagging, Text Pre-processing, IR and

the different models like the Conceptual model, Boolean model etc.; and Real time Research Applications of Information Retrieval.

7 Days Virtual Faculty Development Programme on Enabling Research with Interface of SPSS, E-Views & Mendeley

Department of Commerce (PG) organized a "7 Days Virtual Faculty Development Programme on Enabling Research with Interface of SPSS, E-Views & Mendeley" from December 1-8, 2021. The resource persons were Dr. Urmila Itam, Assistant Professor CMS Business School Jain (Deemed to be University), Bengaluru, Dr. Muhammad Ashiq A M, Assistant Professor & Mendeley Advisor, Department of Commerce PG, Kristu Jayanti College (Autonomous),

Bengaluru, Dr. Muhammed Rafi OPC, Assistant Professor, Dr. B. R. Ambedkar School of Economics University, Bengaluru and Dr. Murugesan TK, Associate Professor, Department of Commerce PG, Kristu Jayanti College (Autonomous), Bengaluru, Karnataka. The resource persons enriched the knowledge of the participants, academic researchers and teaching community with wide scope on data analysis by using SPSS, E-Views & Mendeley for reference and citation.

Unlocking the Power of Library for Research

Library and Information Centre and Library Resource Usage Optimization Committee, Kristu Jayanti College, Autonomous, Bengaluru, organised Six Days Faculty Development Programme titled 'Unlocking the Power of Library for Research' from May 23 - 28, 2022. The objective of the FDP was to equip library users and researchers to access multivariate journals and e-resources. The resource persons were Dr. Bhalachandra S Deshpande, Faculty, Department of Library and Information Science, Bengaluru North University, Kolar; Dr. Chandrakhanthan J, Faculty, Department of Commerce, Kristu Jayanti

College; Dr. Beena Muniyappa, Co-ordinator, Postgraduate Department of English, Bengaluru North University, Kolar; Dr. Deekshith Kumar, Co-ordinator, Postgraduate Department of Political Science, Bengaluru North University, Kolar, Dr. Rajakamal C.H, Faculty, Department of Commerce, Kristu Jayanti College and Dr. C Nagadeepa, Faculty, Department of Commerce, Kristu Jayanti College. The sessions focused on information on Scopus publication, literature review, process and goal of research, title, objectives and hypothesis, plagiarism and citation.

Faculty Enrichment Programme

Department of Psychology, Kristu Jayanti College, Autonomous, Bengaluru, organised a Faculty Enrichment Programme on June 16, 2022. Dr. Avinash De Sousa, Consultant Psychiatrist, Slon Hospital, Mumbai, was the resource person for the programme who emphasised on the importance of knowing Psychology

and Psychiatry by psychologists and psychiatrists as this will open doors to a better understanding of disorders. He further highlighted the students' mental health and rising concerns and stressed on the role of teachers as facilitators and how they can make a difference while promoting robust mental health for youth.

International Conference: “Revitalization of Indian Tourism & Hospitality Industry and its Contribution towards Socio-economic Development”

Faculty of Commerce and Management and Department of Tourism, Kristu Jayanti College in collaboration with India Tourism, Bengaluru, Ministry of Tourism, Government of India, organised an International Conference on “Revitalization of Indian Tourism & Hospitality Industry and its Contribution towards Socio-economic Development” on November 25 and 26, 2021. The International Conference was inaugurated by Mr. Ganji Kamala Vardhana Rao, Director General, Ministry of Tourism, Government of India, on November 25, 2021. In his opening remark, Mr. Rao highlighted on the augmented domestic tourism activity after the closure of international borders due to COVID-19 crisis. Delivering his Presidential Address, Fr. Dr. Augustine George, Principal, Kristu Jayanti College (Autonomous), Bengaluru underlined the impact of COVID-19 pandemic on the economy of India.

National Conference on Gender and the New Normal: Realities and Representations

Department of English (UG) organised a virtual national conference on ‘Gender and the New Normal: Realities and Representations’ on February 17 and 18, 2022. The inaugural keynote speaker was Ms. Betsy (Elizabeth) Birmingham, Professor of English, Professor of Social Justice, Dean of Social Sciences and Humanities, Lakehead University, Canada. Ms. Birmingham deliberated on ‘Covid Impact on Women in Higher Education Careers: Burn Out, Drop Out, and Fall Out’. With the aid of statistical data, Ms. Birmingham addressed the issue of enrolment depreciation and dropout of indigenous students.

Her elaboration had some solutions to overcome the challenges of females in higher education due to the pandemic. Change in cultural attitudes and institutional approaches, providing mentorship, clarity in data collection, supporting team research and aiming for equity not equality are some of the ways through which female dropout rates from higher education could be curtailed. The Two-Day National Conference brought together activists, writers, professors, and academicians across the globe to deliberate on gender realities and representations.

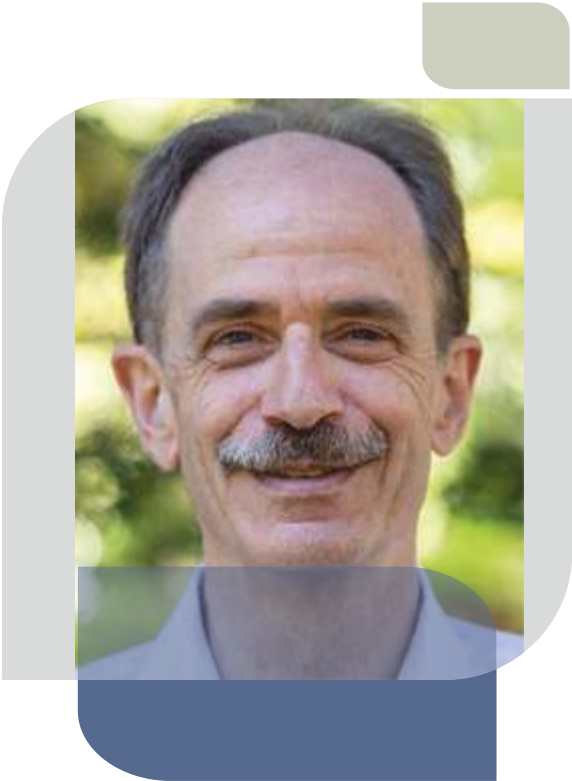

KRISYM - ‘Reengineering Management Capabilities for a Sustainable Future’

School of Management, Kristu Jayanti College (Autonomous), Bengaluru, in collaboration with Trinity Western University, Canada, organised the 15th Edition of KRISYM - Kristu Jayanti International Symposium on the topic ‘Reengineering Management Capabilities for a Sustainable Future’ on February 10 and 11, 2022. The International Conference was inaugurated by Dr. Philip Laird, Vice President Innovation, Global and Academic Partnerships, Trinity Western University, Canada. Highlighting the case studies of once famed companies like Kodak, Blockbuster video, Pan Am and Smith Corona, Dr. Laird stated that comfort zones and complacency would become the deadly odds against attaining a sustainable future. He enshrined the preamble for sustainability in 3 points a) Hope as an emotional driver of sustainability, b) Innovation as the intellectual power driving this sustainability c) Hunger as the leadership attribute that envisions the future of sustainability. Rev. Dr. Augustine George, Principal, Kristu Jayanti College, in his presidential address, sought to connect the CMI educational philosophy as a prime source of engineering and reengineering for the sustainable success of CMI Institutions.

Virtual International Conference
‘INSIGHT 2022’: Technological
Revolution- Opportunities and
Challenges for Family and
Student Community

Department of Psychology organised a Virtual International Conference, ‘INSIGHT 2022’: Technological Revolution - Opportunities and Challenges for Family and Student Community on February 24 and 25, 2022. The Chief Guest, Dr. Doug Oman, Director of Spirituality and Public Health Traineeship, emphasised the contributions of religious engagement and spiritual practices to health, community and well-being. Dr. Susan K. Walker, Associate Professor, Family Social Sciences, University of Minnesota, Twin Cities, in a pre-recorded introductory message, underlined her primary motivation for the students to gain critical thinking skills as technological users and that while the students enjoy the efficiency, creativity and connectivity of the technology, they should also be aware of how they might be sacrificing their privacy, security and safety in the process. The keynote session on 'Technology Addiction: Impact on Family and Student Community' was addressed by Fr. Dr. Rajeev J. Michael, Assistant Professor, Department of Psychology, Rajagiri College of Social Sciences, Kerala. Fr. Dr. Rajeev focused on digital addiction during the pandemic and whether it was an addiction or a coping mechanism that was used to survive the situation.

International Conference on
Social Work Practice with
Migrant Workers & Refugees

Department of Social Work organised an International Conference titled ‘Social Work Practice with Migrant Workers and Refugees’ from February 24 and 25, 2022. Dr. W.G. Prasanna Kumar, Chairman, Mahatma Gandhi National Council for Rural Education (MGNCRE), Hyderabad, delivered the inaugural address. Dr. Kumar addressed the gathering by introducing association and disassociation and its relationship with migrants and refugees. He accentuated the role of a social worker in facilitating migration and structured functions to improve the quality of life of the migrants. In his Presidential Address, Rev. Dr. Augustine George, Principal, Kristu Jayanti College (Autonomous), quoted the statistical data of forced migrants and the flagrant violation of human rights, highlighting the need for migration policies.

Virtual International Conference on "Renaissance of Business for Sustainability in Era of Pandemic: Opportunities, Trends, and Challenges"

Department of Commerce (PG) organised a virtual international conference titled, "Renaissance of Business for Sustainability in Era of Pandemic: Opportunities, Trends, and Challenges" on February 25, 2022. The inaugural address was delivered by Dr. Ahmed Eshra, Chair, Member Relations Committee & Member, Board of Directors, ACBSP, USA. The inaugural session of the Conference was presided over by Rev. Dr. Augustine George, Principal, Kristu Jayanti College (Autonomous). The Keynote Session I on 'Paradigm Shift in International Business' was handled by Dr. Shanmugan Joghee, Discipline Leader, Marketing and International Business, Skyline University College, Sharjah, UAE. This session provided the participants with a broad perspective on the conference theme. The Keynote Session II on 'Triple Entry Accounting for Blockchain' by Dr. Lina George, Associate Professor, Department of Business Studies, University of Technology and Applied Science, Muscat, Oman, enabled the participants to acquire the knowledge and expertise on the role of triple entry accounting for blockchain in the era of the pandemic.

International Conference on 'Role of Media in Sustainable Development'

Department of Media Studies organised a virtual international media conference on 'Role of Media in Sustainable Development' on March 16, 2022. Dr. Niranjana, Vice-Chancellor, Bengaluru North University, said that it is an onus of journalists to report about developmental stories proactively. Dr. Niranjana explained that social media is solid and a person's own space, therefore one should be cautious while using it and emphasized that journalists are content creators of the future. Delivering the presidential address, Fr. Dr. Augustine George, Principal, Kristu Jayanti College (Autonomous), mentioned the sustainable development initiatives by United Nations and their importance in the coming future. Dr. Abhijit Ghosh, Dean, Faculty of Business & Accountancy, Lincoln University College, Malaysia and Mr. Josy Joseph, Founder, The Confluence Media, were the esteemed keynote speakers.

Virtual International Conference on Gender Equity: Barriers, Inclusion and Enablers

Womens' Empowerment Cell organised the 8th Virtual International Conference on 'Gender Equity: Barriers, Inclusion and Enablers' on International Women's Day, March 08, 2022. The Chief Guest was Prof. Shalini Bharat, Vice-Chancellor, Tata Institute of Social Sciences, Mumbai. Prof. Bharat enlightened the audience on gender inequality, gender gap and measures to balance the gender scale by bringing down the barriers and elevating the enablers. In his presidential address, Rev. Dr. Augustine George, Principal, Kristu Jayanti College (Autonomous), highlighted the measures by Womens' Empowerment Cell and the college to encourage women faculty members as significant decision-makers.

The first keynote session by Dr. Fabienne Jacquet, CEO Innoveve LLC, USA, focussed on how empowered women and girls contribute to the health and productivity of their families, communities, and countries, creating a ripple effect. The second keynote session by Ms. Challapalli Swaroopa Rani, Professor, Centre for Mahayana Buddhist Studies, Acharya Nagarjuna University, Guntur, Andhra Pradesh, spoke on barriers to the growth of women, violence, honour killing and lack of basic amenities for women. The speaker for the third keynote Session was Ms. Vidushi, Aweksha, who spoke on the recovery, and personal journey with the goals of hope, empowerment and autonomy. The fourth keynote session was a recorded one by Dr. Diana Fox, Professor and Chairperson of Anthropology, Bridgewater State University, Massachusetts, who focussed on the role of Bridgewater State University in enacting decolonial feminisms through collaboration with United Maroon Peoples. The valedictory session was graced by Prof. Shakuntala Khatre, Hon. Secretary (Academics), Mysore Education Society (MES) and Former Dean of Science and Registrar, Bangalore University. Prof. Shakuntala Khatre spoke on gender equity and equality and the need to abolish the gender gap.

Virtual International Conference on Re-Inventing Business through Digitalization and Innovation (RBTDI)

Department of Commerce (UG) organised a virtual international conference on "Re-Inventing Business through Digitalization and Innovation (RBTDI)" from March 28 to March 29, 2022. The Conference was inaugurated by Dr. Martin Meznar, Associate Dean for Global and Civic Engagement, Walker College of Business, Appalachian State University, USA. Dr. Meznar's Inaugural Address was an enriching insight into International Business. He stressed on the need for transformation and digitalization in business to sustain and survive in the current business world.

International Conference on Science and Technology- Computational Intelligence

Department of Computer Science, Kristu Jayanti College (Autonomous), Bengaluru in association with Indian Science Congress Association (ISCA), Bangalore Chapter, organised an international conference on 'Science and Technology - Computational Intelligence' from March 15 to March 16, 2022. Delivering the inaugural address, Dr. Vijay Laxmi, General President, ISCA, congratulated everyone for the hybrid conference keeping in mind the COVID-19 situation. In the presidential address, Fr. Dr. Augustine George, Principal, Kristu Jayanti College (Autonomous), emphasized the importance of holistic development, highlighting the vision, mission, goals and qualitative journey of the institution in the past years. Prof. Venugopal K R, Vice-Chancellor, Bangalore Central University, pointed out that machine learning and artificial intelligence have encompassed advancements in the field.

Dr. Aravind Kumar Saxena, General President Elect, ISCA, appreciated the hybrid mode of the conference as it facilitates different scientists and people from different areas to come together to educate everyone. Dr. K.S. Rangappa, Immediate Past General President, ISCA, emphasised on choosing the right concepts in innovations in science and technology. Dr. Ashok Kumar Saxena, Former President, ISCA, released souvenirs on the occasion. Prof. Sevuga Pandian, Head, Department of Computer Science, Kristu Jayanti College, rendered the vote of thanks and appreciated the resource persons for their thought-provoking speeches, words of wisdom, and gracing the event with their presence.

Virtual International Conference on Redefining Business Models for Sustainable Development

Department of Professional Accounting and Finance in association with Miles Education organised Virtual National Conference on "Redefining Business Models for Sustainable Development" on March 25 and 26, 2022. The objective of the conference was to provide a premier interdisciplinary platform for researchers, practitioners, academicians, students to present and discuss the most recent innovations, trends and concerns, practical challenges encountered and solutions adopted in the field of Business Models. Chief Guest of the Conference, Dr. Dave Mcevoy, Professor and Chair, Department of Economics, Appalachian state university, USA, spoke about sustainable business models in education. He elaborated on the role of policy mechanism in business management. Fr. Emmanuel P J, Director of Kristu Jayanti College of Law in his presidential address highlighted the need to have revolutionary thinkers to meet the required global demands. Further he also underlined the importance of education, education system in inspiring and redefining the prospects for better tomorrow.

In the inaugural session the Department Coordinator, Dr. Annie Stephen FCA welcomed the dignitaries and the participants. She expressed the need of resilient business strategies and models in the changing world needs. Prelude to the conference was presented by Dr. Lourdunathan F, Chief Convener of the conference. He gave an overview of the objective and the keynote session and details of the research papers submitted to the conference. He opined that a company's value proposition distinguishes it from other competitors. He also emphasized that the powerful opportunities for profitable innovations are embedded in the challenges.

International Virtual Conference on 'Evolving Paradigms in Biotechnology: Combating Contemporary Challenges'

Department of Life Sciences, Kristu Jayanti College (Autonomous) and Jawaharlal Nehru Tropical Botanic Garden and Research Institute (KSCSTE-JNTBGRI) organised a Two-Day International virtual conference on 'Evolving Paradigms in Biotechnology: Combating Contemporary Challenges' on April 1 and 2, 2022. The conference was inaugurated by the renowned neurobiologist Dr. K. P Mohanakumar, Director, Inter University Centre for Biomedical Research & Super Speciality Hospital, Mahatma Gandhi University, Kerala. He also delivered the keynote address on the topic 'What Biotechnology Drives & What Drives Biotechnology'. Fr. Dr. Augustine George, Principal, Kristu Jayanti College presided over the inaugural ceremony. While delivering the presidential address he congratulated the organisers for choosing a unique topic with contemporary relevance as the focal theme of the conference. Dr. KB Ramesh Kumar, Principal Scientist, Phytochemistry & Phytopharmacology Division, KSCSTE- JNTBGRI delivered the felicitation address.

The conference brought together scientists, academicians, research scholars, and graduates in the field of Life Sciences and witnessed in-depth deliberations on the emerging trends, and latest innovations in Biotechnology that helps tackle contemporary issues in the domains of healthcare, medicine, agriculture, food, environmental sustainability, and remediation, amongst others. The conference featured five plenary sessions handled by internationally renowned scientists and three parallel paper presentation sessions. The conference highlighted the uniqueness in the scientific themes which has been well received by the scientific community.

International Conference on 'Ecosystems in the Poetics of Experience'

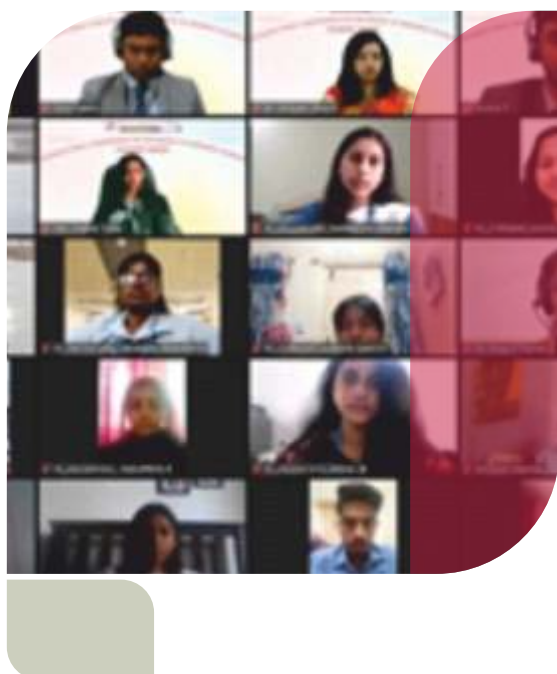

Department of English (PG), on the occasion of International Mother Earth Day conducted an international conference titled, 'Ecosystems in the Poetics of Experiences' on April 22, 2022. Delivering the inaugural address, Chief Guest, Dr. Alfred Gathorne Hardy, Interdisciplinary Lecturer in Sustainable Resource, University of Edinburgh, shared an anthropomorphic story about bumblebee species, emphasizing the conditions of climate change. He also stressed the importance of Humanities in imparting awareness about the conservation of ecosystems. In his Presidential Address, Rev. Dr. Augustine George, Principal, spoke about the integrated development of mind, body and spirit through Humanities and how we could relate to nature. He also shed light on the significance of ecosystems and conveyed the significance of this conference due to accelerating climate change. The Keynote Speaker, Dr. Lee F Ball, Chief Sustainability Officer, Appalachian State University, USA, spoke about his experience of introducing sustainability as part of the academic curriculum at Appalachian State University. He concluded with some intriguing insights into conserving the environment such as forest bathing.

Virtual International Conference on Sustainable and Inclusive Global Economy: The Path to the Next Normal

Department of Economics in collaboration with the Indian Economic Association (IEA) and Dhaka School of Economics (DScE) organised an international conference on 'Sustainable and Inclusive Global Economy: The Path to the Next Normal' on April 26, 2022. The keynote speaker, D. K. Nauriyal, Professor & Head, Department of Humanities and Social Sciences, IIT Roorkee, and Former Vice-Chancellor, Kumaun University, Nainital, Uttarakhand, detailed that India's future depends on the global mindset. He stated that sustainability has three pillars: economic, environmental, and social; informally referred to as people, planet, and profits. In his Presidential Address, Rev. Dr. Augustine George, Principal, Kristu Jayanti College, put forward the vital requirement of an essential shift and further innovative programs in the economic sector. The International Conference provided a forum for the young research scholars and academicians to exchange their thoughts and ideas, to communicate and state their research findings in connection with a sustainable and inclusive global economy.

International Conference on Advances in Forensic Science 2022 (ICAFS 22)

Department of Forensic Science, Department of Life Sciences organised a virtual International Conference on Advances in Forensic Science 2022 from May 5 to May 6, 2022. Mr. Barry A Fisher, Senior Forensic Science Advisor, Park, Dietz and Associates & Retd., Crime Lab Director, LA County, USA, inaugurated the conference. Mr. Fisher emphasised the significance of Forensic Science in the cases encountered on day-to-day basis and the emerging challenges while recounting his experiences. Over the two days, the conference witnessed four Plenary Sessions addressed by the experts in various branches of Forensic Science.

Plenary Session I on the topic "Advances in Forensic Biology: Past, Present and Future" was delivered by Dr. Arun Sharma, Former Director, Forensics Services, Himachal Pradesh, India. Plenary Session II was titled "Advances in Anti-Doping Analysis: A Sports Forensic Perspective" by Dr. Shobha Ahi, Deputy Director, Drug Control Centre, Department of Analytical Environmental and Forensic Sciences, King's College, London, UK. The third Plenary Session was on "Emerging Challenges in Forensic Document Examination" by Dr. J. K. Semwal, Former Senior Faculty, LNjN NICFS (MHA), New Delhi, India. The last Plenary Session of the conference titled "Cyber Forensics: A Perspective" was addressed by Dr. Meenakshi Mahajan, Deputy Director, Directorate of Forensics Services, Himachal Pradesh, India. There were presentations made by delegates pertaining to the fields of Forensic Biology, Forensic Chemistry and Toxicology, Forensic Chemical and Biological Sciences, Forensic Physical Sciences and Digital Forensics.

International Conference on Current Trends in Advanced Computing ICCTAC 2022

Department of Computer Science (PG) organised the 10th international conference on Current Trends in Advanced Computing with the theme 'Smart Innovations for a Smart and Safe World' on June 16 and 17, 2022. The Chief Guest was Dr. Shamala Subramaniam, Professor, Department of Communication Technology and Networks, Faculty of Computer Science and Information Technology University, Putra, Malaysia. The Guest of Honour was Mr. Jim White, Chief Technology Officer, IOTech Systems, Chandler, Arizona, United States. Mr. Jim White presented on 'Future of Smart Edge IoT,' where he discussed IOTech and their project, EdgeX, which is an open-source, vendor-neutral project.

The keynote and technical session I delivered by Dr. Subramaniam dealt with IR4.0 and Mobility Management Issues and how IR4.0 helps in the field of sports and many more. Technical Session II by Mr. Robin Jose, Chief Data and Analytics Officer, wefox, Berlin, Germany, dealt with 'AI for Smart and Safe World.' Technical Session III by Dr. Arockiaswami Soosaimanickam, Dean and Associate Professor, University of Nizwa, Sultanate of Oman, was on the topic, 'Data Fabrication for Enterprise-Level Organizations.' Technical Session IV by Dr. Awodele Oludele, Professor, Department of Computer Science, Babcock University, Nigeria, centered around 'Smart Innovation for a Smart and Safe World: A Basic Look from an Algorithmic Perspective.'

Virtual International Conference on “Breaking the Cycle of Poverty: Challenges and Way Forward”

On the occasion of The International Day for the Eradication of Poverty, Kristu Jayanti College (Autonomous) organised a virtual international conference on “Breaking the Cycle of Poverty: Challenges & Way Forward” October 17, 2021. Mr. Robert Skinner, the Honourable Chief of United Nation Academic Impact, New York, inaugurated the conference and spoke about the importance of academic institutions coming together with the UN to help the vulnerable and those caught in the vicious cycle of poverty. In his passionate speech, Mr. Omar Hernandez, Public Information Officer, UNAI SDG Hub, urged the audience to a well-thought-out and planned action. The college is committed to Developmental Goal 1 – ‘End Poverty in All its Forms Everywhere’, and it is in its second term as SDG HUB1.

The first technical session was by Dr. Padmini Murthy, Professor and Global Health Director, New York Medical College, School of Health Sciences and Practice, New York; Dr. Amy Ansehl, Associate Dean, School of Health Sciences, New York Medical College, School of Health Sciences and Practice, New York, on the topic “Addressing Poverty by Promoting Health and Well Being”. The second technical session – “The Long-Term Impact of COVID-19 on Poverty” was by Mr. Julian Slotman, Associate Economic Affairs Officer, Global Economic Monitoring Branch, Economic Analysis and Policy Division, UN/DESA. The last technical session for the day, “Reducing Poverty through Industrial Growth” was by Dr. Mami Katsumi, Education Administrator, Centre for International Industry-Academia Collaboration, Nagaoka University of Technology (NUT), and Japan. This conference was a step in the right direction with more than 600 participants involved and was a beautiful example of thought and knowledge in action.

International Webinar Series on Effective Routes to Get Articles Published in Scopus & WoS Indexed Journals

Department of Economics organized an International Webinar Series on 'Effective routes to get articles published in Scopus & WoS indexed journals' on August 18, 2021. Dr. Gilbert C. Magulod Jr., the resource person, pointed out that the most common reasons for desk rejection was lack of novelty or being out of the journal's scope. Improper study designs, poor methodological descriptions, poor quality of writing, and weak study grounds were the most common rejection reasons mentioned by both peer reviewers and editorial reviewers. He gave suggestions on how to publish research articles in reputed journals. According to Dr. Gilbert C. Magulod Jr., all papers must be 100% novel and have not been published in parts (text/figures/tables) in any conference proceedings or journal in any form, any media or any language. He added that, all papers will be reviewed and go through checking for plagiarism. It is the full responsibility of authors to get all manuscripts properly checked for the English language and the publisher will not assume any such responsibility. The webinar concluded with an insightful interactive session.

International Webinar Series on Transforming Indian Economy- Perspective of the RBI

Department of Economics organized an International Webinar Series on 'Transforming Indian Economy-Perspective of the RBI' on September 18, 2021. Dr. Manoranjan Sharma, (Chief Economist, Infomerics Ratings, Delhi, Former Chief Economist, Canara Bank) was the resource person. Dr. Manoranjan Sharma started the discussion on the macro-economic situation, scheduled and non-scheduled banks, and economic slowdown of the global economy due to the pandemic. He also stressed financial frauds, bank rate policy, and IBC 2016 to stabilize the Indian economy. He opined that the application of technology in the banking sector could reduce financial frauds and losses. The session concluded with an interactive discussion among the participants and resource person.

International Webinar on 'The Future of Accounting towards Digital Skills in a Transformed World'

Department of Commerce (PG), Kristu Jayanti College (Autonomous), Bengaluru, conducted an International Webinar on 'The Future of Accounting towards Digital Skills in a Transformed World' on September 02, 2021. The resource person was Dr. Yousuf Al Balushi, Head, Accounting and Business Department, University of Technology and Applied Science (UTAS) Muscat, Sultanate of Oman. The resource person enlightened the participants on the need for having digital skills in the new era. Dr. Balushi also elaborated on the advancements in financial technology and business. The participants interacted with the resource person and clarified their queries. More than 136 scholars and academicians participated in the webinar from various parts of the country

Virtual National Electronics Conference on Materials for Electronics applications (NACMEA-2021)

Department of Electronics organised a “Virtual National Electronics Conference on Materials for Electronics applications (NACMEA-2021) on November 10, 2021. Dr. B B Kale, Director & Scientist-G Centre for Materials for Electronics Technology (CMET), Pune, India was the chief guest and the keynote speaker. Dr. Binoy K Saikia, Senior Scientist CSIR-North East Institute of Science and Technology, Jorhat, Assam. Dr. Binoy presented a technical session on Nano diamonds from low-quality coals and carbonaceous aerosols: environmental care and waste to wealth. Dr. S. K. Nataraj, Professor and Group Leader, Centre for Nano and Material Science, Jain University, Bengaluru, India. Topic of the session was Interdisciplinary Research on Materials Aiming Energy and Environmental Applications. Dr. P. Kathirvel, Assistant Professor Department of Physics GRD, Centre for Materials Research PSG College of Technology, Peelamedu, Coimbatore, India. The resource person shared his experience during the research on Flame Synthesis of Oxide Materials.

The aim of this conference was to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Basic Science and Materials Sciences for Electronics applications. All the selected papers for the presentation in conference will be published in IOP (Institute of Physics): Journal of Physics: Conference Series, indexed by Scopus, the world's largest abstract and citation database for peer-reviewed research, content published on IOP science is discoverable across all major discovery services.

Virtual National Conference on “Recent Trends in Pure and Applied Mathematics”

Department of Mathematics of Kristu Jayanti College in association with Department of Mathematics Bengaluru North University from November 11 to November 12, 2021 organised a virtual national conference on “Recent Trends in Pure and Applied Mathematics”. Chief Guest of the Conference, Dr. Kumuda D, In-Charge Vice-Chancellor, Bengaluru North University, highlighted the importance of National conference to the student community and researchers in the current scenario. Guest of Honour, Dr. Pradeep G. Siddheshwar, Senior Professor of Mathematics, Centre for Mathematical Needs, Department of Mathematics, Christ University, Bengaluru, appreciated the theme of the conference and the key note address and said this conference would emphasize on how pure mathematics becomes applied mathematics.

National webinar on ‘Indian Economy and Banking at the Crossroads- Roadmap for the Future’

School of Management organized an online national webinar on the topic ‘Indian Economy and Banking at the Crossroads- Roadmap for the future’, on August 07, 2021. The resource person for the program was Dr. Manoranjan Sharma, former Chief Economist, General manager and Chief learning officer, Canara Bank. Presently he is the chief economist at Infomerics Rating. There were participants from other institutions

including both faculty members and students along with the MBA students and faculty of Kristu Jayanti College. Ms. Akshatha Shetty, I MBA student welcomed the virtual gathering and Mr. Thejus Shibu introduced the speaker. Dr. Manoranjan Sharma addressed the crowd focusing on the impact of the present pandemic situation on the economic and financial system of the country. He pointed out the massive

measures taken by the banking sector to counter this state. Further, he warned the audience to be cautious related to the frauds and mischiefs that are occurring in this area. He cleared the doubts of participants after his address. Mr. Santhosh, I MBA student proposed a vote of thanks.

National Level Webinar on ‘Job or Career- A Pathway’

School of Management organized a national level webinar on the topic ‘Job or Career- A Pathway’ on August 30, 2021. The resource person was Mr. Rajan Parulekar, an accomplished author, management consultant, corporate trainer, and motivational speaker from Paradigm Trainers Private Limited. Sharon Esther, Ist MBA student welcomed the virtual gathering and Ms. Ivin, I MBA, introduced the speaker to the audience. Mr. Rajan addressed the gathering by emphasizing on

problem solving abilities, positive attitude, communication and hard work. He stated the importance of being a team player and emphasized on viewing life in a holistic manner rather than on job alone. He stressed on employability rather than employment and to ‘challenge the known and embrace the unknown’. Ms. Sneha proposed the vote of thanks. The session was attended by the students and faculty of School of Management and other institutions.

National Webinar on Creating Value through Corporate Restructuring

Department of Professional Accounting and Finance organised a National Webinar on “Creating Value through Corporate Restructuring” on August 31, 2021. The resource person for the webinar, Shri. Sudhakar Giridharan, partner at 4-i Services, touched-base on various restructuring opportunities that businesses can opt for in order to revive

and recoup from the disruptions caused by the pandemic. The outburst of the pandemic has caused a series of unprecedented challenges for the economy. Companies are grappling with significant disruptions and uncertainties in managing their business. Corrective actions are therefore imperative for traversing through such challenges such

as foreseeable losses, disrupted supply chains, liquidity crisis and other risks. It would be important to accordingly, revisit and re-think strategy for restructuring opportunities to align businesses for their survival and resurgence.

Overall the session was informative and apt in the current state of affairs.

Virtual Seminar on Emotional Intelligence

A Virtual Power Seminar on the topic ‘Emotional Intelligence’ by Mr. Manikandan Balasubramaniam, Head-Human Resources, iTech India Private Limited, Chennai was organised by the Department of Computer Science on September 11, 2021.

One of the core ideas that was talked about was ‘Emotional Intelligence: Domains and Competencies’. Mr. Balasubramaniam even gave examples from his life stories on emotional management. He also made the students reflect on the 5 W’s and 1 H (Why, When,

Where, What, Which and How), you need to ask yourself when it comes to solving a problem.

The session was at all times interesting and Mr. Balasubramaniam always made sure that the students were following up with the subject.

Webinar on Confab on Marketing- Face to Face with Brand

Department of Management organized a webinar on Confab on Marketing- Face To Face With Brand for the final year BBA students on September 13, 2021. The main objective of this webinar was to enhance the marketing knowledge through sharing of real time experience and to instigate the student community to take part in entrepreneurial pathway. The session was on Mantra in Marketing.

Mr. V. R. Muthu a passionate entrepreneur

who touched all the hearts of Tamil Nadu with his Brand name "IDHAYAM OIL" was the resource person for the day and had one to one discussion with students in order to promote the entrepreneurial skills among student community. It was an enriching session for the students as the resource person shared his practical exposure and experience.

The webinar ended with the Q & A session followed by the feedback

session. The participants learned a lot about marketing and strategies for successful business. The students enjoyed the session with discussions and understood the real time marketing struggles, success strategies and how to handle and overcome the competitors. Students were also motivated and sparked their minds to become an employer rather than employee.

Seminar on Career Orientation - Build Your Future: Ways for Career Drive for II MA JMC Students

Department of Media Studies (PG) conducted an enlightening session on career placements for the final year MA JMC students on September 14, 2021.

The resource person, Professor Sen. B.

Mathews the Director - Centre for Employability and Corporate Relations (CECR) of Kristu Jayanti College, conducted the session with interactive methods to engage with students. The

discussions came out well with valuable insights like the importance of attitude and the areas to be strengthened for better career options.

National Webinar on Artificial Intelligence (AI): Transforming the World

Department of Computer Science (PG) organized a national webinar on Artificial Intelligence(AI): Transforming the World on September 3 & 4, 2021. The resource person for Session I: Artificial Intelligence (AI) was Mr. Niteesh Prince John, Asst. Professor, Department of Computer Science and Engineering Saintgits College of Engineering (Autonomous) Kottayam, Kerala, India. Mr. Niteesh Prince John explained about the concepts of Artificial Intelligence like

learning and its types and steps in learning. The resource person took a glance through different concepts like Image super resolution problem, Classification, Detection problem and Image Reconstructions and showed implementation of Artificial Intelligence in real time through video footages.

In Session II: Natural Language Processing (NLP), Dr Aruna Devi K, Asst. Professor, Department of Computer Science [PG], Kristu Jayanti College

(Autonomous) was the resource person.

On the second day technical session was led by Dr Aruna Devi K, Asst. Professor, Department of Computer Science [PG], Kristu Jayanti College (Autonomous) Bangalore. On September 4, Dr. Aruna explained about the usage of Natural Language processing and importance of Text Data. She demonstrated sentiment analysis with texts which explained precisely about Natural Language Processing.

Interactive Seminar on Effective Preparation for a Marketing Career

School of Management organized an interactive seminar on the topic 'Effective preparation for a Marketing Career' for MBA students in the marketing specialization on September 14, 2021. Mr Rajan Parulekar, acclaimed trainer at Paradigm Trainers Private Limited and author of the best seller 'contextual selling' was the chief guest. Dr. Aloysius Edward, Dean, Faculty of Commerce and Management, welcomed Mr. Rajan Parulekar for the seminar.

Mr. Rajan shared rich insights on entrepreneurship and start-ups in India and using this backdrop enriched the audience with numerous examples of

marketing successes across sectors. He pointed out to the Covid 19 pandemic and the do or die situation it created for firms and appreciated firms that embraced the social media engine to identify newer vistas of opportunity for themselves. He urged the student audience to always be vigilant about changes and apply their minds on innovating creative outputs.

The seminar was followed up by a question and answer interaction where the students raised a lot of practical questions which were answered by Mr Rajan with a lot of enthusiasm and zeal peppered with live case studies and examples.

National Webinar on Economics of Climate Change and UN IPCC AR-6

Department of Economics Organized a National webinar on 'The Economics of Climate Change and UN IPCC AR-6' on September 15, 2021. Dr. Krishna Raj, Professor, Centre for Economic Studies and Policy, Institute for Social and Economic Change (ISEC), Bengaluru was the resource person. The resource person started discussion on economic

inequality, environmental degradation, climatic change, greenhouse gas concentration, energy consumption and the Global disparity in carbon footprints. He stressed that natural methods everywhere in the world is being exaggerated by local climate changes, predominantly temperature increases, and that these temperature escalations

are very likely to be the outcome of anthropogenic discharges of greenhouse gases. He opined that, environment demands people and the policy makers to react quickly to ongoing changes that are unpredictable and out of control. The webinar ended with an insightful interactive session.

Webinar on "Resume Building"

Centre of Soft Skills Training organized a webinar on "Resume Building" for final year BBA & B.Sc. (LS) students on September 17, 2021. The webinar aimed to train the final year undergraduate students in writing resume. The resource person Prof. Sen B Mathews, Director - Centre for Corporate Relations and Employability, addressed the gathering

by sharing his knowledge regarding the intricate aspects of resume writing by showing the example of our college resume template and also his experience relating to do's and don'ts. He also shared inputs regarding the whole selection process and what creates a positive first impression, including details about relevant certifications.

Students gained insights regarding resume writing techniques. During the session, students interacted actively and got additional information regarding preparation of an effective resume according to their domain and updated their resume as per the standard guidelines.

Webinar on Deep Learning Architecture

An exclusive technological skill enhancement webinar was organized by the Department of Computer Science PG in association with ACM-W student chapter, on the topic 'Deep Learning Architecture' on September 15, 2021. The session was also organised to commemorate "National Online Learning Day". The resource Person, Shri Sabyasachi

Mukhopadhyay, Google Developer Expert in Machine Learning, commended all the participants for their high spirit and contributing efforts towards the success of the webinar. He further went on to give a vivid outlook on the Deep Learning Architecture by giving hands on session on Google Colab and DCNN (Deep Convolutional Neural Network).

He instigated the demonstration by giving an introduction to AlexNet, DCNN by explaining about its Learning Representations, Ingredients Needed: Data and Hardware, Activation Functions and Capacity Control & Processing.

Webinar on Orientation on IIC and KJIC

Department of Computer Science and Institution's Innovation Council organized a webinar on brief introduction about KJIC and its various activities. Dr. Jasmine Beulah explained about how KJIC created an ecosystem for startups, and provided feasible infrastructure for the same and also reminded the students that KJIC always made sure to

communicate with other startup industries and alumni entrepreneurs, along with the helps given to Small Help Groups (SHG s) in that area. Then speaker elaborated about four cells in KJIC, namely - EIC, IIC, IPR and NISP and how Kristu Jayanti Incubation Centre has encouraged the students explore more and to provide exposure to the student

members via India First Leadership Talk Series (IFLTS). The speaker briefed about the annual calendar for the academic year 2021-22, and the students were encouraged to utilize the opportunities provided. The various achievements of the KJIC and the alumni were displayed.

Webinar on “Goal Settings”

Centre of Soft Skills Training of Kristu Jayanti College, Bengaluru organized a webinar on “Goal Settings” the Second Year BCA, B.Sc. (CS) & B.Sc. (LS) students on September 23, 2021. The webinar aimed to train the second year undergraduate students in goal setting. The session was started with a silent prayer and brief introduction by Mr. Jephin James, Dr. P. Roopa, staff coordinator welcomed the gathering.

The resource person, Prof. Stephen Deepak addressed the gathering by sharing his knowledge regarding the intricate aspects of goal settings. He explained the strategies and techniques that must be followed for setting as well as achieving goals. He also shared his inputs regarding the techniques involved in setting long term and short term goals. He shared his experience relating to do's and don'ts of setting any goals. The

session was ended with a vote of thanks by Ms. Neha Sunil.

During the session, students interacted actively and gathered information of how to prepare oneself to achieve short term as well as long term goals. The session was helpful to the students to understand the various strategies that must be followed to achieve goals and also gained insights regarding goal setting techniques.

National Webinar on ‘The Big IPO Boom – Who is Winning’

School of Management organized national webinar on September 22, 2021 on the topic, ‘The Big IPO Boom – Who is Winning’. The resource person for the session was Dr. Aloysius Edward. The objective of this national webinar was to educate and provide an understanding on the Indian Stock Market, Initial Public Offer (IPO), its process and the radical upsurge of IPO in 2021. He gave an outline

of the Indian Stock Market its strengths and the status of many Indian companies. The session continued with the explanation on IPO, book and building. He explained the present IPO boom with a case study and gave his insights on the current scenario. The students of I MBA and participants from other institutions attended the session.

Seminar on “Ethnohistory and Ethnoarchaeology”

Department of History, organised a seminar on “Ethnohistory and Ethnoarchaeology” on September 22 and 23, 2021. The resource person for the event was Prof. C.A Mawlong, Professor & Head; Department of History, North Eastern Hill University (NEHU), Shillong. Participants from invited various colleges, collaborative institutions, Sophia Girls College, Ajmer, St. Anthony College, Shillong affiliated to NEHU and Vellalar College for women, Erode and

students of History, Kristu Jayanti College were also benefited.

The event started with the introduction of guest, by Prof. Ramya B, Head, Dept. of History, followed by the inaugural address by Rev. Fr. Dr. Augustine George. The two sessions in the seminar focused on the genesis, methods and significance of Ethnohistory and Ethnoarchaeology. Prof. C.A Mawlong, elaborated on the importance of new approaches in the learning of history and understanding of

society and culture. The resource person also stressed on the interdisciplinary social sciences research.

On the second day, Ms. Kumari Krishna, a final year History student from Kristu Jayanti College, presented a brief summary of the lecture and Dr. Ravi Sankar K, Asst. Professor, Dept. of History provided concluding remarks.

National Webinar on Economic Impact of Covid 19 on Indian Economy

Department of Economics, organized a National Webinar on “Economic Impact of COVID-19 on Indian Economy” on October 7, 2021. The resource person of the day was Dr. Syam Prasad, Assistant Professor, Department of Economics, Central University of Kerala, Kasaragod. The resource person presented the impact of pandemic on the Indian economy from a macroeconomic perspective. He observed how there were breakages in the circular flow of income

due to the lockdowns, which led to a global economic recession. The implications of the lockdown were studied from three perspectives: Domestic Slowdown, International recession, and Overall Uncertainty. Further, he analyzed the impact of the lockdown on primary, secondary and tertiary sector, which suffered loss of demand, supply chain blocks and complete economic halt respectively and concluded by saying that he is optimistic

of the recovery and revival of Indian economy on the condition that there will be no 3rd wave of COVID-19 and 60% vaccination by October 2021 and observed current trends of economic acceleration in the country. The session was followed by an interactive session with the students where Dr. Syam Prasad answered the student's queries about economic recovery and addressed their apprehension regarding economic trends.

National webinar on Insurance Industry in Pandemic Times – Present and Future

Department of Professional Accounting and Finance, organized a national webinar on “Insurance Industry in Pandemic Times – Present and Future” on September 25, 2021. The objective of conducting this webinar was to understand the impact of Covid-19 on the insurance sector and to practically enlighten the students regarding the functioning of insurance industry.

Mr. T. L. Aarunachalam, Director & Head-

Cyber and Emerging Risks Practice, Bharat Re-Insurance Brokers Pvt. Ltd. India, was the resource person of the Webinar. More than 600 participants, including the learned professionals from various other institutions all over India participated in the webinar. Mr. T. L. Aarunachalam, highlighted the importance of Insurance coverage, claiming that the pandemic had given us all a reality check. He stated that the life

insurance claims increased 5-10 times post the 2nd wave, while general insurance like motor insurance etc., have witnessed a dip. He also shared about the recent developments and trends in the insurance sector. The career opportunities and courses offered in the field of Insurance were discussed. Several queries came up for discussion and the speaker addressed all the queries. The session was informative and interactive.

Webinar on “National Cinema: Negotiating Culture and Histories”

Department of English (PG) organized a webinar on “National Cinema: Negotiating Culture and Histories” on October 5, 2021. The webinar was an interactive session with Dr. Swapna Gopinath, Associate Professor, Symbiosis Institute of Media and Communication, Pune.

Dr. Swapna began the session by giving

an introduction to the concept of cinema being culturally influenced and spoke about many aspects under the topic, ‘Notion of National Cinema across the Culture and then to Indian Context’. She said that cultural studies is the major tool to understand cinema, and explained how cinema has a huge impact in connecting with the nation. She mentioned that

humankind is heterogeneous, so we have to create homogeneity among heterogeneous. She also gave an insight into the aspects of nationhood in films and how national sentiments are evoked by employing the concept of the ‘other’ where unity among a certain group of people is established with the introduction of ‘other’ in the plot.

National Webinar on ‘Investment Slowdown in India’

Department of Economics organized a National level webinar on the topic ‘Investment Slowdown in India’ on October 26, 2021. The resource person for the webinar was Prof. Pravakar Sahoo, Course director and Head, Indian Economic Service Section, Institute of

Economic Growth. The resource person started his discussion with topic economic slowdown in India. He further went on to giving a vivid outlook of the reasons for economic slowdown and how to revive investments in India. He emphasized the steps to boost

investment. Finally the session came to an end with an interaction session, wherein, the participants have posed various questions and accordingly the resource person clarified all of them.

Webinar on ‘The Scope and Space of Alternate Media in India- Possibilities and Challenges’

Department of English (PG) organized a webinar on ‘The Scope and Space of Alternate Media in India- Possibilities and Challenges’ on October 8, 2021. The guest speaker of the day was Shri. Arun John - Associate Professor at the Liberal Arts Department, Annapurna College of Film and Media. Prof. Arun John commenced the session by explaining

about the meaning of big and alternative media, the challenges of alternative media, and the importance of indigenous knowledge. He cited and elucidated on the importance of inclusivity and media sovereignty. The session was interactive and was well received by the audience. The session was quite edifying and insightful. “I was able to learn many

aspects of alternative media and the relevance of media in the better functioning of a nation.” – opined Sheryl Anna of III MA.

Webinar on Research Methodology

Department of English (PG) organized a webinar on Research Methodology “Use of Linguistics in Research” on November 11, 2021 at 10:30 a.m. The webinar was both online and offline with the English Honours students joining online and with the MA English students participating offline. The resource person Prof. M. Hariprasad is the Department Head of Computational Linguistics in The English and Foreign Language University, Hyderabad. He is an eminent writer and a researcher with 24 years of teaching and research experience in Language teaching. Prof. M. Hariprasad began the session by giving an introduction to the

Linguistic Theories stating “Linguistics Theories are no less scientific than any theories of physics such as Newton’s theory of gravity or Einstein’s relativity theory”. It was an informative session where the speaker talked in detail about various aspects of Linguistic research. The resource person explained about the Observation of Languages, Theory of Universal Grammar, Problem of Learnability, Principle and Parameters of linguistic, Reflective pronouns with different hypothesis.

National Webinar on ‘Scientific Research & Approaches for Social Science’

Department of Economics Organized a National Webinar on ‘Scientific Research and approaches for social science on November 13, 2021. Dr. Arulmurugan (Assistant Professor and Research Supervisor, Department of Commerce, Kariakal Campus Pondicherry University) was the resource person. The resource

person started with the importance of seeking research techniques. He suggested that, research helps to judge the basic requirement of community and thereby provide an adequate provision of a nation's resources. He added that, social research methods can help us explore, enlighten, and explain aspects of

the social world, as well as estimate whether particular programs or policies in fact work. The webinar ended with an interactive session, wherein, the participants have posed various questions and accordingly the resource person clarified all of them.

Webinar on ‘Ecological Role of Butterflies’

Centre for Environment and Sustainability, in association with the Bangalore Butterfly Club, organised a webinar titled ‘Ecological Role of Butterflies’ on November 20, 2021.

The resource person was Mr. Haneesh K M, Founding Member, Bangalore Butterfly Club and Associate Professor,

Christ University, Bengaluru. Mr. Haneesh started his talk by sharing his presentation slides depicting the beauty and morphology of butterflies. He explained about different types of butterflies, their taxonomy, and characteristics. Each class of butterfly was explained in detail by him, from the

morphology, the early stages and the process of “metamorphosis”. He concluded by giving examples of different host and nectar plants and mentioning the importance of butterflies to the ecosystem.

State Level Seminar on Ending the Violence against Women Orange the World: End the Violence against Women Now

State level seminar on 'Ending Violence against Women' was organized by the Department of Social Work in collaboration with Save the Children, Non-Governmental Organisation, Bengaluru at Kristu Jayanti College (Autonomous), with participants from across various districts of Karnataka, on December 6, 2021.

In the presidential address, Fr. Dr. Augustine George, Principal, Kristu Jayanti College, accentuated that the violence against women will end, only if women come to key decision and policy making positions of the nation. He

highlighted the importance of higher education of women in India and its outcome in terms of women empowerment and development of the nation as a tool to root out violence against women.

Dr. Meru Miller, Founder & Secretary of RICE-MMS, Hosur delivered the Inaugural Address of the Seminar. Dr. Miller in his thought provoking address insisted that women should come to political power by holding administrative positions in the country to reduce and end violence against women in India. Dr. Miller shared his vast experience in the field of human rights, child rights and

women rights at regional, national and international levels to enlighten the participants about the significance of women rights.

The seminar had two technical sessions of which the first technical session started was handled by the Ms. Sinimol PJ, Advocate and the second by Dr. Jonas Richard A and Dr. Winnie Joyce A. Prelude to the technical sessions was given by Mr. Ashish, Project Assistant, Save the Children, Bengaluru.

Webinar on Nurturing a Cyber Safe world

Department of Computer Science (PG) organized an extension service program in association with Euro School, Whitefield, Bengaluru. The objective of

the program was to create an awareness among children on the various forms of cyber-attacks. The resource persons were Dr. Ranjitha M, Associate Professor,

Department of Computer Science[PG] and Mr. Atif Khan, Student, IV Semester MCA. Students from 6th to 8th grade were the beneficiaries of this program.

Webinar on ‘Market Outlook of Trending Mutual Funds’

Department of Commerce PG organized a webinar on ‘Market Outlook of Trending Mutual Funds’ for M. Com & M. Com FA Students on February 19, 2022. Mr. Suhas Rajput, Trainer from UTI was the resource person for the programme.

The major learnings of the webinar session included understanding the idea of financial planning, importance of being an informed investor, awareness about Mutual Funds & KYC requirements, mantras of investing and the investor

redressal mechanism by SEBI. More than 120 students participated and the webinar ended with a Q&A session in which the participants clarified their queries regarding the mutual fund investments.

Professional Development Programme: Role of Higher Educational Institutions in Promoting SDGs

The Faculty Development Cell of Kristu Jayanti College organised a Professional Development Programme to deliberate on the Role of Higher Educational Institutions in Promoting SDGs. The esteemed resource person of the day was Shri. Ramu Damodaran. He has extensive practical knowledge in implementing the SDG's, being the Deputy Director for Partnerships and Public Engagement in the United Nations Department of Public Information's Outreach Division and the former chief of the United Nations Academic Impact initiative. He highlighted the need for spiritual and moral value in education today to meet the challenges of the twenty-first century. He

spoke in length about the UN's goals to eradicate poverty through activities that promoted enlightenment and self-awareness. He emphasised on the need to use our scholarship to build an engagement keeping in mind the social needs of our immediate community and to strive for global peace in all our endeavours. He urged the audience to think local and act global in order to achieve greater heights and worldwide relevance through our efforts. The Sustainable Development Goals are 17 interlinked global targets designed to be a "blueprint to achieve a better and more sustainable future for all" to change the world for the better.

Webinar on Green Technologies for Recovery of Bioenergy from Municipal and Industrial Solid Wastes

Department of Life Sciences and the Environment club of Kristu Jayanti College (Autonomous), Bengaluru, organised a virtual webinar on 'Green Technologies for Recovery of Bioenergy from Municipal and Industrial Solid Wastes' to commemorate the World Environment Day, June 5, 2021. This year's theme for World Environment Day

was "Ecosystem Restoration". Environment friendly, restorative and scalable solutions to the problem of waste management are of vital importance for ecosystem restoration and sustenance. Dr. S. V. Srinivasan, Senior Principal Scientist, Department of Environmental Engineering, CSIR-Central Leather Research Institute (CLRI), was the

resource person for the webinar. Through his talk, he introduced biotechnology-enabled green approaches in solving the problem of accumulating municipal and industrial solid waste. Interesting ways of converting waste into biofuels using green approaches were also discussed.

Webinar on Emerging Technologies

This webinar was organised by the ACM-W Student chapter of Kristu Jayanti College to give an awareness among students to focus on the five major

trending areas in technology. The resource person highlighted on digital transformation, sustainability and transparency, workflows, operational

efficiencies and security. Ms. Latha also pointed out the importance of upskilling and reskilling and driving the innovation for developing a successful career.

Webinar on Business Model Canvas

School of Management in association with the Institution's Innovation Council (IIC) organised a webinar on Business Model Canvas, an orientation for business proposal preparation and presentation for MBA first year students on June 15, 2022 at 5.30 p.m. the resource person was Mr. Thaneshwar Singh, Co-founder, Ientra Business Solutions Private Limited. Mr. Yatin started the programme with a silent prayer. Ms. Thanya welcomed the gathering, and Mr. Gokul introduced the

chief guest. Introduction to the programme was given by Dr. D. Ravindran, the event coordinator of the webinar and Innovation Activity Coordinator (IIC).

Mr. Thaneshwar addressed the students on the topic with live examples. He explained how entrepreneurship can be and how it started for him. He spoke about capital, time, and knowledge. He clarified the start-up's vision, mission, and values of entrepreneurship. He gave the outline for preparing the executive

summary and developing start-up goals. He explained the process of how to conduct market analysis and developing start-up partnerships and resources. He briefed about writing a start-up marketing plan and start-up budget. The program ended at 6:30 pm with Dr. D. Ravindran giving the concluding remarks and a vote of thanks by Dr. Muruganantham A, President, Institution Innovation Council, Kristu Jayanti College.

UNAI PROGRAMMES

Webinar on Green Technologies for Recovery of Bioenergy from Municipal and Industrial Solid Wastes

The Department of Life Sciences and the Environment club of Kristu Jayanti College (Autonomous), Bengaluru, organised a virtual webinar on 'Green Technologies for Recovery of Bioenergy from Municipal and Industrial Solid Wastes' to commemorate the World Environment Day, June 5, 2021. This year's theme for World Environment Day was "Ecosystem Restoration". Environment friendly, restorative and scalable solutions to the problem of waste management are of vital importance for ecosystem restoration and sustenance. Dr. S. V. Srinivasan, Senior Principal Scientist, Department of Environmental Engineering, CSIR-Central Leather Research Institute (CLRI), was the resource person for the webinar. Through his talk, he introduced biotechnology-enabled green approaches in solving the problem of accumulating municipal and industrial solid waste. Interesting ways of converting waste into biofuels using green approaches was also discussed.

Food Donation Drive by NSS and KCDC Volunteers - June 6, 2021

The NSS and KCDC volunteers took an initiative to help homeless people with food and water on June 6, 2021.

Professional Development Programme: Role of Higher Educational Institutions in Promoting SDGs

The Faculty Development Cell of Kristu Jayanti College organised a Professional Development Programme to deliberate on the Role of Higher Educational Institutions in Promoting SDGs. The esteemed resource person of the day was Shri. Ramu Damodaran. He has extensive practical knowledge in implementing the SDG's, being the Deputy Director for Partnerships and Public Engagement in the United Nations Department of Public Information's Outreach Division and the former chief of the United Nations Academic Impact initiative. He highlighted the need for spiritual and moral value in education today to meet the challenges of the twenty-first century. He spoke in length about the UN's goals to eradicate poverty through activities that promoted enlightenment and self-awareness. He emphasised on the need to use our scholarship to build an engagement keeping in mind the social needs of our immediate community and to strive for global peace in all our endeavours. He urged the audience to think local and act global in order to achieve greater heights and worldwide relevance through our efforts. The Sustainable Development Goals are 17 interlinked global targets designed to be a "blueprint to achieve a better and more sustainable future for all" to change the world for the better.

International Youth Day Celebration 2021

Virtual International Conference on "Breaking the Cycle of Poverty: Challenges and Way Forward"

On the occasion of The International Day for the Eradication of Poverty on October 17, 2021, Kristu Jayanti College (Autonomous) organised a virtual international conference on "Breaking the Cycle of Poverty: Challenges & Way Forward". Mr. Robert Skinner, the honourable Chief of United Nations Academic Impact, New York, inaugurated the conference and spoke about the importance of academic institutions coming together with the UN to help the vulnerable and those caught in the vicious cycle of poverty. In his passionate speech, Mr. Omar Hernandez, Public Information Officer, UNAI SDG Hub, urged the audience to a well-thought-out and planned action. The college is committed to Developmental Goal 1 - 'End Poverty in All its Forms Everywhere', and it is in its second term as SDG HUB1. The first technical session was by Dr. Padmini Murthy, Professor and Global Health Director, New York Medical College, School of Health Sciences and Practice, New York; Dr. Amy Ansehl, Associate Dean, School of Health Sciences, New York Medical College, School of Health Sciences and Practice, New York, on the topic "Addressing Poverty by Promoting Health and Well Being". The second technical session - "The Long-Term Impact of COVID-19 on Poverty" was by Mr. Julian Slotman, Associate Economic Affairs Officer, Global Economic Monitoring Branch, Economic Analysis and Policy Division, UN/DESA. The last technical session for the day, "Reducing Poverty through Industrial Growth" was by Dr. Mami Katsumi, Education Administrator, Centre for International Industry-Academia Collaboration, Nagaoka University of Technology (NUT), and Japan. This conference was a step in the right direction with more than 600 participants involved and was a beautiful example of thought and knowledge in action.

Two Day Campaign in Commemoration of UN Day

In commemoration of the United Nations Day, the Department of Media Studies (PG) organised a two-day campaign, "Make a Difference: Be the Difference". The campaign was conducted in Kannamangala, Purushanahalli, and Kanaswadi Government schools with a focus on student empowerment and rural analysis. The effectiveness of the vaccination drive in the villages was also measured to understand the efficiency of vaccination campaigns. A green awareness drive at the village households was also a part of the campaign. Five hundred saplings were planted in the village in the campaign days, and 55 saplings were distributed to the children in schools to nurture for the future. 2000 masks, sanitizers, and Covid awareness leaflets were also dispersed in the village to ensure safety during pandemics. The campaign was conducted in partnership with Gujarat Tourism and WFFV (Water for Voiceless). The media students were able to initiate development programs in the village successfully. A variety of programs, including cultural and experimental design, were organised for children to engage with the mainstream.

Webinar on Women and Poverty (Economic Violence) in connection with The International Day for Elimination of Violence against Women

November 25, 2021 was declared as a day of significance by the UN to mark the day as The International Day for Elimination of Violence against Women. To increase the awareness about this day, Kristu Jayanti College which is United Nations Academic Impact Hub for SDG 1 conducted a Webinar on Women and Poverty (Economic Violence). The speaker for the day was Mrs. Sagaya Shanthi, Head, Women's Unit, Indian Social Institute, Bangalore and also an eminent social activist. She highlighted the fact that 1975-85 was declared as the International Decade for Women by the UN. She spoke at length on Women and Poverty and added that females being the most side-lined in the social constructs, were more prone to exploitation including trafficking. Dr Jonas Richard, Coordinator UN SDG HUB -1 set the stage for the webinar with his prelude mentioning that nearly 1 in 3 women have been abused in their lifetime. In times of crisis, the numbers rise, as seen during the COVID-19 pandemic and recent humanitarian crisis, conflicts and climate disasters.

Two Days Workshop on Statistics using R Programming

Department of Economics conducted a two day workshop on "Statistics using R programming" on June 6th and 7th, 2022. The resource persons for the session were Dr. Vinod B. and Ms. Keerthi Vijayan, Department of Statistics. They enlightened the students on the use of R software in statistics. The students got an adequate knowledge on an application of Regression and Correlation analysis. The workshop concluded with an interface session in which the resource persons cleared the doubts of the participants.

Workshop on Project and Internship

School of Management organised a workshop on "Project and Internship" to orient the first year MBA students on June 20, 2022. Dr. Aloysius Edward J., Dean, Faculty of Commerce and Management, spoke to the students about the process of identifying internships and research projects that are relevant to their field of study. Highlighting the importance of the internship for MBA students, Dr. Edward explained the project manual, key deliverables, and important deadlines. Assuring the students about the support that would be extended by the faculty guides, the School, and the College, he also introduced the internship that was being planned for the students to get internship placements. The quality and genuineness of the research work were stressed as the outcome of the research project needs to be presented at a conference as a research paper. Dr. M. K. Baby, Head, School of Management, presented the complete internship schedule to the students.

Nrityadarpan Intra-Collegiate Dance Concert

Nrityadarpan, the annual intra-collegiate dance festival was held on April 11, 2022. It was one of the most awaited events for students after the reeling effects of a two-year pandemic. The event began with a classical dance performance that included Mohiniyattam, a brief glimpse of Kathakali, Bharatanatyam, and a fusion of every dance form, followed by a contemporary dance performance that projected radiant emotions and feelings. A stage-shaking energetic hip-hop performance followed the beautiful classical performances. The dance teams did not fail to include East Asian cultural aspects in their dance, thus giving it a unique flavour. The popular Bollywood version met South Indian dance, followed

by a western dance meets K-pop performance. The international popular performances then made way for diverse national dances which reflected different states of India, showcasing Kerala folk dance, Punjabi Bhangra dance, and Rajasthani folk dance, all of which celebrated the uniqueness of our vibrant culture. The last lap of the Nrityadarpan made way for western fusion dance performances, starting with contemporary dance and progressing to hip-hop with mannequin dance style and Indian classical fusion. The stirring event ended with a hip-hop performance that left a lasting effect on the audience.

Dr. Bexci also talked in detail about the challenges faced by media and public health researchers. She covered the fundamentals of health communication and moved to major aspects of media and public health. She also gave tips and suggestions for researchers in the field and briefed them about the scope of working and engaging in this field.

Lecture on Invisible Intersections: Exploring Feminism, Disability and Gender

The Department of English (PG), Kristu Jayanti College (Autonomous), Bengaluru, organized a lecture on 'Invisible Intersections: Exploring Feminism, Disability and Gender' as a part of the Literary Theory Lecture Series on March 21, 2022. The resource person of the lecture was Ms. Sharada Devi V, Ph.D. Research Scholar, Institute of English, University of Kerala, Thiruvananthapuram, Kerala.

Ms. Sharada Devi provided a brief introduction to feminism, later focusing on intersectional feminism. Intersectional feminism centers on the voices of those experiencing overlapping, concurrent forms of oppression to understand the depths of the inequalities and the relationships among them in any given context. Disability is an important intersection. In a patriarchal society, disabled women suffer more than disabled

men.

According to Michelle Fine and Adrienne Asch, women with disability have to experience "sexism without the pedestal". British academician and disabled woman Jenny Morris pointed out that disabled women are not expected to be physically attractive; they are expected to be asexual. Disabled women are objectified as asexual or desexualized beings. Their sexual and reproductive rights are denied by society. On the other hand, disabled women are also vulnerable to sexual crimes. According to an agency of Human Rights Watch, women with disabilities are three times more likely than non-disabled women to be raped. So, it becomes more important to raise their concerns before society.

Jayantian Alumni Entrepreneurs' Meet-2022

Jayantian Alumni Entrepreneurs Forum in association with Entrepreneurship and Innovation Centre (EIC) and Kristu Jayanti Incubation Centre (KJIC) organized 'Jayantian Alumni Entrepreneurs' Meet-2022' on February 19, 2022.

The entrepreneurs who attended the meeting were Nithya Achuthan, Godwin Anthony, Jade Antonio, Abdul Hannan Ahmed, Jestin V Thomas, Niby E, Melwyn John Bosco and Arcel Kabange. The initial session was by Dr. Hemang Shah, Co-Chairman, National IPR Committee, The Association Chambers

of Commerce and Industry of India & Director, Indian Engineering Lead Qualcomm Technology Licensing, Qualcomm. In the speech, Dr. Shah inspired all the entrepreneurs with his own story, shared his ideas to become entrepreneurs, and motivated all to achieve their dreams.

The second speaker Smt. Nithya Achuthan, CFO, AZ Industrial Techniques, Bengaluru, discussed the myriad perspectives of entrepreneurship. The meeting concluded with the alumni entrepreneurs' interaction session.

Samyagdarshan-College Annual Day

Samyagdarshan - College Annual Day was conducted in the Quadrangle on 30th April 2022 and was presided over by the presence of all management, staff and students. The Chief Guest of the day was Shri. Kumar Naik, IAS. The welcome address was given by Prof. Shilpa Rao, LCA Faculty Coordinator. Fr. Dr. Augustine George, Principal, Kristu Jayanti College (Autonomous) presented the Annual Report of the college which highlighted all the major accolades and milestones achieved by the college in the academic year 2021-22. The Chief Guest in his address felicitated the success of Kristu Jayanti and expressed the need for constant innovation in

education. The parent representative Ms. Mrinalini Dut also spoke, praising the opportunities and discipline that KJC is known for.

The college day then proceeded to showcase the talented skills of all the students who performed on stage. The college day also witnessed the Alumni Achievement Award 2022 where the alumni of the college were felicitated for their noteworthy achievements. The best outgoing students of every department were felicitated by the Principal. The best outgoing students decided through online poll - Mr. Jayantian & Ms. Jayantian were also revealed.

It was held at A1 Auditorium, 2nd floor, Admin block in Kristu Jayanti College from 3.30 -5 pm. The event was helpful for the budding poets and enabled the students to step out of their comfort zones and showcase their hidden talents. 30 participants including the faculty members enjoyed the session and also shared their poems.

Lit-Con: Carnavalesque

Department of English (UG), Kristu Jayanti College (Autonomous), Bengaluru, hosted its first ever Literary Cosplay Convention, Lit-Con: Carnavalesque, on April 06, 2022 from 10 a.m. to 4 p.m. This event is a celebration of the many aspects of literature and an attempt to make it relevant and attractive to everyone. The event featured eight main genres of literature such as

- i. Myths and Epics
- ii. Fairy tales and fables
- iii. K-pop
- iv. Comics and superheroes
- v. Teen Fiction
- vi. Sci-fi

vii. Crime and Detective fiction

viii. Gothic

There were stalls to represent the major elements of these themes through cosplay, drama, games, quiz and on-spot dedicated poetry. In addition to these, students also arranged free stalls of themed games, movie climax screening, mass games and guest appearances from special literary characters.

In his inaugural address, Rev. Fr. Emmanuel PJ, Director, Kristu Jayanti College of Law, congratulated the Department and the students for organising the event. He lauded the involvement of students and faculty, highlighting the experiential learning aspects of such events.

Seed Ball Making

The Centre for Environment & Sustainability (CES), in collaboration with the Department of Life Science, Kristu Jayanti College, Autonomous, Bengaluru, organised a 'Seed Ball Making' activity on June 04, 2022, for the students of all Deaneries in commemoration of World Environment Day. The event functioned in line with the universal theme of the year, 'Only One Earth,' by working with the soil and seeds to regenerate the green world. The event was inaugurated by Rev. Fr. Lijo P Thomas, Financial Administrator & Rev. Fr. Deepu Joy, Student Welfare Officer. The address by Fr. Lijo P Thomas carried the vital message of spreading the awareness to converse the sick planet through a green revival, to

quote 'like the spread of fire transmit to your friends the importance of green earth.'

Students were provided with coco peat, fertile soil, seeds, and water to create the seed balls. The volunteers stated the joy of working in bare hands with mud and water after years. The event kindled eco-activism among the students as they were eager to carry forth the message of seed ball making in their communities. On account of the 50th World Environment Day, the students prepared 500 seed balls, which were later stored to dry and plans were drawn to distribute the same. The activity further encouraged faculties and students to cultivate an eco-friendly way of living to preserve our planet for a greener future.

Eight Years of National Security: An interaction with Dr. S Jaishankar

The National Institute of Advanced Studies (NIAS), Bengaluru, in collaboration with the partner institutions of the International Studies Network Bangalore (ISNB), organised an interactive discussion with Honourable External Affairs Minister Dr. S Jaishankar. The programme held at the JRD auditorium, NIAS on June 09, 2022 was attended by students, research scholars, faculties, and representatives of the partner institutions. Representatives from the French and Japanese consulates in Bengaluru also attended the session. Representatives from Kristu Jayanti College, Autonomous, Bengaluru were Fr. Dr. Augustine George, Principal; Prof. Ramya. B, Head, Department of History, Dr. D. Ravindran, School of Management and 48 students.

Delivering the keynote speech, Dr. Jaishankar emphasized that national security is the foundation for any development in the state and called the audience to contemplate the four challenges India faced over the past two years. The challenges being the pandemic, Northern border disputes, and the repercussions of the crisis in Afghanistan and Ukraine. The minister also acknowledged the role of Bengaluru as a stakeholder in democratizing foreign policy in the country. The programme ended with an interactive session comprising questions on the role of higher education in foreign policy, energy security and various other issues brought up by the participants.

Emplacement of the Mobile Toilets

As part of the Minor Project, 2nd Year students of the Social Work Department emplaced mobile toilets on, March 14, 2022 at BDS Nagar Slum, K. Narayanapura.

The emplacement of the mobile toilets was initiated by Mr. Byre Gowda, Senior Leader of BJP in K. Narayanapura. The keys of the Mobile Toilets were handed over by Mr. Ajayan (Group Leader) to Mr. Honorappa and Ms. Melitta George handed

over to Mrs. Lakshmi. Ms. Sneha Sunny welcomed the gathering. Mr. Byre Gowda, congratulated the MSW students team for taking the noble initiative and gifting the local slum residents with the mobile toilets to promote health and sanitation. Mr. Gowda, further applauded the service mind of the Social Work Department of Kristu Jayanti College (Autonomous).

The Anchors' Association: A Talk with Alumni

A hybrid online session was organized by the Anchors' Association, Kristu Jayanti College (Autonomous), Bengaluru, for the registered students of the association. The resource person was Mr. Johny Baby, Podcaster, Event Host, Amateur RJ, and an alumnus of Kristu Jayanti College.

The event was organized to train and share tips and tricks with the aspiring emcees from a professional in order to develop their anchoring skills. Mr. Baby also shared the idea of the 5 Cs -

Conversational, Content, Collected, Control, Confidence which would aid any budding anchor to conduct an anchoring event with confidence.

The audience enthusiastically received the session and they felt the resource person could address several of their issues and help them gain some knowledge on how to become better anchors.

- Kristu Jayanti College became the overall Champions of Bengaluru North University in Taekwondo Men Category.

STUDENTS' ARENA JAYANTIAN EXTENSION SERVICES NSS, NCA, UBA, CSA

State Level Conference on “Role of Youth in Health Promotion” and State Level Poster Presentation Competition

A State Level Conference and Poster Presentation Competition was inaugurated by Shri. Prathap Lingaiah, NSS State officer, Government of Karnataka; Shri. Khadri Narasimiah, NSS Regional Director, Bengaluru, Government of India; Dr. Govinda Gowda, H.G, NSS Programme Co-ordinator, BCU, Nadoja; and Dr. Wooday P. Krishna, Honorary General Secretary, Seshadripuram Educational Trust. The events were hosted in Seshadripuram First Grade College, Yelahanka. The conference had three parts which covered “Enhancing Knowledge & Skills to educate the community on prevention and control of common cancer”, “Basic life support and first aid Training” and “Role of Youth in Rural Health promotion under Amrutha Samudaya Abhivrudhi Yojana”. More than 50 colleges and 500 NSS volunteers participated in the event, from which the students of our college, Ms. Prerna Nayak, Ms. Jamuna U. and Ms. Soha, reached top 20 in the state level Poster Presentation Competition.

NSS Special Camp

The NSS special camp was inaugurated on the March 7, 2022, at Ambedkar Bhavan in Byatha Seeresandra Village, by Dr. Sreedhar P.D., NSS Programme Officer, along with Grama Panchayat members, Bytha Government Primary School teachers and NSS volunteers. The camp included programs such as tuitions at Government school, cleanliness drives, awareness programs, Shramadhan, free medical check-up, eye check-up with free spectacles and department wise programs to enrich the society to its development needs and also to create an environment which support purity and diversity. The camp was a great opportunity for the volunteers to learn basic societal needs and an opportunity to learn and lead a world filled with unity and diversity.

National Service Scheme (NSS) National Youth Day

On the occasion of National Youth Day observed on 12th January to commemorate the birth anniversary of Swami Vivekananda, NSS and UBA organized Virtual Youth Week themed “Service Through Talent” from January 12 to 17, 2022, consisting of events – Artistry (Poster Making), Two of a kind (Dual act video), Toast with confidence (Essay Writing), Pen Warriors (Poem Writing), Catchphrase (Slogan Writing) and Ticket to write (Empowering ideas for Innovation), The event was a huge success having 600 participants who contributed their skills which empowers youths and develops social responsibility.

National Cadets Corps Kargil Vijay Diwas

Kargil Vijay Diwas – 2021 was observed on July 26, 2021, to remember and pay homage to the fallen heroes of the Indian army who lost their lives back in 1999. The main objective of this program was to commemorate India's victory over Pakistan forces in the Kargil heights. The celebration for the Kargil Vijay Diwas – 2021 had commenced at 12:00 PM. Rev. Dr. Augustine George, Principal, Rev. Fr. Lijo Thomas, Financial Administrator & Head Dept. of Computer Science, and Rev. Fr. Deepu Joy graced the occasion with their presence along with the NCC cadets, KCDC, NSS and CSA volunteers. Rev. Dr. Augustin George, Rev. Fr. Lijo Thomas, and Rev. Fr. Deepu Joy paid tribute to the Kargil warriors by placing the wreath followed by the national anthem. Rev. Fr. Augustine George addressed the gathering and spoke about the contributions and sacrifices of the Indian army to instill sentiments of vigor and nationalism in the young minds.

DG Interaction

An interaction with the Director General of NCC, Lt. Gen. Tarun Kumar Aich commenced at 11:00 am on September 11, 2021 at Chopra Auditorium, ASC center. The main objective of this interaction was to know the effectiveness of NCC activities during the pandemic, interact with cadets and officers, and to appreciate the selfless efforts of all cadets and officers.

The event was mainly convened for cadets and officers from all the three wings: army, navy and air force. The DG of NCC appreciated all NCC cadets, ANOS and other NCC officials for their impeccable and selfless service during the pandemic and motivated the participants to continue the work. The DG actively interacted with all cadets and officers, and his friendly approach inspired everyone.

Van Mahotsava

The NCC, CSA and NSS volunteers, along with the coordinators and faculty members set out for Jakkur lake on September 13, 2021, to plant saplings and to spread awareness about the importance of preserving trees and to nurture mother Earth. The event commenced at 8:45 am by welcoming the chief guest and all the participants. Rev. Fr. Emmanuel PJ, Director of Jayantian extension services and Law college inaugurated the event. The chief guest delivered a speech and inaugurated the Van Mahotsava by planting a sapling.

The cadets and volunteers worked in team and planted 70 saplings. Girish Puttana, Head Lead for the Koti Vruksha Sainya Bengaluru, Nagaraj Chinni, lead for the Koti Vruksha Sainya Batrayanpura Podar, and Ms. Sathya, Member of lion's club from Koti Vruksha Sainya. Lt. Sarvesh BS., ANO, Dr. Sreedhara P D, Prof. Shashi Kumar, faculty coordinators of Jayantian extension services graced the occasion by their presence.

Interactive Session

An interactive session was organised on the topic, "Opportunity in the Armed Forces" on March 19, 2022 to enlighten the cadets about opportunities in the armed forces. Major Vishnu Naidu, an ex-NCC cadet from Kristu Jayanti College was the speaker, who is currently rendering his services to the Indian army. He interacted with the cadets who were enlightened by his talk. He addressed a number of questions regarding entry to the armed forces, qualities which are emphasized for recruitment, opportunity of girl cadets in the Army and so on. He also shared his experiences of patrolling and gave some valuable tips to maintain a work life balance and handle stress.

Unnat Bharat Abhiyan (UBA) Visit to Kannamagalla Village

Jayantian Extension Services - UBA in collaboration with Kristu Jayanti College of Law, visited Kannamagalla Village Government Schools. The event was inaugurated by programme coordinators of UBA, NSS and Law at 10: AM involving respective schools Head Masters and teachers. Volunteers spent quality time with the school students by giving awareness on the topics of Physical Hygiene, Rain water harvesting, Dengue by conducting quiz, games and talent based activities. The event included plantation drive where school students were happy to plant trees for their campus surroundings to be green and help nature grow by joining hands together. Dr. Sreedhar PD and Dr. Hanumantappa B, appreciated and thanked School Faculties for provided volunteers to execute their knowledge, help the students connect themselves with each other and consider themselves to be responsible for their surroundings which adds on to the betterment of the society in a whole. Altogether the volunteers look forward to serving more with beneficial activities which will be helpful and makes students of rural area to develop themselves in all aspects for the required changes.

Visit to Purusanahalli Village

Jayantian Extension Services - UBA, NSS Volunteers, NSS Programme Officer along with Mr. Kevin Simon and Mr. Vinod, Alumni and Ex - Coordinators of NSS and UBA, visited Sree Siddaganga Rural High School, Purusanahalli. The event was welcomed by Head Master and teachers of the school by stating the importance of development in student's way of learning and language enhancement. Volunteers planted 20 saplings in the surroundings of school campus, conducted awareness session for class X Students on the topics - Self hygiene, Pollution Control, Save water with a quiz on current affairs and ended with crafts session.

Dr. Sreedhar PD, appreciated and thanked the school faculty members for providing volunteers to execute their knowledge, help the students connect themselves with each other and consider themselves to be responsible for their surroundings which adds on to the betterment of the society in a whole.

Altogether volunteers look forward to serving more with beneficial activities which will be helpful and makes students of rural area to develop themselves in all aspects for the required changes.

Centre For Social Activities (CSA) Litter-free Drive

CSA under Jayantian Extension Services organised a LITTER-FREE drive campaign to commemorate the 152nd birth anniversary of Mahatma Gandhi, who dreamt of a clean India with the vision and mission of Swatch Bharath.

CSA Volunteers walked around the K.Narayanapura vicinity with placards that carried information on solid waste management and the need for a litter-free nation. Each volunteer visited every shop, spoke with them about the importance of cleanliness, and ensured the presence of a dustbin in every shop. The volunteers walked for 5kms, spreading awareness. The event came to an end with volunteers sharing their own experiences in taking part in the cleanliness drive.

No Honking Drive

The UBA collaborated with CSA on October 13, 2021 for the day to successfully organise responsiveness of people towards the unnecessary honking of various vehicles. The placards with different slogans and the safety precautions regarding the unnecessary honking like as 'No Honk', 'Honk only is for emergency', 'No Honking unless for danger', 'No Honking zone', 'Don't Honk your Horn', 'Do not Honk unnecessarily while driving'. The event was successfully completed with co-operation of all the volunteers and teacher coordinators from the UBA and CSA. The event ended with refreshments. The volunteers were appreciated for their efforts and teamwork.

Free Health Drive

CSA and Youth Red Cross Wing organised a Free Health Drive in association with Falcon Healthcare on 28th and 29th December 2021, in the college auditorium (Admin block, 2nd floor).

The Healthcare drive was organised for the staff and students of UG and PG. The health drive included services like:

- Height, weight and Body Mass Index
- Examinations of BP, Pulse rate, SPO2 (Blood Saturation)
- General Physician Checkup
- Dental Checkup
- Consolidate Report.

Each volunteer was assigned duties and the whole drive went in an organized manner, with the dedicated contribution from the volunteers.

The feedback from the beneficiaries said that the health camp was very much in need during the pandemic and has helped to take early health precautions and keep oneself healthy. The complete healthcare drive was conducted following all the covid protocols.

CSA Orientation

CSA orientation programme was organised on 17th November 2021 in the College Auditorium (Admin Block, 2nd floor) at Kristu Jayanti College.

The orientation began with a silent prayer followed by a welcome address. Prof. Sashi Kumar M, the Faculty Coordinator of CSA, gave a brief introduction about CSA and shared some inspiring experiences from his journey. Followed by Ashwini A R and Tejas P B, the student coordinators of CSA presented detailed information on the various events conducted under CSA and their impact on students and society. A short video clip was played, containing valuable experiences shared by alumnus and 3rd year CSA volunteers. Later a question-and-answer session was held, and the first years actively put forth their questions, which Prof. Shashi Kumar M then clarified. The orientation came to an end with a vote of thanks. The entire programme was conducted by strictly following all the covid protocols.

Yuva Milan 2022

Youth week named YUVA MILAN is yearly celebrated by the Centre for Social Activities in remembrance of the great Indian philosopher Swami Vivekananda by organising various events and expert talks for youth to participate and engage. Yuva Milan 2022-themed “It is all in the Mind” was celebrated from 21-01-2022 to 25-01-2022 via virtual mode.

Yuva Milan 2022 was inaugurated by the chief guest, Dr. Shekhar P. Seshadri, Former Senior Professor, Department of Child and Adolescent Psychiatry, NIMHANS Bengaluru, India, in the presence of Dr. Fr. Augustine George, Principal, Kristu Jayanti College. In the inaugural session on the topic ‘The Role of Youth,’ Dr. P Seshadri emphasized on sharing pain and re-establishing relationships. He also left the listeners with SAMVAD, a platform to contribute to society and strengthen our identities as volunteers.

Rural Exposure Camp 2022 “Jana Kalyana”

CSA’s annual rural exposure camp for 5days themed “JANA KALAYAN” was from 23/03/2022 to 27/03/2022 at Anuru, Shidlaghatta taluk, Chickaballapura district, Karnataka. Rural exposure camp provides an opportunity to break away from a routine lifestyle and experience rural life and the rural environment. Camp setup was made in the Anuru higher primary school. The annual camp also focuses on conducting various events for the holistic growth of a village. A few programs to mention are Socio-economic survey, PDO interaction, rally on water conservation and prevention, mega health camp, interactive session with farmers, life skill education, literacy and cultural programs, shramadhan, digital camp, interactive sessions with self-help group, farm visit and many more covering all the villagers, school children, women, and farmers.

Cultural and literature programs were organised for school students with active participation. An interactive session with women's self-help groups was organised and Sri. Muniraju, District Manager, National Rural Livelihood Mission, Chickballpura, was the chief guest. Mr. Muniraju spoke on different programs and schemes that are facilitated for women by the government to support their livelihood.

A college memento was presented to all the chief guests, resource persons, PDO officers, and all the panchayat members who supported every step of the camp as a token of respect and gratitude from CSA.

Community Education Programme

Community Education Programme is a recent initiative by CSA which aims to eradicate illiteracy among the children of migrant construction workers in Kothanur. Spanning over a month, the program provides supplementary education to underprivileged children.

1st-year CSA volunteers engaged and interacted with the children to create an atmosphere of easy-going learning. From homework and lesson revisions to identifying children's capability and teaching a step ahead, volunteers productively imparted knowledge, life skills and moral values to the children.

Through this initiative, the Centre for Social Activities has strived to uplift the deprived sections of society through education, promoting self-esteem among children and reducing the school dropout rate. Moreover, this initiative also instilled the values of gratitude, ethical responsibility and service among CSA volunteers.

Centre for Employability and Corporate Relations (CECR)

Career Support

Placements at Kristu Jayanti College, Autonomous, Bengaluru, have constantly proliferated every year with the due interest of leading brands from diverse sectors who visit the campus. Kristu Jayanti College has a dynamic and innovative Centre for Employability and Corporate Relations (CECR), which enables students to master the skills required for corporates. Every year students are placed in top organizations, including corporates, banks, educational institutes, etc., through CECR. More than 90 corporates visit the campus for recruitment every year. The overwhelming feedback from the recruiters regarding the performance and engagement of the students in various roles is an assurance of their trust in the quality of pedagogy and andragogy adopted at Kristu Jayanti College. The CECR continuously bridges the gap between theory learned in the classroom and practical exposure to the corporate world through the three I's: Industry, Institute, and Interface. Top executives from different sectors like IT, ITES, Retail, Manufacturing, Banking & Financial Services, FMCG, Educational institutions and Media visit the College for dynamic interaction with the students to update them on the corporate world's current trends.

Employability Skills Development

Employability skills such as communication skills, interpersonal relationships, leadership, attitude, teamwork, etc., assist the student in getting the right job and accelerate the pace of his/her career. In this aspect, the centre provides various courses and training to enhance their career growth, such as introduction to communication and interpersonal skills, listening skills, group communication, teamwork, interviews, aptitude, stress management, time management, public speaking

skills, negotiation, conflict management and event management. The centre conducts various programs such as the 'Throwback' event to mentor and train students to enhance their knowledge and skills in which the alumni interact and provides information on cracking the interview and the work life in the organizations. The centre conducts the 'Transcend' program, where top officials of the organization interact with the students and provide the details of corporate culture and guidance.

GATE - Opening a Passage

The CECR commences the Placement Orientation and Training Programme by inaugurating GATE having the tagline, Opening a Passage that is attuned to the needs of the industry in the era of globalization and the ever-growing challenges and complexities of business. Through its multifarious training verticals, GATE initiates molding employable, dedicated and committed individuals to be industry ready. Udyogvichaar (Pre-placement Talk) is a platform for corporate officials to interact with the student community, discuss the job role & process and explicate the various openings in their respective companies. Interested students choose a prospective recruiter and undergo the company selection process through GATE.

PATENT DETAILS

S.No	Name	Department	Patent Title	Patent Number
1.	Mr.Prathap G	Computer Science [UG]	A Virtual Reality Based Personalized Virtual Room for Improving Quality of Life for the Bedridden Patient	202141031084
2.	Ms.Ayshwarya B	Computer Science [UG]	An Artificial Neural Network Based Method for Lung Cancer Detection	202141031118
3.	Ms.Ayshwarya B	Computer Science [UG]	An Apparatus for Breast Cancer Diagnosis and a Method Thereof	202141030485
4.	Dr. Kalaiselvi, Ms. Mary Jacob, Dr. Gopika S, Dr. Esther Shoba R, Ms. Priya Josson, Dr. Sivagamsundari, Dr. M. Sonia Angeline	Computer Science [UG], Life Sciences	Methods and Compositions for Improving and Obtaining Useful Plant Traits using Internet of Things (IoT)	202141040653
5.	Dr. D Ravindran	School of Management	An Innovative Method for Increasing Value of Environment Friendly Products	2021105493
6.	Dr. D Ravindran	School of Management	Application of Marketing Strategies and Tools in Restaurants	202121054401
7.	Dr. D Ravindran	School of Management	Impact of Distance from Physical Stores on Direct E-commerce Sales	202121053471
8.	Dr. Aruna Devi K	Computer Science [PG]	Iot and RFID based Optimal Positioning of Autonomous Shock Absorber for Smart Vehicles	202141028518
9.	Dr. C Naveeth Babu	Computer Science [UG]	Paper Binding Machine	351084-001
10.	Dr. Ranjitha M	Computer Science [PG]	R-CNN-based Smart Healthcare Cloud-based IoT Model for Detection and Prevention	202141040809
11.	Dr. S Jayashree	Professional Accounting and Finance	Cooperative Teamwork as a Core Aspect of Organizational Behavior Influencing Competitive Advantage of Organization in Market	
12.	Dr. Subha	Management	Comprehensive Review of Functions of Blockchain and Cryptocurrency in Finance and Banking	
13.	Dr. D Ravindran	School of Management	Small Traders' Perception towards Corporate Retailing	
14.	Dr. A. John William	Management	Techniques and importance of Advertising strategy of the corporate world	

AWARDS

1. Mr. John Pradeep Kumar [School of Management]:
MTC Global Award - 2021 : Distinguished Teacher Award - Management
2. Dr. Aruna Devi K [Computer Science [PG]:
Best Woman Faculty Award for the academic contribution in Science and Technology under the category of Computer Science by Novel Research Academy, Puducherry Tamil Nadu.
3. Ms. Susan Sanny [English [PG]:
Acharya Shiromani Award, National level Guru Samman Awards organised by MVLA Gurusamman Awards, Bangalore
4. Mr. Vijayakumar K [Commerce [UG]:
Award for Innovative & Inspiring Academician Award - 2021 on Teacher's Day, GRF International Awards and Honors, GRF Foundation
5. Ms. Ramya B [Social Science [History]:
Certificate of Honour awarded by Bengaluru Amirta Degree College during Teachers Day Celebration
6. Dr. Juby Thomas [Journalism]:
Chanakya Award for excellence in Research Education in the national and international category by the Public Relation Council of India (PRCI). Shri Pramod Sawant, Chief Minister of Goa presented the award on September 17, 2021
7. Mr. Vigraanth Bapu K G [Psychology]:
Young psychologist award by Tamil Nadu Association of Clinical Psychologists (TNACP)
8. Dr. Baba Gnanakumar P [School of Management]:
Outstanding Management Teacher, AIMS International, Houston US
9. Dr. Raja Kamal C H [Commerce - UG]:
International Researcher Award (certificate No. PT3AHG2353) in recognition for the outstanding contribution towards intensive research presented jointly by Central Christian University Malawi, East Africa and Prashas Trust, Hyderabad.
10. Mr. Suku Thomas Samuel [Management]:
CIMA Teaching Excellence Award 2021 and India Country Champion title.
11. Dr. Jayashree S [Commerce - UG]:
50 Eminent Researchers of 2021 and it is published in the book "50 Eminent Researchers of 2021
12. Dr. Annie Stephen [Commerce - UG]:
I2OR International Distinguished Educator Award 2021-22.
13. Dr. Giftsy Dorcas E [English - UG]:
Pride of India Awardee 22 on the occasion of Republic Day given by Flairs and Glairs.
14. Dr. Rema M K [Psychology]:
Outstanding Woman Educator & Scholar Award on the occasion of International women's Day 2022 by National Foundation for Entrepreneurship Development (NFED), Coimbatore District, Tamil Nadu, India
15. Dr. Arti Singh [Commerce - UG]:
CPACE Award- International Women of the Year 2022
16. Dr. Priya Josson Akkara, Dr. Rema M K, Dr. Sheeja Krishnakumar, Dr. Indira M, Dr. Gita P C received the AICTE Lilavati Award - 2022 Under the Theme:
Women Empowerment: Sub Theme: Environment, Sanitation and Hygiene Lilavati Award
17. Mr. Biju M [Commerce UG]:
Dr. APJ Abdul Kalam Award - 2022, International Council for Education, Research and Training
18. Mr. Biju M [Commerce UG]:
National Education Excellence Achievers Award, Navbharat Rashriya Gyanpeeth
19. Mr. Biju M [Commerce UG]:
Best Young Faculty Award (National Faculty Award 2021- 2022), Novel Research Academy 2021, Puducherry, India
20. Dr. Arti Singh [Commerce - UG]:
National Distinguished Young Researcher Award 2021, International Institute of Organised Research I2OR

FACULTY ACHIEVEMENTS

BEST PAPER AWARD

1. Ms. Nancy Abraham [Performing Arts]: International Conference on Recent Trends in Multidisciplinary Innovative Techniques and Application
2. Mr. Sevuga Pandian A [Computer Science [UG] : Real Time Use Cases of Mobile Edge Computing and Challenges in a Nutshell, Emerging Trends in Science, Technology and Mathematics 2021, Parvathy's Arts and Science College, Wisdom City- Dindugal
3. Dr. Sheeja Krishnakumar [School of Management] : Paradigm Shift in Business and Management: Emerging Trends & Competitive Strategies' Institute of Professional Excellence & Management Ghaziabad and Nilai Field Research Centre, Malaysia and Ghaziabad Management Association on 26th February 2022

ELECTED AS OFFICE BEARER/MEMBER OF COMMITTEE

1. Dr. Aloysius Edward J [Management Studies] -Selected as member of NEP implementation committee by Govt of Karnataka.
2. Ms. Ayshwarya B [Computer Science [UG]] has been selected as an outreach member for India in the Soda Foundation (Open Source Project under Linux Foundation)
3. Dr. Hanumantappa Bherigi [Life Sciences] – Selected as Associate Member of the Karnataka Science and Technology Academy, a Unit of Department of Science and Technology, Govt. of Karnataka for the period of 5 years from 2021.
4. Dr. Gopika S [Computer Science - UG], Associate Member to the Karnataka Science and Technology Academy", a Unit of Dept. of Science and Technology, Govt. of Karnataka for the period of 5 years from 2021.
5. Mr. Retheesh P T [Commerce - UG (Tourism)], Member of the State Level Advisory Committee (Core- Committee) of Incredible India Tourism Club, Karnataka by the India Tourism Bengaluru, Ministry of Tourism, Government of India.
6. Dr. Vinothina V, Dr. Kiran Kumar K, Dr. Sangeetha Menon - Primary Evaluator in Toycathon 2021 organized by Ministry of Education's Innovation Cell

COMPLETED TRAINING

1. Mr. Stephen Deepak, Dr. Muruganantham A, Dr. Velmurugan A, Dr. Cherian Thomas, Dr. Jasmine Beulah and Dr. Mathiyarasan M, Dr. D. Ravindran completed the Advanced Level - Innovation Ambassador training, Ministry of Education Innovation Cell and AICTE, Govt. of India
2. Dr. Calistus Jude has fulfilled the training and teaching assignment specified under the Erasmus+ Programme at University of Cordoba, Spain between 14 - 18, March 2022.
3. Dr. Gopakumar A V has fulfilled the training and teaching assignment specified under the Erasmus+ Programme at University of Cordoba, Spain between 14 - 18, March 2022.
4. No. of Faculty Members Completed Refresher Training Programmes : 29
5. No. of Faculty Members Completed Ph. D : 20

Faculty Members in External Boards of Studies - 10

1.	Dr. Geethu Anna Mathew Expert from Outside University, Board of Studies Member, Department of Business Administration (UG), Marian College, Kuttikkanam, Kerala, Management	19/07/2021
2.	Mr. Don Caerio BOE chairman for UG Examinations – B.Sc. Forensic Sciences, Bangalore University Life Sciences	31/7/2021
3.	Dr. Hanumathappa B. Nayaka Appointed as practical examiner for M.Sc. Microbiology I and III semester practical examinations Sri Krishnadeva University, Bellagavi, Vijayanagar, Bangalore, Life Sciences	5/8/2021 and 9/8/2021
4.	Dr. Rema M K Counselor Council of India CRN6700786-National Advisory Body, Psychology	29/8/2021
5.	Dr. Calistus Jude Subject expert in Board of Studies (BOS) Jyoti Nivas College Autonomous, Life Sciences	29/07/2021
6.	Dr. Kumar Board of Studies Department of Computer Technology of Hindusthan College Of Arts And Science (Autonomous) Computer Science PG	
7.	Dr. Velmurugan R Board of Studies, Computer Science (PG) Kongu Arts and Science College (Autonomous), Erode, Tamilnadu. Computer Science PG	28.09.2021
8.	Ramya B, BoE – Bangalore University, Department of Tourism	02/08/2021
9.	Dr. Sreedhara P D, BOS Member in Dept. of Hindi Indian Academy Degree College-Autonomous, Bengaluru, Social Science & Languages	27-09-2021
10.	Dr. Molly Joy BOS, External Member Bangalore North University, Psychology	30/09/2021

Faculty Members in Editorial Board / Reviewers

1.	Dr. Ranjitha M, Computer Science PG, Journal of The Institution of Engineers (India): Series B(2), Springer Reviewer	[17-07-2021]
2.	Dr. Ravi Shankar, Social Sci. Kannada, International journal for Research, Karnataka, Editorial Review board member, July 2021	
3.	Prof. Syed Muen, Social Sci. Kannada International journal for Research, Karnataka, Editorial Review board member, July 2021	
4.	Dr. Juby Thomas, Media Studies PG External DC member Garden City University, Bengaluru	23/07/2021
5.	Dr. Juby Thomas, Media Studies PG External DC member Garden City University, Bengaluru	9/07/2021
6.	Dr. Hanumanthappa B. Nayaka, Life Sciences Membership (FSASS)Scholars Academic and Scientific Society, Bengaluru, Karnataka	SAS Fellow 19/07/2021
7.	Dr. Calistus Jude Life Sciences, "The Effects of (Artemisia) Methanol Extracts and Ferulic Acid, Rutin, Rosmarinic Acid, and Quercetin on Micronucleus Distribution in Human Lymphocytes", Manuscript reviewer	1/07/2021
8.	Prof. Jaheer Mukhtar, Economics, European Business&Management, Editorial Board Member	18/08/2021
9.	Dr. Vinothina V, Computer Science PG, IEEE International Conference on Mobile Networks and Wireless Communications (ICMNBC), Reviewer	[15/08/2021]
10.	Dr. Aruna Devi K, Computer Science PG International Journal of Engineering Research & Technology [Reviewer. ID: IJERTREW4216], Reviewer	06/08/2021
11.	Dr. Vijayalakshmi.P, Computer Science UG American Journal of Neural Networks, Editorial Board Member	08/08/2021
12.	Dr. Vijayalakshmi.P, Computer Science UG Springer Journal on Wireless Personal Communications, Reviewer	11/06/2021
13.	Dr. G.Jasmine Beulah, Computer Science UG, IEEE Access, Reviewer	06/08/2021
14.	Dr. Vijayalakshmi.P, Computer Science UG, Springer Journal on Wireless Personal Communications, Reviewer	13/08/2021

16.	Dr. Molly Joy, Psychology, Journal of Liberal Arts and Humanities - Editor	

EDUCATORS MEET

7th All India Educators Meet

“Reinventing School Education with Technology Integration”

The Internal Quality Assurance Cell (IQAC) organised the 7th All India Educators Meet with the theme “Reinventing School Education with Technology Integration” from May 26 - 28, 2022. In the inaugural ceremony, Dr. Sridhar Srivastava, Joint Director, National Council of Educational Research and Training (NCERT), Ministry of Education, Government of India, spoke about the importance of reinventing technology integration and its significant relevance to the National Education Policy (NEP) 2020 in India. Fr. Dr. Augustine George, Principal, Kristu Jayanti College, in his presidential address, emphasised the need to cater the immediate attention in fostering and

nurturing the transformation of the education system.

The 7th All India Educators Meet had eight technical sessions spread over three days titled -‘Changing Role of Educators in Technology Supported Learning - NEP Perspective,’ ‘Transition from STEM to STEAM,’ ‘NEP Guiding Principles and the National Curriculum Framework,’ ‘Open Educational Resources, and High-Quality Teaching-Learning,’ ‘Cyber Addiction and Remedies, Engendering Inclusive Education in Mainstream Schools,’ ‘Enhancing the Psychological Well-Being of Learners’ and ‘NEP 2020: Making Quality happen in Schools through Sustainable Practices’.

In the valediction ceremony Rev. Fr. Josekutty Aykaraparampil CMI, Councillor For Education & Communication Media, St. Joseph Province, Kottayam, highlighted how technology would create highly engaging classrooms leading to better results, transforming the traditional methods of learning, breaking down the walls of classrooms and making students think out-of-the-box.

The three-day virtual national educators meet had more than 1000 registrations from the principals and administrators of Pre-University Colleges, Higher Secondary and Senior Secondary Schools across the globe.

Kristu Jayanti College of Law

Bengaluru | **Affiliated to Karnataka State Law University**

Approved by Bar Council of India | An Institution Managed by CMI Fathers

Bhumesh Verma, International Commercial Lawyer & AMP, and Managing Partner, Corp Comm Legal. Shri. Bhumesh Verma explained the importance of contract drafting for business and listed out the various essentials of contract drafting which should be kept in mind by young professionals.

Human Rights Day

Kristu Jayanti College of Law conducted Nyaya Samvada on the eve of celebration of "Human Rights Day" on December 10, 2021. The chief guest of the day was Hon'ble Justice Kotiswar Singh, Former Acting Chief Justice, Guwahati High Court and Executive Chairman, Assam State Legal Services Authority. Hon'ble Justice Kotiswar Singh spoke on the topic "Human Rights in India in COVID Era". The effects of COVID 19 on basic fundamental rights, COVID era on students, domestic violence and statistics on the death tally during this era were also mentioned. Finally, the students were advised on how they, as law students, could bring a change in the society by educating people about their rights.

Nyaya Samavada -Application of Legal Methods as Professional Skills

Kristu Jayanti College of Law organised Nyaya Samavada on the topic "Application of Legal Methods as Professional Skills". The resource person of the day was Prof. Dr. M. K Ramesh, Former Professor National Law School, India Univeristy, Bengaluru. Prof. Ramesh explained that law is not something that can be taught, but it is something that is learnt out of experience. It is a social construct headed by the society to resolve or overcome societal problems. He further explained the relationship between law and society on how law cannot exist without a society and learning of law comes into existence because of societal need and societal demand. Prof. M.K Ramesh delighted all the students with his versatile knowledge and experience.

Nyaya Samvavda - An overview on Jurisprudence

Kristu Jayanti College of Law organised Nyaya Samvavda on the topic "An overview on Jurisprudence" and the resource person for the event was Dr. Radhakrishna Krupasagar, District Judge, Andhra Pradesh. Dr. Radhakrishna started the discussion by stating that jurisprudence is nothing but the study of the fundamental knowledge. He further went on to explain what are the subjects covered under jurisprudence. He gave examples of Indian Penal Code and Code of Criminal Procedure as these subjects speak about the rights and duties of individuals. The session was followed by a Q&A round where the participants raised queries and the resource person responded to the same.

Nyaya Samvada Sources of Legislation

Kristu Jayanti College of law conducted Nyaya Samvada on "Sources of Legislation" on January 11, 2022. The resource person for the day was Dr. Rama Joga Rao Kasibatla, Deputy Legal Advisor, Ministry of Law and Justice, Government of India. Dr. Rama explained the primary sources of Law which are customs, judicial precedents and legislation. He emphasized on how codified laws play an important role in ensuring that there are not many interpretations of the same beyond what the legislators intend. It was a very beneficial session for all the participants as Dr. Rama, in very easy terms, explained this concept to the students.

Expert lecture on the topic Corona and Beyond: Minding Our Minds

Kristu Jayanti College of Law in association with the Department of Psychology, organised an Expert lecture for stress management on the topic "Corona and Beyond: Minding Our Minds" on January 29, 2022. Dr. Pratima Murthy, Professor and Head, Department of Psychiatry, NIMHANS, Bengaluru was the Chief Guest of the day. She stressed on Covid related distress and anxiety including sleep disturbances and added that many people are excessively worried about contracting the infection even with all human and medical precautions. The programme came to an end with question and answer session.

Demonstration of Moot Court as a part of Kritrima Nyaya Vedika

Kristu Jayanti College of Law organised a Demonstration of Moot Court as a part of Kritrima Nyaya Vedika on February 5, 2022, and the chief guest for the event was Shri Trivikram S.S., Advocate, High court of Karnataka. Justice Bhakthavatsala was also present and he emphasised the procedures and steps to be taken to build mooting skills in the students. The fifth semester students presented a demonstration session on mooting skills where Shri Trivikram acted as the judge. As a part of the programme, Advocate Shri Trivikram prepared a case with regard to the Surrogacy Regulation Act, 2021. The fifth semester students presented a demonstration session on mooting skills where Shri Trivikram acted as the judge. The session ended with Shri Trivikram presenting his feedback representing the petitioner and respondent side.

Orientation and Demonstration Session on Mooting Skills

Kristu Jayanti College of Law, as a part of Kritrima Nyaya Vedika, organised an orientation and demonstration session on mooting skills on February 11, 2022. The Guest of Honour for the session was Advocate Vipul D. Sundariyal, Advocate on Record, Supreme Court of India. Advocate Vipul began his session by emphasising the importance of moot court and its difference from the real courts. He explained the manner in which a student has to deal with the moot problems provided to them and also shared his experience pertaining to the mistakes committed in the moot court competition as a law student. The session ended with a demonstration by the final year students.

Nyaya Samvavda on Human Rights vis-à-vis Fundamental Rights Jurisprudence

Kristu Jayanti College of Law organised a Nyaya Samvavda on the topic "Human Rights vis-à-vis Fundamental Rights Jurisprudence", and the chief guest for the event was Hon'ble Justice Dharendra Waghela, Former Chief Justice, High Court of Karnataka and Chairman, Karnataka State Human Rights Commission. Justice Dharendra Waghela started the discussion by stating how important it is to keep human rights at the center of the process of dispensing justice. He explained the need to evolve and change our laws in accordance to the changes that are happening in the society. This was a beneficial session for all the students as he explained the relevance of Human Rights in simple understandable terms.

Nyaya Samvavda on Theory, Nuances and Contours of Judicial Review: Fundamentals of Administrative Law

Kristu Jayanti College of Law hosted Nyaya Samvavda which focused on "Theory, Nuances and Contours of Judicial Review: Fundamentals of Administrative Law" on March 23, 2022. The chief guest for the session was Sri. Sudhish Pai, Senior Advocate, High Court of Karnataka. He started the session by introducing various theories given by Wade, Edward Coke etc. on Judicial Review and discussed the nature of Judicial Review and the accountability of judges in a rights-based democracy.

Nyaya Samvada on Fair Procedural Jurisprudence under the Indian Evidence Act

Kristu Jayanti College of Law organised Nyaya Samvada on the topic "Fair Procedural Jurisprudence under The Indian Evidence Act" with Hon'ble Justice Sri Mandhata Seetharama Mutti, Chairman, Andhra Pradesh State Human Rights Commission, on June 15, 2022. The discussion started with a brief description on term like jurisprudence and procedure. There are three kinds of evidence oral evidence, documentary evidence and material evidence, all of which was explained in detail by the chief guest. Students were much convinced seeing his knowledge and had a great time with him.

Upanyasa Lecture on An overview of Intellectual Property Rights

Kristu Jayanti College of Law organised Upanyasa Lecture on the topic "An overview of Intellectual Property Rights" by Dr. D.T. Mohan Krishna, Associate Professor, Pendekanti Law College, Hyderabad, on June 15, 2022. Dr. Mohan Krishna began his session by giving an outline of the different forms of intellectual property and later explained the trademarks by differentiating trademarks from other forms of IP. The session was enlightening and useful to the students.

Kritrima Nyaya Vedika on Orientation and Demonstration Session on Mock Trial

Kristu Jayanti College of Law organised Kritrima Nyaya Vedika on the topic "Orientation and Demonstration Session on Mock Trial" by Mr. Trivikram S.S., Advocate, High Court of Karnataka, June 18, 2022. The session took place in two parts; in the first part Mr. Trivikram explained about Mock trials and how to prepare for the mock trial competitions and in the next part, a demo Mock Trial session was conducted. A set of students demonstrated the mock trial problem which was judged by the Mr. Trivikram himself. The session was very useful and interesting.

Panditha Bhashana Series on Formation and Performance of International Contracts

Kristu Jayanti College of Law organised Panditha Bhashana Series on the topic "Formation and Performance of International Contracts" by Dr. Baba Gnanakumar P., Professor & Director Centre for Consultancy and Corporate Training, Kristu Jayanti School of Management, on June 30, 2022. Dr. Baba Gnanakumar started the session by highlighting upon the basics of the contract. The need for

International Contracts and the issues of enforceability in the domain of international contracts was duly explicated. The talk concluded with reference to the vision of a constructive approach to negotiate the contract in the area of the e- commerce and the continuity and change affecting the process of international contract.

Inauguration of Judges Colloquium Series 1- Indianization of the Legal System

Kristu Jayanti College of Law conducted the inauguration of Judges Colloquium Series 1 on June 25, 2022. The chief guest for the programme was Honourable Justice Jasti Chelameswar, Former Judge, Supreme Court of India, and the theme chosen for the session was "Indianization of the Legal System". Honorable Justice began his speech by giving a glimpse of the evolution of law in the World and more specifically in India. Justice also spoke on the concept of democracy and gave examples on the different shades of democracy. The session was well appreciated by all the students.

Upanyasa Lecture Series on Mediation as a Tool for Dispute Resolution

Kristu Jayanti College of Law organised Upanyasa Lecture Series on the topic "Mediation as a Tool for Dispute Resolution" by Dr. Pratima Narayan, Advocate & Mediator, Co-founder, Techlawlogi Consulting LLP, on July 5, 2022. Dr. Pratima started discussion what Mediation is a voluntary process mainly facilitative where parties actively and directly involved therefore the mediators should focus on the interest of the parties. She also explained about the definitions given by Black Law's dictionary, MCPC, Singapore Convention under Art 2(3).

Viswa Nyaya Samvada on Critical overview on International Trade Law

Kristu Jayanti College of Law, Bengaluru organised Viswa Nyaya Samvada on the topic "Critical overview on International Trade Law" by Sri. Srinivas Rao Kaveti, Solicitor (England & Wales), Notary Public (New York), on July 8, 2022. Sri. Srinivas Rao started with an overview of all the difficulty faced by a Lawyer when he enters the international law territory. He made the session more insightful by giving an overview on the Security Council and the need for a Uniform International Trade Law after the World War II as the Recession has hit the world and there was a need to focus on Trade for the growth and development. The session was beneficial to all the students.

CAMPUS MANAGEMENT SOLUTION

Kristu Jayanti College has initiated an online ERP on the cloud for its campus management. This solution caters to the diverse needs of campus management and office administration including admission of students, fee collection, scheduling the class time table, monitoring the student's attendance, capturing marks for the exams, etc. This decentralized architecture offered by the campus management solution makes this ERP different from its kind. A continuous evaluation of the students is carried through the two mid semester exams which assures the responsible monitoring of the students and their progress.

The online admission module helps the applicants across the globe to apply online and get timely notifications via email, regarding the status of their application. The automated fee collection process not only ensures precise and effective procedures for the office but also caters to intimate the parents and students about the various fee schedule and due in payments.

The academic discipline is the prime area of trust for the institution and therefore the efficient automation process from the academic module of the solution. These efforts and initiatives for optimizing the modern technology and IT infrastructure ensure a comfortable interaction and a transparent campus which in turn enhances the productivity and makes the institution competent enough to keep up the standards of higher education

MANAGEMENT TEAM

Fr. Dr. Augustine George
Principal

Rev. Fr. Lijo P Thomas
Vice Principal &
Chief Finance Officer

Rev. Fr. Som Zacharia
Director,
Infrastructure Development
