VICE CHANCELLOR'S MESSAGE

> As we embrace the future, the road ahead is filled with immense possibilities. Our focus as a university will be on strengthening research and innovation, nurturing entrepreneurship, advancing digital and technological competencies, and building an ecosystem of sustainability and social responsibility.

It gives me immense joy to pen a few words for Glimpses, which encapsulates the dynamic journey of our institution. This edition holds a special significance, for it mirrors not only the achievements of the past year but also the transformative phase we are stepping into as a deemed to be university.

Becoming a university is a historic milestone in our institutional journey. It signifies growth, maturity, and a renewed responsibility to provide education that transcends boundaries. As a university, we are now better positioned to expand the frontiers of knowledge, promote interdisciplinary learning, strengthen our research culture, and create global platforms for innovation, dialogue, and collaboration. This transition is not just an institutional change but a promise to our students, faculty, and community that we will strive relentlessly to create leaders and thinkers who shape a better tomorrow.

The past academic year has truly reflected our spirit of growth and commitment, with academic engagements, international collaborations, cultural initiatives, and community service programmes seamlessly enriching campus life. From knowledge-driven lectures and faculty development initiatives to vibrant fests and student-led activities, each endeavour has enhanced creativity, diversity, and innovation. At the same time, our social outreach efforts have reinforced our responsibility to society, empowering students to grow as compassionate leaders and responsible citizens who embody the values of justice, inclusivity, and sustainability.

As we embrace the future, the road ahead is filled with immense possibilities. Our focus as a university will be on strengthening research and innovation, nurturing entrepreneurship, advancing digital and technological competencies, and building an ecosystem of sustainability and social responsibility. We envision our university as a space where young minds are not only trained to excel professionally but are also inspired to live meaningfully, with courage, empathy, and wisdom.

I extend my heartfelt appreciation to the editorial team of Glimpses for their tireless efforts in compiling this chronicle of our achievements. May this magazine continue to be a source of inspiration for students, faculty, alumni, and well-wishers, reminding us of the collective spirit that defines our institution and now, our university.

THE EVERGREEN CAMPUS

Kristu Jayanti (Deemed to be University) is devoted to safeguard and conserve the environment by espousing an eco- friendly ambience. It constantly endeavours to maintain an eco-friendly green campus and inculcate the idea of sustainable development in the minds of youth and train them in the management of renewable and non-renewable resources, and waste for a safe and healthy environment for the present and future generations. The institution believes in preserving the planet for the next generation and has implemented numerous environmental strategies to inculcate environmental consciousness among its students and to the local community largely. The college was rated as a Green Campus and certified with the 'GOLD RATING' from All India Council for Technical Education (AICTE) in collaboration with the International Institute of Waste Management (IIWM) for the collaborative and ingenious efforts.

Kristu Jayanti (Deemed to be University) has been a beacon of learning and innovation since its inception in 1999 as an affiliated institution under Bangalore University. The Institution is managed by St. Joseph Province Kottayam, Kerala of Carmelites of Mary Immaculate (CMI), the first indigenous catholic religious congregation in India. Marking a significant milestone in its journey, Kristu Jayanti attained the 'autonomous' status in the year 2013. As per the notification dated July 08, 2025, vide letter No. 9-13/2025 - U.3(A), Kristu Jayanti has been conferred the status of Deemed to be University under section 3 of UGC Act, 1956, by the Department of Higher Education, Ministry of Education, Government of India under General Category.

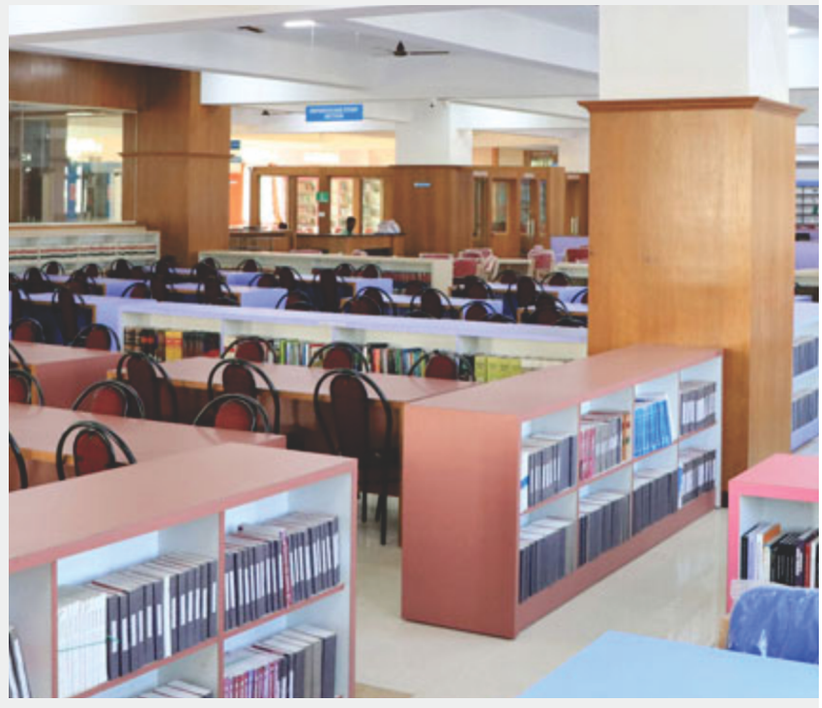

Kristu Jayanti Deemed to be University offers undergraduate and postgraduate programmes in Arts, Science, Management and Commerce, and integrated Law programmes. The institution was reaccredited with the highest grade 'A++' by the National Assessment and Accreditation Council (NAAC) in the Third Cycle of Accreditation in 2021. In the National Institutions Ranking Framework 2025, the institution has been ranked 34th place and is one of the top 100 colleges in the country. Moreover, the programmes of the School of Management are internationally accredited by the Accreditation Council for Business Schools and Programs [ACBSP], USA. The Institution was accorded 'DBT Star College' status under the strengthening component by the Department of Biotechnology, Ministry of Science & Technology, Government of India during the year 2020. Kristu Jayanti has consistently featured as one of the top institutions in rankings and surveys conducted by various agencies

Kristu Jayanti Deemed to be University stands as a dynamic centre of excellence, committed to fostering scholarship, leadership and societal impact. The institution strives to fulfil its mission to provide educational opportunities for all aspiring youth to excel in life by developing academic excellence, fostering values, creating civic responsibility, inculcating environmental concern and building global competencies in a dynamic environment.

INFRASTRUCTURE

The institution invests heavily on infrastructure to keep pace with the changing needs and profile of the student population. To catch up with the scientific and technological advancements, parallel upgradation of facilities in the form of laboratories, library and other learning resources like computers, e-resources and Wi-Fi facility are carried on as an ongoing activity. Physical facilities have been expanded to create an ambience conducive for academic excellence and holistic development. Various departments and administrative sections are housed in the Administrative Block, Main Block and Research & Humanities Block. The MBA and MCA programmes function independently in separate blocks. The college provides spacious class rooms, libraries, auditoria, laboratories, conference halls, panel rooms, recording studio, music room, performing arts centre, gymnasium and sports facilities. Besides Computer Science and Bioscience laboratories, the Electronics lab, Physics lab, Psychology lab, Commerce lab, Language lab and Media lab integrate technology effectively into the teaching-learning process.

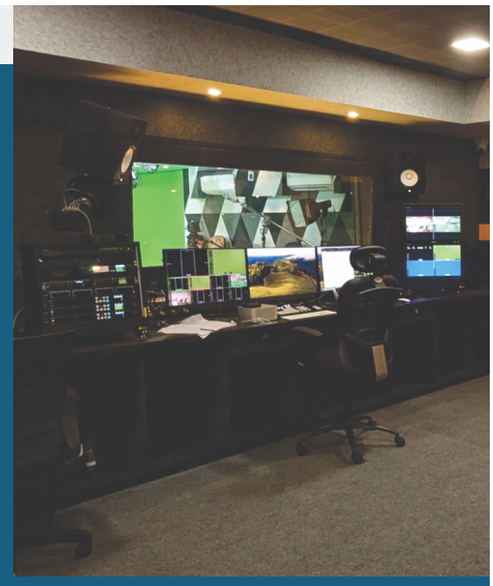

Library

The University library is a gateway to a world of information. The staff and students have unlimited access to the wealth of information in resources like books, magazines, newspapers, journals, statistical database, encyclopedia, annual reports, dissertations, project reports and the internet. The library also has digital resources including a myriad collection of CDs, databases, e-journals, software and projects. There are separate rooms for group discussion, reading and cubicles for personal study. Additionally an e-library has been set up for e-resources.

Bioscience Lab

The Department of Life Sciences features six hi-tech laboratories for Genetics, Biochemistry, Biotechnology, Microbiology, Botany and Forensic Science. These labs are adequately equipped to serve the students with a scientific temperament and enable them to pursue projects and research. With the latest instruments and facilities in the laboratories, the students perform various scientific experiments in the respective fields in the labs.

Media Lab

The Media Lab at Kristu Jayanti University is equipped with state-of-the-art facilities to provide students with hands-on experience using professional-grade equipment. The lab has multimedia workstations for video editing, animation and graphic design. It also has a studio floor for film and television production, equipped with professional lighting rigs and a green screen. Additionally, there is a preview room for reviewing and critiquing productions, a graphics lab specializing in 2D and 3D design, motion graphics, and visual effects, a dubbing unit with professional audio recording and mixing facilities, and a live production suite with cutting-edge tools for multi-camera live broadcasts. The Media Lab is designed to replicate the real-world production environments, preparing students for successful careers in the media industry. The students pursuing Media Studies programmes gain real-world experience in multi-media productions through the Kristu Jayanti University Television (offline television channel) and Kristu Jayanti Radio.

Auditoria

The institution ensures adequate facilities for teaching-learning, augments its infrastructural facilities according to the growing needs of the institution and endeavours to create a conducive academic ambience. There are 26 common spaces such as auditoria, conference halls and seminar halls for interactive programmes. Discussion rooms, mock interview cabins, panel rooms and board rooms are also available to facilitate career and personality development. Besides, spaces are provided for skill development, entrepreneurship and start-up ventures. These facilities of the institution are utilised optimally for the holistic development of the students.

Computer Lab

The computer lab is designed with state-of-the-art technology and is equipped with all the major application softwares for imparting quality education. The internet equipped lab is open beyond academic hours to meet the computing needs of the students. Effective lab assistance is provided during lab sessions to give a helping hand to students in handling problems they might encounter and to equip them to excel in the practical process of programming. Our advanced digital infrastructure helps to overcome the constraints of the classroom with the help of Wi-Fi enabling login from nook and corner of the campus and facilitates the students to reach vast resources of knowledge.

51st edition of

Vichaarmanthan

An Interaction with Global and Indian Visionaries

Dr. K. Sivan

Former Secretary of the Department of Space, Chairman of ISRO, and Chairperson of the Board of Governors at IIT Indore

Kristu Jayanti College successfully hosted the 51st edition of Vichaarmanthan, an interactive platform designed to connect students with visionary leaders and thinkers from India and around the world. This edition featured the esteemed Dr. K. Sivan, former Secretary of the Department of Space, Chairman of ISRO, and Chairperson of the Board of Governors at IIT Indore. The Vichaarmanthan series aims to provide students with meaningful interactions, offering valuable perspectives on education, technology, and societal progress.

Dr. Sivan delivered an inspiring and enlightening lecture, captivating the audience with his remarkable journey from a humble background to becoming one of India's most influential space scientists. He shared insights into his academic and professional path, reflecting on the perseverance and dedication required to achieve milestones in the field of space research. His address focused on India's growing self-reliance in space technology and the pivotal role ISRO plays in this mission.

Highlighting ISRO's significant contributions, Dr. Sivan spoke about various projects in communication, space exploration, and Earth observation through satellites. He provided an overview of upcoming missions, notably Chandrayaan-4, which aims to bring lunar samples back to Earth for further research. Additionally, he discussed India's ambitious "Man on the Moon" mission, which envisions sending an Indian astronaut to the Moon, marking a historic achievement for the nation. Dr. Sivan also emphasized the recent transformative developments in India's space sector, particularly the government's initiative to involve private companies in rocket development. This strategic move towards public-private collaboration, he explained, will accelerate innovation and growth in the space industry, positioning India as a key player on the global stage.

The event saw enthusiastic participation from 1200 students, who actively engaged with Dr. Sivan and gained invaluable insights into the challenges and opportunities in the space sector. The feedback from attendees was overwhelmingly positive, with students expressing their admiration for Dr. Sivan's inspiring journey and his vision for India's space future.

52nd edition of

Vichaarmanthan

An Interaction with Global and Indian Visionaries

Dr. D. Subbarao

Former Governor of the Reserve Bank of India, Former Finance Secretary, and former Secretary to the Prime Minister's Economic Advisory Council

Kristu Jayanti College successfully organized the 52nd edition of Vichaarmanthan, an interactive platform designed to connect students, academicians, and professionals with eminent global and Indian visionaries. The event, held on April 1, 2025, featured Dr. D. Subbarao, former Governor of the Reserve Bank of India, former Finance Secretary, and former Secretary to the Prime Minister's Economic Advisory Council. The event commenced with a formal welcome, followed by the traditional lamp-lighting ceremony, marking the beginning of a session rich with insights on leadership, governance, and personal development.

Dr. Subbarao delivered an inspiring address on "Leadership Lessons I Learnt the Hard Way." Drawing from his extensive career in the Indian Administrative Service and his leadership roles, he highlighted the vital qualities of patience, integrity, and strong character in effective leadership. He shared anecdotes from his civil service journey, reflecting on key challenges and pivotal moments that shaped his approach to governance and decision-making. The session also touched upon significant policy decisions taken during his tenure at the RBI and their impact on India's economic stability. The interactive session allowed students to engage directly with Dr. Subbarao, gaining valuable insights into leadership and governance from one of India's most respected public figures.

The 52nd Vichaarmanthan proved to be an enriching experience, leaving students motivated to embrace challenges and grow as future leaders with a strong foundation of ethics and perseverance.

9th edition Vidwat Sammilan An Interactive Session with Prof. Ved Prakash R

Kristu Jayanti College (Autonomous) organized the 9th Vidwat Sammilan on 3rd September 2024 at the Silver Jubilee Auditorium. The event featured Prof. Ved Prakash R., Former Chairman of UGC, Former Chancellor of KIIT Bhubaneswar, and Former Vice-Chancellor of NUEPA, New Delhi, as the chief guest. Rev. Father Augustine George, Principal, Dr. Aloysius Edward J., Dean, Faculty of Commerce, and Dr. Muruganantham, Coordinator, Department of Computer Science (PG), also graced the occasion. The Sammilan served as a vital platform fostering dialogue between academia, industry, and educational institutions, focusing on collaborative growth, knowledge sharing, and enhancing educational practices.

10th edition of Vidwat Sammilan An Interactive Session with Dr. K. Muthulekshmi

The Department of Social Sciences and Languages, in collaboration with the Kristu Jayanti Centre for Indian Knowledge System, organized the 10th edition of Vidwat Sammilan on September 24, 2024. The event featured Dr. K. Muthulekshmi, former Pro-Vice Chancellor of Sree Sankaracharya University of Sanskrit, Kalady, as the Chief Guest. Dr. Muthulekshmi delivered an engaging presentation on "Indian Knowledge Systems–Multiplicity of Approaches and Methodologies," emphasizing the dynamic and interconnected nature of Indian Knowledge Systems (IKS). She explored diverse perspectives, including historical, aesthetic, and gender studies, using the Buddhist text Therigatha as a case study, enriching the audience's understanding of IKS.

11th edition Vidwat Sammilan: Towards Sustainable Development in India: Role of Chemistry and Education

The Life Sciences Department of Kristu Jayanti College (Autonomous) organized the 11th edition of its flagship event, Vidwat Sammilan, on 27th February 2025. The event featured Prof. A.K. Bakhshi, Founding Vice-Chancellor of PDM University, Haryana, as the Chief Guest. Centered on the theme "Towards Sustainable Development in India: Role of Chemistry and Education," Prof. Bakhshi delivered an enlightening keynote address, emphasizing the vital role of chemistry and education in achieving India's sustainable development goals. He elaborated on the concept of green chemistry and its practical applications, urging students and educators to adopt a transdisciplinary approach in addressing environmental challenges. His talk inspired the audience to recognize the significance of small yet impactful changes in daily life, contributing towards a sustainable future. The session also provided an in-depth overview of India's progress in meeting the Sustainable Development Goals (SDGs), highlighting the achievements and ongoing challenges.

INTERNATIONAL LECTURE SERIES

International Lecture Series on Bollywood Globalization

The Department of English, in collaboration with Franciscan University of Steubenville, hosted an International Lecture on Bollywood Globalization on July 31, 2024. Dr. David Schaefer, Professor of Communication Arts, explored cinematic soft power and its role in shaping global perceptions. He discussed Indian cinema's global influence, the role of IIFA, and the impact of the digital era, while actively engaging with the audience during the interactive session.

International Lecture Series on Social Perception

The Department of Psychology, in collaboration with the Office of International and Domestic Relations, organized a four-day International Lecture Series for first-semester MSc Psychology students from September 17-20, 2024. Professor Pedro P. Chamorro from the University of Cordoba, Spain, led sessions on social perception, attribution theory, and cultural influences on behavior. Through interactive discussions and case studies, students explored key psychological concepts and cross-cultural perspectives in depth.

International Lecture on Spain: A Walk through

The Department of English, Kristu Jayanti College organised an international lecture on the topic 'Spain: A Walk through' as part of the International Lecture Series on 20 September 2024. The session was led by Prof. Pedro P. Chamorro, Erasmus+ Faculty Mobility Awardee, University of Cordoba, Spain. The resource person delivered an insightful presentation on the culture, beauty and tradition of Spain. He showcased Spain as a vibrant land of diverse cultures, blending Moorish, Roman, and Christian influences. The key focus of his presentation was on the major cities of Spain and the significance of each city.

INTERNATIONAL LECTURE SERIES

International Expert Lecture on Viral Genetic Medicine: Genesis and Progress

The Department of Life Sciences at Kristu Jayanti College, Bengaluru, organized an International Expert Lecture on "Viral Genetic Medicine: Genesis and Progress" on October 8, 2024. Dr. Sam Laurel Stephen, Subject Matter Expert in Gene Therapy at Boehringer Ingelheim, discussed the principles and clinical applications of viral vectors such as lentivirus and AAV. The session saw active participation from UG and PG students and concluded with an engaging Q&A.

International Lecture Series (ILS) on Understanding the Derivatives Securities Market

The Department of Commerce (UG) hosted an international lecture titled 'Understanding the Derivatives Securities Market' on 09 October, 2024, as part of its International Lecture Series. The lecture aimed to provide students with global perspectives on the complex and rapidly evolving derivatives market. The chief guest for the session, Dr. Jinson Park emphasised the crucial role of understanding the intricacies of this market, particularly in how it operates within both domestic and international financial frameworks. He highlighted the importance of sound regulation to manage the risks and challenges associated with derivatives trading. Drawing from practical examples, Dr. Park discussed the relevance of derivatives in everyday financial products, such as life insurance policies, to demonstrate their real-world applications and implications.

INTERNATIONAL LECTURE SERIES

International Lecture on Culture and Big Data

The Department of English at Kristu Jayanti College organized an international lecture on “Culture and Big Data” on 09 October 2024, led by Dr. Sanjay Purushotham from Dallas Baptist University, USA. He explored how Big Data reveals cultural trends and emphasized the role of native language in cultural identity. Dr. Purushotham also discussed the value of studying abroad and shared insights on opportunities at Dallas Baptist University, concluding with an engaging Q&A session.

International Lecture Series on Collective Writing

The Department of English hosted an International Lecture on Collective Writing on 15 November 2024, led by Prof. Marek Tesar from the University of Auckland. He explored the philosophy, history, and collaborative nature of collective writing in academic publishing. Highlighting its value in fostering interdisciplinary research and equitable collaboration, the session sparked engaging discussions and concluded with an interactive Q&A, reinforcing the department's commitment to academic innovation and exchange.

International Lecture Series on Global Diplomacy: China - Taiwan Relations’

The School of Management hosted an engaging session on "Global Diplomacy: China-Taiwan Relations" for first-year MBA students on December 12, 2024. Delivered by the Deputy General Consul of Japan, the lecture explored Taiwan's strategic role in global trade, semiconductor dominance, and regional security dynamics. The session highlighted geopolitical tensions, Taiwan's democratic identity, and Japan-India relations. A warm gesture of opening in Kannada and a lively Q&A enriched the students' understanding of global diplomacy.

INTERNATIONAL LECTURE SERIES

International Lecture Series on Resilience as a Key to Overcoming Challenges and Achieving success

Kristu Jayanti School of Management hosted an International Lecture Series (ILS) session with Prof. Siva Muthaly, Adjunct Faculty at Western Sydney University, Australia. The event focused on resilience as a key to overcoming challenges and achieving success. Prof. Muthaly outlined the resilience framework, focusing on emotional strength, a growth mindset, adaptability, and robust support networks. He also stressed the importance of embracing challenges, learning from failures, and staying receptive to feedback. He provided practical strategies, such as breaking problems into manageable parts, setting clear goals, prioritizing tasks, and cultivating a strong support system. The event concluded with the Jayantian anthem and a photo session.

International Lecture Series on AI/ML Computing

The Department of Computer Science [UG], in collaboration with the University of Waikato, organized an insightful lecture on "AI/ML Computing" on January 16, 2025, for final-year BCA Analytics and B.Sc Data Science students. The session was led by Dr. Geoffrey Holmes, who provided a comprehensive overview of Artificial Intelligence, covering its core concepts, types of learning (supervised, unsupervised, and reinforcement), and applications across sectors such as healthcare, finance, and entertainment. He also discussed neural networks, transfer learning, and real-world use cases, enhancing students' understanding of AI's practical potential.

The Chancellor Hour: International Lecture on The Impact of AI on Education

The Department of English, Kristu Jayanti College, organized The Chancellor Hour on January 16, 2025, featuring Dr. Geoffrey Holmes, Pro-Vice-Chancellor, University of Waikato. He discussed the impact of AI on education, highlighting its potential to enhance personalization, accessibility, and efficiency. He also emphasized balancing AI with human creativity and addressed challenges like digital inequality and privacy. The session concluded with an engaging Q&A, encouraging student interaction and thoughtful dialogue.

INTERNATIONAL LECTURE SERIES

International Lecture on Value Informed Social Work Practice

The Department of Social Work, Kristu Jayanti College, hosted an International Lecture on "Value-Informed Social Work Practice" by Dr. Kelly Glubb Smith, University of Waikato, on January 18, 2025. She emphasized core social work values, ethics, and global best practices across diverse fields. The session included a video presentation and ended with an engaging Q&A. Students gained international insights and appreciated the enriching experience. The event concluded with a vote of thanks.

International Lecture on Learning for Life: 5 Big Ideas

The Department of English, Kristu Jayanti College, Bengaluru, hosted a lecture on "Learning for Life: 5 Big Ideas" by Dr. Per Markus Anderson, Professor Emeritus, Concordia College, USA, on January 22, 2025. Dr. Anderson discussed five transformative concepts—Resilience, Respect, Responsibility, Response, and Resonance—and their role in navigating life. He also explored AI's impact, emphasizing its potential to complement human capabilities and the ethical challenges it presents, concluding with a lively Q&A session.

International Lecture on Careers In Math: AI

The Department of Physical Sciences, in collaboration with the Office of International and Domestic Relations, organized an International Lecture Series on "Careers in Math: AI" on January 28, 2025. The session featured Dr. Jeramy Lee Donovan, Assistant Professor of Mathematics Education, and Dr. Stein Erik Brunvand, Associate Dean, both from the University of Michigan, USA. The lecture, aimed at BSc CSMM and BSc STMM students, provided insights into the crucial role of mathematics in artificial intelligence and potential career opportunities in the field.

INTERNATIONAL LECTURE SERIES

International lecture Series on Social Emotional Learning and Literature

The Department of English, Kristu Jayanti College, Bengaluru, organized a lecture on "Exploring Connections: Social Emotional Learning and Literature" on January 29, 2025, as part of the International Lecture Series. Led by Dr. Sapna Thwaite, Vice Provost and Professor at the University of Michigan-Flint, the session explored how literature enhances Social Emotional Learning (SEL). Dr. Thwaite discussed key SEL aspects like identity, agency, and belonging, emphasizing how literature fosters empathy, self-awareness, and emotional intelligence. The session concluded with an interactive Q&A, encouraging student engagement on SEL and literature's role in personal growth.

The Chancellor Hour: Session with Global Visionary Leaders

The Department of English, Kristu Jayanti College, organized the Chancellor Hour on February 7, 2025, led by Dr. Colin Irvine, President of Concordia College, USA. The session, titled "Chancellor Hour," provided students with a unique opportunity to engage with a visionary leader. Dr. Irvine focused on Four-Dimensional writing and narrative creation, incorporating space and time into stories. He introduced Narrative Theory and discussed the role of AI in complementing human creativity. The session concluded with a personal story and an interactive Q&A, where students explored strategies to overcome writer's block.

International Lecture Series (ILS) on Business Model Innovation

Kristu Jayanti College, School of Management, organized an International Lecture Series on Business Model Innovation on February 7, 2025. Dr. Sergio Palacios, Interim Director of Graduate Programs and Director of the Algur H. Meadows Center for Entrepreneurial Studies at St. Mary's University, USA, delivered the keynote lecture, highlighting the significance of Business Model Innovation in global markets. Using examples from Tesla, Amazon, and Airbnb, he explained how businesses adapt to evolving markets. The session included an interactive Q&A and provided students with valuable insights into strategic decision-making, receiving positive feedback for bridging theory and practice.

INTERNATIONAL LECTURE SERIES

International lecture on Volunteering and Community Outreach

The Department of English, Kristu Jayanti College, Bengaluru, organized a lecture on “Volunteering and Community Outreach” on February 10, 2025, as part of the International Lecture Series. Ms. Anne Faucett, Director of International Admission at St. Mary's University, San Antonio, led the session, emphasizing the importance and benefits of volunteering. She shared personal anecdotes, including her experience as President of the International Rotary Club, to highlight how volunteering fosters personal growth, builds global connections, and enhances career opportunities. The session also discussed the skills gained through volunteering, such as leadership and teamwork, and concluded with an engaging Q&A.

International Lecture on Exploring Utopian and Dystopian Worlds

The Department of English, Kristu Jayanti College, Bengaluru, organized an International Lecture on "Exploring Utopian and Dystopian Worlds: The American Context" on March 13, 2025. Dr. Jason Pierce, Provost and Executive Vice President of St. Mary's University, Texas, USA, led the session, discussing the political phenomenon of polarization in the U.S. He explored how Utopian and Dystopian worlds reflect societal ideals, fears, and biases, and examined polarization's impact on culture and politics. The session encouraged students to critically analyze polarization and its effects on American society, concluding with an interactive Q&A.

International Lecture Series: IoT in Monitoring and Alerting Systems for Beehives

The Department of Computer Science (PG) at Kristu Jayanti College, Bengaluru, in collaboration with IEEE Bangalore Section, organized an International Lecture Series on March 28, 2025, titled "IoT in Monitoring and Alerting Systems for Beehives." Mr. Abdelbaset S. Hamza from Appalachian State University discussed how IoT technology is applied in beekeeping through sensor-based tracking, data analytics, and AI-driven solutions. The session, attended by students and faculty, concluded with an interactive Q&A on IoT's role in environmental monitoring.

INTERNATIONAL LECTURE SERIES

International Lecture Series on Computational Intelligence in Food and Agriculture'

The Department of Computer Science (UG), in collaboration with Massey University, New Zealand, hosted a lecture on "Making Sense of Sensing Data: Computational Intelligence in Food and Agriculture" on April 1, 2025. Prof. Sen Gupta discussed the role of computational methods in modern agriculture, highlighting their application in disease detection and resource optimization. He showcased real-world examples and encouraged students to explore academic and research opportunities at Massey University in computational intelligence and smart agriculture.

International Lecture on Learning for Life: 5 Big Ideas

The Department of Management, in collaboration with the Office of International and Domestic Relations, organized an International Lecture Series on "Marketing Analytics and Key Tools in the Modern Business Landscape" on April 1, 2025. Dr. Tere McGonagle-Daly, Deputy Vice-Chancellor of Massey University, New Zealand, led the session for final-year BBA students. He explored the evolution of marketing analytics, highlighting key tools like predictive analytics, cluster analysis, and the OODA loop. Dr. McGonagle-Daly emphasized the importance of making data actionable and aligning it with consumer behavior. The session provided valuable insights into integrating analytics into business strategies, offering real-world applications such as Massey University's use of data in student engagement.

International Lecture on the topic 'Saying Sorry in Postcolonial Societies'

On April 1, 2025, the Department of English at Kristu Jayanti College (Autonomous), Bengaluru, hosted a lecture titled "Saying Sorry in Postcolonial Societies" as part of its International Lecture Series. Led by Prof. Giselle Byrnes, Provost of Massey University, New Zealand, the session explored the role of apologies in postcolonial societies, emphasizing that while they may serve as symbolic gestures of reconciliation, they often fail to address deep-rooted historical injustices. Prof. Byrnes discussed the "Te Korowai o Wainuiārua Claims Settlement Bill," which acknowledges past wrongs and includes public apologies to the Māori and Chinese communities in New Zealand. She highlighted how apologies can reveal historical truths and promote reconciliation, emphasizing the importance of truth in legal processes and future redress. The lecture concluded with a thought-provoking question-and-answer session, encouraging further reflection on the complexities of apologies in postcolonial contexts.

INTERNATIONAL LECTURE SERIES

International Lecture Series on Building Your Personal Brand: Insights from Rachin Ravindra & KWIS

The Department of Commerce (UG) at Kristu Jayanti College, Bengaluru, in collaboration with Massey University, New Zealand, organized an insightful session for IV Semester B.Com students on April 1, 2025, titled "Building Your Personal Brand: Insights from Rachin Ravindra & KWIS." The session, led by Mrs. Joy Hotter, Director of Massey-Kaplan College, emphasized the importance of personal branding, global exposure, and soft skills for professional growth. She shared insights from New Zealand cricketer Rachin Ravindra's journey, motivating students to craft authentic personal brands and engage in lifelong learning. The event concluded with an interactive Q&A, fostering valuable discussions on career planning and international education opportunities.

International Guest Lecture on "Decoding Crime Scene: A Genetic Perspective"

The Department of Forensic Science organized an International Guest Lecture titled "Decoding Crime Scene: A Genetic Perspective" on April 12, 2025. The session was conducted for II semester students of B.Sc. Forensic Science, Biotechnology, and Biochemistry. The keynote speaker, Ms. Hennah Jennifer Raja Solomon—an accomplished alumna and healthcare practitioner at Cambridge University Hospital, UK—offered in-depth insights into the integration of genetics in forensic investigations. She discussed advanced techniques such as DNA fingerprinting and next-generation sequencing, demonstrating their real-world application in solving crimes, identifying suspects, and exonerating the innocent through compelling case studies. The lecture emphasized the growing role of genetics in modern forensics and underscored the importance of interdisciplinary collaboration and global academic engagement in addressing complex criminal cases.

International & National Conferences

9th International Conference on "Exploring the Future of Work: Adapting to Technological, Social, and Economic Transformations" (EFWATSET)

International Conference on Inclusion, Diversity, Equity & Accessibility (IDEA)

KRISYM 2025: 18th Edition of KRISYM 2025 Future of Business Resurgence: Embracing AI and Automation

International Conference: Asia's Maritime History and Identity at Cultural Crossroads

International Conference on Advanced Forensic Science (ICAFS 4.0)

International Conference on Resilience and Progress: Pioneering Transformative Pathways to Sustainability (ICRPPTPS – 2025)

International Conference on Metaverse inaugurated

Transdisciplinary Research in Life Sciences: Planetary Health (ICTRLS-2025)

International Conference INSIGHT 2025: Mental Health at Work

11th International Conference on Gender Mainstreaming – 'Feminist Foreign Policy' Approaches in the Context of South Asia

International Conference- Global Dialogues in Communication Design: Bridging Cultures, Embracing Technologies

International Conference on State and Administration Through the Lens of Bharatiya Knowledge System

International Conference on Centre for Life Skills Education (ICLSE 25)

ICCTAC 2025: A Global Forum on High-Performance Computing and Emerging Technologies

8th International Conference on Computational Intelligence (ICCI-2025)

International Conference on Recent Trends in Material Science

Inauguration Session of the 3rd International Conference on Economics, Business, and Sustainability

---

National Conference on Viksit Bharath@2047: Innovative Revolution and Reshaping the Future of Global Business Landscape in Multidisciplinary Sectors

National Conference on Neo-Colonialism: Representing Narratives, Realities and Responses

Kristu Jayanti College Hosts Student Summit on 'Media Innovation'

National Conference on Recent Trends in Pure and Applied Mathematics

IQAC at Kristu Jayanti College organises National Conference (I-Con 2025)

9th International Conference on "Exploring the Future of Work: Adapting to Technological, Social, and Economic Transformations" (EFWATSET)

The Department of Commerce (UG), Kristu Jayanti College, in collaboration with Hochschule New-Ulm University of Applied Sciences (HNU), Germany, hosted the 9th International Conference, EFWATSET 2024, on September 26, 2024. The event opened with a welcome by Dr. Aloysius Edward J and an address by Mr. Steve Hardgrave, CEO of Varthana, who emphasized technology's impact on the future of work and the importance of empathy. Keynotes covered digital upskilling (Mr. Ramesh Naropanth), workplace inclusivity (Dr. Jyotirmaya Satpathy), remote work trends (Dr. Damodharan V. Sowmya), and future leadership (Dr. Angelo Puccia). Plenary sessions featured over 150 paper presentations on commerce, innovation, and entrepreneurship.

International Conference on Inclusion, Diversity, Equity & Accessibility (IDEA)

The Department of Social Work, in collaboration with the University of Waikato, New Zealand, organized a two-day International Conference on Inclusion, Diversity, Equity, and Accessibility (IDEA) on March 10 and 11, 2025. Inaugurated by Fr. Dr. Augustine George, Principal, Kristu Jayanti College and Mr. Sri Das Suryavamshi, State Commissioner for the Person with Disability Act, Karnataka, the event featured distinguished speakers from Nagaoka University of Technology (Japan), University of Waikato (New Zealand), University of Michigan-Flint (USA), and prominent Indian organizations. With 180 participants, the conference explored inclusive education, workplace equity, and empowerment of marginalized communities, emphasizing equitable systems and proactive policy inclusion.

KRISYM 2025: 18th Edition of KRISYM 2025 Future of Business Resurgence: Embracing AI and Automation

The School of Management, Kristu Jayanti College (Autonomous), in collaboration with Trinity Western University, Canada, and Euromid Academy of Business and Technology, Turkey, organized the 18th International Conference, KRISYM 2025, on January 16 and 17, 2025, themed "Future of Business Resurgence: Embracing AI and Automation". The Welcome Address was delivered by Dr. Aloysius Edward J., Dean, Faculty of Commerce & Management, followed by a prelude from Dr. D. Ravindran, Conference Convener, and the Presidential Address by Fr. Dr. Augustine George, Principal, Kristu Jayanti College. Keynotes were presented by Dr. Philip G. Laird, Vice President of Innovation, Global & Academic Partnerships, Trinity Western University, Canada, and Ms. Inbal Ston, Deputy Chief of Mission, Israeli Consulate in South India, focusing on AI and global collaboration. Day 2 featured sessions by Dr. Doug Atha, Director, MA Leadership, Trinity Western University, Dr. Imbenzi George, Director of International Engagement (Africa/India) and Sessional Assistant Professor, Trinity Western University, and Ms. Deepa Ramachandran, Director of Product Management, Nokia, covering leadership, cybersecurity, and AI in business. With 385 research papers across 18 tracks, the conference concluded with a valedictory address by Mr. Jonas Brunschwig, CEO, Swissnex in India, Consulate General of Switzerland, and reflections from the organizing team.

International Conference: Asia's Maritime History and Identity at Cultural Crossroads

The Department of English, in collaboration with the University of Auckland, New Zealand, hosted a two-day international conference titled "Asia's Maritime History and Identity at Cultural Crossroads" on January 23 and 24, 2025. Inaugurated by Shaurya Chakra Col. Dr. DPK Pillay, Former Senior Defence Specialist, Ministry of Defence, and Research Fellow at the Manohar Parikkar Institute for Defence Studies and Analyses, the event explored Asia's maritime past and its impact on identity and culture. Fr. Dr. Lijo P. Thomas, Vice Principal, presided over the event, and Col. Dr. Pillay's keynote highlighted civilizational links through trade and migration. Speakers included Prof. Dr. Mark Barrow, Dean, University of Auckland; Fr. Joshy Mathew, Head, Department of English; coordinators Dr. Lyola Thomas and Prof. Jerrin Jose; and experts such as Dr. Esther Fitzpatrick, Dr. Maya Vinai, Dr. Louiza Rodrigues, Dr. Radhika Seshan, and Dr. Sayan Dey. With 230 papers and over 450 participants from multiple disciplines, the conference featured exhibitions and student art installations, fostering a rich, transdisciplinary dialogue on maritime heritage and environmental awareness.

International Conference on Resilience and Progress: Pioneering Transformative Pathways to Sustainability (ICRPPTPS – 2025)

The Department of Professional Accounting and Finance, in collaboration with the University of Michigan-Flint, hosted the 4th International Conference on Resilience and Progress: Pioneering Transformative Pathways to Sustainability (ICRPPTPS 2025) on February 21, 2025. The hybrid event brought together over 450 participants, including researchers, practitioners, and students. Mr. Stanley George, CEO of TALENTIKA, inaugurated the conference, with Mr. Markus Pfeiffer, Managing Partner, COMANO ADVISORY LLP, as Guest of Honour, and the presidential address by Fr. Dr. Augustine George, Principal, Kristu Jayanti College. Discussions spanned key sustainability topics such as business models, women entrepreneurship, and technological innovation, across five tracks. The event encouraged interdisciplinary collaboration and practical solutions, with proceedings to be published by EuroMid Academy of Business and Technology and the Kristu Jayanti Journal of Management Science.

International Conference on Advanced Forensic Science (ICAFS 4.0)

The Department of Forensic Science, hosted the 4th International Conference on Advanced Forensic Science (ICAFS 4.0) on March 13 and 14, 2025, bringing together over 200 delegates and experts from 30+ institutions. Inaugurated by Dr. Rukmani Krishnamurthy, CEO of Helik Advisory Lab, Mumbai, with a presidential address by Fr. Dr. Augustine George, Principal,Kristu Jayanti College the event featured five technical sessions covering forensic diatomology, toxicology, virtual autopsy, DNA analysis, and behavioural science. Notable speakers included Dr. Vandana Vinayak, Dr. Lata Gautam, Major Dr. Pramod G. Bagali, Dr. Ankit Srivastava, and Prof. Dr. Ma Teresa G. De Guzman. The conference showcased 43 research papers and 44 posters across diverse forensic disciplines, emphasizing interdisciplinary collaboration and advancements in forensic science for criminal justice.

International Conference on Metaverse inaugurated

The Department of Commerce(PG) organized the International Conference on Metaverse in Business and Commerce (ICMBC 2025) on March 25 and 26, 2025, in collaboration with Birmingham City University, UK, and EuroMid Academy of Business and Technology, Turkey. Keynote speakers included Mr. Navin Manaswi, CEO of WowExp, who discussed digital twinning and talent development; Dr. Venkatesh Chennam Vijay, Associate Professor at Birmingham City University, on immersive technologies like VR, AR, and AI-driven digital twins; Dr. Mukund Raj, Advisor at NABARD Consultancy Services, on markets shaped by quantum computing, AI, and metaverse marketing; and Mr. Sunil David, Digital Technology Consultant, on the metaverse's impact on enterprise transformation. The conference featured paper presentations and Scopus-indexed book chapter publications.

Transdisciplinary Research in Life Sciences: Planetary Health (ICTRLS-2025)

The Department of Life Sciences, in collaboration with The University of Transdisciplinary Health Sciences and Technology (TDU), University of Michigan-Flint, and Belmont University, USA, organized the 2nd International Conference on Transdisciplinary Research in Life Sciences: Planetary Health (ICTRLS-2025) on March 6 and 7, 2025. The inaugural ceremony was graced by Prof. Chandrabhas Narayana, Director, Rajiv Gandhi Centre for Biotechnology, with Fr. Jais V Thomas delivering the presidential address emphasizing the shift from anthropocentrism to biocentrism and the integration of technology and philosophy for ecological harmony. Prof. Narayana highlighted the need for learning beyond biology, introducing concepts like "Bio-E3" and "Bio Clusters." The event included the release of the Book of Abstracts and a publication on medicinal plants from the college's Smart Medicinal Garden. With over 170 participants and 100 paper and poster presentations from more than 30 institutions, the conference fostered rich discussions on planetary health, sustainability, and biotechnology's role in global challenges, receiving wide appreciation for its organization and structured sessions.

International Conference INSIGHT 2025: Mental Health at Work

The Department of Psychology, in collaboration with the Clinical Psychology Society of India (CPSI), hosted the International Conference INSIGHT 2025: Mental Health at Work on March 27 and March 28, 2025. Over 300 delegates from India and abroad, including Morocco, Spain, Malaysia, Qatar, and Indonesia, participated in discussions on workplace mental well-being. The conference began with an inaugural ceremony featuring Dr. K. Ramachandran, Former Director of DIPR, and Dr. Jamuna Rajeswaran, Head of Clinical Psychology at NIMHANS and CPSI President. Fr. Dr. Augustine George, Principal, Kristu Jayanti College delivered the presidential address emphasizing the importance of mental health in organizations. Keynote sessions included Dr. Annette Kreuz Smolinski on systemic approaches to workplace mental health and Dr. Upinder Dhar on psychological assessments in recruitment. Plenary talks by Dr. Keerthi Pai and Dr. Smriti Joshi highlighted mental resilience and technology's role in mental health. On March 28, Dr. R. Karthikeyan spoke on strategic change management, and Dr. Rajani Parthasarathy outlined government mental health initiatives. Dr. Kalpana Srivastava led a session on mindfulness and resilience training. A panel on workplace inclusivity featured experts from Accenture, BALM, and counseling psychology. INSIGHT 2025 featured 129 papers and 59 posters, advancing research and collaboration on workplace mental health and emphasizing its critical role in future work environments.

11th International Conference on Gender Mainstreaming – 'Feminist Foreign Policy' Approaches in the Context of South Asia

The Women's Empowerment Cell of Kristu Jayanti College, in collaboration with the Indian Council of World Affairs (ICWA), organized the 11th International Conference on Gender Mainstreaming–'Feminist Foreign Policy Approaches' in South Asia. Key speakers included Ms. Avni Sablok on social media's role in feminist foreign policy, Dr. Esther Fitzpatrick on gender-inclusive education, Fr. Dr. Lijo P Thomas on the importance of gender mainstreaming in policy and education, Dr. Simi Mehta on data-driven advocacy, and Dr. Anuradha Chenoy on regional feminist foreign policy challenges. The conference highlighted the need for collaboration among academia, policymakers, and digital platforms to promote gender equity in international relations.

International Conference on State and Administration Through the Lens of Bharatiya Knowledge System

The Department of Political Science at Kristu Jayanti College organized a two-day International Conference on "State and Administration Through the Lens of Bharatiya Knowledge System" from March 26 to March 27, 2025, in collaboration with Karnataka Sanskrit University, Bengaluru. Conducted in hybrid mode, the event featured five technical sessions led by eminent scholars including Shri Arjun Bharadwaj, Dr. K.E. Srivenkatanathan, Shri Krishna Maheswari, and Dr. Vithal Potdar, who discussed Bharatiya Knowledge System's connections to higher education, health, gender, indigenous knowledge, and colonial narratives. The inaugural ceremony was graced by Chief Guest Dr. Ramesh Rao, Professor, Columbus State University, and Guest of Honor Dr. S. Ahalya, Vice-Chancellor, Karnataka Samskrit University. Fr. Dr. Augustine George, Principal, Kristu Jayanti College, delivered the presidential address emphasizing inclusivity and sustainability within the Bharatiya Knowledge System. The conference provided a vital platform for students and researchers to engage with epistemological perspectives on this indigenous knowledge tradition.

International Conference- Global Dialogues in Communication Design: Bridging Cultures, Embracing Technologies

The Department of Media Studies, Kristu Jayanti College, in association with Robert Gordon University, Scotland, organized an International Media Conference on the theme "Global Dialogues in Communication Design: Bridging Cultures, Embracing Technologies" on April 8 and April 9, 2025. The keynote address was delivered by Mr. Himanshu Shekhar Mishra, Senior Editor, NDTV India, New Delhi, who spoke on "Journalism in the New Information Age". Mr. Mishra discussed the increasing role of social media in shaping news flow and urged aspiring journalists to embrace digital tools and adapt to the changing media environment.

International Conference on Centre for Life Skills Education (ICLSE 25)

The Department of Centre for Life Skills Education, Kristu Jayanti College, organized the International Conference on Life Skills Education (ICLSE 25) on April 3 and April 4, 2025, themed "Peace and Harmony: Life Skills for a Better World". Fr. Deepu Joy, Director, Student Welfare Office, delivered the inaugural address, highlighting the importance of life skills in fostering emotional well-being and societal harmony. The Chief Guest, Padma Shri Dr. C.R. Chandrashekar, Founder and Director of Samadhana Counselling Centre, underscored the relevance of mental health, empathy, and resilience in today's world. The conference featured the release of the abstract book and seven technical sessions. In Session I, Dr. C.R. Chandrashekar emphasized incorporating life skills such as decision-making, problem-solving, and emotional intelligence into education. Session II featured Ms. Sandra Oberoi, Founder and Director of Harmony – The Music School, Bengaluru, who spoke on music and mindfulness as tools for emotional resilience. Session III was led by Ms. Harini Ramarathnam, Founder and Transformation Coach at Vibha Education Services Corp, who shared practical strategies for real-life decision-making. Session IV, by Dr. Justin Nelson Michael, Professor, School of Management and Director, Centre for Research, Kristu Jayanti College, focused on the "Power of Empathy" in personal and professional relationships. On Day 2, Session V was conducted by Dr. Baba Gnana Kumar, Professor, School of Management and Director, Centre for Consultancy & Corporate Training, who spoke on "Professional Ethics" as a vital life skill. Session VI, led by Ms. Radhika Gupta, Founder and Director, emphasized continuous learning and adaptability. Session VII concluded with Dr. Mansi Talwar, Founder and Director of Happy Mee, who discussed emotional resilience and self-awareness as foundations for a successful life.

ICCTAC 2025: A Global Forum on High-Performance Computing and Emerging Technologies

ICCTAC 2025 – International Conference on Current Trends in Advanced Computing. The two-day global conference was held on May 14 and 15, 2025, organized by the Department of Computer Science [PG] in collaboration with the University of Michigan–Flint, USA. The theme for this year was, "High-Performance Computing Applications: Transforming Science, Engineering, and Industry," highlighted the convergence of research, innovation, and practical application.

The conference was inaugurated by Dr. Ram Kumar G, Cybersecurity & Risk Leader, who spoke on the evolving challenge of "AI vs. AI." where artificial intelligence is both the tool and the target. Rev. Fr. Dr. Augustine George, Principal, delivered the presidential address highlighting youth's role in shaping India's future.

Keynotes and sessions featured eminent scholars and industry leaders: Dr. Murali Mani (University of Michigan–Flint) on news in the era of social media; Dr. Anoop on digital twins in cardiac healthcare; Dr. Mageshwaran R on agile methodologies in HPC software; Dr. Rajib Ganguly on black hole formation and big data; Dr. Manish Bali on scalable deep learning; Dr. Amena Mahmoud (Sophia University, Japan) on AI in medical imaging; and Dr. Mohamed Weim Mkaouer (University of Michigan–Flint) on software refactoring in AI.

The two-day event drew national and international researchers, academicians, industry experts, and students, reinforcing its stature as a truly global platform for knowledge exchange.

International Conference on Recent Trends in Material Science

The Department of Physical Sciences successfully hosted the 5th International Conference on Recent Trends in Material Science from April 3 to April 4, 2025. The event was inaugurated by Prof. N. Vijayan from CSIR-NPL and presided over by Fr. Dr. Augustine George, Principal, Kristu Jayanti College. Eminent speakers included Prof. Maria Teresa Cuberes (Spain), Prof. Praveen C. Ramamurthy (IISc), Dr. R. Ramesh Babu (Bharathidasan University), and Dr. S. Angappane (CeNS), who shared insights on nanomaterials, sensors, sustainable energy, and biomedical applications. The conference enabled national-level research presentations and publication opportunities, fostering academic exchange and innovation in material science.

8th International Conference on Computational Intelligence (ICCI-2025)

The 8th International Conference on Computational Intelligence (ICCI-2025) commenced on February 27,2025, organized by the Department of Computer Science (UG) at Kristu Jayanti College, in collaboration with St. Mary's University, Texas, USA, in association with Sophia University, Tokyo, Japan, and the University of Neu-Ulm, Germany. The conference theme, "Converging computational excellence to transcend boundaries through innovation for real-world challenges" was unveiled to promote networking and collaboration among participants. The inaugural session was graced by Dr. A.K. Bakhshi, the Chief Guest, who emphasized the profound impact of research across various domains. He underscored the importance of innovation, collaboration, and transformative progress in research, highlighting how Computational Intelligence is revolutionizing technology, reshaping industries, and influencing societies on a global scale.

The conference served as a significant platform for exploring cutting-edge advancements, key methodologies, research trends, challenges, and unresolved issues in the field of Computational Intelligence. The conference received an overwhelming response, with 213 research articles submitted from across the globe, reflecting the latest trends and innovations in Computational Intelligence. The event featured a keynote session, seven technical tracks, and multiple paper presentations, all focusing on emerging technologies and future research directions.

Inauguration Session of the 3rd International Conference on Economics, Business, and Sustainability

The 3rd International Conference on Economics, Business, and Sustainability (ICEBS 2024), organized by the Department of Economics at Kristu Jayanti College in collaboration with the Euromid Academy of Business and Technology, commenced with an inspiring inaugural session. The conference theme, "Advancing Global Prosperity: Integrating Economics, Business, and Sustainability for a Sustainable Future," underscores the vital role of sustainable practices in driving economic and business success. The Inaugural Address was delivered by Mr. David Keynan, Vice Chairman of the Federation of Indo-Israel Chamber of Commerce and Managing Director of Vandey Consultancy Services Pvt Ltd. Mr. Keynan's address revolved around three key pillars of sustainability: diversity, equality, and modesty.

National Conference on Viksit Bharath@2047: Innovative Revolution and Reshaping the Future of Global Business Landscape in Multidisciplinary Sectors

The Department of Management, Kristu Jayanti College (Autonomous), Bengaluru, organized a Two-Day National Conference on Viksit Bharat@2047 on January 28 and January 29, 2025, focusing on innovation and the future of global business. The event was inaugurated by Shri. Arunakar Mishra, MD & CEO, Genser Aerospace & IT Pvt. Ltd., who emphasized collaborative efforts toward India's development by 2047. Keynote sessions featured Mr. Rahul R. Gandhi on entrepreneurship, Ms. Manisha Mehrotra on AI in business, Dr. Sachin Baliga on psychological well-being, and Ms. Supriya Panchagam on Indian culture and sustainability. The valedictory address by Dr. M.K. Chandrahas highlighted the importance of innovation and entrepreneurship in India's changing job landscape.

National Conference on Neo-Colonialism: Representing Narratives, Realities and Responses

The Department of English in collaboration with the Department of English, St. Aloysius (Deemed to be University), Mangalore, organized a National Conference on 'Neocolonialism: Re-Presenting Narratives, Realities, and Responses' on November 8 and November 9, 2024. Fr. Dr. Augustine George, Principal, Kristu Jayanti College, highlighted the need to revive India's cultural heritage through the Indian Knowledge System. Rev. Dr. Praveen Martis, SJ, Vice Chancellor, St. Aloysius University, stressed relearning Indigenous Knowledge to reclaim identity in a globalized world. Keynote speakers included Dr. Nanda Kishor MS (Pondicherry Central University), Dr. Saugata Bhaduri (Jawaharlal Nehru University), and Dr. Payal Pal (LNM Institute of Information Technology). A panel discussion moderated by Dr. D. Suba Chandran (NIAS) explored neocolonialism's global and technological dimensions. With 249 participants and 23 paper presentation sessions, the conference offered critical insights into the ongoing relevance of neocolonialism.

Kristu Jayanti College Hosts Student Summit on 'Media Innovation'

The Department of Media Studies organized the Student Summit on Media Innovation on February 25, 2025, offering a vibrant platform for aspiring media entrepreneurs to present innovative ideas and explore industry trends. Mr. Mockbul Haque, General Manager, Advertisement Department, The Hindu, Bengaluru, served as Chief Guest who shared his inspiring journey and insights on the media industry's transition from traditional to digital platforms.

National Conference on Recent Trends in Pure and Applied Mathematics

The Department of Mathematics organized the National Conference on Recent Trends in Pure and Applied Mathematics, bringing together scholars and researchers from across India on January 30 and January 31, 2025. The conference was inaugurated by Dr. S. S. Meenakshi Sundaram, IAS (Retd.), former Secretary, Ministry of Rural Development and Disinvestment, Government of India, and Visiting Professor at NIAS, Bengaluru, along with Fr. Dr. Lijo P Thomas, Vice Principal, Kristu Jayanti College. The two-day event featured six technical sessions led by experts from institutions such as IIT Kanpur, NIT Trichy, IIIT Bangalore, Bangalore University, and Christ University. With over 60 participants from 15 states, the conference fostered rich discussions on emerging trends in mathematics.

IQAC at Kristu Jayanti College organises National Conference (I-Con 2025)

The Internal Quality Assurance Cell (IQAC) of Kristu Jayanti College, hosted the Two-day National Conference (I-Con 2025) on March 28 and March 29, 2025, themed Role of Higher Educational Institutions in Viksit Bharat 2047: Strategies, Opportunities, and Challenges. The event brought together academicians, researchers, and policymakers from 52 institutes across India to discuss higher education's role in national development. The conference began with an inaugural address by Prof. Y Narasimhulu, Director, HRDC, University of Hyderabad, who highlighted the critical role of higher education. Six keynote sessions featured speakers such as Dr. Ramesh C. Sharma (IGNOU), Dr. Vasant D. Bhat (RIE Mysore), Dr. Karisiddappa (VTU Belagavi), Prof. Sudhanshu Bhushan (NIEPA), and Prof. (Dr.) Jiju P Alex (Kerala Agricultural University). Eighty research papers were presented both online and offline, with 45 published in Springer Scopus Book Chapters and 55 in Conference Proceedings (ISBN). The valedictory session was led by Dr. Naveen Yeri, Senior VP, Wells Fargo, who spoke on the evolving roles of Artificial and human intelligence. I-Con 2025 emphasized innovation, skill development, and inclusivity in higher education, aligning with the vision of Viksit Bharat 2047, and set the stage for future academic and policy initiatives.

FRIENDS FIESTA

DEPARTMENT OF PROFESSIONAL ACCOUNTING AND FINANCE

ORGANISE **ALUMINI MEET – 2024**

The Department of Professional Accounting and Finance hosted a heartwarming Alumni Meet on August 30, 2024, bringing together the graduates of the 2016 and 2017 batches. The event was a celebration of lasting connections, where faculty and alumni came together in a spirit of camaraderie and nostalgia. Faculty members warmly welcomed the alumni, engaging in meaningful conversations that fostered a strong sense of belonging and community. The highlight of the event was the invaluable exchange of knowledge and experience. Alumni, now established in diverse professional fields, shared their career journeys and insights into their current roles, offering guidance and inspiration to the present students.

ALUMNI INTERACTION SERIES ON CAREER PATHWAY

The Department of Computer Science PG, hosted a workshop tailored for I MCA (A), I MCA(B) ,MSc CS ,MSc DS students focusing on "Career Pathway". Abhishek S , DC Software Quality Engineer Hashedin by Deloitte and Praveen M, Data Engineer COE Data Weave, served as the resource person for the event. The workshop aimed to offer students valuable insights into the career planning, job market trends, and effective strategies for professional development. The primary objective of the Career Pathway Workshop was to equip students with the essential knowledge and strategies needed to navigate and succeed in the diverse field of software development. The workshop focused on guiding attendees through the process of targeting specific career paths within the broad job market for computer science and software development professionals.

The workshop focused on guiding attendees through the process of targeting specific career paths within the broad job market for computer science and software development professionals.

ALUMNI EXPERT TALK ON RESEARCH CAREERS IN LIFE SCIENCES

Department of Life Sciences, Kristu Jayanti College organized alumni expert talk on 31st August, 2024 to the final year UG students of Biotechnology, Microbiology, Biochemistry and Botany. Alumna, Ms. Sylvia, Senior Researcher from Indian Institute of Sciences from Bengaluru addressed the particpants. Her experience and knowledge have provided valuable guidance for the UG students. Her focus on various aspects such as career opportunities, essential skills for success, and preparation for competitive exams like CSIR NET, GATE, IIT JAM, JGEEBILS, ICMR, and DBT would certainly help students navigate their future academic and professional paths. Additionally, her insights into the Ph.D. application process, including writing SOPs and projects, are crucial for those considering advanced studies.

ALUMNI EXPERT TALK ON TRANSITION FROM CAMPUS TO CORPORATE

The Centre for Competitive Examinations Training (CCET), in collaboration with the Department of English, hosted a program titled "From KJC to Central University: An Alumna's Success Story" on October 14, 2024. Led by Ms. Anagha Parvathy, an MA student at JNU, the session covered the CUET and other PG entrance exams, detailing participating universities, eligibility criteria, and exam formats. Ms. Parvathy shared her personal experiences and effective strategies for exam preparation, emphasizing goal setting, structured study schedules, and the importance of mock tests and current affairs.

ALUMNI TALK: "CHANGING CAREERS IN MEDIA: PROSPECTS AND CHALLENGES"

The Department of Media Studies at Kristu Jayanti College, Autonomous, Bengaluru, conducted an Alumni Talk on September 24, 2024, for the I Semester BA JMC students. Ms. Hamsaveni N, a digital content creator at The Times of India, Bengaluru, and an alumnus from the 2019–2022 BA JPEng batch of Kristu Jayanti College, spoke at the session, "Changing Careers in Media: Prospects and Challenges." Ms. Hamsaveni discussed her educational background, emphasizing how her undergraduate work at Kristu Jayanti College served as the basis for her subsequent journalism career. She stressed the importance of journalistic values throughout the discussion, particularly in reporting, editing, and the byline.

ALUMNI INTERACTION SERIES: CHALLENGES IN REPORTING

The Department of Media Studies at Kristu Jayanti College organised an interactive alumni talk on 24 September 2024 featuring Ms. Padmaja J. She was the recipient of the prestigious National Award for her exceptional article on Paralympic Swimmers. During the talk, she shared cherished insights from her professional experience giving important advice to aspiring media students. She emphasized the importance of being persistent, passionate, and attentive to detail in the fast-paced world of journalism. She also provided practical tips to the students on how to navigate the competitive landscape and also for the second-year mass communication students, she offered specific guidance on internship opportunities.

ALUMNI INTERACTION ON BREAKING BARRIERS – THE ROADMAP TO CRACKING CA EXAMS

A highly engaging and informative alumni motivational talk was successfully conducted for students pursuing CA, featuring CA Shivangam Sen, a distinguished alumnus from the 2018-2021 batch and currently Junior Financial Controller (Manager) at Fractal Analytics Limited, Mumbai. The session witnessed enthusiastic participation from students eager to gain insights into the CA profession.

CA Shivangam Sen shared his personal journey, highlighting challenges, achievements, and the importance of disciplined study habits, strategic planning, and consistent effort. He emphasized the need for conceptual clarity over rote learning and explained how articleship bridges the gap between academic knowledge and practical experience. He also stressed the value of networking and maintaining a healthy work-life balance for mental well-being.

ALUMNI INTERACTION SERIES ON ROLE OF SOCIAL WORKERS IN CORPORATE VOLUNTEERING & SOCIAL IMPACT

The Department of Social Work, Kristu Jayanti College, Autonomous, Bengaluru organises an Alumni Interaction Series on Role of Social Workers in Corporate Volunteering & Social Impact for II MSW students on 24th January 2025. The objective of the Interaction was to create understanding and insight to the fields of Social Work practices in Corporate and other areas of work. To provide an opportunity for the social work students to get an opportunity to practice the social and knowledge and skills. The resource person for the Alumni Interaction series session is an alumni of Social Work department of Kristu Jayanti College. The resource person Ms Nimisha Mathew is a student of Social Work department from 2020-2022 batch. Presently she is working as a senior Associate in Goodera, Bengaluru

ALUMNI SUCCESS SERIES

"World Environment Day: Our Land, Our Future"

The Centre for Environment and Sustainability, observed World Environment Day on June 5, 2024, with the global theme "Our Land. Our Future." The program focused on land restoration, combating desertification, and environmental sustainability while creating awareness on critical concerns such as climate change, pollution, deforestation, and biodiversity loss. To spread the message of environmental well-being, a visually engaging digital poster was displayed on campus, inspiring the community to take action for a greener tomorrow.

International Yoga Day: A Path to Inner Peace

The Department of Management and the Department of Law at Kristu Jayanti College (Autonomous) jointly celebrated International Yoga Day on June 21, 2024, with a guided session led by Ms. Geetanjali Pande from Atma Darshan Yogashram and demonstrator Mr. Nirapeksh. The program was inaugurated by Fr. Emmanuel P. J. and Dr. Gita P. C., emphasizing the role of yoga in fostering physical health, mental clarity, and inner balance. Students actively participated in breath control, gentle stretches, and mindfulness practices, appreciating the calmness and focus that the session brought.

Honouring Heroes: 25th Kargil Vijay Diwas

The 25th Kargil Vijay Diwas was observed at Kristu Jayanti College (Autonomous) with patriotic fervour. NCC cadets staged a skit, mime, and dance to honour the Kargil heroes, followed by the lighting of the Amar Jawan Jyoti. Rev. Fr. Dr. Augustine George, Principal, appreciated the efforts of the ANOs and cadets in paying tribute to the nation's martyrs.

Shaping Identities: Personal Branding Workshop on World Youth Day

The Department of Social Work, organized a workshop on Personal Branding for a Sustainable Future on August 12, 2024, to mark World Youth Day led by Mr. Venkat Kumaresan, Communication Coach. The session introduced self-introduction techniques, LinkedIn networking, and article writing, empowering students to build a sustainable professional identity.

United Against Ragging: Anti-Ragging Week

The Department of Computer Science (PG) marked Anti-Ragging Week from August 12 to August 17, 2024, with poster campaigns, classroom discussions, and a collective anti-ragging pledge. The initiative strengthened the college's stand against ragging and promoted a culture of respect and inclusivity.

World Youth Day Workshop on Personal Branding for Sustainable Future

The Department of Social Work organized a workshop on Personal Branding for a Sustainable Future on 12th August 2024, marking World Youth Day. Led by Mr. Venkat Kumaresan, Communication Coach, the workshop aimed to help students build a strong professional identity aligned with values like integrity and social impact. Mr. Kumaresan introduced techniques such as "Place Anchoring" and "Name Anchoring" for effective self-introduction in interviews. Emphasizing both soft skills and digital presence, the workshop offered valuable insights into self-presentation, minor interview errors, and long-term personal impact. It empowered students to create a meaningful and sustainable professional identity in their chosen field.

Wall of Freedom: A Media Tribute to India's Independence

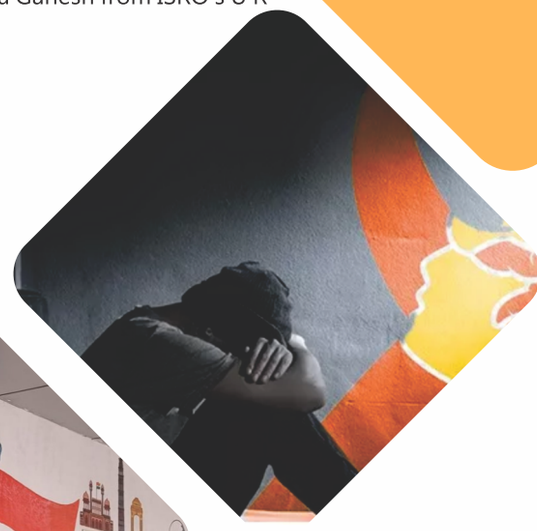

The Department of Media Studies and Journalism Club, organized "Wall of Freedom", an exhibition of historic newspaper reports marking India's Independence. Through curated stories and narrations, students highlighted the press's role in democracy and rekindled the spirit of India's freedom journey.

Exploring Frontiers: National Space Day

The Department of Physical Sciences, marked National Space Day on August 20-21, 2024, with visits to the Gauribidanur Radio Observatory and the Visvesvaraya Centre for Nanoscience and Technology, Muddenahalli, followed by an expert lecture by Mr. P. Vijaya Ganesh from ISRO's U R Rao Satellite Centre, Bengaluru, on India's Chandrayaan missions.

Clean Air, Clear Future: International Day of Clean Air for Blue Skies

Kristu Jayanti College (Autonomous) observed the International Day of Clean Air for Blue Skies on September 7, 2024, with a poster campaign by students, guided by faculty. The initiative emphasized green energy, emission-free urban planning, and preventive actions for better air quality and public health.

World Suicide Prevention Day: Change the Narratives and Start the Conversation

The Department of Social Work, observed World Suicide Prevention Day on September 10, 2024, with the theme "Change the Narratives and Start the Conversation." Students presented plays on issues such as academic stress, relationships, peer pressure, social media influence, and parental expectations, emphasizing the role of empathy and supportive relationships in preventing suicide.

Celebrating Democracy Through Art: International Day of Democracy

The Electoral Literacy Club (ELC), in collaboration with the Department of Political Science, organized a poster-making competition on September 15 and September 16, 2024, to mark the International Day of Democracy. Students from various departments submitted creative posters via Google Forms, highlighting democratic values and the role of citizens in strengthening democracy in modern India. The initiative encouraged awareness, participation, and reflection on the importance of democracy.

World Alzheimer's Day: Creating Awareness with Compassion

The Department of Social Work, observed World Alzheimer's Day on September 23, 2024, with an awareness program. Inaugurated by Prof. Gopakumar A.V. and Dr. Jonas Richard A., the event included poster presentations on symptoms, prevention, and caregiving strategies, followed by a role play depicting the emotional struggles of patients and families. The program highlighted the importance of early diagnosis, care, and empathy, encouraging students to support individuals affected by Alzheimer's and dementia.

Ancient Wisdom, Modern Wellness: National Ayurveda Day

The Department of Life Sciences and Kristu Jayanti Centre for Indian Knowledge System, in association with University of Trans-Disciplinary Health Sciences and Technology(TDU), celebrated National Ayurveda Day on October 19, 2024, with lectures and a health camp. Inaugurated by Vice Principal Fr. Dr. Lijo P. Thomas, the event featured Dr. Poornima D., Joint Medical Director, I-AIM, who highlighted Swasthavritta and holistic wellness, and Dr. Sanket Sharma from TDU, who spoke on managing nutritional anaemia through Ayurveda. The camp offered pulse diagnosis, Prakriti analysis, consultations, and Ayurvedic product stalls, engaging over 100 participants in promoting health and preventive care.

Hindi Bhasha Utsav: Celebrating Language & Heritage

The Department of Hindi, celebrated Hindi Divas as "Hindi Bhasha Utsav" on August 17, 2024, to promote the language and its cultural heritage. The Chief Guest, Dr. Manjunath N. Ambigh, Registrar (In-Charge), D.B.H.P. Sabha, Chennai, emphasized the relevance of Hindi in today's employment and social sciences. The event featured competitions, cultural programs, and the felicitation of winners, fostering pride and awareness of the richness of Hindi.

Let's Talk, Let's Heal: World Mental Health Day

The Department of Professional Management Studies, observed World Mental Health Day on October 10, 2024 with an expert session by alumna and Counselling Psychologist, Ms. Ramona M. She discussed stress, anxiety, and depression management, shared strategies for mental well-being, and engaged students in interactive exercises and a Q&A, promoting open dialogue on mental health.

International Climate Action Day: Inspiring Youth for a Sustainable Future

The Centre for Environment and Sustainability, observed International Climate Action Day on October 24, 2024, with an online essay competition. The initiative engaged students in presenting insights and innovative solutions to global climate challenges. The competition encouraged dialogue on sustainability and inspired youth to actively contribute to protecting the planet.

National Education Day: Honouring Azad's Vision for Learning

Kristu Jayanti School of Management, celebrated National Education Day on November 11, 2024, honoring Shri Maulana Abul Kalam Azad's vision of educational equity. MBA students discussed Azad's principles of equity, ethics, innovation, and entrepreneurship, highlighting inclusive growth and initiatives like Startup India and Skill India. The event included a video on Azad's legacy, an interactive quiz, and insights from Dr. Gita P. C. on education as a means to bridge societal gaps.

National Constitution Day: Upholding the Spirit of Democracy

Kristu Jayanti School of Management celebrated National Constitution Day on November 26, 2024. Hon'ble Justice Sri. Budihal R B delivered a keynote on the Constitution's history and key articles. The event featured a Q&A, panel discussion on Fundamental Rights and Duties, a debate on mandatory voting, a quiz, and interactive activities, deepening the understanding of democracy and civic responsibility.

Fostering Innovation: World Creativity and Innovation Day

The Department of Computer Science (PG) and Institution's Innovation Council celebrated World Creativity and Innovation Day on April 21, 2025, with a virtual session organized by AICTE and the Ministry of Education's Innovation Cell. Speakers Dr. T.G. Sitharam, Dr. Abhay Jere, and Dr. Sacha Vincent highlighted India's innovation landscape and the importance of intellectual property awareness, inspiring students and faculty to contribute to the innovation ecosystem.

National Energy Conservation Day: Promoting Sustainable Practices

Kristu Jayanti College (Autonomous) organized National Energy Conservation Day on December 16, 2024, to highlight the importance of energy efficiency and sustainable practices. An online awareness quiz for students and faculty focused on simple daily energy-saving tips. The initiative encouraged proactive behavior, reinforced the value of renewable energy, and inspired participants to contribute to environmental sustainability.

Democracy in Motion: National Voters Day

Kristu Jayanti College (Autonomous), led by the Electoral Literacy Club (ELC), celebrated National Voters Day with competitions on January 20, 2025 and a Mock Election on January 24, 2025. Students participated in poster, collage, and essay contests, followed by an interactive election simulation, gaining hands-on understanding of voting, civic duties, and democratic values.

Inkspired Impressions: International Writers' Day

Kristu Jayanti Writers' Association celebrated International Writers' Day from March 01 to March 09, 2025, with the online creative writing competition "Inkspired Impressions". Students showcased their talents through poetry and essay writing, with Tushara Gururaj and Aanya Singh winning the poetry and essay contests. The event encouraged creative expression and meaningful literary engagement among students.

Celebrating Women in Tech: International Women's Day 2025

The Departments of Computer Science (PG and UG) celebrated International Women's Day on March 8, 2025, with events by the PG Department, in collaboration with the Women's IT Society, hosted Ms. Harshitha D, Business Analysis Lead at JP Morgan Chase & Co., who spoke on women's empowerment in tech and inaugurated the Women's IT Society. Simultaneously, the UG Department held the Women in Tech Conclave, inaugurated by Rev. Fr. Dr. Augustine George. Dr. Meenakshi D'Souza, President, ACM India, delivered the keynote, followed by a panel discussion on inclusivity, challenges, and opportunities, inspiring students to pursue excellence and equity in technology.

Verses Without Boundaries: Celebrating World Poetry Day

Kristu Jayanti Writers' Association celebrated World Poetry Day from March 15 to March 31, 2025 with "Verses Without Boundaries," featuring two poetry competitions—"Echoes of the Future" and "Global Voices: A Poetry of Place". The event highlighted students' literary talents and fostered creativity and expressive storytelling.

Wings and Water: A Joint Celebration of World Water Day and World Bird Day

The Centre for Environment and Sustainability (CES) Club observed World Water Day alongside World Bird Day on April 25, 2025. Volunteers installed eco-friendly mud pots filled with water in the Medicinal Garden to support birds during the summer months. The initiative promoted urban biodiversity and reinforced the college's commitment to sustainability and environmental harmony.

KJC Quantum Club Launch: World Quantum Day

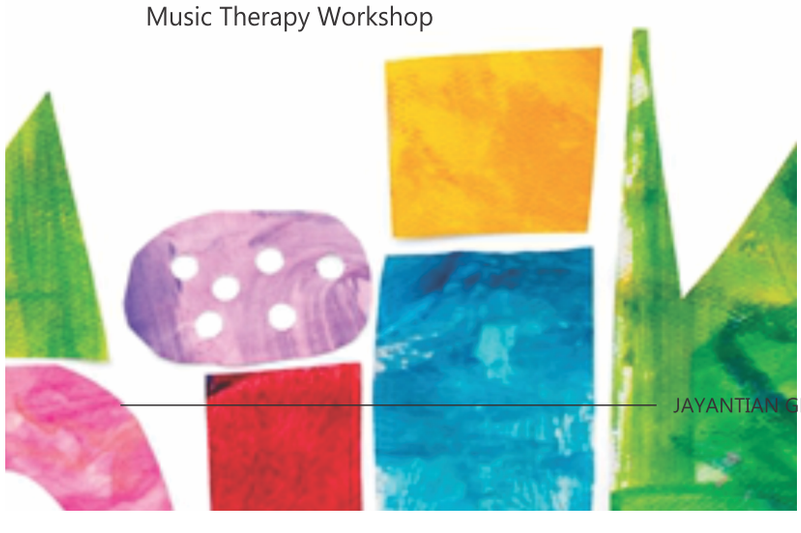

The Department of Computer Science (UG), inaugurated the KJC Quantum Club on April 22, 2025. Dr. Arish Pitchai delivered a keynote on quantum computing principles, including superposition, entanglement, and key algorithms. The club's logo, designed by Madhura Deeksha and Tania T M, was unveiled, and students were encouraged to explore IBM Quantum and Qiskit, fostering innovation and learning in quantum computing.

Green Screen Shot: World Earth Day

The Centre for Environment and Sustainability celebrated World Earth Day on April 22, 2025, with Green Screen Shot, an eco-themed short film competition. Students presented creative films on environmental challenges and sustainable solutions, combining storytelling with awareness. The event highlighted young filmmaking talent and promoted environmental responsibility.

Industry Trainer Mr. Kumar S led the workshop, providing an in-depth exploration of Python and Anaconda software. The workshop enhanced students' understanding of Python programming, Anaconda, and Jupyter Notebooks and developed basic data analysis and visualization skills. It emphasized the importance of continuous learning and adaptability in the finance industry, bridging the gap between academia and industry.

Workshop On Design Thinking

Department of Professional Accounting and Finance, Kristu Jayanti College (Autonomous) conducted a workshop on Design Thinking. The enlightening session was led by Dr. Rajeshwari Patil, Deputy Director of Balaji Institute of Technology & Management, SBUP, Pune. The workshop focused on the core principles of design thinking, emphasizing empathy, ideation, and prototyping as key elements in innovative problem-solving. The workshop provided valuable insights into user-centric design, fostering creativity and collaboration.

RPA Workshop

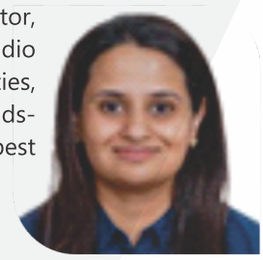

Department of Commerce organised a two-day workshop on Robotic Process Automation (RPA) using UiPath. The resource person was Mr. Rajneesh Khare, Junior Consultant - Automation Developer at WonderBotz. Day 1 covered RPA fundamentals, an introduction to UiPath, and its core components, UiPath Studio and Orchestrator, ending with a Q&A session. Day 2 included a UiPath Studio tour, demonstrations on message boxes, properties, variables, control flow, and data types, followed by hands-on exercises to build basic automation and understand best practices.

Workshop On Transformative Teaching Pedagogy For Blended Learning

Department of Commerce (UG) organised a workshop on Transformative Teaching Pedagogy for Blended Learning. The resource person for the workshop was Dr. R B Ayeswarya, who serves as the Dean of Student Affairs Shift II and an Assistant Professor in the Department of Commerce at Stella Maris College (Autonomous), Chennai, Tamil Nadu. The workshop saw active participation from 105 educators and professionals from various colleges. Dr. Ayeswarya shared her expertise on innovative, adaptable teaching methods for online and offline settings, emphasizing engaging pedagogical approaches for blended learning.

Aptitude Training Workshop

Department of Economics organised a three-day workshop titled "Aptitude Alchemists 2.0." Mr. Dennis Jose, Founder & Chief Trainer, DJ's Classes with his expertise in aptitude training, created a stimulating and interactive learning environment. The workshop covered various aptitude topics, including quantitative aptitude, logical reasoning, and verbal ability. Students were given ample practice exercises and opportunities to apply the concepts they learned.

Workshop On Seeing Sociologically

Department of Professional Accounting and Finance, Kristu Jayanti College (Autonomous) conducted a workshop on Design Thinking. The enlightening session was led by Dr. Rajeshwari Patil, Deputy Director of Balaji Institute of Technology & Management, SBUP, Pune. The workshop focused on the core principles of design thinking, emphasizing empathy, ideation, and prototyping as key elements in innovative problem-solving. The workshop provided valuable insights into user-centric design, fostering creativity and collaboration.

Vezeto 2024: Intracollegiate Management Workshop

Department of Commerce organised Vezeto 2024, a two-day domain-specific workshop series covering Business Analytics, Aviation, Tourism and Hospitality, Retail Management, Branding and Advertising, and International Business. The sessions featured industry experts including Mr. Kuberan Srihari Sonal Shandilya, CCO and Director at Schema Technologies Pvt. Ltd. Out of 452 student participants, 181 advanced to the second round, which included Business Maestro, a flagship event that tested students' business acumen through strategic simulations conducted in two levels.

Workshop On Goal Setting And Strategic Planning

The Centre for Soft Skills and Aptitude Training (CSSAT) and the Centre for Employability and Corporate Relations (CECR) organised a workshop titled "Focus on Goals" for final year BBA and BBA PMS students. The chief guest, Prof. Niranjana Vanalli, Vice Chancellor of Bengaluru North University, delivered a keynote on setting clear and attainable goals. The resource person, Mr. Jayaprakash Nagathihalli, a mentor, trainer, and author, conducted interactive sessions on personal goal setting and strategic planning. The workshop enhanced students' focus, decision-making skills, and motivation for career and academic advancement.

Workshop On Subtitling

The Centre for Employability and Corporate Relations, in collaboration with the Department of Media Studies, organised a two-day workshop conducted by Deluxe Entertainment as part of their university outreach programme. The first day focused on the theoretical aspects of localization, subtitling, quality control, syntax, and segmentation. On the second day, students applied these concepts by editing subtitles for videos in the Administrative Block Computer Lab. The trainers provided constructive feedback on each student's practical work, enhancing their understanding and application of the skills learned.

Workshop On Blood Stain Pattern Analysis

Department of Forensic Science organised a workshop on Blood Stain Pattern Analysis for MSc Forensic Science students. The resource person was Mr. Krushna Sonawane, Head of the Department and Assistant Professor at GTN Arts College, Dindigul. The session covered theoretical foundations and principles of bloodstain pattern analysis, followed by hands-on training that allowed students to apply their knowledge in practical scenarios. The workshop provided an engaging learning experience, equipping students with essential skills for their future forensic careers.

Workshop On Drama Therapy

Department of Psychology organised a workshop on Drama Therapy, led by Ms. Deepika Murthy, Founder and Alternative Therapist at Alp-Viram, for postgraduate students. It began with a trust-building warm-up activity, followed by a theoretical session on drama therapy principles. The highlight was a guided role-play that demonstrated how drama therapy facilitates emotional expression in a safe environment. The session provided students with a therapeutic and educational experience, deepening their understanding of alternative psychotherapeutic methods and the effectiveness of drama therapy for clients struggling to articulate emotions.

Workshop on Data Science and Analytics

Department of Computer Science organised a workshop titled "The Story of Data: From Counting to Intelligence" featuring Mr. Srinivas Bhogle, Honorary Scientist at CSIR Fourth Paradigm Institute, India. The session traced the evolution of data from early manual methods to modern AI-driven decision-making, highlighting the transformative impact of data science across industries. Participants explored foundational concepts of machine learning on AWS, data visualization with Tableau, API and MongoDB for data collection, and dashboard creation using Power BI. The workshop emphasized practical skills in implementing ML pipelines, interactive dashboards, and real-time data workflows, preparing students for advanced data analytics roles.

Workshop Report on Aviation and Airlines Operating System

Department of Professional Management Studies organised a two-day workshop on Aviation and Airlines Operating System for final-year BBA students specializing in Aviation and Tourism & Hospitality Management. The resource person was Mr. Abhishek Avala, Senior Product Training Specialist at Sabre Corporation, Bengaluru. Day one covered key airline systems such as Global Distribution Systems (GDS), Passenger Service Systems (PSS), Sabre, Customer Pricing Agreements (CPA), Passenger Name Records (PNR), and Departure Control Systems (DCS). Day two focused on Air Cargo Management, Material Safety Data Sheet (MSDS), and Load Management Systems. The workshop enhanced students' practical knowledge and industry readiness for aviation careers.

Workshop On Outcome Based Education Using Subject Specific Benchmarking

Internal Quality Assurance Cell (IQAC) organised a two-day workshop on Outcome-Based Education (OBE) using Subject-Specific Benchmarking. The Keynote Address was delivered by Prof. Ved Prakash, Former Chairman of the University Grants Commission (UGC), who emphasised the importance of Outcome-Based Education in ensuring that academic programs meet industry standards and equip students with essential skills. The second day began with a session on E-Content Preparation Tools and Techniques and Assessment Tools by Prof. Vimal Rarh, Professor, Department of Chemistry, SGTB Khalsa College.

Workshop On Climate EducationAnd Youth Engagement For Sustainable Action

Department of Political Science conducted a workshop titled "Educating Youth for Climate Action", featuring Dr. A. Srinivasacharlu, Faculty, Department of Education, Sri Sarvagna College of Education, Vijayanagar, Bengaluru, as the resource person. With over 30 years of teaching and research experience, Dr. Srinivasacharlu aimed to raise awareness about climate issues and foster environmental responsibility among youth. The session began with an engaging quiz on nature's symbolism, followed by a survey assessing participants' climate change awareness. The workshop emphasized the roles of IPCC, WMO, UNEP, and CEE in climate mitigation and recommended water-efficient C4 plants and eco-friendly alternatives to reduce fossil fuel emissions.

Workshop On Publishing Poetry

Writers' Association organised a one-day workshop titled "Poetry: From Ideation, Visualization, and Composition to Publication." Dr. R. Abilash Chandran, Assistant Professor, Department of English and Cultural Studies, Christ (Deemed to be University), Bengaluru, served as the resource person. He highlighted poetry's diverse purposes - self-expression, beauty, teaching, and entertainment, and conducted a hands-on session to guide students in crafting effective poems. Through reading and discussing professional works, students explored poetic techniques and the elements that create impactful poetry. The workshop saw participation from students across various deaneries of Kristu Jayanti College, offering a rich, creative, and insightful experience.

Workshop On Traditional Spinning And Gandhian Values

Department of Political Science organised a workshop titled "Why Spin" in collaboration with Let's Spin Organization to commemorate Gandhi Jayanti. The resource person was Ms. Meenakshi and her team from Let's Spin. The workshop focused on the traditional art of spinning using the charkha, symbolizing self-reliance and sustainability as promoted by Mahatma Gandhi. Participants received hands-on training in cotton spinning and learned about the cultural and historical significance of the charkha. The session fostered appreciation for Indian heritage, artisanal skills, and the Gandhian values of self-sufficiency and sustainable living.

Workshop On Psychological First Aid For Crisis Response

Department of Psychology organised a workshop on 'Empowering Compassion: Psychological First Aid for Crisis Response' for III Semester MSc Psychology students. Renowned Consultant Psychologist, Ms. Ambika Avadam from Swasthmind and Manonetra, led the workshop, equipping students with essential skills in crisis intervention and emotional support. Through interactive sessions and role-playing exercises, participants gained valuable insights into identifying signs of emotional distress and providing compassionate responses.

Theatre Workshop

Kristu Jayanti Theatre Club (KJTC) organised a one-day Theatre Training Workshop to enhance students' skills in acting, voice modulation, expression, and stage confidence. Led by Mr. Sebastian J, senior Theatre Artist, and Mr. Bharath, experienced Theatre Instructor, the session offered practical training through interactive exercises and performance techniques. The workshop provided a strong foundation in theatre, boosting students' confidence and creativity. Positive feedback from participants reflected a keen interest in future sessions, highlighting the workshop's success in meeting its objectives and fostering enthusiasm for continued theatre education.

Workshop On Family Intervention Assessments

Department of Psychology organised a workshop on Family Intervention Assessments for III MSc Clinical Psychology students, led by Dr. Shobita Shanthakumari, Principal, Global School of Counselling, Bengaluru. The session covered family structures, genograms, and structural maps, highlighting the role of systems and subsystems in assessments. Students explored non-verbal cues, paradoxical communication, and circular questioning techniques. The workshop provided valuable insights and skills, enriching students' understanding of family dynamics in clinical settings.

Workshop On Dance And Movement Therapy

Department of Psychology organised a workshop on Dance and Movement Therapy, led by Dr. Diana Tholoor, a corporate trainer, dancer, and movement therapist. Attended by 68 postgraduate students, the session highlighted the therapeutic potential of dance for diverse populations, including the elderly and children with special needs. Dr. Tholoor emphasized key instructor qualities such as confidence and expressive gestures. Students engaged in rhythm-based activities and group presentations focused on therapeutic concepts, target populations, and tailored dance routines. The workshop blended theory and practice, offering valuable insights into emotional expression, motor function, and the role of self-confidence in therapy.

Workshop On Transcendental Meditation

Department of Psychology organised a workshop on "The Psychology of Meditation and Practice" for M.Sc. Clinical Psychology students. Dr. Gopukumar Kumarpillai, Consultant Neuropsychologist at Bangalore Neuro Centre, led the session, emphasizing meditation's evidence-based benefits on stress, anxiety, and depression. He discussed meditation's roots in spiritual traditions and introduced techniques such as mindfulness, concentration, and Pranayama, highlighting their impact on brain activity and emotional regulation. The session provided valuable tools for integrating meditation into psychological practice, enhancing students' clinical understanding.

Workshop On Virtual Autopsy

Department of Forensic Science organised a workshop on "Virtual Autopsy" for postgraduate students to explore advanced tools in forensic investigations. Dr. Hemanth Naik, Chief Medical Officer, Virtual Autopsy Solutions (UK & India), introduced the principles and applications of virtual autopsy, highlighting its advantages over traditional methods. Mr. Mayank Raiborde, Assistant Professor, Kristu Jayanti College, discussed its relevance in India with practical examples and case studies. Ms. Riya Ghosh, a fifth-semester student, concluded with a reflection on the key learnings. The workshop effectively blended expert insights and student perspectives, offering a deeper understanding of virtual autopsy in modern forensic practice.

Mastering Tally: A Five- Day Workshop For Mba Students

School of Management conducted a five-day workshop on Tally for 1st trimester MBA students. The sessions were led by Mr. Shreyas S Babu and Mr. Vignesh A, Business Development Managers at Edify Institute. The workshop covered both theoretical and practical aspects of Tally, including company creation, ledger management, inventory control, voucher handling, and report generation. Students engaged in hands-on exercises to reinforce learning and improve efficiency with shortcuts. The program concluded with a quiz evaluation, equipping students with essential accounting and inventory management skills for their future careers.

Theatre Workshop

Kannada Literary Club (KLC) organised a two-day Theatre Workshop led by renowned artist Mr. Ramakrishna Beltur. The workshop introduced participants to theater fundamentals and creative expression through warm-up activities and icebreakers. Students explored Navarasa, the nine emotions of Indian theater, via interactive games. Practical sessions included creating face masks with paper and plaster of Paris, fostering creativity and teamwork. Activities such as improvisation, role-playing, and storytelling helped build acting skills for the participants.

Workshop On Script Writing

Writers' Association organised a workshop on Script Writing. Dr. David Wesley M, Assistant Professor of English (Aided) at Madras Christian College (Autonomous), Tambaram, Chennai, Tamil Nadu, led the session, sharing expert insights on the fundamentals and techniques of crafting scripts for various media. Dr. Wesley's practical approach, enriched with real-world examples, provided a valuable platform for budding writers.

Synergy 2025: A Workshop Series

Anchors' Association organised the workshop series titled "Synergy 2025." Mr. Mebin Cherian, renowned speaker and professional anchor, led the session focusing on public speaking essentials, voice modulation, and stage presence. He emphasized practice, preparation, and confidence for impactful delivery. Participants practiced anchoring scripts and received constructive feedback.

Workshop On Hindi Translation

Department of Hindi organised a two-day workshop on "Hindi to Kannada Translation: Jnana Peetha Sahityikaron ka Anuvad". The workshop focused on bridging linguistic and cultural nuances between Hindi and Kannada, enhancing participants' translation skills. Dr. Sreedhara introduced the fundamentals of translation, while Dr. Tavanappa Rayappa Jodatti addressed common translation errors and strategies to avoid them. Mythili P. Rao, Advisory Member, Rashtriya Chetana Shodh Patrika, discussed narrative techniques and their cultural relevance. Dr. Rajeshwari highlighted the significance of translation in global understanding, providing valuable insights into its evolving role in society.

Workshop On Influencer Marketing

Department of Professional Management Studies, in collaboration with Miles SoBA, organised a workshop on Influencer Marketing at Miles Stadium, Koramangala. Mr. Bibin George Varghese, Product Strategist and Academician at Miles SoBA, led the session, covering key aspects of influencer marketing including influencer identification, social media strategies, campaign creation, and analytics. Through case studies, hands-on activities, and discussions, students gained practical insights into crafting authentic brand narratives and effective influencer collaborations.

Workshop On Public Speaking

Department of Professional Management Studies, in collaboration with Miles SoBA, organised a Public Speaking Workshop. Mr. John Fernandes, Head of Strategic and Experiential Learning at Miles SoBA, led the session, sharing key insights on effective public speaking. The workshop focused on building communication skills, confidence, voice modulation, body language, and speech structuring through interactive activities and practical exercises.

Workshop on Autobiography

Department of Professional Management Studies, in collaboration with Miles SoBA, organised a workshop titled "Autobiography – The Future Edition." The session encouraged students to envision their personal and professional futures through autobiographical storytelling, focusing on self-reflection, goal setting, and creative expression. Through interactive discussions and exercises, participants gained insights into personal branding and long-term planning.

Workshop on Effective Utilisation of J Gate for Learning, Teaching, Research, and Project Work

Department of Social Work in collaboration with the Library Resource Usage Optimization Committee, organised a workshop on Effective Utilization of J-Gate for Learning, Teaching, Research and Project Work. Mr. Ratish Iyer, Training and Business Development Manager at Informatics Publishing Ltd., served as the resource person and provided a comprehensive overview of J-Gate, the world's largest discovery platform for e-journals. He explained its relevance in research and academic work, distinguishing scholarly journals from magazines and addressing challenges researchers face.

Workshop on Geographic Information System (GIS)

Department of Forensic Science and the Department of Life Science in collaboration with Avakaza Geoscience Research Technologies, Bengaluru, organised a workshop on Geographic Information System (GIS). The session highlighted the relevance of GIS in forensic investigations and life sciences, covering crime mapping, suspect tracking, accident analysis, and forensic taphonomy. Experts from Avakaza demonstrated real-world applications of geospatial data, hotspot analysis, and predictive policing. The workshop featured interactive case discussions, insights into spatial technologies, and career opportunities in geospatial forensics.

Workshop on Stress Management

Department of Professional Management Studies in collaboration with Deccan Herald, organised a workshop on Stress Management for second-year BBA students. The session was facilitated by Dr. Mallikarjuna K. H, an expert in productivity and wellness, who emphasized the impact of stress on mental and physical health. The interactive workshop included practical exercises and discussions on time management, emotional resilience, and healthy lifestyle habits, equipping participants with tools to enhance well-being and maintain a balanced lifestyle.

Workshop on Psychological Well-Being

Department of Psychology organised a workshop on Psychological Well-Being. The session was facilitated by Dr. Soumya Jacob P, Assistant Professor, Department of Psychology, Christ University, Bangalore. Dr. Soumya led insightful discussions on enhancing mental health and overall well-being, integrating practical activities such as guided imagery, interactive puzzles, and videos. The workshop provided a rich, experiential learning environment, equipping participants with tools to foster self-awareness and stress management in their personal and professional lives.

Workshop on Time Management

Department of Professional Management Studies, in collaboration with Deccan Herald, successfully organised a workshop on Time Management. The session aimed to equip participants with essential time management skills to enhance productivity, reduce stress, and improve overall efficiency. The workshop featured practical exercises, enabling students to apply strategies to their daily routines.

Workshop on Branding and Advertising

Department of Professional Management Studies successfully organised a workshop titled "Sales Day: Branding and Advertising" at Miles Stadium, Mantri Avenue, Koramangala. The session featured Mr. Bibin George Varghese, Product Strategist and Academician at Miles SoBA, who shared valuable insights on public speaking and effective brand communication. The workshop proved to be an enriching experience, enhancing students' confidence and preparing them to navigate the dynamic landscape of branding and advertising.

Workshop on Energy Healing

Department of Psychology organised a workshop on Energy Healing. Ms. Deepika Murthy, Founder of Alp-Viraam and alternative psychotherapist, led the session, blending scientific theory with practical healing techniques. Topics included chakras, aura layers, meridians, and energy imbalances. Hands-on activities like Reiki, grounding techniques, and palm chakra exercises provided valuable insights into the science behind energy healing and its practical applications in mental health and wellness.

Workshop on Stress Management

Department of Political Science organised a workshop on "Mindfulness for Stress Management." Led by experts from Ananda Marga Gorukula - Avadhutika Ananda Anupama Acharya, Reetu Singh, and Pranab Kumar, the session emphasized self-realization, physical health, and mental clarity through practical exercises. Students learned about sentient food habits, superfoods, and practiced Asanas, Kaoshikii, and Tandava Dance. The workshop equipped students with effective mindfulness and stress management tools, empowering them to enhance their well-being and personal growth in daily life.

One-Day National workshop on ICT for Hindi & Indian Languages

Department of Hindi conducted a one-day National Workshop on "Information and Communication Technology for Hindi & Indian Languages and Career Opportunities." The workshop aimed to familiarize students from diverse linguistic backgrounds with the role of ICT in education, multilingual computing, and career prospects in Hindi and Indian languages. It focused on enhancing skills for teaching, learning, and career development, while raising awareness about opportunities in language, linguistics, literature, and related fields.

Workshop on Statistical Tools in Research

Department of Forensic Science conducted a workshop on Statistical Tools in Research. Led by Mr. Mebin Wilson Thomas, Assistant Professor at Jain (Deemed-to-be University), Bangalore, the session provided M.Sc. Forensic Science students hands-on training in Jamovi. The workshop covered key topics including Jamovi introduction, coding, and data analysis, focusing on statistical techniques like hypothesis testing and regression analysis, enhancing their research skills.

Workshop & Panel Discussion on Negotiating Caste: Realities, Gender and Affirmative Action

Department of Sociology organised a Workshop and Panel Discussion titled "Negotiating Caste: Everyday Realities, Gendered Experiences and Affirmative Action." Resource persons Dinu Veyil, founder of NGO DHISHA, and Dr. Lekshmi Chandran C.P., Assistant Professor at SRM University, facilitated activity-based sessions. The event engaged students in critical discussions on caste, gender, and affirmative action, fostering experiential learning and deeper understanding.

Two Day Gender Sensitization Workshop On Gender Diversity: Perspectives And Strategies For Social Work Practice

Department of Social Work organised a two-day Gender Sensitization Workshop titled "Gender Diversity: Perspectives and Strategies for Social Work Practice." Facilitated by Ms. Mercy Kappen and Ms. Asha from Visthar, the workshop focused on gender diversity, equity, and discrimination using interactive methods like role plays and quizzes. The second day, led by Mr. David Selvaraj, used Theatre of the Oppressed to explore gender-based violence and systemic oppression. The workshop empowered students with knowledge and practical tools to promote gender equity in social work.

Music Therapy Workshop

Department of Psychology organised a Music Therapy workshop. Conducted by Mr. Kamal Singh, Clinical Music Therapist, the session introduced the therapeutic use of music for non-verbal communication and emotional healing. Through experiential activities and case discussions, the participants explored music's role in supporting emotional expression, building relationships, and aiding psychological well-being.

Seminar on Advanced Threat Intelligence

Seminar on Cyber Security Fundamentals: Protecting Digital Assets

The Department of Computer Science (PG), Kristu Jayanti College, conducted a seminar on "Cyber Security Fundamentals: Protecting Digital Assets", led by Mr. Varun Govind B., SOC Analyst at TCS, Bangalore. The session provided students with essential knowledge on the CIA triad, data breaches, and threat intelligence.

Seminar on Demystifying AI for Image Recognition

The Department of Computer Science (PG), conducted a seminar on "Demystifying AI for Image Recognition", led by Mr. Benson Benadict, Solution Architect at Ivy Mobility Pvt. Ltd., Bengaluru. The session offered valuable insights into AI applications in image recognition across various industries.

Sessions on Revisiting Global Standards of Social Work Education

The Department of Social Work, conducted a session on "Revisiting Global Standards of Social Work Education" on July 24, 2024, as part of Shubharambh for II year MSW students. Dr. Bijayalaxmi Sahoo introduced the theme, followed by discourses from Dr. Jonas Richard A and Dr. Winnie Joyce A, who briefed students on departmental conduct, academic goals, and key skills for capacity building.

Session on Civic Responsibilities

The Department of Life Sciences, conducted a session on "Civic Responsibilities" on August 5, 2024, for final-year UG students (BSc MBGE, BTGE, BTBO, and BTBC). Led by Prof. Mahesh S. Betasur, Assistant Professor, Kristu Jayanti College of Law, the session aimed to instil awareness of civic duties and promote active citizenship. Key topics included the importance of voting, adherence to laws, community engagement, and the role of education in building informed citizens.

Seminar on Psychology as an Applied Science

The Department of Psychology conducted a seminar on "Psychology as an Applied Science" on August 12, 2024, for I B.Sc. Psychology students. Ms. Rasika Godbole, Consultant Psychologist at Mind Calm Centre, explained key research methods and illustrated real-world applications through clinical examples and a case study that helped students connect theory to practice and sparked interest in applied psychology.

Role of Quantum Computing in Big Data

The Department of Computer Science (PG) organized a technical session on the "Role of Quantum Computing" in Big Data on August 27, 2024. The session covered quantum mechanics basics, key algorithms like Grover's and Shor's, and their applications in finance, medicine, and cybersecurity. Ethical considerations, hardware challenges, and the future of big data analytics with quantum technology were also discussed.

Cyber Smart 2024, A Seminar on Cyber Security and Ethical Hacking

The Department of Computer Science, in collaboration with Techbyheart, organized "CyberSmart 2024", highlighting the importance of cybersecurity in the digital era on August 19, 2024. The event was inaugurated by Smt. Malashree M V, IRS, and Mr. Sreenath Gopinath, who emphasized the growing relevance of cyber safety. Guest speakers Mohammed Shafeek and Mohammed Rasel delivered a dynamic session on cybersecurity and ethical hacking, featuring live demonstrations of real-world cyber threats.

International Webinar on Alternative Psychotherapy and Health

The Department of Psychology organized an International webinar on "Alternative Psychotherapy and Health" on August 29, 2024, featuring Dr. Kellie N. Kirksey, Founder & Chief Wellness Officer at Creative Wellness Solutions, USA. The session covered the history of alternative psychotherapy, cross-cultural influences, and demonstrated intervention techniques from holistic psychotherapy.

Insightful Session on Generative AI: Trends, Applications, and Ethical Considerations

The Department of Computer Science (PG) organized a session on "Generative AI: Trends, Applications, and Ethical Considerations" on August 31, 2024, for first-year students. Dr. Saigeetha Jagannathan introduced foundational AI technologies, recent advancements like transformer models, and applications across industries such as healthcare and finance. She also addressed ethical issues like bias and privacy.

ROS in a Nut Shell : Robotics Made Simple

The Department of Computer Science (PG) organized a technical session on "ROS in a Nutshell: Robotics Made Simple" on August 31, 2024. The session introduced the Robot Operating System (ROS), covering its modular framework, communication via topics and services, and tools like Gazebo and RViz. Hands-on exercises demonstrated robot control, autonomous navigation, and multi-robot coordination, equipping participants to apply ROS in real-world robotics.

Webinar on Application of Social Psychology in Current Scenarios

The Department of Psychology hosted an international webinar on "Application of Social Psychology in Current Scenarios" on September 10, 2024, for final-year BA Psychology and English students. Dr. Chinchu C from Pondicherry University discussed key research concepts, social psychology's societal impact, and the gap between research and policy application. The session included a student discussion on why research often doesn't influence policies.

Soft Skills Training Session on Resume Building

The Centre for Soft Skills & Aptitude Training (CSSAT), Kristu Jayanti College, organized a seminar on "Soft Skills Training Session on Resume Building" for final year BCA students on September 11, 2024. Mr. Bijin Philip guided the students on effective resume writing, covering resume formats, key components, and tailoring resumes to job descriptions. Interactive activities allowed participants to draft and revise resumes with feedback from peers and facilitators.

Soft Skills Training Session on Goal Setting

The Centre for Soft Skills & Aptitude Training (CSSAT), Kristu Jayanti College, held a seminar on "Goal Setting" for second-year BBA students on September 13, 2024. Mr. Manjunath S, Assistant Professor, Department of Management(UG) guided students on setting short and long-term goals, recognizing strengths and weaknesses, and improving communication skills.

Soft Skills Training Session on Time Optimization

The Centre for Soft Skills & Aptitude Training (CSSAT), Kristu Jayanti College, organized a seminar on "Time Optimization" for second-year BBA students on 13th September 2023. Dr. Leelavathi R, Assistant Professor, Department of Management(UG), led the session. Key topics included goal setting, prioritizing tasks, avoiding distractions, and reducing procrastination.

Mastering the Foundation: A Roadmap to Build Your AI and ML Skills

The Department of Computer Science (PG) organized a session on "Mastering the Foundation: A Roadmap to Build Your AI and ML Skills" led by Mr. Shivam Chhirolya on September 21, 2024, which provided a solid foundation in AI and ML. He emphasized essential mathematical concepts like linear algebra, probability, and statistics to understanding complex ML models. The session highlighted the importance of a strong mathematical base and demonstrated its application in real-world AI/ML projects.

Soft Skills Training Session on Innovation Mantra

The Centre for Soft Skills & Aptitude Training (CSSAT), Kristu Jayanti College, organized a seminar on "Innovation Mantra" for the second year students of Computational Studies on September 3, 2024. Dr. Nidhi Raj Gupta led the session, focusing on enhancing critical thinking, collaboration, and communication skills essential for innovation and emphasized problem-solving from multiple perspectives, teamwork, and adaptability as key to generating creative solutions.

Seminar on Innovation to Incubation

The Department of Computer Science(UG) held a seminar on October 26, 2024, led by Dr. D. Ravindran and Mr. Ramanathan G, highlighting innovation, entrepreneurship, and the incubation center's role. Student projects like NASA submissions, Smart India Hackathon, and startups were showcased.

National Seminar on Reviving the Indian Knowledge System: Integrating Ancient Wisdom with Contemporary Practices

The Department of English at Kristu Jayanti College hosted a national seminar on October 25, 2024, titled "Reviving the Indian Knowledge System". The event brought together experts to discuss integrating India's ancient wisdom with modern practices. Key speakers highlighted the Vedic roots of Indian knowledge and its relevance today, with Padmashri Dr. Sharada Srinivasan illustrating India's cultural and technological heritage. The seminar emphasized preserving and incorporating traditional knowledge into contemporary education and society.

Seminar on Problem Solving and Ideation

The Department of Computer Science held a seminar on "Problem Solving and ideation" on October 26, 2024, led by Dr. Muruganantham A for first-year BCA students. The session covered innovation, entrepreneurship, and the role of the incubation center, highlighting student achievements like NASA projects and the Smart India Hackathon. Support for startups and notable projects such as KJC Sarva Vikas were discussed.

Enterprise Generative AI at Scale

The Department of Computer Science hosted a seminar on "Enterprise Generative AI at Scale" on October 26, 2024. Mr. Sachin Haribhau Mudholkar, CoE Squad Leader for Generative AI at IBM Bangalore discussed scaling generative AI in enterprises, key use cases, deployment challenges, and best practices, stressing collaboration and strategic planning for successful AI integration.

BNI Billionaires – Career Talk

The School of Management at Kristu Jayanti College hosted the second edition of BNI Billionaires Career Talks on October 26, 2024. Industry leaders, including Sherly Christy and BNI Bangalore South East's founder, shared insights on networking, skill development, and corporate readiness. Highlights included personal branding tips from Ms. Rajathi Subramaniam and advice on aligning personal values with workplaces.

Soft Skills Training Session on Procrastination

The Department of Professional Management Studies held a session on November 6, 2024, for first-year students of Aviation, International Business, and Branding streams, focusing on the importance of soft skills in managing procrastination. Dr. Nidhi Raj Gupta explained common triggers and effects of procrastination, offering practical strategies like time management, self-discipline, resilience, and knowing when to say 'No' or 'Yes.'

Seminar on Entrepreneurship and Innovation as Career Opportunity

The PG Department of Commerce, in collaboration with the English and Economics departments, organized a seminar on November 12, 2024, for first-year students. Dr. Muruganantham from the Kristu Jayanti Incubation Center (KJIC) presented an insightful session on the center's mission and activities and also discussed how the incubation cells support student entrepreneurship, shared success stories of alumni, and highlighted the financial and moral support provided by the college to foster innovation and growth.

Webinar on Application of Social Psychology in Current Scenarios

The Department of Psychology organized an international webinar on "Application of Social Psychology in Current Scenarios" on September 10, 2024, for the final-year BA Psychology and English students. Dr. Chinchu C, Assistant Professor, Centre for Women's Studies, Pondicherry University, discussed key research concepts in psychology and their real-world relevance.

Seminar on Navigating the Cybersecurity Landscape

The Department of Computer Science (PG) at Kristu Jayanti College, Bengaluru, in collaboration with IEEE Bangalore Section, organized a seminar titled "Navigating the Cybersecurity Landscape" on January 18, 2025. The session, led by Mr. Balakrishna MS, Co-founder and CTO of Finpro Technologies, offered valuable insights into the evolving cybersecurity field, highlighting key challenges and strategies to manage digital risks.

Seminar on Trends in AI: Bulletproof Your Career

The Department of Computer Science (PG) conducted a seminar titled “Trends in AI: Bulletproof Your Career” on January 25, 2025. Dr. Srinivas, CTO of Rendus Technologies and Sherpavector Consulting, Bangalore, presented the session, discussing the latest AI technologies, industry advancements, and strategies to build a successful career in the fast-evolving field of artificial intelligence.

National Seminar on Technology in Social Work Practice

The Department of Social Work, Kristu Jayanti College, organized a National Seminar on Technology in Social Work Practice on January 11, 2025. The seminar aimed to highlight the use of technology, including AI and digital platforms, in enhancing social work services. Inaugurated by Fr. Dr. Augustine George and Mr. Adarsh Natarajan, the sessions featured experts like Mr. Chethan Elvis Das on community development, Ms. Ashwini Tadpatriker on responsible social media use, Dr. Sushmitha Ananda Murthy and Ms. Sahithya on tele-counselling, and Mr. Muhammed Noorudheen on suicide prevention through technology.

Student Led Seminar on Mental health of Students: Concerns & Solutions

The Department of Social Work at Kristu Jayanti College, Bengaluru, organized a student-led seminar on “Mental Health of Students: Concerns and Solutions” to raise awareness and promote open discussions on January 27, 2025. Second-year MSW students presented on stress management, healthy lifestyle habits, peer support, and the importance of counselling services. Experts highlighted key issues like academic pressure, anxiety, and depression.

SEMINARS

National Seminar on Psychological Perspective of Viksit Bharat 2047

The Department of Psychology organized a National Seminar on 'Psychological Perspectives of Viksit Bharat 2047' on November 7, 2024. Prof. Girishwar Misra A, Former Vice Chancellor, Social Scientist and a Psychologist delivered the keynote address, highlighting psychology's role in wellness and resilience for India's progress. The seminar included six sessions covering topics such as social psychology's impact on national pride, psychology's influence on HR and corporate culture, resilience models, the importance of reskilling, psychology in national defense, and mental health advocacy.

Soft Skills Training Session on Role of Communication in Placement

Centre for Soft Skills & Aptitude Training, Kristu Jayanti College (Autonomous), organized a soft skills session on the Role of Communication in Placement on November 8, 2024 for final year B.Com students. The session emphasized the importance of effective communication in today's competitive job market, covering verbal, non-verbal, and written communication.

Kristu Jayanti College Hosts Exclusive Faculty Empowerment Session in Collaboration with NSE Academy and FMI, Canada

Kristu Jayanti College, in collaboration with NSE Academy and the Financial Modeling Institute (FMI), Canada, hosted a Faculty Empowerment Session on November 22, 2024, titled "The Transformative Impact of Financial Modeling in Finance and Accounting". Mr. Ian Schnoor, Executive Director of FMI, led the session, offering insights into integrating financial modeling into academics using practical tools and strategies. The event featured representatives from NSE Academy and FMI and concluded with a vote of thanks, reflecting the college's focus on industry-aligned education.

Student-Led Seminar on Our Rights, our Future, Right Now

The Department of Social Work, Kristu Jayanti College (Autonomous), Bengaluru, organized a student-led seminar on December 10, 2024, to mark Human Rights Day. Centered on the theme "Our Rights, Our Future, Right Now", the event highlighted the importance of human rights as a transformative force. Second-year MSW students presented on topics such as the history, relevance, and philosophical basis of human rights, along with the role of social workers in this field.

Interactive Session with Eminent Bureaucrats

Students from the Department of Political Science participated in an interactive session on February 21, 2025, organized by the Indian Institute of Public Administration at Dr. B R Ambedkar School of Economics University (BASE). Titled "Recent Advances in E-Governance for Citizen-Centric Governance," the session was inaugurated by Karnataka's Rural Development Minister, Priyank Kharge. Bureaucrats shared practical examples and comparative insights on e-governance models, highlighting successes, challenges, and opportunities for expansion.

One-Day National Seminar on Dakshin Bharth Me Hindi Bhasha ki Disha Aur Disha

The Department of Hindi, hosted a one-day national seminar on March 7, 2025, titled "Dakshin Bharat Mein Hindi Bhasha ki Dasha aur Disha". The event focused on the status of Hindi in South India, covering its role in education, employment, literature, and technology. Inaugurated by Prof. Pratibha Mudiliar with a keynote by Prof. Sandeep Ranbhirkar, the seminar featured four sessions and included 45 research paper presentations, with 12 by Kristu Jayanti students.

Seminar on Decoding Case Studies

The Department of Computer Science (PG), hosted a seminar on March 15, 2025, titled "Decoding Case Studies: Storytelling Insights for Business Intelligence." Mr. Kiran Kumar, Senior Data Analyst at GSPANN Technologies, discussed the role of storytelling in business intelligence and effective case study analysis. The session offered practical insights and was well-received by students.

National Seminar on Public Policy and Governance

The Department of Political Science organized a National Seminar on Public Policy and Governance on March 12, 2025. Sessions covered local governance, media's role in policy (by Dr. Srinivasan V. Ramani), ecological sustainability (by Dr. Rose Veera D'Souza), and inclusive policymaking (by Dr. Rinku Lamba). The seminar offered key insights into governance, sustainability, media, and diversity.

Seminar on Advances in AI and ML Landscape

The Neuronova Society of the Department of Computer Science (PG), organized a seminar on "Advances in AI and ML Landscape" on March 15, 2025. Mr. Abhijith Prakash from WiMate Technology Solutions shared insights on emerging trends, applications, and future prospects in AI and ML. Students actively participated, gaining exposure to industry developments and technological innovations.

Learn to Lead Interactive Session on Supply Chain Management

The School of Management at Kristu Jayanti College organized the "Learn to Lead" session on March 29, 2025, to equip first-year MBA students with leadership skills and business insights focused on supply chain management. Led by Mr. Senthivelan S, Head of Order Management at Human Mobile Devices, the session covered modern supply chain operations, IT integration, global trade challenges, finance, and Incoterms.

Seminar on Advanced Threat Intelligence

The Department of Computer Science (PG), with SentiNex - Cyber Security Society, organized a seminar on "Advanced Threat Intelligence" on March 18, 2025. Dr. Thomas Robinson L, Associate Professor, Department of Computer Science(PG) shared insights on the latest cyber threats, defense strategies, and AI's role in threat detection.

Delphia

The Department of English conducted its much-anticipated Intracollegiate Fest, Delphia 2024, a vibrant celebration of language, literature, and creativity. The fest, held on the college campus, attracted enthusiastic participation from students, fostering a lively atmosphere of intellectual engagement and artistic expression. The fest featured a series of competitions such as poetry recitation, creative writing, and dramatic performances, allowing students to showcase their literary flair. Delphia 2024 not only highlighted the diverse talents of participants but also reinforced the department's commitment to nurturing critical thinking and imaginative exploration.

Kaleidoscope

The Department of Professional Management Studies hosted Kaleidoscope 2024, an innovative Intra-Level Fest for first and second year BBA Professional Management students, organized by third-years. Centered on the theme "Mirrors of Mind," the fest featured creatively themed competitions across various management domains and attracted over 700 participants. A key highlight was Business Maestro, an individual event focused on leadership and strategic thinking, which drew 180 registrations. Held over multiple phases, the fest showcased student talent while fostering creativity, critical thinking, and professional growth.

Humantra

Humantra 2024, the much-anticipated Intracollegiate Fest by the Department of Social Sciences and Languages, was a vibrant celebration of creativity, collaboration, and interdisciplinary learning. The event was inaugurated by Dr. Kaveri Swami, setting an enthusiastic tone, and featured Mr. Manjunath Nayekar as the Chief Guest, whose inspiring address emphasized the fest's theme, "Antarvishay Aayaan: Interdisciplinary Dimensions." He urged students to transcend academic silos and adopt holistic approaches to problem-solving. The fest brought these ideals to life through a range of activities including quizzes, debates, role plays, and critical writing contests. A highlight was "Politics in Canvas," which combined art and political thought, reflecting the fest's innovative spirit.

Impulse

The Department of Commerce PG organized Impulse 2K24, an Intracollegiate Fest exclusively for first-year M.COM and M.COM FA students, designed to bridge academic learning with real-world application. Centered on the theme "Sattvam," symbolizing wisdom, knowledge, and self-realization, the fest featured competitive events across domains like auditing, tax advisory, financial analysis, fintech, investment banking, and teaching. These activities aimed to foster critical thinking, practical learning, and industry-specific skills. The event was graced by Chief Guest Mr. Jijoy Kuruvilla, IT Finance Analyst at Accenture, who shared valuable insights with the participants. Impulse 2K24 celebrated the students' journey toward becoming industry-ready professionals, encouraging excellence and professional growth.

Acumen

The Department of Management successfully hosted ACUMEN 2024, the Annual Management Fest themed "The Maverick," drawing inspiration from chess to emphasize strategy, foresight, and tactical decision-making. With over 820 first and second year BBA students participating, the fest featured competitions in Marketing, Finance, Human Resources, and the flagship Best Manager event. Each activity mirrored the strategic nuances of a chess game, challenging participants with real-world business scenarios that demanded creativity, leadership, and critical thinking. ACUMEN 2024 stood out for its innovative concept and seamless execution, reinforcing the college's dedication to experiential learning and the development of future business leaders.

Atrium

The Forensic Science Club organized Atrium 2024, an Intracollegiate Fest for first and second year undergraduate Forensic Science students. The fest was inaugurated by Chief Guest Mr. Senthil Kumar C.S., Founder and COO of Pro Axis Solutions, who encouraged students to stay curious, updated, and committed to continuous learning. With 20 teams named after renowned forensic pioneers, the event offered a dynamic platform to apply theoretical knowledge through competitions such as crossword puzzles, case studies, news reporting, debates, quizzes, crime fiction writing, observation games, role plays, and treasure hunts. Atrium 2024 successfully fostered creativity, critical thinking, and teamwork among budding forensic professionals.

Synchrotech

The Department of Computational Studies organized Synchrotech 24, an Intracollegiate IT Fest themed "Singularity: Sync your tech skills." Spanning a week, the event saw 230 solo and 342 group registrations, featuring 10 teams and 10 diverse competitions. The grand finale featured Chief Guest Lt. Col. Vs Velan, CTO and founder of Elena Geo Systems Pvt Ltd, delivering the inaugural address, with finals held for all events followed by a valedictory session where winners were awarded certificates and mementos. The fest successfully blended technology, creativity, and competitive spirit to enhance student skills.

Samruddhi

Samruddhi 2024, the Annual Intracollegiate Commerce Fest organized by the Department of Professional Accounting and Finance, was centered around the theme "Nexus 360°: Converging Horizons," and embodied the spirit of excellence. Mr. Yudister Narayan, Founder of Hungry Shark Media was the chief guest. The event attracted approximately 1,190 enthusiastic students, offering them a unique platform to showcase their professional competencies and prepare for future career success. The fest featured six diverse and engaging events designed to simulate real-world business scenarios and enhance key professional skills which made Samruddhi 2024 a dynamic and enriching experience for all involved.

Excelsior

The Department of Commerce organized Excelsior 2024, an Intracollegiate Fest themed "The Revolution of Eco-Resilience." Conducted by final-year students for their juniors, the fest aimed to bridge academic learning with real-world application, fostering creativity, resource management, and business acumen. Mr. Vikram P Rao, HR Head at Withum India, served as the resource person, offering valuable industry insights to enrich students' practical understanding. Events included Marketing, Finance, HR, PR, Entrepreneurship Development, Mock Stock, Business Quiz, and Best Manager, each designed to enhance core managerial and corporate skills. Students gained meaningful exposure to the dynamics of the business world.

Synergia

The Department of Physical Sciences hosted its Intracollegiate Fest, Synergia 2024, aimed at fostering teamwork and showcasing talent across diverse fields including computer science, physics, electronics, economics, statistics, and mathematics. The inauguration was graced by Chief Guest Mr. Sandeep Prasad, Senior Infrastructure Project Manager at CGI, who highlighted the importance of scientific understanding in enhancing critical thinking, curiosity, and innovation. The fest featured nine events, drawing over 426 participants, with more than 70 reaching the finals. The fest provided a collaborative platform for creativity and intellectual growth.

Manoeuvre

Manoeuvre, the Intracollegiate IT Fest was organized by the Department of Computer Science (PG) to showcase the talents of first-year students, led by final-year students. The theme "Tech Elevation" reflected the essential skills needed to meet future challenges by bridging academia and industry. Manoeuvre 2024 was inaugurated by Mr. Sivakumar Dhakshinamoorthy, Head of Services Support at Lenovo and AI Security Researcher. The fest featured 10 events, five technical and five non-technical, challenging students in leadership, teamwork, time management, flexibility, discipline, and creativity. Highlights included the prestigious IT Manager event.

Cognizance

The Intracollegiate Fest Cognizance 2024 organised by the Department of Psychology, revolved around the theme "Mansik Unnati," emphasizing emotional, psychological, and social well-being and their impact on cognition and behaviour. Organized exclusively for undergraduate Psychology students by the department's postgraduate students, the fest featured diverse events including Brainstorm, Charisma, Creative Writing, Psycho Mime, Horus Thema, Impromptu, Billboard, Snapshot, and Silver Screen. The event concluded on a high note, inspiring participants to aim higher in future editions.

Oberiu

The Department of English organised an Intracollegiate Fest, Oberiu 2024, on the theme "Spectacular India." The chief guest, Ms. Sadhna Menon, Founder of Artenblu, captivated the audience with an engaging talk on India's rich cultural and folk art traditions, encouraging students to both celebrate and preserve this heritage. The fest featured ten competitions exclusively for the I MA English students. The event highlighted the importance of folklore in understanding India's diverse cultural fabric and inspired students to showcase their creativity in representing India's heritage.

Exactica'24

The Forensic Science Club organised the first edition of the Intracollegiate Fest, Exactica'24, a postgraduate fest conducted by final-year students for first-year peers to enhance forensic skills and foster teamwork. The chief guest, Ms. Swathi K.V., Application Head at Daily Rounds Marrow, Bengaluru, inspired students with insights on applied forensic practice. Participants were grouped into five teams named after crime series, Mind Hunters, The Sherlocks, The Clue Cult, CSI Squad, and NCIS Ninjas. The fest featured seven events, including a detective personality contest, debate, case presentation, quiz, video documentary, comic art, and role-play.

Bioventura

Bioventura'24, an Intracollegiate PG Bio-Fest, focused on the theme "Neuron Nexus," highlighting neuroscience and connectivity, brought together first-semester M.Sc. students from Biochemistry, Biotechnology, and Microbiology, with third-semester students organizing the event. Inaugurated by Chief Guest Mr. Jai Mhatre, Associate Manager at Symbio Generics India Pvt. Ltd., the event featured 10 dynamic competitions. Bioventura'24 successfully fostered creativity, collaboration, and scientific enthusiasm among participants.

Meliora

The Writers' Association organized its Intracollegiate Fest Meliora 2025, celebrating literary and creative expression. With 168 students participating from various disciplines, the fest featured five engaging competitions: Rhyme Rendezvous, Flip the Script, The Great Meme Off, Spoken Word Showdown and The Write. The Writers' Association's newsletter Inscape was also released during the inaugural ceremony of the fest. The fest concluded with a valedictory session that congratulated the winners and encouraged all participants to continue exploring their creative potential.

Yugen

The Department of Social Work organized its Intracollegiate Fest for I and II MSW students, fostering teamwork, creativity, and professional engagement. The fest featured academic, cultural, and recreational events such as Ventures of Vision (social entrepreneurship pitch), Uncharted Perspectives (debate), Penning Perspectives (essay writing), The Infinite Quest (quiz), Echoes of Understanding (role play), along with photography, reel making, and a treasure hunt. The competitions focused on key social issues and skill development.

Transit 2025

The Department of Commerce (UG) organized an Intracollegiate Logistics and Supply Chain Management Fest exclusively for the first and second year LSCM students. Five competitive events were organized for the students and all the students actively participated in those events. The fest was well coordinated and Executed by the final-year LSCM students of the college. The Fest inculcated more knowledge to the students related to the recent updates in the logistics and supply field.

Kairos

The Debating Society organised the Intracollegiate Extempore Competition, Kairos, encouraging students to think on their feet and articulate their thoughts on spontaneous topics. The competition challenged participants' critical thinking, public speaking, and presence of mind. After two intense rounds, three winners were selected based on clarity, coherence, and delivery. The event fostered confidence, quick reasoning, and effective communication among budding speakers.

Mediarchy

The Department of Media Studies organized Mediarchy 2025, an Intracollegiate Media Fest, centered around the theme Mindscapes. The chief guest, Ms. Kavya Pradeep, Multimedia Journalist at Frontline Magazine, The Hindu, Chennai, and an esteemed alumna of the department, shared her experiences on how such platforms played a pivotal role in discovering talents and fostering creativity for impactful storytelling. The event featured a variety of off-stage competitions, including Photography, Graphic Designing, Graphic Storytelling, News Writing, and Podcasting, followed by various on-stage events such as Concept Ad, Crisis Management, and News Presentation.

Economia

The Department of Economics organised Economia 2K25, an Intracollegiate Economics Fest themed "AI, Ethnicity, and Economics: Redefining Global Dynamics." The fest explored the intersection of artificial intelligence, cultural diversity, and economic transformation, offering students a platform to engage with contemporary global economic issues. The event was inaugurated by Mr. Binny Immanuel Dawson, Global Head, People Development at Export Trading Group (ETG), Bengaluru, who emphasized the growing role of AI in economic decision-making and the importance of diversity in global markets. Competitions, discussions, and interactive sessions were conducted to enhance critical thinking and economic awareness among students. Economia 2K25 successfully fostered curiosity, innovation, and interdisciplinary learning among aspiring economists.

YAAN

YAAN 2025, an Intracollegiate Culinary Fest organized by the Department of Commerce (UG), in collaboration with the Tourism Club, revolved around the theme "Kashmir to Kanyakumari." Students from the Department of Commerce, along with members of the Tourism Club, showcased their culinary talents, with their dishes judged on presentation, authenticity, and taste. The event also provided an opportunity for participants to sell their creations. Each team represented a different state, highlighting the diversity of regional flavors and culinary traditions. The winners of the competition were felicitated by Chef Dinakaran Krishanan, Corporate Chef at Three Dots and Dash, marking a memorable conclusion to the event.

Manoeuvre 2.0

Manoeuvre 2.0 a National Level Intracollegiate IT Fest, was hosted by the Department of Computer Science (PG) in celebration of National Science Day. The chief guest, Dr. A. V. G. Subramanyam, Head of the Antenna and Passive Systems Division, ISRO, delivered the inaugural address, inspiring students to embrace innovation and contribute to scientific advancement. The fest aimed to merge technology with real-world applications, equipping students with leadership skills through education, exposure, and experiential learning. The fest provided a vibrant platform for showcasing technical talents and fostering peer interaction.

Carpe Diem

Kristu Jayanti College of Law organised Carpe Diem, an Intracollegiate Legal Fest that which proved to be a transformative experience for participants, offering them practical exposure to essential legal skills such as drafting, legal counseling, and judgment writing. Through a series of interactive and engaging activities, students enhanced their critical thinking, analytical reasoning, and problem-solving abilities. The fest also served as a platform to improve communication and legal acumen, fostering confidence in articulating legal arguments effectively. The event successfully reinforced key legal concepts while providing a dynamic environment for holistic learning and growth.

Invictus 2025: An Intercollegiate Fest

The Department of Professional Management Studies proudly hosted Invictus 2025, an Inter-Collegiate Fest celebrating ambition, innovation, and leadership under the theme "Curia Regis" (Latin for "King's Council"). Inaugurated by Mr. Jean Marc Depierre, Director of Alliance Française, Bangalore, the fest brought together 152 students across 31 teams from institutions nationwide. Invictus featured six diverse events, blending individual and group challenges. Regis Royale merged branding, tourism, aviation, and analytics in an interdisciplinary challenge. Victoria Regia was a Shark Tank-style business plan pitch. Auxilium Magnum tested management teams on product strategy, finance, and marketing with celebrity branding. The King's Gambit was a high-energy business quiz, while The Grand Vizier assessed leadership under pressure. Perception Pursuit focused on PR and crisis. Invictus 2025 successfully provided a vibrant platform for students to demonstrate creativity, strategic insight, and collaborative excellence.

Prismatrix 2025: An Intercollegiate Fest

The Department of Physical Sciences conducted Prismatrix 2025, an Annual Intercollegiate Fest, that encapsulates students from a plenty of academic fields, including Computer Science, Statistics, Physics, Electronics, Economics, and Mathematics. It provided a dynamic arena for young brains to demonstrate their abilities in a range of thought-provoking contests. Mr. Paul Franklin, Director at PwC, Acceleration Center, Bengaluru, was the chief guest for the inaugural session. The chief guest, in his address underlined the fact that understanding scientific principles not only enhances critical thinking and problem-solving skills but also fosters a sense of curiosity and innovation. The fest featured activities in every category, including foundational subjects where attendees could demonstrate their abilities and find inspiration. Four events took place, namely Deal No Deal, Capital Conundrum, Cosmicon and Number Games.

Prodigy 2025: National Level Intercollegiate Management Fest

Prodigy 2025, the Annual National-Level Intercollegiate Management Fest, continued its legacy since 2003 of testing innovation, creativity, and problem-solving in aspiring managers. With the theme "The Iconic" and the tagline "Foster Resilience, Inspire Brilliance," the fest aimed to build future leaders equipped to navigate and inspire in dynamic business environments. The fest was inaugurated by Ms. Dalia Moses, Digital Marketing Manager at ACL Digital, Bengaluru, who highlighted current digital marketing trends and the essential skills for young professionals. Prodigy 2025 featured eight key events: Best Manager, Marketing, HR, EDP, Finance, Auction, Pressure Pitch, and Corporate Walk, blending innovation with leadership and strategic thinking. The fest saw enthusiastic participation with 435 students from across India, including six outstation colleges. Christ University, Bengaluru emerged as the overall champions, followed by St. Joseph's College of Commerce, Bengaluru as runners-up. The event concluded successfully, reflecting exceptional organization and spirited participation.

Kautilya 4.0: National-level Intercollegiate Fest

The Department of Economics organised Kautilya 4.0, a National-level Intercollegiate Fest which was conducted for the undergraduate and pre-university students from across the nation. The chief guest for the event was Ms. Ashwini Mrinal Bhagat, Senior Director of Netradyne, Bengaluru. The fest featured seven significant events, each designed to engage participants in unique ways. These events challenged students to think critically, collaborate effectively, and present their ideas confidently. Kautilya fostered a comprehensive educational environment through competition. They equipped students with critical skills, promoted knowledge application, and created a vibrant community of learners, all of which are instrumental in shaping well-rounded individuals prepared for future challenges.

Xactitude 2025: An Intercollegiate IT Fest

The Department of Computer Science (UG), in collaboration with the Computer Academy, successfully hosted Xactitude'25, an Intercollegiate IT fest themed "Revitalizing Tech for Tomorrow." On the Grand Finale of Xactitude'25, Mr. Aditya Prakash, Founder & CEO of NuageSync, delivered an insightful keynote on emerging technologies and industry advancements. The event featured a range of dynamic competitions: IT Manager tested strategic resource planning; Hack-n-Build was a fast-paced hackathon; BGX brought intense BGMI gaming action; CodeShift challenged coding and debugging skills; and Weblynx celebrated creative web design. DataQuest focused on data analytics, Cinephoria on video editing, Quiztacular on IT knowledge, Agora on public speaking, and Xploit on cybersecurity prowess. With its dynamic events, engaging sessions, and competitive spirit, Xactitude'25 once again proved to be a premier platform for aspiring technologists, fostering innovation, networking, and hands-on learning.

Commercia 2025: An Intercollegiate Commerce Fest

Shells 2025: An Intercollegiate IT Fest

The Department of Commerce (PG) organised the prestigious National-Level Intercollegiate Commerce Fest, Commercia 2025, on the theme, Metanoia, "A transformative change of heart." Mr. Amit Kumar Rathi, Managing Director of Unitus Capital, graced the occasion as Chief Guest with his encouraging and enthusiastic spirit addressing the gathering with importance to understanding the dynamic environment in today's commerce world and how the possession of strength and determination is vital for a successful ever evolving career. This year's theme "Metanoia" emphasized transformation, encouraging participants to embrace change and innovation in the commerce domain. The fest featured an impressive lineup of competitions designed to test students' business acumen. The fest also included, Shark Tank for entrepreneurial pitches, IPL Auction for strategic bidding, Paper Presentation for research insights, and a business-oriented Treasure Hunt. The presence of distinguished leaders from academia and industry added a significant value to this educational endeavor, which made it a premier platform for future business leaders.

Uthan 2025: An Intercollegiate Fest

Shells 2025, the Intercollegiate National-Level IT Fest, organised by the Department of Computer Science (PG) was held with great enthusiasm, setting the stage for innovation and collaboration among postgraduate students. The chief guest, Mr. Dinesh Patil, delivered a compelling keynote speech on the fusion of human intellect and artificial intelligence. He encouraged students to embrace technological advancements and develop problem-solving skills to stay ahead in the competitive industry. The event witnessed 114 students representing 15 colleges across Bengaluru, who showcased their technical expertise and creativity. The fest featured a series of competitive events designed to test participant's technical skills, creativity and problem- solving abilities. The highlights included Neural Nexus (IT quiz), WebGenie (Web Design), Innowave (Product Launch), Ground Zero Showdown (Gaming), Surprise Event, Codex (Coding and Debugging), CineCode (Videography) and Augmented Paradigm (IT Manager). Each competition pushed participants to think strategically and showcase their expertise, creating an atmosphere of intense yet thrilling competition.

Stimuli 2025: An Odyssey of Mental Wellness

The Department of Professional Accounting and Finance hosted Uthan 2025, a vibrant Intercollegiate event themed "Olympus Nexus – Divine Synergies." With participation from over 21 prestigious institutions nationwide. The inaugural session featured an inspiring keynote by Ms. Nidhi Asthana, VP of HR at Miles Education, who stressed the value of active listening and technology in leadership. Participants engaged in ten diverse competitions, ranging from strategic simulations like Best CEO and CFO to creative and analytical challenges such as Entrepreneur, Portfolio Management, Business Quiz, Treasure Hunt, and FunFair Fiesta. St. Claret College, Bangalore claimed the overall championship, with St. Aloysius College, Mangalore as runner-up. Uthan 2025 offered a dynamic platform for students to showcase their financial acumen, leadership potential, and collaborative spirit, while gaining real-world insights from industry leaders.

La Fete 2025: An Intercollegiate Literary Fest

The Department of Psychology successfully hosted its Intercollegiate Fest, Stimuli 2025 themed, "An Odyssey of Mental Wellness," which brought together students from various institutions to engage in discussions and activities focused on mental health. The fest began with an inspiring inaugural ceremony, graced by the Chief Guest, Prof. Dr. Dwarkanath Srinivas, Professor and Unit Head, Department of Neurosurgery, NIMHANS, Bengaluru. He discussed the growing relevance of neuropsychology in creating a more holistic approach to patient care, which would enhance the diagnosis and the development of treatment plans. The fest included a variety of intellectually stimulating and creatively engaging competitions ranging from quiz to treasure hunt. Over 140 students from 14 colleges actively participated, showcasing their enthusiasm and talent. The ceremony featured the distribution of well-merited awards, acknowledging the enthusiastic involvement of everyone present.

Eunoia 2025: An Intercollegiate Fest

The Department of Social Work successfully hosted its Annual Intercollegiate Fest Eunoia 2025, themed "Echoes of Wisdom: Voices of Choice." True to its name—meaning "beautiful thinking" in Greek—Eunoia celebrated creativity, intellect, and community spirit, drawing enthusiastic participation from colleges across Bengaluru. The fest featured a range of engaging activities including debates on contemporary issues, quizzes on general knowledge and social work, poster-making on human rights and inclusion, and vibrant cultural performances. Eunoia 2025 served as a dynamic platform for students to explore critical thinking, communication, leadership, and social awareness.

Inquisitor 2025: An Intercollegiate Forensic Fest

The Forensic Science Club hosted Inquisitor 2025, an Intercollegiate Forensic Fest designed for forensic science students from institutions across India. The Chief Guest for the event was M. Murugendraiah, Assistant Commissioner of Police, Sampigehalli Sub Division, Bengaluru, and Guest of Honour was Mr. Domala Sai Krishna, Managing Director of Virtual Protect Security Pvt. Ltd., Bengaluru. The fest aimed to assess and enhance students' knowledge and understanding of forensic science through a variety of engaging, science-related events. The fest featured eight events such as Spontanea (Jamming Event), Forensic Frontier (Business Plan), i-Witness (Observation Test), X-Word (Crossword), Cross Examination (Case Study Presentation), Wiz Quiz (Forensic Quiz), Life Jacket (Role-Play Debate), and Sherlock Holmes (Personality Contest).

On-Rec 2025: An Intercollegiate Media Fest

The Department of Media Studies hosted On-Ree 2025, an Intercollegiate Media Fest that provided a vibrant platform for students to engage in learning, competition, and personal growth. The event showcased a blend of creativity, teamwork, and media excellence. The chief guest for the event Mr. Prasad Naik, Editor of Vijay Karnataka Online, shared valuable insights into the evolving landscape of digital media. Drawing from over 20 years of experience, he emphasized the importance of adaptability and leveraging opportunities in the ever-changing media industry. Mr. Prasad, recounted his journey from programming to reporting, highlighting the significance of continuous learning and utilizing college resources to build a successful media career. Off-stage events such as Journalist Trail, Storyboarding, and Spot Photography encouraged creativity, while on-stage events including Crisis Management, Anchoring, Debate, and Personality Challenges honed critical thinking and presentation abilities.

Samyagdarshan 2025

Kristu Jayanti College celebrated its Annual Day, Samyagdarshan, on 24 April 2025 with great enthusiasm and elegance. The occasion was graced by Prof. Sachidananda Mohanty, National Fellow at the Indian Institute of Advanced Study, Shimla, and former Vice-Chancellor of the Central University of Odisha, as the esteemed Chief Guest.

The dais also witnessed the presence of distinguished dignitaries including Dr. Rinku Mathappan, Parent Representative; Fr. Dr. Augustine George, Principal; Fr. Dr. Lijo P Thomas, Vice Principal; Fr. Jais V Thomas, Financial Administrator and Director, Jayantian Extension Services; Dr. Gopakumar AV, Dean of Humanities; Prof. Dr. Calistus Jude, Dean of Sciences; and Dr. Aloysius Edward, Dean of Commerce and Management. The event commenced with an inaugural video and an invocation by the KJMA-led choir. Prof. Dr. Calistus Jude welcomed the gathering, followed by the annual academic report presented by Fr. Dr. Augustine George.

The informal session began at the Quadrangle with a vibrant cultural showcase featuring around 45 student performances blending music and dance. The highlight of the event was the conferring of the Miss and Mister Jayantian titles to Ms. Sneha Babu (VI Sem BBA) and Mr. Joshua B (VI Sem BA English), recognizing their outstanding contributions as graduating students.

Srujana: A Showcase of Creativity and Enterprise

The Women's Empowerment Cell of Kristu Jayanti College organised SRUJANA – an Art, Craft, and Food Stall on 11 April 2025 at the Humanities Block. Featuring 20 participants, the event displayed a vibrant mix of handmade jewellery, paintings, and a variety of delicious culinary offerings.

The event created an engaging space for students to express their creativity and entrepreneurial spirit. More than just a marketplace, Srujana served as a platform for promoting self-reliance and women's empowerment through art and enterprise. The enthusiastic participation and warm reception underscored the success of the initiative.

Ranga Samskruti: A Celebration of Theatrical Spirit

The Kristu Jayanti Theatre Club hosted Ranga Samskruti 2025, its annual theatre festival, on 12 April 2025 at the SKE Auditorium, PG Block. This year's theme, "Journey Through the Lens: Revisiting," was brought to life through the featured production Om Shanti Om, staged from 12:00 PM to 1:00 PM.

Continuing the tradition of showcasing student talent and passion for the performing arts, the event echoed the success of Ranga Samskruti 2024, reinforcing the club's dedication to theatrical excellence. The performance was a vibrant blend of emotion, effort, and artistry—testimony to the enthusiasm and teamwork of the Kristu Jayanti Theatre Club.

Delilah-A Tale of Forgiveness

Department of English, Kristu Jayanti College presented Delilah: A Tale of Forgiveness, an original student-written and directed theatrical production on April 10, 2025,. The play, a modern reimagining of Greek mythology, traced the emotional journey of Apollo and his love for the mortal Delilah, exploring themes of love, vengeance, and redemption. The performances were marked by powerful dialogue and striking visual elements that brought the myth to life. Audience members were left captivated by the seamless blend of classical narrative and modern theatrical expression.

Co-directed by final-year students Mr. Joshua B (BA English) and Ms. Shruti Sunil Jose (Psychology), the production featured powerful performances, creative staging, and an entirely student-designed set. Applauded by the audience and faculty alike, Delilah highlighted the department's commitment to nurturing creativity, collaboration, and critical thinking through the performing arts.

ಅನಾವರಣ

(KLC Got Talent- Kannada Edition)

Department of Kannada, Kristu Jayanti College organised ಅನಾವರಣ (KLC Got Talent – Kannada Edition), held on 8th April 2025 from 4:30 PM to 5:30 PM at Turf, was a vibrant cultural celebration dedicated to the richness and beauty of the Kannada language. The event showcased the diverse talents of 15 participants and was hosted by 7 enthusiastic presenters.

The performances ranged widely, including stand-up comedy, beatboxing, mimicry, storytelling, poetry, rap, anchoring, and music – all uniquely delivered in Kannada, highlighting the linguistic and cultural vibrancy of the region. The event opened with a welcome address that underscored the importance of regional languages in artistic expression and cultural identity. The program concluded with heartfelt appreciation for all performers, successfully nurturing cultural pride, promoting creative freedom, and deepening students' connection to Kannada heritage.

The Echoes of Silence

Department of Political Science, Kristu Jayanti College organised a dance performance titled The Echoes of Silence on 10th March 2025 at 12:50 PM at Chavara Square. This evocative performance explored themes of cultural erasure and the resilience of suppressed voices through a powerful combination of movement and symbolism. The dancers began the performance with covered mouths and bound bodies, representing historical oppression and silencing. The choreography was structured into three distinct phases. The production encouraged the audience to reflect on issues of historical narrative, questioning who controls history, whose voices are acknowledged, and the process of reclaiming suppressed identities. The Echoes of Silence was widely appreciated for its artistic depth and thought-provoking message, marking a successful collaboration between the two departments.

The Grand Prelude: A Tribute to Agatha Christie

Department of English, Kristu Jayanti College (Autonomous), Bengaluru, organised The Grand Prelude, a creative tribute to commemorate the 149th birth anniversary of the Queen of Crime, Agatha Christie. Held from 14 to 20 September 2024, the event featured an online book cover redesigning competition exclusively for students from the Faculty of Humanities. This creative initiative not only encouraged deeper literary engagement but also provided a platform for students to showcase their artistic flair and interpretive understanding of Christie's narratives. The Grand Prelude proved to be a fitting homage to Agatha Christie's enduring literary legacy and a successful effort in nurturing creativity and literary appreciation among students.

Samvada 2024: Empowering Budding PROs through a Model Press Conference

Department of Media Studies, Kristu Jayanti College, organised Samvada 2024, a Model Press Conference The event offered students a hands-on experience in both journalism and public relations, placing them in dual roles as spokespersons and journalists.

The conference simulated real-world crisis communication scenarios, requiring students to research, prepare statements, and face probing questions from student journalists. Three groups portrayed responses to crises—medical negligence at a hospital, financial misconduct in a fictional government, and workplace sexual harassment at an advertising agency—demonstrating professionalism, transparency, and ethical defence through reform strategies, legal evidence, and leadership accountability. The event concluded with constructive feedback from the faculty, encouraging students to refine their communication and crisis management skills further.

Mock Parliament 2024: A Simulation of Democratic Governance

Department of Political Science, Kristu Jayanti College (Autonomous), organised its flagship event, Mock Parliament 2024, on 24th September 2024. Participants assumed various parliamentary roles, including the Speaker of the House, Marshal, Secretaries, Members of the Ruling Party, and the Opposition. The session began with the formal oath-taking ceremony, followed by the drafting and discussion of bills on contemporary issues. Students engaged in structured debates, defended their positions, and navigated the formal procedures of a parliamentary session, including voting and committee interactions. The Mock Parliament aimed to deepen students' understanding of the Indian parliamentary system, legislative processes, and the essence of democratic engagement. Through this experiential learning opportunity, students honed their public speaking, critical thinking, and collaborative decision-making skills.

National Symposium on ‘Crime Scene to Court’

Department of Forensic Science organised the National Symposium on "Crime Scene to Court" on 10 October 2024. The symposium brought together 40 delegates from 10 esteemed institutions, including students and working professionals. The symposium featured a series of insightful presentations by esteemed experts Shri. Yashwanth Kumar, DySP, Crime Investigation Department (CID), Cyber Crime Division, Bengaluru, Shri. Mahesh V. Vaidya, Legal Advisor, Crime Investigation Department (CID), Dr. Dileep Kumar K B, Associate Professor, Department of Forensic Medicine and Toxicology, Bowring and Lady Curzon Hospital, and Dr. Deepak V. C., Director and Faculty in charge, Department of Forensic Dentistry, M R Ambedkar Dental College. The session focussed on the topics such as Crime Scene: Its Importance in Court Trials, Appreciation of Evidence in Court, Importance of Autopsy Reports in Court and Importance of Forensic Odontology in Court Trials which fostered valuable discussions and provided an excellent networking opportunity, reinforcing the importance of collaboration between forensic scientists, law enforcement, and legal professionals.

Seventh edition of Techne - A Forum for Visual Analysis

Department of Media Studies hosted the seventh edition of “Techne - A Forum for Visual Analysis " on October 7, 2024, Ms. Midhu S. Chalakkal, V Sem BA Visual Communication student, delivered a presentation on Synesthesia – a blend of senses. The session explored synesthesia—a scientific phenomenon—and its applications in art, media, and psycho-cinematics. Engaging the audience through interactive questions and demonstrations, Midhu explained synesthesia and drew attention to its history and science. The event was attended by the faculty members of the Department of Media Studies, as well as students from BA Visual Communication and BA Journalism and Mass Communication.

Manodarshan 2024: Showcasing Psychology through Innovation and Creativity

Department of Psychology at Kristu Jayanti College (Autonomous) successfully hosted Manodarshan 2024, the annual Psychology Exhibition, on 8th October 2024 across the M1, M2, and M3 auditoriums. The event brought together 234 students presenting academic models and 131 students participating in cultural performances. Inaugurated by Rev. Fr. Dr. Augustine George, Principal of the College. The exhibition featured a wide range of still and working models by undergraduate and postgraduate students, creatively explaining topics such as Fetal Alcohol Syndrome, Heuristics, and The Recall Riddle. Cultural performances, including mimes, skits, dance, drama, and film screenings, captivated audiences while communicating psychological ideas in engaging formats.

Rangmanch 2025

Department of Hindi, Kristu Jayanti College proudly presented two remarkable theatrical productions –Jayshankar Prasad's Kamana and Kalidasa's Shakuntala–as part of Rangmanch 2025 on 10th March 2025. The event showcased the immense talent, dedication, and passion of the students and faculty, providing the audience with a memorable celebration of Hindi literature and Indian cultural heritage.

Following this, the timeless mythological drama Shakuntala was staged with equal fervour. Fr. Dr. Augustine George, Principal of Kristu Jayanti College, expressed his appreciation for the systematic and successful execution of the production. Both Kamana and Shakuntala received enthusiastic responses from the audience, underlining the power of theatre to connect with deep literary and cultural roots through passion, teamwork, and artistic excellence.

Research Colloquium Meandros '25

Department of English, Kristu Jayanti College organised Meandros '25, a Research Colloquium for the II Semester MA English Literature students on 4th April 2025, aimed at fostering an intellectually vibrant academic atmosphere and encouraging early-stage researchers. Students were divided into two groups, and presented their research in parallel sessions held at the A1 Conference Hall and the Conclave Hall of the Admin Block. The presentations covered diverse and contemporary themes such as identity formation, mental health, and socio-political issues, analysed through various theoretical frameworks like post-colonial theory, psychoanalysis, and feminism. Meandros '25 exemplified the Department's commitment to nurturing scholarly inquiry and critical thinking among postgraduate students.

Fermented Food Fiesta

Department of Life Sciences, Kristu Jayanti College organised "Fermented Food FIESTA" on 13th March 2025 to spread awareness about the benefits of fermented foods and the role microorganisms play in enhancing the flavour of the food, preserving food and improving our overall well-being. Rev. Fr. Deepu Joy, Director Student Welfare Office inaugurated the festival along with Dr. Calistus Jude, Dean, Faculty of Sciences. Fr. Deepu Joy, appreciated the initiative of the department and highlighted the novelty and importance of festival that sets it apart from other food festivals. Games at the festival were eye openers for the visitors where they were revealed about many unknown fermented foods. The festival highlighted the importance of fermented foods in maintaining a healthy gut.

Sampoorna Swachhata

The Youth Red Cross Wing of Kristu Jayanti College organised "Sampoorna Swachhata" on 24th September 2024 at Government Lower Primary School, Sampigehalli, Bangalore, to raise awareness about cleanliness. Volunteers interacted with the lower primary students, presenting a skit on personal hygiene in a way the children could understand. The program began with an introduction to the YRC and KJC, followed by practical hygiene tips. The skit emphasized simple habits like brushing teeth twice a day, bathing daily, and washing hands before meals, highlighting how neglecting these can lead to illness. The children remained engaged throughout, answering questions and actively participating. This initiative not only helped the students grasp hygiene concepts but also encouraged them to practice and share these habits with their peers and parents, making it a valuable and impactful experience.

Microbes in Daily Life

Department of Life Sciences, Kristu Jayanti College Autonomous, Bengaluru in collaboration with Life Sciences Club organised an Exhibition on the theme "Microbes in Daily Life" as a part of the International Microorganisms Day 2024 on 20th September 2024. Rev. Dr. Augustine George, Principal, Kristu Jayanti College appreciated the initiative of the department and efforts and creativity of the by final year students of M.Sc Microbiology to prepare the exhibits to highlight the world of microorganisms. The exhibition dived into how microbes are essential for the production of many foods, beverages and in composting and organic farming practices. The exhibition ultimately highlights the importance of microbes in everyday life, revealing both their potential risks and immense benefits to humanity and the planet. The exhibition was well appreciated by all the visitors.

A Tribute to the Legend – Padma Vibhushan Ratan N Tata

The Kristu Jayanti School of Management held a tribute to Padma Vibhushan Late Ratan N. Tata, a revered industrialist in India. The event, attended by faculty members and students, featured speakers from I MBA. The panel discussed Tata's early life, upbringing, and education, highlighting his values and principles. The discussion also touched on his tenure as Chairman Emeritus of the Tata Group, where he expanded globally and focused on innovations for affordable products. Tata also made significant philanthropic contributions through Tata Trusts, including providing vaccinations to vulnerable populations. The panel also highlighted Tata's entrepreneurial spirit, launching the Tata Nano and investing in startups. The event concluded with a moment of silence, inspiring attendees to apply Tata's principles in their personal and professional lives.

Exhibition Entitled Sanskritika

The Centre for Indian Knowledge System at Kristu Jayanti College (Autonomous) successfully conducted its vibrant exhibition entitled Sanskritika. The exhibition helped the students delve deep into the rich cultural and academic heritage of India by demonstrating diverse exhibits catering to the Indian cultural nuances. The exhibition successfully featured a rich collection of artifacts, revived ancient manuscripts, monuments, medicines, textiles, and much beyond through interactive exhibits that celebrated India's transcendent contributions to global knowledge systems. The exhibition truly highlighted how India's traditional knowledge systems have not only shaped the course of history but also how it continues to inspire the same by shedding light on the path of modern and scientific thought initiating intellectual dialogue across the globe..

Readers' Gallery, a skill enhancement program

The Department of English organised Readers' Gallery, a skill enhancement program English Language and Literature students on 13th November 2024. The Book discussed was 'One Part Woman' by Perumal Murugan which holds a great deal of significance in the realms of Gender, Identity, Concept of successful marriages, Infertility and society's pressure and take on it and so on. Aparna K started the session talking about the author. Anagha Mathew went through a detailed summary. Abhinand Sunny Mathew took the audience to themes and analysis. Bijina Ann Varghese took the discussion and relevant aspects of the book where most of the students also gave their opinion on the book and its relevance in the society. The discussion of the novel continued as students discussed the events and happenings in the novel concerning the current scenario such as gender issues and conflict in identity and role in society. An interesting and engaging game was conducted by Agna Ellizabeth I MA English.

Writers' Café Epsidoe :01

The first episode of the Writers' Cafe, an event hosted by the Writers' Association, Kristu Jayanti College, was an engaging session aimed at fostering creative expression and literary discussion among the Association's budding writers. This initiative, which encourages budding writers to share their work, discuss their inspirations, and explore various forms of writing, sets the stage for a vibrant and intellectually stimulating environment. Episode No. 1 of the Writers' Cafe was a successful and enriching event that offered an excellent platform for writers to connect, share, and learn. The event's success lays the foundation for future editions and promises to continue as a key initiative.

Expoxplore 2024: A Visionary Showcase

Department of Professional Management Studies at Kristu Jayanti College proudly presented Expoxplore 2024, an innovative exhibition that serves as a platform for students to display their creative solutions, research projects, and entrepreneurial ideas. This year's exhibition is designed to foster a spirit of inquiry and hands-on learning among BBA Professional Management students, pushing the boundaries of innovation and collaboration.

With over 500 students participating across multiple projects, ExpoXplore 2024 was set to be a highly engaging and thought-provoking event. The exhibition encouraged students to take a deep dive into real-world challenges and present viable solutions. ExpoXplore 2024 promises to be an enriching experience, showcasing the best of student talent while providing a platform for professional growth and interdisciplinary learning.

Ayurveda Health Camp

Department of Life Sciences and the Kristu Jayanti Centre for Indian Knowledge System, in partnership with the University of Trans-Disciplinary Health Sciences and Technology (TDU), hosted a health camp to promote Ayurveda's holistic approach to well-being. The event was inaugurated by Vice Principal Dr. Lijo P. Thomas, along with distinguished guests from TDU, I-AIM, and faculty and students from Kristu Jayanti College. Fr. Lijo emphasized the relevance of Ayurveda in today's fast-paced world, highlighting the importance of reconnecting with nature to achieve overall health and wellness.

The event attracted over 150 participants and highlighted the enduring relevance of Ayurveda in modern health care, echoing the teachings of the Sushruta Samhita: "Swasthasya swasthya rakshanam, aaturasya vikara prashamanam cha"– "to maintain the health of the healthy and to alleviate the diseases of the sick." The camp also provided an educational platform for participants to explore the ancient science of Ayurveda and its practical applications in daily life.

KOUSHALA an exhilarating Management Exhibition

Department of Management (UG), Kristu Jayanti College, (Autonomous), conducted Marketing Exhibition. The Chief Guest of the session was Mr. Nishant K.P, Product Training Manager, Acceldata. Thomas, Vice Principal and Chief Finance Officer, and Mr. Kabir Aswani, Vice President of Moody's Corporation, Bengaluru, who inspired students with his insights on blending creativity with practical economic solutions. The exhibition showcased an array of innovative models and presentations created by students. A variety of games were organised, offering interactive entertainment for both teachers and students, fostering camaraderie and joyful participation.

These events are highlighting the application part of Economics in real life scenario The Event is both insightful and practical, created awareness and paved the way to excute the Sustainable Development Goals in to action.

Plutonia-2025 - Science Exhibition

The Department of Physical Sciences, at Kristu Jayanti College (Autonomous) held a science exhibition called Plutonia-2025 on January 22, 2025 as a part of department's goal to offer high-quality education that enhances students' technical, intellectual capacities and employment opportunities. Mr. Paul Franklin, Director, PwC, Acceleration Centre, Bengaluru and Fr. Lijo P Thomas, Vice principal & CFO, inaugurated Plutonia-2025. Exhibition included Computer Science, Electronics, Statistics, Mathematics, physics and Indian Knowledge System (IKS) concept-based projects. "Ionic Plasma Thruster", "Forecasting real world scenarios", "Handwave", "TLM related to application of trigonometry", "Res'Q -wave", "Sarvam thalam Mayam" were some of the working models included in the exhibition, which grabbed the attention of visitors. The 94 teams were in a fierce competition to achieve top three prizes for their working models. Best projects from each subject were selected.

Experiential Learning Skill Exhibition

The Department of Commerce (UG) at Kristu Jayanti College (Autonomous) hosted a vibrant Commerce Exhibition on 24th January 2025, aimed at fostering experiential learning and enhancing students' practical understanding of business concepts. Students presented innovative business strategies, marketing concepts, and financial frameworks through well-curated stalls, drawing appreciation from both peers and faculty for their creativity and analytical depth.

The exhibition was inaugurated by Mr. Antony Davis, CEO of VHT NOW, Bengaluru, who emphasized the need for innovation, adaptability, and the use of technology in modern commerce. In his keynote address, he encouraged students to equip themselves with skills aligned to global industry trends. The event concluded on a high note, inspiring students to continue exploring the dynamic and evolving landscape of commerce.

‘Mitra Milan’ – A Collaborative Exchange Programme

The Department of Social Work at Kristu Jayanti College (Autonomous) hosted the Mitra Milan programme on 16th December 2024, a collaborative exchange initiative with Sacred Heart College, Tirupattur. Sixty students and three faculty members from Sacred Heart College participated in the event, which aimed to foster cultural exchange, academic dialogue, and mutual learning between the two institutions. The programme provided a platform to share institutional insights including academic frameworks, course curriculum, teaching methodologies, and co-curricular engagement strategies, thereby enriching the learning experience for all participants.

The event featured detailed presentations from both colleges, covering key areas such as infrastructure, faculty expertise, clubs, community engagement, practical training, and placement opportunities.

Literary Food Fest Palatum Litterarum

The Department of English hosted a vibrant and imaginative Literary Food Fest under the banner of Palatum Litterarum on January 20th, 2025, at Humanities Block. The event introduced the worlds of literature and culinary arts, showcasing the creativity and enthusiasm of students. Participants presented an extensive variety of foods, each inspired by unique literary themes such as Arabian Nights, Feasts of Fiction, Desert Heavens, Divine Delights, Food and Fairy Tale, Global Street Food, Grims and Gothics, Serial Fillers, The Silk Route, Toons Picnic, Valentine Ventures, and Regal Banquets.

Adding to the immersive experience, students dressed according to their chosen themes, transforming the Humanities Block into a dynamic space filled with vibrant visuals and storytelling. The event concluded successfully, with widespread appreciation for the students’ effort, imagination, and teamwork. The Literary Food Fest proved to be a delightful celebration of culture, art, and food, leaving everyone with cherished memories and a deeper appreciation for the intersection of literature and culinary arts.

Turn a Leaf: Readers’ Corner

The Department of English organised “Turn a Leaf” for the students of BA English Literature on 14th November 2024. Four students from the class selected J.M. Coetzee short story "The Museum Guard". The event featured interactive activities that engaged participants in exploring the story’s themes and literary elements. These collaborative exercises aimed to enhance reading comprehension while fostering critical thinking and teamwork. By blending analysis with enjoyment, the event successfully created an enriching experience that encouraged participants to engage deeply with literature and develop their reading skills in a dynamic environment.

A Day with an Author: A Conversation with an International Writer

The Department of English, Kristu Jayanti College (Autonomous) organised an enlightening session titled "A Day with an Author: A Conversation with an International Writer". The event featured the distinguished presence of Ms. Dena Merriam, Founder and Coordinator of the Global Peace Initiative for Women and a member of the International Advisory Council of the Auroville Foundation. Ms. Merriam, an esteemed global peace advocate and writer, shared her thoughts on literature, spirituality, and the power of storytelling in fostering peace and understanding among diverse cultures. Her insights captivated the audience, comprising students, faculty members, and literature enthusiasts.

The session concluded with an interactive segment where students had the opportunity to engage with Ms. Merriam, asking thought-provoking questions on literature, peacebuilding, and the writer's role in today's dynamic world. The session successfully emphasized the transformative power of literature and its impact on society, leaving the audience with deep reflections on the intersection of writing, spirituality, and global peace.

Kryptos 2025

Department of Forensic Science ,Kristu Jayanti College, Bengaluru, hosted Kryptos 2025, its annual forensic science exhibition, on 28th January 2025, showcasing remarkable student innovations in forensic science. The event featured 102 unique models spanning 19 forensic sub-domains, demonstrating cutting-edge research and practical applications. The exhibition was inaugurated by Mr. Mohammad Ali Imran, Police Sub-Inspector (PSI) of Pulikeshi Nagara Police Station, East Division, Bengaluru. The Chief Guest commended the students for their creativity and dedication, highlighting forensic science's critical role in modern law enforcement.

Creatrix-2025, Life Science Exhibition

The Department of Life Sciences, Kristu Jayanti College organised Creatrix-2025, highlighting the significance of the life sciences field and its technological advancements through innovative strategies. Rev. Fr. Dr. Augustine George, Principal, inaugurated the event, and he addressed the student community. He emphasized the crucial role of Life Sciences in shaping futuristic goals and driving scientific progress across various sectors.

Creatrix-2025 featured a state-of-the-art exhibition exclusively designed for undergraduate students. It showcased a diverse range of ingenious, demonstrations of scientific concepts and technological advancements. Notably, several exhibits demonstrated the potential to evolve into start-ups, providing students with opportunities to embark on entrepreneurial ventures.

The Art of Creative Writing

The Writers' Association of Kristu Jayanti College (Autonomous), Bengaluru, successfully organised an International Lecture Series titled "The Art of Creative Writing" on February 4, 2025. Department of Professional Accounting and Finance at Kristu Jayanti College, Bengaluru, organised Pradarshan 2025, an intercollegiate commerce exhibition on February 11, 2025. The event was centred around the theme "Biznovation: Innovating Business, Igniting Change." This exhibition provided a platform for students to showcase their innovative business models and ideas that could address contemporary challenges while embracing the latest technological advancements. The exhibition witnessed the presentation of 96 diverse models, highlighting the students' creativity, problem-solving abilities, and entrepreneurial spirit.

Craft Talk on Tsgian: The Gypsy Poem

Writers' Association of Kristu Jayanti College, Autonomous, Bengaluru, organised an insightful session titled "Craft Talk on Tsgian: The Gypsy Poem" as part of their International Lecture Series. The event, featured the renowned Poet, Writer, and Creative Writing Teacher at the University of Southern California, Cecilia Woloch. She captivated the audience with her exploration of the Gypsy tradition in poetry, particularly her work on the Tsgian, a type of Gypsy poem. She illuminated the cultural significance and historical context of the Gypsies, sharing her journey of writing about their stories. Her poetry, often infused with themes of displacement, wanderlust, and identity, reflects the nomadic spirit of the Gypsy people, offering a lens through which to view marginalized voices in literature. This event significantly contributed to the cultural and literary discourse at Kristu Jayanti College.

The Artistic Alliance

Department of English at Kristu Jayanti College launched “The Artistic Alliances” as a new initiative from the department with the aim to foster the knowledge of students in the creative arts. As part of The Artistic Alliance a workshop on Discerning Creativity was organised on 11th February, 2025. The session was led by Samyuktha Rao an intuitive painter, a visual artist, art educator, and curriculum designer. Ms. Rao has been instrumental in shaping art-based learning experiences for students from diverse backgrounds. She focused on creativity as the come of art. The connection between EQ and IQ, the novelty of art and the imitation of art was also very topic of discussion. The session also made us take up a favourite movie or painting and interpret it in our own ways this making it engaging and interactive.

LIT-CON 2025: Literary Carnivalesque

Department of English at Kristu Jayanti College, Autonomous, Bengaluru, organised the Literary Cosplay Convention, Lit-Con 2025: Carnivalesque, on 13th of February 2025 in the M1 auditorium, main block, first floor. The Department of English transformed the mundane into the magical with their much-anticipated literary extravaganza, Lit-Con Carnivalesque. This carnival-themed event delved deep into the diverse realms of literature, infusing wonder into every corner. The Literary carnival was inaugurated by Fr. Dr. Augustine George, Principal, Kristu Jayanti College. He highlighted the impact of the event in moulding future literary enthusiasts. Lit-Con-Carnivalesque provided attendees with a platform to explore the intersections of literature, creativity, and imagination; transforming literature to living art. The display included nine literary themes such as Fairy Tales, the Sinister Six, Film and Movies, Captain Adventures, the Greatest Show, the Radio Retro, Mystic Falls, Hocus Pocus, and the Cupid's bow. Embracing the Carnivalesque theme, the students showcased their creativity by dressing up as their favourite literary characters, dazzling the crowd with their imaginative costumes and lively interaction.

Food ooo Food – Diverse Food and Shared Stories

The Department of Sociology at Kristu Jayanti College organised its first-ever food festival, "Food ooo Food," under the theme, Diverse Foods and Shared Stories on 14th February 2025, in the Humanities Block. The event celebrated the richness of global cuisines and their deep-rooted connections to society. The fest was inaugurated by Rev. Fr. Emmanuel P J, Director of Kristu Jayanti College of Law, who emphasized the role of food and its cultural appreciation.

The festival featured five stalls, from biryani to kimchi, chaat to drinks and various others, each depicting various regions and their cultures. The event had one message - food is not just for sustenance, rather it lays down the rich tapestry of history, traditions and social interactions. The fest encouraged both participants and students to appreciate diverse cuisines, promoting inclusivity and created curious discussions on how food brings along memories packed with emotions.

WOW (World of Women)

Department of Professional Accounting and Finance at Kristu Jayanti College (Autonomous) hosted "WOW (World of Women)", a landmark event celebrating female empowerment, leadership, and creativity. Exclusively designed for female students, WOW was remarkable for its complete execution by women—from poster design and coordination to media and tech support—making it a true "by women, for women" initiative. The grand finale featured a creative sales pitch where finalists developed and presented unique women-focused products through a confidence walk and a persuasive PowerPoint presentation. Ms. Asawari Ratnaparkhi, Test Manager at INDTT, Bengaluru, served as the jury member, offering insightful feedback to participants.

Lumos 2025: The Annual Photography Exhibition

The Department of Media Studies, Kristu Jayanti College, Autonomous organised Lumos 2025, the annual photography exhibition, on 20 February 2025. The exhibition was inaugurated by Fr. Dr. Augustine George, Principal, Kristu Jayanti College, Autonomous who commended the students for their collaborative efforts in bringing the event to life. Following the inauguration, the exhibition was open to the college community. Lumos 2025 showcased over 250 photographs from aspiring photographers across various departments, including contributions from teaching and non-teaching staff. With an open theme, the event encouraged broad participation, resulting in a diverse and captivating collection of images. The photographs were categorized into different themes and meticulously displayed, highlighting the creative vision and photography skills of Jayantians. The exhibition received overwhelmingly positive feedback, with visitors praising the artistic excellence, creativity, and meticulous curation of the showcased works.

Sonance: Two Roads to Harmony

Department of English, Kristu Jayanti College organised, the musical theatre performance, Sonance: Two Roads to Harmony, It was a vibrant and captivating production combined energetic funk music, 80s-inspired dance sequences, and a compelling narrative, the show took the audience on an emotional journey. It followed a band's meteoric rise to fame, the personal and professional conflicts that threatened to tear them apart, and their ultimate path to reconciliation. The production skilfully incorporated powerful musical numbers, including If I Can Dream and City of Stars, to underscore pivotal emotional moments. With its stellar performances, well-executed choreography, and a thoughtfully curated soundtrack, Sonance: Two Roads to Harmony left a lasting impression on the audience. The production was a testament to the creativity and talent of the students, successfully blending storytelling, music, and dance to deliver a memorable theatrical experience.

Kridotsava 2025 Annual Sports Day

The Centre for Physical Education and Fitness at Kristu Jayanti College successfully organised "KRIDOTSAVA 2025," the Annual Sports Day for undergraduate students, promoting sportsmanship and holistic development. The event spanned from 7th January to 25th January 2025, featuring a series of knockout games among twelve groups, culminating in track and field events on the final day. The grand celebration on 25th January 2025 commenced with a march past led by the college band and NCC cadets.

The event was inaugurated by the chief guest, Dr. M.A. Saleem, Director General of Police, CID, Karnataka, in the presence of esteemed dignitaries, including the Principal, Vice Principal, and entire faculty fraternity. Dr. Saleem delivered an inspiring address, emphasizing the significance of sports in fostering discipline and leadership. The day concluded with a prize distribution ceremony, where Father Vice Principal awarded trophies to the overall winners. Mr. Tharun Gowda was recognized as the Men's Individual Champion for Jayantian Ironhawks, while Ms. Irene Rose Bijoy secured the Women's Individual Championship for Jayantian Knights.

PsychoFiesta 2025: A Celebration of Emotions and Self-Discovery

PsychoFiesta 2025, organised by the Department of Psychology at Kristu Jayanti College on February 25, was an immersive celebration of emotions and self-discovery, bringing together students, faculty, and administrative staff. The event was inaugurated by Rev. Fr. Deepu Joy, Director, Student Welfare Office, who highlighted the significance of emotional intelligence in personal and academic growth. The Live Show, led by undergraduate students at the M2 Auditorium, provided an engaging platform to explore emotions in action through performances and discussions. The Exclusive Stalls, also curated by undergraduate students at the Humanities Block Entrance, showcased interactive exhibits demonstrating the role of psychology in everyday life. The overwhelming enthusiasm and participation made PsychoFiesta a meaningful and transformative event, fostering greater emotional intelligence and psychological awareness within the college community.

Nrityadarpan 2025: Fiction Reimagined – Stories Through Movements

Kristu Jayanti Dance Academy organised Nrityadarpan 2025, the grand annual dance recital on 28 February 2025. It unfolded as a mesmerizing celebration of dance, storytelling, and imagination. With the theme Fiction Reimagined – Stories Through Movements, the event brought to life legendary fictional characters through captivating performances by 100 talented dancers of the academy. Two spectacular shows were held at 11:30 AM and 3:30 PM, which showcased the students' artistic excellence, leaving the audience enthralled. The morning show was graced Chief Guest Vid. Prabha Kini, a distinguished Bharathanatyam Performer, accompanied by the members of the Management. The event was not just a dance showcase but a re-imagination of storytelling through movement, where fiction was brought to life in the most spectacular way. As Kristu Jayanti Dance Academy continues to nurture young artists, Nrityadarpan remains a shining beacon of artistic excellence and cultural expression.

Confluence 2025: A Cultural Exhibition

Department of Professional Accounting and Finance, Kristu Jayanti College organised, Confluence 2025, a Cultural Exhibition, celebrating the rich diversity of cultures represented on the campus. The exhibition was inaugurated by Dr. Winston Erevelles, President of St. Mary's University, Texas. Dr. Erevelles applauded the efforts of the students in bringing together different cultural representations through their stalls. Adding to the vibrancy of the exhibition, students from Tibet performed a traditional dance, captivating the audience with their graceful moves and colourful attire. Their performance symbolized the essence of the exhibition—celebrating diversity and fostering cross-cultural interactions.

The food stalls set up by the students, offered a delightful array of cuisines from various Indian states and international countries. Events like these reaffirm the institution's commitment to fostering diversity and intercultural harmony, making the campus a truly global learning environment.

Jnana Darshan 2024-25: Annual Book Exhibition

The Library and Information Centre at Kristu Jayanti College (Autonomous), in association with the Library Resource Usage Optimization Committee, inaugurated the much-anticipated JNANA DARSHAN 2024-25—the college's Annual Book Exhibition. This vibrant three-day event is designed to celebrate the joy of reading and promote literary engagement through a variety of enriching activities, including book review sessions, panel discussions, and the felicitation of student authors. This year's exhibition saw the participation of 22 prominent publishers, including Intact Book House, Knowledge Book House, and Kiran Books Centre. Each showcased a wide selection of academic and literary works, significantly contributing to the intellectual and cultural landscape of the college community.

UNAI PROGRAMMES

United Nations Academic Impact Hub for SDG 2

SDG Impact Hour- Edition 1: Voice For Equality

On April 11, 2025, the UNAI Hub for SDG 2 launched its SDG Impact Hour with a session titled Voice for Equality, focusing on Gender Equality (SDG 5). Held at the SDG Corner, the event featured SDG Club students sharing insights on gender equity, fostering dialogue, inclusivity, and social responsibility. The initiative empowered students to advocate for equal opportunities and promoted active engagement in building a just, gender-balanced society.

Frames of Impact

On February 4, 2025, the UNAI SDG Hub at Kristu Jayanti College hosted Frames of Impact, a videography contest themed "Capturing SDG Goals." Open to student teams, the contest encouraged creative storytelling around the UN's Sustainable Development Goals. Entries highlighted themes like poverty, education, climate action, and gender equality using diverse visual formats. The winning team included Mayoor Muraleedharan and peers, while Jyothi Prakash V secured second place. The initiative fostered awareness, creativity, and impactful advocacy.

Essay Writing Competition

Kristu Jayanti College organized an essay competition for UNAI SDG members on "Sowing Seeds of Change: Perspectives on Zero Hunger." Students explored hunger's root causes and solutions, from sustainable agriculture to technology and policy. Judged on originality and clarity, the event inspired diverse, thoughtful insights and emphasised collective action for food security.

Extension Activity Beacons of Hope

On April 23, 2025, SDG Student Club members visited Guanella Home as part of an extension activity, aiming to connect with elderly residents and understand their lives. Through heartfelt conversations and shared experiences, students gained insight into the residents' emotional well-being. Funds raised during SDG Utsav were used to donate essential items. The visit fostered empathy, compassion, and a deeper appreciation for the dignity and care our elders deserve in society.

International SDG Seminar on 'Our Power, Our Earth'

Earth Day 2025 was celebrated at Kristu Jayanti College with an International SDG Seminar themed "Our Power, Our Earth." Experts Ms. Sanmari Hennop, Social Compliance Auditor at FLO-Cert, South Africa and Mr. Francis Xavier, Agro-Ecologist, Bengaluru, shared insights on sustainability, ethical practices, and youth engagement. The event emphasised ecological awareness, climate action, and global cooperation for a sustainable future through real-world examples. The total participants for the event was 159, and all 17 SDGs were focused on in the seminar.

MOOC Certificate Course on SDG Vision 2030

The online certificate course SDG Vision 2030, started on November 1, 2024, by UNAI SDG HUB at Kristu Jayanti College, offered flexible, inclusive learning via the KJLMS platform. With 494 registrants, the course used videos, forums, and quizzes to deepen SDG knowledge. It fostered global awareness and practical engagement, awarding certificates to 238 participants who completed all requirements, thereby promoting active participation in the 2030 Sustainable Development Agenda.

SDG Utsav 2025

On March 4, 2025, the SDG Student Club at Kristu Jayanti College hosted its first SDG Utsav, an Intra-collegiate Fest, inaugurated by Rev. Fr. Jais V. Thomas and Chief Guest Mr. Chethan Elvin Das. The event featured student-led stalls, exhibitions, debates, and a caption contest, aiming to raise awareness on Sustainable Development Goals. A total of 177 students participated in the various events. The Utsav encouraged critical thinking, creativity, and collaboration on issues like climate action and gender equality. The event concluded with a prize ceremony at the newly established SDG Corner.

Food For Curious Minds Equiz

On October 16, 2024, the UNAI Hub for SDG-1 at Kristu Jayanti College, conducted the "Food for Curious Minds" E-Quiz to mark World Food Day. Open to all Jayantians, 127 students participated through Google Forms. The 45-question quiz covered nutrition, culinary arts, and Indian cuisine, promoting awareness of SDG 2: Zero Hunger. E-certificates were awarded to all participants, making it a meaningful initiative to celebrate food security, health, and cultural appreciation.

UNAI Connect: Building Future Leaders

On November 14, 2024, the UNAI Hub for SDG-1 at Kristu Jayanti College hosted UNAI Connect: Building Future Leaders, an orientation session focused on SDG-1: No Poverty. Dr. Johnas Richard A. emphasized youth involvement in global challenges and poverty eradication. The session inspired students to engage actively in SDG initiatives, concluding with an interactive Q&A that encouraged future participation. The event effectively motivated students to become proactive contributors to sustainable development and social equity.

Centre for Employability and Corporate Relations (CECR)

Career Support

Placements at Kristu Jayanti College, Autonomous, Bengaluru, have constantly proliferated every year with the due interest of leading brands from diverse sectors who visit the campus. Kristu Jayanti College has a dynamic and innovative Centre for Employability and Corporate Relations (CECR), which enables students to master the skills required for corporates. Every year students are placed in top organizations, including corporates, banks, educational institutes, etc., through CECR. More than 90 corporates visit the campus for recruitment every year. The overwhelming feedback from the recruiters regarding the performance and engagement of the students in various roles is an assurance of their trust in the quality of pedagogy and andragogy adopted at Kristu Jayanti College. The CECR continuously bridges the gap between theory learned in the classroom and practical exposure to the corporate world through the three I's: Industry, Institute, and Interface. Top executives from different sectors like IT, ITES, Retail, Manufacturing, Banking & Financial Services, FMCG, Educational institutions and Media visit the College for dynamic interaction with the students to update them on the corporate world's current trends.

Employability Skills Development

Employability skills, such as communication skills, interpersonal relationships, leadership, attitude, teamwork, etc., assist the student in getting the right job, and accelerate the pace of his/her career. In this aspect, the centre provides various courses and training to enhance their career growth, such as introduction to communication and interpersonal skills, listening skills, group communication, teamwork, interviews, aptitude, stress management, time management, public speaking skills, negotiation, conflict management and event management. The centre conducts various programs such as the 'Throwback' event to mentor and train students to enhance their knowledge and skills in which the alumni interact and provides information on cracking the interview and the work life in the organizations. The centre conducts the 'Transcend' program, where top officials of the organization interact with the students and provide the details of corporate culture and guidance.

GATE - Opening a Passage

The CECR commences the Placement Orientation and Training Programme by inaugurating GATE having the tagline, 'Opening a Passage' that is attuned to the needs of the industry in the era of globalization and the ever-growing challenges and complexities of business. Through its multifarious training verticals, GATE initiates molding employable, dedicated and committed individuals to be industry ready. Udyogvichaar (Pre-placement Talk) is a platform for corporate officials to interact with the student community, discuss the job role & process and explicate the various openings in their respective companies. Interested students choose a prospective recruiter and undergo the company selection process through GATE.

STUDY OPPORTUNITIES ABROAD

Mr. John Acevedo, Visiting Associate Professor of Practice and Faculty Director of the LLM/MCL program, Emory University School of Law, Atlanta, Georgia

The Office of International Relations and Domestic Relations at Kristu Jayanti College of Law organized an interactive session titled "Study Opportunities Abroad". The session featured Mr. John Acevedo, Visiting Associate Professor of Practice and Faculty Director of the LLM/MCL program at Emory University School of Law, Atlanta, Georgia, as the resource person. Aimed at orienting students about pursuing LLM programs abroad, Mr. Acevedo provided valuable insights into Emory Law's academic offerings such as JD and LLM programs, its diverse international student community, and the academic and cultural environment. He explained the bar exam eligibility for foreign-trained lawyers, support services for international students including legal status assistance and career workshops, and detailed the application process through LSAC, including requirements like a personal statement, transcripts, TOEFL/IELTS scores, and an interview.

INTERACTIVE SESSION ON LLM OPPORTUNITIES ABROAD

Ms. Samudra Kugel, Director of LLM Admissions and Global Outreach, University of California Davis, School of Law

The Office of International Relations and Domestic Relations at Kristu Jayanti College of Law organized an interactive session on LLM Opportunities Abroad, featuring Ms. Samudra Kugel, Director of LLM Admissions and Global Outreach at the University of California, Davis, School of Law. Attended by 340 students from the 3rd to 5th year of BA LLB, BCom LLB, and BBA LLB programs, the session aimed to orient students on international legal education opportunities, particularly at UC Davis. Ms. Kugel provided insights into the JD and LLM programs, the flexibility in course selection, and the enriching multicultural environment at UC Davis. She emphasized the support services available to international students, such as academic advising, document review, and cultural guidance, while also explaining the bar exam eligibility and application requirements. Ms. Kugel responded enthusiastically and encouraged participation by offering tokens of appreciation.

INTERNATIONAL CONFERENCE ON TRANSITIONAL PARADIGM OF CRIMINAL JURISPRUDENCE IN INDIA

The International Conference on Transitional Paradigm of Criminal Jurisprudence in India, organized in collaboration with Karnataka State Law University, aimed to explore contemporary challenges and transitions within India's criminal justice system, particularly the shift from colonial-era laws to a more indigenous legal framework. The event featured a distinguished lineup of speakers including Hon'ble Justice L. Nageshwara Rao (Former Judge, Supreme Court of India), Prof. Dr. C. Basavaraju (Vice Chancellor, KSLU), Prof. Dr. B.N. Ramesh, Hon'ble Justice Dama Sheshadri Naidu (Former Judge of multiple High Courts), Dr. John Felipe Acevedo (Emory University School of Law, USA), Adv. B.V. Acharya (Senior Advocate and Former Advocate General of Karnataka), Prof. Dr. Jennifer Stevenson (St. Mary's University School of Law, Texas, USA), Prof. Anup Surendranath (NLU Delhi), and Prof. Dr. Chidananda Reddy S. Patil (KILPAR).With over 90 paper presentations and participants from esteemed institutions across formats, the conference facilitated rich academic discourse on sub-themes such as Indianization of criminal laws, evolving legislation, victimology, and green criminology. The event successfully provided critical insights into the transformation of India's criminal jurisprudence, encouraged scholarly engagement, and offered valuable feedback to guide future research and publication.

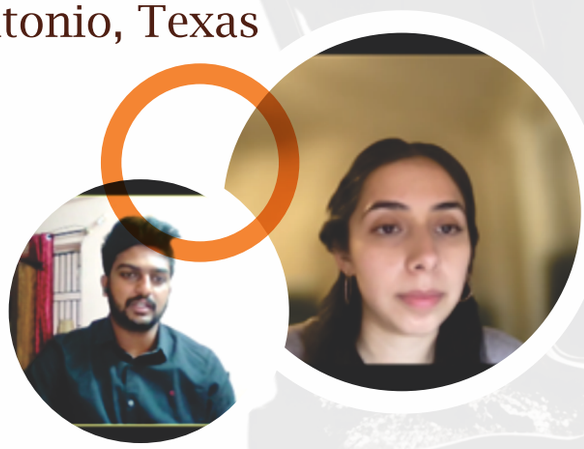

INTERACTIVE SESSION ON OPPORTUNITIES IN HIGHER LEGAL STUDIES

Professor Anand Prakash Mishra, Associate Professor, Associate Dean, and Director of Law Admissions, Jindal Global Law School, OP Jindal Global University

Kristu Jayanti College of Law organized an interactive session on Opportunities in Higher Legal Studies, featuring Professor Anand Prakash Mishra, Associate Professor, Associate Dean, and Director of Law Admissions at Jindal Global Law School, OP Jindal Global University. The session was attended by 50 third-year BBA LLB students and aimed to enlighten them on the importance and prospects of advanced legal education. Prof. Mishra emphasized the growing significance of a master's degree in law and discussed the various LLM specializations offered at JGLS, including Intellectual Property Rights, Environmental Law, Corporate and Financial Law, and Alternative Dispute Resolution. He also shared insights into the admission process, internship and placement opportunities, and inspiring success stories of past students. Prof. Mishra invited the students for a campus tour of JGLS, encouraging further engagement.

ORIENTATION AND DEMONSTRATION ON ONE-ON-ONE NEGOTIATION

Students of St. Mary's University School of Law, San Antonio, Texas

The Office of International Relations and Domestic Relations at Kristu Jayanti College of Law organized an online session titled “Orientation and Demonstration on One-on-One Negotiation” in collaboration with St. Mary's University School of Law, San Antonio, Texas, bringing together 12 students from each institution for an interactive cross-cultural learning experience. Conducted via Zoom, the event included one-on-one negotiation simulations where participants, assigned to breakout rooms, represented opposing parties in a business dispute scenario. The

AN OVERVIEW ON INTERNATIONAL TRADE LAW AND WTO

Prof. (Dr.) T.R. Subramanya, Dean, School of Legal Studies, Bengaluru, and Former Vice Chancellor of Karnataka State Law University

Kristu Jayanti College of Law organized a Nyaya Samvada session on the theme "An Overview on International Trade Law and WTO," featuring Prof. (Dr.) T.R. Subramanya, Dean, School of Legal Studies, Bengaluru, and Former Vice Chancellor of Karnataka State Law University. Addressing students from various LLB streams, Prof. Subramanya began by explaining the fundamental concept of trade, highlighting historical events such as the American Civil War and the Alabama ship incident to illustrate trade's global impact. He traced the evolution of international trade laws, discussing the formation of the League of Nations and the General Agreement on Tariffs and Trade (GATT), noting GATT's limitations in areas like Intellectual Property Rights and trade in services.

AN OVERVIEW ON INTERNATIONAL TRADE LAW AND WTO

Associate Professor Shalini S, Christ Academy Institute of Law, Bengaluru

A lecture on the theme “Money Matters: A Dive into Financial Management” was conducted by Associate Professor Shalini S from Christ Academy Institute of Law, Bengaluru. The session offered valuable insights into the fundamentals of financial management, with a focus on practical strategies for budgeting, saving, investing, and planning for financial stability. Professor Shalini skillfully broke down complex financial concepts into relatable examples, making the subject accessible and engaging for students. The lecture emphasized the importance of financial literacy in everyday life and encouraged participants to adopt responsible financial habits early on.

ERADICATION OF CHILD LABOUR: CHALLENGES AND MEASURES

Dr. G. Manjunath, Additional Labour Commissioner, Government of Karnataka

On the occasion of World Anti-Child Labour Day, Kristu Jayanti College of Law organized a Nyaya Samvada session on the theme "Eradication of Child Labour: Challenges and Measures." The event began with a choir invocation and a collective oath-taking ceremony reaffirming the commitment to eliminate child labour. Prof. Dr. Mohan Rao Bolla welcomed the gathering, emphasizing the significance of the day, while Fr. Emmanuel P. J. outlined the role of educational institutions in addressing social issues through platforms like Nyaya Samvada. The keynote speaker, Dr. G. Manjunath, Additional Labour Commissioner, Government of Karnataka, discussed legal frameworks, policy implementation, statistics, and rehabilitation measures, especially the challenges of age determination in child labour cases.

students were provided with detailed fact patterns beforehand and demonstrated their negotiation skills by engaging in strategic dialogue to resolve the issue. Professors Jennifer S. Stevenson and Dr. Mohan R. Bolla addressed the gathering, emphasizing the significance of negotiation in legal practice. The initiative successfully highlighted the importance of experiential and international learning in legal education.

LECTURE ON PRINCIPLES OF ARBITRATION

Mr. Akash Gupta, Assistant Professor, Jindal Global Law School

Kristu Jayanti College of Law organized a session under the Upanyasa Lecture Series on the theme "Principles of Arbitration," featuring Mr. Akash Gupta, Assistant Professor at Jindal Global Law School, for the fourth-year LLB students. Mr. Gupta began the session with engaging questions about Alternative Dispute Resolution (ADR) and explained the core principles of arbitration, distinguishing it from other ADR methods like mediation and negotiation. He emphasized arbitration as a promising career path and guided students on relevant books, internships, and academic programs such as summer and winter schools focused on arbitration. Additionally, he highlighted prominent arbitration centre's in India and abroad and discussed the role of ADR in reducing the burden on the judiciary.

LECTURE ON GLIMPSES ON DOCTRINES OF PROPERTY LAW IN INDIA

Prof. K. Shivaprasad, Head Academics,Rajiv Gandhi College of Law, Bengaluru, and Chairman of the Board of Education, KSLU Hubbali

Kristu Jayanti College of Law hosted an Upanyasa Lecture Series session on the theme "Glimpses on Doctrines of Property Law in India," featuring Prof. K. Shivaprasad, Head Academics at Rajiv Gandhi College of Law, Bengaluru, and Chairman of the Board of Education, KSLU Hubbali. Addressing third-year LLB students, Prof. Shivaprasad delivered a detailed and engaging lecture on the Transfer of Property Act, presenting a comprehensive overview of all thirty doctrines within it. He created a mind map incorporating relevant sections to enhance understanding and supported his teaching with real-life examples, even moving among the students to increase engagement. Drawing from his extensive academic experience, including participation in over 20 workshops and delivery of more than 30 guest lectures, Prof. Shivaprasad also shared personal insights on becoming a better law student and legal professional.

NAVIGATING ENGLISH PROFICIENCY IN EXAMS

Dr. Pradeep S. Raj, Assistant Professor of English, Kristu Jayanti College Autonomous

Kristu Jayanti College of Law organized a Vidya Vistarana Karyakrama on the theme "Navigating English Proficiency in Exams", aimed at enhancing students' English language skills for academic and competitive examinations. The session was led by Dr. Pradeep S. Raj, a seasoned academic and language expert, who focused on strengthening essential areas such as reading comprehension, writing proficiency, vocabulary development, and grammatical accuracy. Emphasizing practical strategies and exam-oriented techniques, Dr. Raj guided students on how to approach various types of language-based questions with confidence and clarity.

INTERACTIVE SESSION ON LLM OPPORTUNITIES ABROAD

Dr. Shirley Barrett, Acting Head of the Global Business & Enterprise Department at Ulster University

Kristu Jayanti College of Law hosted an interactive session on LLM Opportunities Abroad featuring Dr. Shirley Barrett, Acting Head of the Global Business & Enterprise Department at Ulster University. With a small group of eight students from across all years of BA LLB, BCom LLB, and BBA LLB, the session offered a personalized and in-depth exploration of postgraduate legal education abroad. Dr. Barrett introduced students to the academic environment at Ulster University, particularly emphasizing the unique post-conflict culture of Northern Ireland as a valuable learning context for law students. She highlighted support services for international students, including workshops, advisory resources, and scholarship opportunities. She also encouraged students to explore interdisciplinary interests—such as combining law with business—to enhance career prospects.

NAVAPRAVARTHANAM – III

Ms. Ashwitha, Assistant Professor and member of the Centre for Life Skills Education, Kristu Jayanti College Autonomous

Kristu Jayanti College of Law organized Navapravarthanam – III, a Creative Thinking Competition for first to third-year LLB students aimed at enhancing their creative problem-solving skills, which are vital for future careers, including the legal profession. The event featured innovative presentations by various student teams, highlighting the importance of creative thinking as a marketable and essential skill according to the World Economic Forum. Judged by Ms. Ashwitha, Assistant Professor and member of the Centre for Life Skills Education, the competition positively impacted students' academic interest, identity, and socio-emotional development by integrating life skills education into their learning.

LLM OPPORTUNITIES ABROAD FEATURING

Dr. Shirley Barrett, Acting Head of the Global Business & Enterprise Department at Ulster University

Kristu Jayanti College of Law hosted an interactive session on LLM Opportunities Abroad featuring Dr. Shirley Barrett, Acting Head of the Global Business & Enterprise Department at Ulster University. With a small group of eight students from across all years of BA LLB, BCom LLB, and BBA LLB, the session offered a personalized and in-depth exploration of postgraduate legal education abroad. Dr. Barrett introduced students to the academic environment at Ulster University, particularly emphasizing the unique post-conflict culture of Northern Ireland as a valuable learning context for law students. She highlighted support services for international students, including workshops, advisory resources, and scholarship opportunities. She also encouraged students to explore interdisciplinary interests—such as combining law with business—to enhance career prospects.

THE POWER OF PURPOSE – AN INTERACTIVE SESSION

Ms. Taryn McCoy, Global Health Coordinator, Gordon E. Inman College, Belmont University,Nashville, Tennessee

Kristu Jayanti College of Law organized an interactive session titled "The Power of Purpose" featuring Ms. Taryn McCoy, Global Health Coordinator at the Gordon E. Inman College, Belmont University, Nashville, Tennessee. Attended by 340 students, the session aimed to help students reflect on the value of purpose and guide them in identifying meaningful opportunities. Ms. McCoy began by prompting students to consider why they chose to study law, then shared her personal journey from being a medical student and nurse to becoming a global health coordinator. Drawing from her experiences during the COVID-19 pandemic and her work across several countries, she illustrated how facing challenges can reveal one's true calling. She emphasized that every profession, including law, holds deep purpose when pursued with ethics and integrity.

THE POWER OF PURPOSE – AN INTERACTIVE SESSION

Hon'ble Justice Sri Dinesh Kumar, Former Chief Justice of the High Court of Karnataka

During the College Annual Day Celebration, Hon'ble Justice Sri Dinesh Kumar, Former Chief Justice of the High Court of Karnataka, delivered an inspiring address encouraging students to strive for excellence and uphold values in their personal and professional lives. Prof. Dr. Mohan R Bolla, Principal of Kristu Jayanti College of Law, presented the Annual Report, highlighting the institution's academic and extracurricular achievements over the year. Dr. Abraham Varghese, representing the parents, commended the college's role in fostering holistic education. Fr. Emmanuel P J announced the Best Outgoing Students, emphasizing recognition of well-rounded development.

LECTURE ON THE FUNDAMENTALS OF ECONOMICS

Dr. Sivasubramanian K., Head of the Department of Economics, Kristu Jayanti College Autonomous

Dr. Sivasubramanian K., Head of the Department of Economics, delivered a comprehensive lecture on the fundamentals of economics, introducing it as the study of how individuals and societies manage scarce resources to meet unlimited wants. He explained the core branches of economics—microeconomics, which deals with individual choices and resource allocation, and macroeconomics, which examines broader economic indicators such as inflation and GDP. Key concepts like scarcity, opportunity cost, and supply and demand were elaborated using real-life examples such as global trade patterns and fuel price fluctuations.

WORKSHOP ON CONSUMER PROTECTION LAW

Hon'ble Dr. S.M. Kantikar, Former Member, National Consumer Commission (NCDRC), New Delhi

The workshop on Consumer Protection Law featured a series of insightful sessions led by distinguished resource persons who addressed various aspects of consumer rights and legal frameworks. Hon'ble Dr. S.M. Kantikar provided an overview of the evolution of consumer protection laws from the 1986 Act to the updated 2019 version, emphasizing the significance of Section 27 in defining a consumer. Shri Shivaram Kevala discussed real-life case examples, making the legal implications more relatable and engaging. Prof. P.V.V.S. Moorthi highlighted the importance of advocacy and awareness in ensuring effective consumer protection. Prof. Dr. Ashok R. Patil shared his key contributions to drafting the 2019 Act, focusing on mediation, product liability, and challenges posed by e-commerce.

ROAD TO UPSC: MAPPING YOUR UPSC JOURNEY

Mr. Premanand S, Branch Head of Shankar IAS Academy, Bengaluru

The Centre for Competitive Examinations Training at Kristu Jayanti College organized an expert lecture titled "Road to UPSC: Mapping Your UPSC Journey" in collaboration with Shankar IAS Academy, Bengaluru, featuring Mr. Premanand S, Branch Head of the academy. The session provided aspiring civil servants with strategic guidance on preparing for the UPSC Civil Services Examination, covering essential aspects such as the structure of the exam (Prelims, Mains, and Interview), selection of optional subjects, disciplined study routines, and resource utilization. Mr. Premanand emphasized the importance of staying informed on current affairs, building strong general knowledge, and maintaining mental well-being during preparation.

LEGAL AWARENESS PROGRAMME ON LEGAL SERVICES DAY

Hon'ble Justice Sri. Bhola Pandit, Senior Civil Judge & Member Secretary of DSLA Bengaluru Rural District

Hon'ble Justice Sri. Bhola Pandit, Senior Civil Judge & Member Secretary of DSLA Bengaluru Rural District, delivered a powerful address emphasizing that every individual, regardless of their social or economic background, is entitled to fundamental rights and legal remedies. He highlighted the importance of legal awareness in rural areas where access to legal resources is often limited, and underscored the role of DSLA and KSLA in bridging this gap to ensure justice for all. Justice Pandit also educated the audience, including law students, on the operations and regulations governing Legal Aid Clinics and legal services authorities at various levels.

INVESTITURE CEREMONY ADDRESS

Mr. Mukesh Tyagi, Inspector General (Designated) of Central Electronics and Design Communication (CEDCO) and Subsidiary Training Centre, BSF Bengaluru

During the Investiture Ceremony at Kristu Jayanti College of Law, Chief Guest Mr. Mukesh Tyagi, Inspector General (Designated) of Central Electronics and Design Communication (CEDCO) and Subsidiary Training Centre, BSF Bengaluru, delivered an inspiring address emphasizing the unwavering dedication and resilience of the Border Security Force. He shed light on the rigorous challenges faced by BSF personnel, including harsh climatic conditions and demanding operational hours, while underscoring the critical role they play in safeguarding the nation. Mr. Tyagi also spoke about the various threats posed by neighboring countries, the eligibility criteria for joining the BSF, and the profound patriotism required of every Indian citizen. His speech instilled a deep sense of national pride and commitment among the students, reinforcing values of leadership, service, and unity.

EXPERT TALK: HEALTH AND HYGIENE

Dr. Geethika Ganapathy, Infertility Specialist, Obstetrician & Gynecologist

Dr. Geethika Ganapathy led an insightful expert talk on 'Health and Hygiene' for the girl students of Kristu Jayanti College of Law, focusing on everyday health issues faced by women. She initiated the session with an interactive discussion, encouraging students to share personal concerns and offering practical suggestions in response. The talk emphasized the importance of maintaining hygiene, including the correct use of sanitary products and health equipment. Dr. Geethika also highlighted preventive measures and healthy lifestyle habits, aiming to empower students with knowledge to make informed decisions about their well-being.

PLACEMENT TALK

Ms. Sherlin, Vihaan NGO

Ms. Sherlin from Vihaan, a non-profit organization focused on combating human trafficking, delivered an insightful session highlighting the organization's multifaceted approach involving prevention, rescue, rehabilitation, law enforcement collaboration, and policy advocacy. She emphasized the critical role of Legal Consultants in supporting Vihaan's mission, outlining responsibilities such as representing the organization in criminal and civil court proceedings, offering legal advice, managing casework, ensuring legal compliance, conducting legal training, and advocating for systemic policy reforms.

AWARENESS PROGRAMME

Mr. Daniel Edwin Jaya Das, Managing Trustee of the Human Rights Advocacy and Research Foundation

The SC/ST Cell organized an awareness programme titled "Show Casteism the Red Card," aimed at educating 1st and 2nd year BA LLB, BBA LLB, and B.Com LLB students about caste-based discrimination and its impact on social cohesion and individual well-being. Led by Mr. Daniel Edwin Jaya Das, Managing Trustee of the Human Rights Advocacy and Research Foundation, the session adopted a participatory approach to deepen students' understanding of casteism, its challenges, and ways to confront and overcome them. The programme successfully encouraged students to recognize caste-based discrimination, share their experiences, and learn strategies for addressing these issues.

THE ART OF PUBLIC SPEAKING

Mr. Mebin Cherian, Campaign Manager for PhonePe Ads

The Anchors' Association organized a guest lecture on skill development focused on "The Art of Public Speaking," led by Mr. Mebin Cherian, Campaign Manager for PhonePe Ads and an alumnus of Kristu Jayanti College. The session aimed to build participants' confidence, improve verbal and non-verbal communication, and enhance audience engagement through effective speech structuring and impromptu speaking practice. Using an engaging A-to-Z format, the speaker highlighted essential communication traits, the importance of body language, presence of mind, and discovering a unique speaking style. The interactive session fostered active participation, helping students step out of their comfort zones and gain practical communication skills.

AWARENESS PROGRAMME ON AMBEDKARISM AND SOCIAL JUSTICE

Prof. Dr. V. Vijayakumar, Vice Chancellor of National Law Institute University, Bhopal and Mr. Shiva Sundar, Senior Journalist

The NSS and SC/ST Cell of Kristu Jayanti College of Law organized an awareness programme on 'Ambedkarism and Social Justice' to commemorate Dr. B.R. Ambedkar's birth anniversary and promote awareness of caste-based discrimination and the importance of social justice. The event featured insightful sessions by Prof. Dr. V. Vijayakumar, who emphasized the gap between constitutional ideals and their implementation, and Mr. Shiva Sundar, who highlighted Ambedkar's underrecognized contributions and urged students to question existing social structures. A vibrant Q&A session allowed students to engage critically with the themes discussed. The second part of the event included a peaceful rally around the campus, with students holding placards and slogans to visually reinforce the message of equality and inclusiveness.

AWARENESS SESSION ON THE POSH ACT

Dr. Sapna S., Associate Dean at Christ School of Law

Dr. Sapna S., Associate Dean at Christ School of Law, led an impactful awareness session on the POSH Act, offering comprehensive insights into the legal framework surrounding sexual harassment at the workplace. She traced the historical development and contemporary significance of the law, highlighting key components such as the definition and scope of sexual harassment, the role and functioning of the Internal Committee (IC) and Local Complaints Committee (LCC), and the rights and responsibilities of both employers and employees. Her detailed explanation of the redressal mechanisms and timelines provided clarity on procedural aspects.

INTERNATIONAL COLLABORATIONS

The Office of International and Domestic Relations seeks to collaborate with prestigious universities all over the world with the aim of providing the teaching and learning community at Kristu Jayanti College invaluable opportunities to explore new horizons and also provide ease of access to a multitude of enriching academic prospects.

Our college has currently established strong partnerships with 53 universities worldwide, fostering a immersive global academic experience for our students through various programmes. These partnerships bring a plethora of exclusive benefits to the academic community at Kristu Jayanti, including reciprocal exchanges of both students and faculty members. Dynamic exchange of knowledge is fostered through a range of avenues, including short-term study opportunities, joint research publications, and other collaborative initiatives that aim to enrich the academic experience of every individual.

Kristu Jayanti Software Development Centre (KJSDC)

The Kristu Jayanti Software Development Centre (KJSDC), founded by Kristu Jayanti (Deemed to be University) during its Jubilee Year, is an innovative initiative aimed at fostering technological excellence and real-world software solutions. Supported by CUFA, a company established by the University's alumni in Ireland that provides technical expertise, KJSDC is comprised entirely of Kristu Jayanti alumni, making it a unique platform that reflects the University's legacy of excellence and collaboration. The Centre serves as a hub for nurturing talent, encouraging collaborative projects, and bridging academic knowledge with industry practices to create impactful digital innovations. It also provides internship opportunities for students of Computer Science and Physical Sciences, enabling them to gain hands-on experience in software development and emerging technologies. Currently, the KJSDC team is working on building a comprehensive ERP solution to manage the entire University and its affiliated institutions, further strengthening the digital backbone of Kristu Jayanti.
