# NATIONAL LEVEL WORKSHOP ON NATURAL LANGUAGE PROCESSING

## APRIL 25 & 26, 2019

### Objectives of Workshop

The Department of Computer Science (PG) and IEEE Student Branch of Kristu Jayanti College organise National Level Workshop on Natural Language Processing using Python on April 25 – 26, 2019. The workshop aims at demonstrating Natural Language Processing (NLP) and its findings to leading academicians, scientists, researchers and practitioners. This area of research has been constantly gaining momentum and attention over the past few years as textual material become available in abundance. This resulted in an interesting array of practical applications. The primary objective is to share insights on NLP techniques and applications using Python. It is anticipated that we will see many exciting new discoveries here in the next few years.
