Date: 03/07/2017

No. of Beneficiaries: 228 students

Name and details of Resource person: Ms. Antonia Ratnakala, Director, Tasalli Shelter Home for Women, Institute for family well-being, Bangalore

Objective: To create awareness about teenage attitudinal changes

Brief write-up about the programme:

The Women Empowerment Cell organized a session on "How to deal with your teenage life" for First year B. Com students. The speaker for the event was Ms. Antonia Ratnakala who is a social worker with over 20 years of experience in development work. Ms. Antonio heads institute for family wellbeing, an organisation focused on creating awareness about violence, trafficking, child sexual abuse, child marriage, and rape.

During the one-hour session she talked about traits of a healthy relationship where good communication, respect, trust, honesty and equality plays an important role. She also mentioned the traits of an unhealthy and abusive relationship which lacks good communication, honesty, trust, respect and which includes physical and emotional abuse. She continued with the cycle of abuse which starts with Tension building which includes fights and verbal abuse which is then followed by second stage of the cycle, physical abuse. Certain external influences lead to reconciliation which is the third stage of the cycle. This is followed by the temporary Honeymoon period which is the fourth stage of the cycle and it includes giving gifts to each other. This stage does not last long and reverts back to the first stage and the cycle continues. She further talks about how love is not just a mere emotion but a commitment towards the future.

As the session continued one of the members from the organisation Ms. Akansha shared her experiences with the students where she talked about her married life and the difficulties she went through. Ms. Antonia made the students aware and gave them certain warning signs of abuse where physical hurting, possessiveness, isolating someone were some of the elements. "Take precaution and you will have a Healthy life". By quoting this Ms. Antonia ended the seminar.

Ms. Antonia Ratnakala, addressing students

Prof. Suku focused on making one realize to utilize the available resources and to thank God for everything that one possess. He mentioned about Susan Boyle who faced all odds and criticisms but at the end won everyone's hearts and won the Britain Got Talent. He then spoke about the famous social worker, Mother Teresa and about the good traits in her. He also mentioned about how people have influenced him in his life and how teachers play a very vital role in his life. DEPARTMENT OF ENGLISH (PG)

SESSION ON THE ESSENCE OF FRENCH CULTURE

Total number of participants: 45

Objective: To understand and experience the essence of French Culture.

Brief Write up on the session:

The postgraduate students and staff of the English Department (PG) at Kristu Jayanti College were treated to a full-fledged parisian experience thanks to the entrée provided by Mr. Regis Caudrillier. “A product of France” was how Monsieur Regis Caudrillier introduced himself to his audience at the session delivered by him on the 19th of December 2017. The topic of the session was, “*The Essence of French Culture*” and Mr Caudrillier successfully managed to distil the broad and extensive subject of French Culture...even including various current trends to present it effortlessly and beautifully to his spell bound audience. Conference Hall II in the PG Block was redolent of the eau de cologne of France thanks to Mr. Regis Caudrillier articulating on the themes of the Arts, Literature, Theatre, Cinema, Music and the effervescent yet resilient French identity. The metropolitan demography that characterizes France today doesn't stop them from being ambassadors of their heritage wherever they travel. This fact is corroborated by the presence of about 820 L'Alliance Francaise cultural centers across the world. His talk was peppered with interesting accounts from his personal life growing up in France as well as an expatriate here in Bangalore. From his experiment in writing poetry to the strict etiquette required of a French national Mr Caudrillier had the students eating out of his hands quite literally when he served up individual portions of French Cheese and bread to all those present in the audience. He also elaborated on the influence of the French revolution all over the world and the importance of preserving and fostering ethnic cultures and languages in the globalized world of today. He concluded with a warm invitation to the students present to the Alliance Francaise De Bangalore – cultural Centre of France in Bangalore and informed the students of the PhD programs and scholarships on offer there. The session ended with a question answer session.

The 3i on essential skills required in BFSI enriching experience for students. Banking, Financial Services and Insurance (**BFSI**) is an industry term for companies that provide a range of such financial products/services such as universal banks. BFSI comprises commercial banks, insurance companies, non-banking financial companies, cooperatives, pension's funds, mutual funds and other smaller financial entities. Payments relating to purchases should have a purchase order/invoice from your supplier. These payments should be processed through the purchases module and not as a bank payment.
