The Department of Computer Science, Kristu Jayanti college organized the 9th edition of Vidwat Sammilan, which was held on September 03, 2024. Prof. Ved Prakash, former Chairman of the University Grants Commission (UGC), former Chancellor of KIIT University, Bhubaneswar, and former Vice-Chancellor of NUEPA, New Delhi, was the speaker, and the highlight of the event was his keynote address on the topic, 'Success in Life.' As a prominent figure in shaping higher education policy in India, Prof. Ved Prakash shared valuable insights from his illustrious career spanning over 48 years. He emphasized that the aim of higher education extends beyond the scope of school education, preparing individuals to face a fiercely

competitive world. He highlighted the need to strive for individual achievement while promoting the composite culture of the country. During his speech, he discussed three key factors that contribute to success: lifelong learning, the ability to see inspiring dreams, and the importance of learning from mistakes. He underscored the necessity of self-realization through two distinct paths: the path of knowledge and the path reflecting on societal challenges. His encouraged the students to channel their talents effectively to achieve success. He also emphasized lifelong learning, as stepping stones to achieve success.

Art Journaling Workshop: Bridging Creativity and Reporting

Akhilesh Bora

The Department of English, Kristu Jayanti College recently hosted an art journaling workshop designed to enhance participants' art skills. On discussing with a participant Yona Kharkhongor of second year MA. English Literature, she expressed her experience about the stress free activity. She said, "Stress is a major concern for students, disturbing them from maintaining a healthy lifestyle, while art can be a relief, a way of expressing emotions creatively. Engaging in activities like painting, drawing, or crafting can take your mind off of worries, it helps to feel more focused, and provide a sense of accomplishment." One of the key skills and techniques that was discussed during the workshop was visualization. The participants were able to practice the techniques of visualization which helped them to understand and connect with the artwork on a deeper level.
